

Married At First Sight

Married At First Sight Chapter 3186-Zachary asked, "Evan, are you in Wiltspoon now?"

"Yes." Evan explained, a little embarrassedly, "Brother, I was busy as soon as I came back." I didn't even have time to go back or see Grandma. Did Grandma miss me? I'm going to play with Grandma for two days this weekend."

Grandma was just an old child. They needed to play with her.

As long as they have free time, they are also happy to play with Grandma. Of course, they are often played around with by grandma.

As long as Grandma is happy!

"That's on the weekend. Do you have time tonight? Your sister-in-law asked you to have dinner at the Wiltspoon Hotel and asked you to come over in the evening."

Evan was stunned and asked, "Sister-in-law invited me to dinner?"

Why did the sister-in-law invite him to dinner for no reason?

Evan was a little flustered. He always felt that it was unusual for his sister-in-law to invite him to dinner.

This may be the reason why he was restless in the afternoon.

Zachary said, "Well, your sister-in-law said that she would treat you to dinner. You should come over at about 5:30 in the evening. Your sister-in-law and I will wait for you at the hotel. If you arrive early, you can wait for us. You can order whatever dishes you want to eat in advance."

In their own hotel, they could eat whatever they wanted.

Evan responded first, "Okay, I will go from the company at 5:30 in the evening. I should arrive at the hotel at about the same time as my elder brother."

If his eldest brother or sister-in-law invites him to dinner, no matter what the reason is, he will go.

After agreeing, Evan asked tentatively, "Brother, how could my sister-in-law think of inviting me to dinner? It's just out of character and without reason. I'm a little freaked out about this, fearing that I might have upset my sister-in-law without even realizing it.

Brother, do you know the reason? Tell me. I am mentally prepared and know what I did wrong. I will apologize to my sister-in-law in person during dinner tonight."

Zachary said in a deep voice, "Why, your sister-in-law and I invite you to dinner; do you have to offend us before we can invite you?"

Evan said, "No, I just think...brother, I'm not afraid of your jokes. I've been feeling uneasy since the afternoon, as if something bad was going to happen. So, my sister-in-law suddenly invited me to dinner, and I was worried."

Zachary pursed his lips and said, "To be honest, I don't know why your sister-in-law invited you to dinner. She just called me and asked that I contact you. If you are in Wiltspoon, we will go over and have dinner together in the evening. I've informed you, and you agreed. If I can't see you in the evening, don't call me brother."

After saying that, Zachary hung up the phone.

Evan: "The reason for my uneasiness is here, but I still don't understand what it is."

He didn't even know why Serenity suddenly said she wanted to treat him to dinner.

It's okay; Serenity won't take the initiative to invite him to dinner. Will it be a brothers' dinner?

Evan quickly sent Elian a message, asking if he was in Wiltspoon. After receiving Elian's reply, he inquired if his sister-in-law had invited Elian to dinner.

Elian replied to him: Brother, my sister-in-law didn't say she wanted to treat me to a meal. Why treat you to a meal? My sister-in-law is too biased. She invited you to dinner, but not me.

Evan: "I don't want this kind of favoritism yet."

He was very uneasy, and he didn't even know what kind of medicine Serenity sold in her gourd.

Zachary said he didn't know anymore.

Something even Zachary didn't know.

Evan became more and more uneasy. If he had known better, he would not have agreed.

Now that he has agreed, he cannot turn it down, or Zachary will be angry.
