

## An Understated Dominance Chapter 2492

Chapter 2492

Normally, Father Adam, who was hit directly, should have been turned into a pool of meat paste.

Why is he unharmed now?

How terrible is Father Adam's defense?

"You are really powerful to force me to use my second form, but unfortunately, it's still not enough."

Father Adam grinned, revealing a mouthful of sharp teeth like blades.

"You've been fighting for so long, now it's my turn!"

As soon as he finished speaking, Father Adam's figure flashed, and he suddenly disappeared, so fast that ordinary warriors couldn't see it clearly with their naked eyes.

"Be careful behind you!"

Someone suddenly warned Jeffrey.

Jeffrey's face changed, and he subconsciously turned around and punched.

Halfway through turning, he heard a "puff" sound, and a sharp claw pierced his chest.

The claw pierced from the back and came out through the chest, with scarlet blood dripping from the fingers.

At first, there were only a few drops, but then it got faster and faster, and more blood flowed.

"Uh..."

Jeffrey's body trembled and froze.

He stared with wide eyes, lowered his head in disbelief, and looked at the claws that pierced his chest.

His mind was blank.

Indistinctly, he seemed to see a scarlet object in the claws, beating violently.

“Is that... my heart?”

A thought suddenly flashed through Jeffrey’s mind.

He tried to open his eyes wider to see what was in the claws.

However, the next second, the claws exerted force and crushed the object in his palm on the spot.

In an instant, Jeffrey seemed to be drained of strength.

His whole body softened, and his vision became more and more blurred until he fell into complete darkness.

“The smell of blood is really wonderful.”

Father Adam grinned, then stretched out his hand and directly threw Jeffrey’s body dozens of meters away, smashing it heavily under the ring.

“Pah!”

There was a muffled sound.

Jeffrey’s body, like a broken sandbag, fell in front of everyone.

A large amount of blood flowed out from the body, dyeing the ground red.

Quiet...

The whole scene suddenly became silent.

All the audience stared at Jeffrey’s body in shock.

They never expected that Jeffrey, who was confident of victory a second ago, would become a corpse the next second.

The whole process happened so suddenly that no one could react.

Jeffrey, known for his indestructible and invincible defense, died just like that?

And he was killed in one move?

How... is this possible?
