

My Accidental Husband is a Billionaire

Chapter 398

Chapter 398

398 Chapter 397

James was truly bursting with frustration.

1

He felt that every single person in this family had some sort of grave illness!

His Ellis had azoospermia, yet he married a sister-in-law who was pregnant!

As for Uncle Olsen... he was hopelessly in love! Keera even brought a gigolo brazenly home, and he still indulged her!

Uncle Olsen then frowned and looked at Ellis.

Why did James's words seem to confirm that Mary's child wasn't Ellis's? Was there something he didn't

know?

Ellis was burning with anger and turned his gaze directly to James, extending his hand!

"Slap!"

He slapped James across the face. "Shut your mouth!"

James was stunned; although he had always been thick-skinned and brash, the atmosphere at home had

00:47

1/9

<

398 Chapter 397

always been good. With Uncle Olsen's personality, at most, he had grabbed him as a child and spanked him. The seven brothers were close and never distinguished between those who were born of the same parents

and those who were not.

Now, his Ellis had slapped him... for two women?!

He was utterly infuriated. "Great, I'm here speaking out and you're hitting me? Ellis, Uncle Olsen,

for

you,

you've disappointed me!"

After uttering these words, James turned around and ran outside.

Charles couldn't help running after him. "James, what's wrong?"

Ellis looked at his own hand.

Although certain that the child wasn't his own, he had just instinctively tried to defend Mary's reputation again. How contradictory he was!

His gaze dropped, and he looked dazed.

Uncle Olsen stared at him, and suddenly said, "Come with me!"

This family banquet was definitely not going to happen

09:47

now.

The rest of them gradually dispersed, and Mr. and Mrs. Olsen looked worriedly at Ellis but said nothing.

Ellis had always been raised under Uncle Olsen's watchful eye, as he had been grooming him to take over the family business in the future.

Although Mr. and Mrs. Olsen were his parents, they had taken a hands-off approach with him, so now that Uncle Olsen clearly intended to chastise him, they remained mostly silent.

Ellis followed Uncle Olsen into the study.

Uncle Olsen asked, "Tell me, what's all this about?"

After a long silence, Ellis finally said, "I have azoospermia."

Uncle Olsen was taken aback, but showed little reaction, asking only, "Are you sure?"

In truth, he didn't have a great longing for offspring. If Keera and Keira weren't his daughters, he would have been content without children in his lifetime.

So, when it came to the condition of azoospermia, he was quite accepting.

09:47

3/9

<

398 Chapter 397

Ellis sighed. "I went to three hospitals, and all of them diagnosed me with azoospermia."

Uncle Olsen's brow furrowed. "Then what about that child?"

“Mary insists the child is mine,” Ellis spoke with clenched teeth. “No matter what I say or do, she insists it’s mine! Who’s the father of that child? Does she love him so much that she has to have this child for him?”

Uncle Olsen coughed. “Keera’s attitude doesn’t seem fake.”

Ellis took a deep breath. “Then Keera has been deceived by her too! Just now, did you see that? Her demeanor was as if I’d wronged her, but in reality, Uncle Olsen, I’m the one who’s suffering inside!”

In front of Uncle Olsen, Ellis finally let go of all his pride and facade, slumping into the sofa and collapsing there. “I might have fallen for Mary. I asked her to choose between the child and me and to have an

abortion. She chose to have the child and then divorced me...

“Uncle, tell me, what am I to her? Just a tool to obtain

06.47

her child’s birth certificate?”

Uncle Olsen coughed and reminded him harshly, “Nowadays, you can get that without a father.”

Ellis was speechless.

He dejectedly lowered his head. “I just wanted to keep her. Without that child, there would have been no

issue between her and me...”

Uncle Olsen sighed softly, "Ellis, you need to understand that sometimes the tighter you hold on, the less you have. If you let go, you can have the whole world."

Ellis stood there, stunned, when he heard these words.

James ran to the parking lot, getting ready to drive around and get some fresh air.

Charles followed, jumping into his car. "James, what's gotten into you? I see Uncle and Ellis are fine. Why are you taking up their cause here?"

