

His Lord Justin Kimberly Chapter 3

In a luxurious villa, a man without any clothing was kneeling on the ground, wearing a collar and chained like a dog, pleasing a woman sitting on the chair. The woman was dressed in a sexy black tight uniform, holding the dog leash in her left hand and a whip in her right hand. She proudly placed her feet, wearing high heels, on the smooth back of the man.

Interestingly, he was enjoying! He had indulged in such kind of humiliation. "Your Majesty the Queen, are you satisfied with my performance?" he imitated a dog's tongue-out expression and flattered her.

"Well-done, Hamza. You're so obedient, and I will reward you even more." the woman lightly laughed and then took off the shoes.

‘With Hamza's excitement, she placed her foot on his face.

"Suck it! It is the mercy from the Queen!"

And Hamza Sherwood, the future heir to the Sherwood family, behaved as if he ‘was devoutly worshiping, opening his mouth eagerly.

"By the way, Hamza, how is your cousin doing? The former ‘Golden Apple’, Katherine." the

‘woman casually asked, but a hint of deep jealousy flashed in her eyes.

However, lost in his world, Hamza only made happy sounds as he swallowed saliva. Until the woman lost her patience and kicked him to the ground.

Seeing his "Queen" getting angry, he regained his senses and quickly answered, "Katherine, that unmarried pregnancy scandal that tarnished the Sherwood family's reputation, she has

been completely marginalized by the family now. Her position in the company, her house,
even the car outside, all belong to us now!"

"And as for herself, she cried herself blind after losing her daughter. I heard that she might
use her body for status like a prostitute. I heard that she's dating with Adam Walt."

"All of this, thanks to your idea, my Queen! After we caught her daughter, Katherine became
distracted at work, causing the family business to lose millions of dollars. She has lost the
trust of erandpa!"

Upon hearing this, the woman raised her chin proudly, with a hint of disdain in her mind.

"Katherine Sherwood, even if you surpass me in beauty and are known as the 'Golden Apple'
of Newton City, so what? Now, not only have you lost your daughter, but you have also been
almost kicked out of the Sherwood family. You are no longer qualified to compare yourself
to me!"

Then, she looked at the humble man crawling in front of her, a cold smile appeared at the
corner of her mouth.

"And when your stupid cousin takes over the Sherwood family, everything will be mine!"

However, just as she fantasized about the bright future, an angry and loud voice suddenly
resounded, like thunder, shaking the entire villa.

"Hamza Sherwood, get out!"

"Who? Who is making a fuss outside?" Hamza was startled, all his desires dispelled, and he quickly stood up and got dressed. If it was discovered that the presumed heir to the Sherwood family had severe masochistic tendencies in private, his fate would be even worse than Katherine's.

At the entrance of the villa, Justin held his just-awakened daughter Julie in his arms, his gaze fixed on the bedroom on the second floor of the house, his eyes as sharp as arrows, his voice as cold as the freezing wind.

Originally, he wanted to go back to Katherine's house first and reunite with her and their daughter.

Unexpectedly, after Julie woke up, she told him that this house no longer belonged to her mother but to her uncle, Hamza Sherwood, including the familiar Maserati parked outside.

The thought of his two most important women suffering so much injustice ignited a raging anger within him.

Soon, a man and a woman walked out, dressed neatly.

"Who are you? Why is this little bastard Julie with you? Where are Johnny and the others?"

Hamza was the first to speak, and as he looked at Justin's face, he also seemed somewhat puzzled.

‘Why does this man seem so familiar?’

"Justin Kimberly! Weren't you missing five years ago? How could you appear here again?"

The woman was greatly surprised. She never expected to see this man again one day.

"What? He's that prodigal Justin?" Hamza's eyes widened in astonishment.

"Naomi?" Justin's eyebrows furrowed slightly.

Naomi was his fiancée in name only. It's a family marriage arranged by parents of both parties.

However, she and her parents had been avoiding him since bankruptcy.

Seeing their intimate appearance, he knew that this supposed fiancée of his and Hamza had an extraordinary relationship.

"Justin, why did you come back to Newton after causing the Kimberly family's bankruptcy five years ago..."

However, she was interrupted before she could finish her sentence.

"I came back for Julie, my daughter! And for Katherine Sherwood, the only beloved woman in my life!"

Justin's words were like thunder, shocking both of them slightly.

"So... you were the one who committed adultery with Katherine and brought shame to the Sherwood family!" Hamza stared at Justin hatefully, looking like he wanted to skin him and cut him into pieces.

In the past five years, Katherine never confessed her relationship with Justin. She just

endured the abuse and humiliation from her family, and raised Julie alone.

"So... it was you who had an affair with Katherine, causing the shame of the Sherwood

family? Are you humiliating me? Are you trampling on the dignity of the Luke family?"

Naomi was so furious. Although she doesn't like Justin, this waste in her eyes, she cannot tolerate any betrayal from this supposed fiancé.

Justin didn't explain. After his family went bankrupt, Naomi and her family didn't help him, but even made things worse for him.

To him, this woman was just an unimportant role in his life.

‘What mattered most was finding Katherine, the person whom he had yearned for in his heart!

So, he walked up to Hamza, asking in a cold voice, "Where is Katherine? Tell me, now!"

"Hmph..." Hamza snorted, just about to mock him.

Justin held Julie with his left arm and hit Hamza in the eye with a straight punch from his right hand.

This sudden attack surprised both of them. Naomi stared blankly at this fiancé who made her

feel strange, and Hamza leaned against the wall, covering his left eye and crying out in pain.

Immediately, Justin pulled his hair again, pressed his head against the wall, and continued to increase the strength.

"Tell me before I lose patience! Where is she? Otherwise your head will explode like a

‘watermelon!" Justin said lightly. Feeling the pressure coming from his head, Hamza felt like his head was going to explode and shouted loudly.

"Katherine is at the Blue Whale Hotel! She was dating with Adam Walt! Your beloved

‘woman was making love with someone else!'"
