An Understated Dominance by Marina Vittori Chapter 2295

Chapter 2295

“Young man, I have to admit that you do have two skills. I have underestimated you.”

“However, with your little ability, you are not qualified to act arrogantly in front of me!”

Damien Holmes straightened his eyes and slowly stood up. He looked at Dustin and felt an invisible pressure emerge from his body.

“Buzz~!”

All the warriors in the living room felt their bodies sink, as if a huge stone was pressing on their shoulders, and even breathing became difficult.

“What a terrifying grandmaster’s pressure! Is this the strength of Mr. Holmes?”

Everyone was secretly shocked and in awe.

Just a surge of momentum made them afraid to move. This was the power of the martial arts master.

However, compared to the solemn expressions of everyone, Dustin’s expression was as usual—nothing strange at all.

He just stood quietly, looking at Damien Holmes from afar, his eyes not shy at all.

“Young man, I think you are a good prospect, and I plan to give you another chance. As long as you are willing to bow your head and apologize, I will not care about what happened today. I can even make an exception and accept you as my disciple.” Damien Holmes Standing with hands, looking arrogant.

“What? Accepting a disciple?!”

As soon as these words came out, everyone looked at each other in surprise.

“What kind of bad luck did this kid have? How can he be so valued by Mr. Holmes?”

“Being Mr. Holmes’s apprentice will mean that he will walk sideways in the world in the future?”

“It’s a pity that such a God-given opportunity did not come true. On my head.”

Everyone whispered, looking at Dustin with eyes filled with envy and jealousy.

Who was Damien Holmes? That was one of the famous twin evil spirits of heaven and earth, a martial arts master with supernatural power who could be said to be the answer to a hundred calls in the world.

The most important thing was that Damien Holmes had always set his sights high and never accepted disciples easily. Unexpectedly, today, he made an exception and extended an olive branch to a stupid young man. It was really unexpected.

“Little brother, why are you still standing there? Mr. Holmes accepted you as his disciple. It is a blessing you have earned in eight lifetimes. Why don’t you kneel down and serve tea?” The man in white reminded him.

Although he was a little unhappy, he did not dare to violate the decision Damien Holmes made.

“There are two points that I need to correct.”

Dustin said calmly, “First of all, I have not done anything wrong, and it is absolutely impossible for me to bow my head and apologize; secondly, I have not done anything about your so-called apprenticeship behavior. Not interested at all.”