James was indignant. He glanced back at the brightly lit house and couldn't help but say, "Well, I can let it slide with Ellis. After all, he tried to force his wife have

an abortion today, but do you know what the most outrageous part is?"

"What?"

"It's our uncle! There's a family reunion banquet in four days. Do you know what kind of reunion it is?"

"No."

Charles was still young and was attending university, and he wasn't very informed about family matters.

James gritted his teeth and said, "We are about to have

a new aunt!"

"What?!"

Charles was extremely excited. "Then why are you angry?"

"The new aunt is Keera. Did you notice the man with her when she came in today?"

Charles nodded, his expression confused.

James chuckled coldly. "That's her kept man, her gigolo!"

Charles was stunned, “Wha... what?!”

Tomos anorted “Curprising ign’t it? I Inola ia quch

astute man, and to think at his age he fell for such a woman. And to make matters worse, she’s playing him while seeing another man, even having the audacity to bring him home today...”

Charles stuttered, “There’s got to be some misunderstanding here, right?”

“What misunderstanding could there be?”

Charles thought for a moment. “Why don’t we go ask Uncle and clear things up?”

“Ha!” James scoffed. “What good would that do? Ellis got physical with me today just because I said something!”

Charles said, “...Then we’ll ask Keera for the truth!”

This suggestion made James’s eyes light up. “Yes, we’ll talk to Keera and clear things up. Make her choose between the gigolo and Uncle!”

“Alright.”

The two dunces agreed and drove straight to Keira’s

residence.

At the Olsen residence.

Keira had just gotten home, having escorted Mary upstairs.

Mary was exhausted, both physically and mentally, and wanted to be alone, so she expressed that she was fine

and asked Keira to leave.

Keira understood and left the room but couldn't help sighing as she turned to Lewis with a question. "What do you think, did that idiot Ellis ever get a full check-up for his own health?"

Lewis was about to respond when there came a knock on the door.

He and Keira went downstairs and saw James and Charles standing outside.

At that moment, James had an aggressive look on his face as well as a clear imprint of a slap. He sneered. "Keira, between this gigolo and my uncle, who do you choose?!"

Keira was perplexed.

She was completely bewildered, "Why would I have to choose?"

James said, "If you don't choose, how can you do right

by my uncle? If you want to be with my uncle, then

you should be faithful and clean up all these rotten flings of yours!"

Keira was confused.

She instantly realized what was happening, and at that moment, she thought back to Ellis calling her “aunt” at the Freeman Sect...

She couldn't help but feel both amused and exasperated as she said, “Have you misunderstood something? My relationship with your uncle isn't what you think!”

“Then what kind of relationship could it be?!”

Chapter 399

399 Chapter 398

“We’re...”

Just as Keira was about to speak, she was interrupted by James. “Stop making a scene here and looking for excuses. I’ll just ask you, are you breaking up with this gigolo or not!”

Keira didn’t know what to say.

She crossed her arms and simply couldn’t be bothered to explain anymore.

She just watched James acting like a clown and hopping mad.

She turned her head to glance at Lewis, who raised an eyebrow but still stood there, smiling at her. ” A gigolo?”

Keira lazily said, “You’re eating my food and living at my place. If you’re not a gigolo, then what are you?”

Lewis couldn’t help but laugh, his gaze deep as he looked at her, “Well, I am living at your place.”

Keira didn’t know what to say.

399 Chapter 398

She always felt that ever since the two of them got together, he was always ready to flirt.

She coughed lightly and withdrew her gaze.

But James roared, "Keera, what else do you have to say? Your eyes are practically melting. Don't tell me you're still going to deny your relationship with him?"

Keira said, "I'm not denying it."

"You..."

James was furious. "Don't think that because Uncle

Olsen dotes on you, I'll tolerate you indefinitely. Let me tell you, as for the Freeman Sect matter, do you still dream of entering the main lineage? Don't even

think about it!"

Keira spread her hands. "Is that so? You've tried it, then?"

James was infuriated by her indifferent attitude and turned to leave.

Charles followed him, glancing at Keira. "You! Just you wait!"

The stupid brothers left the South family.

09:48

399 Chapter 398

Keira just pursed her lips and closed the door.

