

A WARRIOR UNDEFEATABLE/ A Man Like None Other Chapter 3688

A Man Like None Other Chapter 3688-The giant, clutching a scepter, donned a crown of purple and gold. His face was extremely fierce, resembling a great demon lord.

Upon witnessing this scene, Trystan couldn't help but exclaim in shock, "Demon Summoning!" "Master, what is Demon Summoning?" Serena asked curiously.

Trystan explained, "This is the ultimate skill of Demoniac Sect. Demoniac Sect has always resided on Demoniac Mountain. Their ability to survive in the depths of Demoniac Mountain for thousands of years is all thanks to Demon Summoning.

Legend has it that the demon lord manifested from Demon Summoning is not only the protector of Demoniac Sect but also the very demon lord that Demoniac Mountain suppressed. It is due to this demon lord's protection that Demoniac Sect is able to survive for thousands of years. The moment Mr. Zaffino made his move, he used his best technique. It seems he knows that his opponent isn't easy to handle..." Upon hearing this, Faiyar couldn't help but chuckle inwardly. There is no way this great demon lord could possibly be the one suppressed by Demoniac Mountain, let alone the guardian of Demoniac Sect! The demon lord that has been suppressed beneath Demoniac Mountain is indeed Vermilion Demon Lord from Jared's memories.

However, such a legend was likely circulated by Demoniac Sect themselves, probably just an attempt to boost their own reputation.

"Brat, you've killed an elder from Demoniac Sect, and now you're after Demoniac Stone. You're absolutely despicable. Today, let Demoniac Sect's guardian demon take your life!" After Norman finished speaking, the towering demon behind him leaped into action. With a forceful swing, he aimed his mighty scepter directly at Skylar.

With a body spanning several meters, Skylar felt as insignificant as an ant in front of the demon.

However, facing the demon, Jared surprisingly broke into a smile.

“What kind of guardian is this? It’s nothing more than a deceptive trick. Is this how your sect manages to survive? By relying on such tricks?” With a cold chuckle, Skylar vanished in an instant, only to reappear suspended in mid-air!

Skylar, with his frail figure, stood up to the giant demon, his eyes exuding an unmistakable disdain.

Immediately following, a cloud of black mist materialized in Skylar’s hand. From within the mist, a series of chilling screams resounded.

Skylar casually tossed the cluster of black mist, which instantly transformed into a malicious spirit.

The malicious spirit moved like a shooting star, heading straight for the giant demon’s chest.

Swoosh!

In just a fleeting moment, the demon’s scepter remained suspended in mid-air, but the malicious spirit had already pierced his body.

After a brief pause, a sudden roar erupted from the demon’s mouth.

Following that, the massive figure expressed its gratitude with a thunderous voice and promptly vanished into thin air.

Skylar had returned to the ground, silently observing Norman.

At that moment, blood trickled from the corner of Norman’s mouth. He had never imagined that his ultimate skill would fail to withstand even a single move from Skylar.

At this moment, Skylar’s heart was swelling with immense emotion. “Hand over Demonica Stone, and I might spare your lives. Otherwise, I’ll level Demonica Mountain to the ground...” Had he known that Demonica Sect only had this much to offer, he would have asserted his dominance from the very beginning, seizing what he wanted directly. There would have been no need to obtain any cultivation. technique secret scrolls.

“You-” Norman was about to refuse, but suddenly, Skylar’s figure appeared before his eyes.

Norman could feel the intimidating aura emanating from Skylar, causing his body to tremble involuntarily.

He was certain that if he dared to utter even a single word of dissent at that moment, Skylar would not hesitate to kill him on the spot.

After a moment of hesitation, Norman let out a sigh. "Go fetch Demonica Stone..." he commanded.

After Norman gave his command, Demonica Stone was swiftly brought forth.

A smile spread across Skylar's face when he saw Demonica Stone. Without hesitation, he pocketed Demonica Stone.

After letting go of Norman, Skylar immediately turned and walked away.
