

Married At First Sight Chapter 3124-Then Tatum returned to the sofa and sat down, leaning back on the sofa, thinking about what to cook tomorrow so that he could conquer Elora's stomach in one fell swoop and win him the position of Ormond's chef.

Should he cook what he is best at, or something he rarely cooks?

Sipping the fragrant tea slowly, Tatum decided to make some decent dishes. He made the best dish right away, and there would be nothing good in the future.

The best thing had to be saved for the finale.

However, he liked to cook and had been studying it for more than ten years. Even though he was young, even if he thought that the dishes he cooked were quite satisfactory, they were all delicacies for ordinary people.

The snacks he made today were not his best, but Elora still ate them.

Although no one told him, Elora ate the snacks he made.

He guessed that Elora had eaten it. Otherwise, Elora would not let the butler inform him to take the retest tomorrow afternoon.

He just didn't know if there were any other competitors besides him?

Tatum just arrived in Annenburg today and hasn't had time to find out if there are any competitors. Thinking about it, even if there were competitors, Elora would not let them take the retest at the same time.

"Dudu——"

He received a new message on his phone.

It's a voice message from Zachary.

Tatum clicked on the voice message sent by Zachary, and Zachary asked him, "Did you pass the interview?"

Tatum called back to Zachary.

Zachary: "Tatum, how's it going?"

Tatum: "Brother, how are my cooking skills? Don't you have confidence in me?"

Zachary: "I have confidence in you, but you are not facing Miss Ormond."

Tatum: "I haven't met her yet. When I arrived, I rested in the hotel first and had dinner before going to the interview. I met the butler of the Ormond family and the second lady, but I didn't meet the speaker, Miss Ormond."

Zachary couldn't help but laugh. "You ran over there with confidence and didn't even see Miss Ormond?"

"This is normal. Brother, when someone goes to the York Corporation for an interview, he won't be able to meet you right away, right? He has to meet the managers below first and pass all the levels before he can meet you. It's the same for me. I met the butler first, and then the second lady. They thought I had a high success rate, so I also showed my skills and made snacks for them to try. The second lady in Ormond's family especially liked it and said it was tasty. The butler was also full of praise. Desserts are my specialty."

"It's useless for them to praise it all the time. The second lady in Ormond's family has to praise it all the time."

Zachary asked, "What if you fail the interview?"

Tatum: "Brother, why do I feel like you are looking forward to my failure in the interview? Brother's smile is also a bit gloating."

Zachary said, "No way. You are my biological brother, from the same mother. I care about you the most. Your grandmother has chosen Miss Ormond as your wife. I just want to know how you can get close to her and impress her."

If he wasn't his biological brother, Zachary wouldn't be so gossipy and concerned about whether his younger brother's pursuit of his wife was going smoothly.

"Brother, how could I not succeed in the interview? Not long ago, I just received a call from the butler of Ormond's family. The butler informed me to come over for the re-examination tomorrow afternoon and said that Miss Ormond would be back for dinner in the evening."

Zachary said, "Oh, congratulations on your successful first step."

“Thank you, brother. I will definitely conquer Miss Ormond with my cooking skills.”

Whether he pursued his wife or not was secondary. Tatum wanted to prove that he was a good cook and could conquer Elora’s stomach.