As soon as the door was shut, her waist was grasped by a burning hot hand.

Keira immediately pushed him away. "What are you doing?"

"I just wanted to say, I not only eat your food and live at your house, but I also want to sleep with you..."

As soon as the last few words were uttered, Keira's cheeks instantly turned a shade of crimson in embarrassment. She looked down and coughed lightly. "Why are you talking nonsense?"

Lewis chuckled lowly, his voice like a cello resonating in her ear. "I mean I'll sleep in your bed. What were you thinking?"

Keira was speechless.

That night, Lewis not only slept in Keira's bed but also slept with her. 2

The next day, when Keira got up, she saw the man looking refreshed and satisfied. She couldn't help but sigh.

"What's wrong?"

3/10

399 Chapter 398

Lewis asked.

Keira replied, "I'm thinking, maybe we should sleep in separate rooms."

Lewis stiffened and immediately coughed. "Is that necessary?"

"Then let's discuss being more restrained."

"What about... seven times a week?"

Keira was dumbfounded.

"Then six?"

"Five, can't do any less!"

Keira stared at him, grinding her teeth as she replied,

"Medical research shows, for a man, twice or three times a week is best for you!

"You don't understand."

Lewis slowly said, "A woman hits her prime at thirty when a man's ability starts to fade. While I'm not yet thirty, let's catch up on what I owe you."

09:46

4/10

Keira felt she couldn't continue this conversation with the man.

Why did it feel like Lewis's domineering image was about to crack whenever such topics came up?!

"Please maintain your coolness!"

Keira fled from the room and just as she stepped outside. She bumped into Mary, who was just leaving her room.

Her eyes were red-rimmed and slightly swollen. She clearly cried the night before.

Keira's face tensed up, unsure of how to comfort her. While she was wracking her brain, Mary suddenly turned to her. "Keira, I gave Ellis a divorce agreement and asked him to sign it. Can you... help me with that?"

A DNA test was certainly necessary.

But she would help Keira and agree to divorce Ellis after the child was born.

Yet Keira didn't understand. "Do you want to get a divorce right now?"

Mary paused. "I want the child to be born legitimate."

5/0

399 Chapter

Without a father, the child would always be insulted as a bastard, but if born within a marriage, the child would be regarded as legitimate.

Understanding her point, Keira said, "I'll help you. You'll stay with me until you give birth."

Mary nodded and smiled.

Keira didn't stay at home with Mary, as today there was an official martial arts competition at the Freeman Sect.

The Outer Sect Disciples of the Freeman Sect were those with less talent identified during Bone

Assessment and therefore had a tough time progressing to the Inner Sect and becoming legitimate members of the sect.

This martial arts competition, although a path to progression, was incredibly harsh on them.

The elimination process was direct: two would fight and one would win.

The selection was done by drawing lots, and bad luck could mean the third-strongest contestant might have

09,48

6/10

<

399 Chapter 398

to face the strongest. Such misfortune would lead to immediate elimination with no further chance until

next year.

So each year, those who were relatively weaker might advance through luck...

Keira couldn't rely on luck.

When she drew her lot at the Freeman Sect, Matias immediately crowded in, frowning. "Keira, your luck is just too bad, isn't it?"

Keira was slightly stunned, "What do

you mean?"

Matias immediately replied, "The person you've drawn, Erick Miles, is the most capable fighter amongst Jackson's men! Facing him is going to be trouble!"

He sighed silently, a bit anxious for her. "By the way, after you hit Jackson yesterday, someone saw him going to the Disciplinary Hall. If James hadn't smoothed things over, you'd be in trouble for

assaulting a superior, and the Freeman Sect definitely won't let it slide."

The Freeman Sect, being a martial arts family, had

strict rules.

05:48

7/10

399 Chapter 398

To prevent disciples from fighting and causing trouble among themselves, the sect managed the hierarchy and ranking very strictly.

Keira was somewhat concerned that without James's

protection, Jackson might cause her trouble...

As for James...

She touched her chin, wondering whether to clarify her relationship with Uncle Olsen.

It felt somewhat wrong.

