

Married At First Sight

Married At First Sight Chapter 3262-The thing wasn't big, so Evan wouldn't keep it at home; he would only keep it with him, but she had touched his trouser pocket just now and couldn't find it, and she didn't know where he was hiding it.

"If you don't believe me, there's nothing I can do. I told you to go in and turn my house upside down. If you find it, take it back. I really don't remember where I put it. Fox, don't you think my behavior is the same as yours? You have done such sneaky things too."

The Fox stared at him, wanting to kick him again.

In the end, she didn't kick him. Well, she felt a little guilty.

"It's late at night, the temperature has dropped, and it's getting colder. It's said that the cold air will move south in the next two days. This time, the temperature has dropped very low. The lowest temperature in Wiltspoon will drop to 6 degrees. It's very cold. Come in and have a cup of tea; let's talk slowly."

Evan invited her to the villa.

She was wearing a long coat, but it wasn't actually cold.

The main reason was that the cold air had not moved south yet. In the past two days, it was not cold at all during the day and not too cold at night.

Jake, the young butler brought over by Evan from Wildridge Manor, has already come out and opened the door of the villa.

Jake was quite surprised to see Evan and a girl in red. After the driver drove in, Jake approached the driver and asked the driver softly, "Is the girl in red the fourth young master's favorite?"

"Eighty percent yes."

The driver dares not say 100%.

It seemed that Evan just liked the girl in red.

Just now, the girl in red was standing on the wall and jumping down. The fourth young Evan wanted to catch her.

It's just that they didn't want Evan to pick her up.

"The Fourth Young Master seemed a little tempted, but that girl didn't have a good attitude toward the Fourth Young Master. Our Fourth Young Master became a thief and took away someone's very important things, and the girl in red chased him to get them back."

The driver had sharp ears and listened to gossip. Even if it was the boss's gossip, he dared to listen and liked to listen, so he kept his ears high and listened a few times.

Jake: "..."

"I'll go out and take a look." Jake walked to the door of the villa and stood there, not daring to step forward and disturb Evan.

But the distance was not far away, and he could hear the conversation between the two people.

He heard that Evan was inviting the girl in red to come into the house.

Evan said, "Come in and have a seat. You've already come here. It's not the middle of the night now. Other people's nightlife has just begun. Come in and have a cup of hot tea. I'll make you a late-night snack. Treat you to a late-night snack. It's for me. I apologize for your behavior."

The Fox glanced at Jake, who gave her a friendly smile.

Evan also glanced at Jake and said to her, "This is Jake, the young butler I brought over from the villa. Fox, what's your name? You see, we have met several times. You know my name, but I don't even know your name. This is a bit unfair. I can't keep calling you by your nickname."

"Just now you said it was late at night, and now you say the nightlife has just begun. Evan, you are so confused." After the Fox finished speaking, he left Evan and walked towards Jake.

"Jake, hello." The Fox was gentle and polite to Jake and greeted him politely.

Jake quickly responded, "Girl, good evening, girl, please come inside."