She would wait. After all, the family banquet was in three days, and everything would come to light then.

As for the situation at the Freeman Sect, even if the matter reached the Disciplinary Hall, it would take a few days...

While she was thinking of this, Jackson approached with a scowl, bringing his people and stopping in front of her. "Keera, you assaulted my older brother Austin

yesterday. I've reported this matter today! Just wait for the Freeman Sect's punishment!"

Keira glanced at him and casually rotated her fist. "What now? Are you itching for another beating?"

"You..."

Enraged but itching to retaliate, Jackson then turned to Erick, his expression darkening. "You're about to fight Keera soon, right? Make sure you show no mercy! Teach our little Keera a proper lesson!"

Erick immediately nodded, looking darkly at Keira.

Keira raised an eyebrow, unable to resist asking Matias, "Is Erick really that strong?"

"Super strong!" Matias answered. "He's among the best Outer Sect Disciples, capable of ranking within the top three. The last couple of years, he was just unlucky, always facing the top rankers and ended up staying behind."

Keira, not knowing much about martial arts, had no idea how powerful her master really was.

Hearing this made her worry, "Can I beat him?"

Matias sighed. "Definitely not, Keera. Don't you have any understanding of yourself?"

Keira was speechless.

That wasn't good!

399 Chapter 398

Suddenly, she felt a bit nervous. If she really couldn't beat her opponent on stage later and couldn't escape...

She coughed, took out her phone, and sent Lewis a message. "If I lose later, remember to come back and

bail me out."

Chapter 400

400 Chapter 399

Outside the Freeman Sect.

Sitting in the car, Lewis raised an eyebrow when he saw this WhatsApp message.

Tom, who had already returned to Clance, was sitting in the backseat looking at him. He immediately asked upon seeing the message, "Boss, aren't you worried

about Miss Olsen?"

Lewis tossed his phone to the side. "She might have a slight misunderstanding of her own strength."

Tom was perplexed.

Unable to hold back, Tom blurted out, "I've never seen Miss Olsen able to fight her way out. When we were in Oceanion, there were a few times when she was restrained by bodyguards!"

Lewis couldn't help but give him a sideward glance. "The time she got restrained was because of Grandma."

Reflecting for a moment, Tom understood and immediately nodded, "Right, right, it was because of old Mrs. Horton! Speaking of which, old Mrs. Horton is

1/9

also

400 Chapter 399

in Clance this time, just waiting for you to bring Miss Olsen home!"

Lewis glanced at the Freeman Sect and sighed softly, "Tell Grandma, I won't be coming back yet."

Before he could clarify Keera's identity, he couldn't rightfully bring Keira back to meet Grandma...

Inside the Freeman Sect.

After Keira sent the message and saw that Lewis hadn't replied, she felt a bit puzzled.

Did her phone have no reception?

While pondering this, Jackson stepped forward, regarding her coldly. "It's useless to call anyone now. Even if James were here, he would have to abide by the drawing of lots! Keira, if you kneel and beg for mercy now, I might let you off, asking Erick to show you some leniency!"

Keira remained silent.

Her expression became grave.

Kneeling and begging for mercy was out of the

09:45

2A0

400 Chapter 399.

question.

The only thing she could do now was to try her hardest to defeat Erick!

Keira took a deep breath and said earnestly, "Alright then, let's do this!"

She walked to the foot of the fighting stage.

The martial arts competition even had a stage set up for matches according to the order of the draw.

Keira was the fifteenth.

The contenders ahead of her got beaten black and blue on the stage, and every time they came down, the defeated ones were covered in injuries, a sight that

made Keira's heart pound with fear.

She had anemia due to iron deficiency; if she accidentally got wounded...

What was that man Lewis doing? He didn't even reply to her message.

The key point was that she had left Samuel in Oceanion because the company there was still preparing to go public...

09:45

3/9

400 Chapter 399

What if she lost too much blood later? Who would she get to save her?

Looking around, she could only turn to Matias. "If I lose too much blood and faint, remember to take me

to the hospital for IV fluids. In addition to a blood transfusion, I also need an iron supplement."

Matias was speechless.

Keera's serious warning threw his heart into disarray.

He looked over at Erick again. "Keera, are you sure you can do this?"

"I'll give it a try."

Keira sounded uncertain. "If I lose, there's nothing I

can do. But if I somehow win, does that mean I have a chance to make it to the finals and become an Inner

Sect Disciple?"

Matias nodded. "You definitely have a chance!"

But then he looked her up and down. "But how can you beat Erick? Have you forgotten? When the two of us were just starting to practice martial arts, Jackson bullied us, and we both teamed up and fought against him, yet when Erick stepped in, he took us both down.

09:45 –

4/9

<

400 Chapter 399

Neither of us can defeat him alone... Maybe you should just admit defeat as soon as you step on the stage!"

"There's a rule on the dueling platform that if the opponent doesn't admit defeat, you can keep fighting!"

Just as Matias finished speaking, Jackson came over with a beaming smile, raising an eyebrow at Keira. "Keera, are you really sure about this? Are you certain you want to fight Erick?"

"Don't tell me you actually think you're something special just because you lasted three moves against the second senior brother? Doesn't everyone know that he went easy on you guys this year? Weren't you also at the martial arts tournament last year? Didn't you fail to withstand the second move from the third senior

brother?"

"If you humbly admit your mistake now, there's still a chance... The platform is now on the fourteenth match, and it's almost your turn against Erick."

Jackson went on and on, and Keira couldn't help but stick a finger in her ear and look at him. "Are you a frog? You're so noisy!"

Jackson was shocked.

6/9

400 Chapter 399

His face suddenly darkened. "Fine, since you're so unappreciative, then don't blame Erick for not showing

you any mercy!"

Keira pursed her lips.

In the stands.

James was constantly observing from their side, holding the latest list of matching contestants. When he saw that Keera was up against Erick, he couldn't help but frown.

During the last screening, he intentionally went easy on others, but when it was Keera's turn, he also didn't control his strength well, and somehow, she managed to dodge his three moves.

Thinking about it now, he still found it unbelievable, feeling that he had underestimated this Outer Sect Disciple.

But no matter what, she couldn't possibly defeat Erick,
could she?

Erick was one of the formidable ones among the Outer Sect Disciples...

Thinking this, he suddenly caught sight of Elder Grant,

6/9

400 Chapter 399

who took a seat in the stands and asked, "Has Keera finished her match?"

"Not yet."

After the other Elders answered, Elder Grant nodded.

While they conversed, the fourteenth match finally concluded, and the defeated side was carried off, sent straight to the hospital, not only with a bruised nose and swollen face but almost drenched in blood stains. The source of this content is FindNovel.net

Seeing his pitiable state, Keira couldn't help but worry about her own safety even more.

When the presiding Elder announced the fifteenth match, Keira coughed and looked at Matias.

"Remember, if I lose too much blood, send me to the hospital for an iron infusion, okay?"

Matias was dumbfounded.

So were the rest of the people.

Even Elder Grant in the stands couldn't help but furrow his brows.

That day, during the Bone Assessment, he sensed that she should be very formidable, but why did an Outer Sect Disciple seem so concerned and lack confidence?

09.45

7/9

400 Chapter 399

Outer Sect Disciples were those without much talent, any random Inner Sect Disciple could easily defeat

them...

Elder Grant suddenly started doubting his judgment from that day, could it be that he assessed her wrong?

Wouldn't that mean he had misled the Sect Leader for

nothing!

He thought he had finally found a good pupil, just like the Sect Leader had.

Depression and doubt began to creep into the bottom of Elder Grant's heart.

He sighed quietly to himself, slumping a bit in his seat.

On the platform, Keira and Erick stepped up.

Though Keira was tall for a woman, she was nevertheless slender, whereas Erick stood at a towering six feet three, strong and muscular. His body was covered in well-defined muscles.

Standing together, the disparity in their strength was clear at a glance. It was a match that seemed to lack

any suspense.

Turning to Keira....

09.45

8/9

400 Chapter 399

She had a taut expression, her eyes warily watching Erick as if she was prepared to be bullied...

With the presiding Elder's command to "Begin," Erick let out a ferocious shout and charged straight at Keira!
