

A WARRIOR UNDEFEATABLE

A Man Like None Other Chapter 3971 - 3980

A Man Like None Other Chapter 3971-If Juliet doesn't know the fire fusion technique, I'll have to see Gael! Dario took my money, so he has to help me!

"In fact, if I want to, I can arrange for you to see Mr. Ortiz. However, Mr. Ortiz is seriously ill and often mad, so even if you see him, it won't be useful if he's not lucid." Dario glanced at Jared and revealed the truth.

"What? Mr. Ortiz has gone mad?" Jared was shocked.

Isn't this setting me up? If he'd told me Mr. Ortiz was mad earlier, I might not have come! I also wasted so many resources and money!

"Don't worry, Mr. Ortiz isn't always delirious. It's only occasionally. No one knows why he suddenly became like this. Because of this, he was forced to retire and let Harlan become the acting sect leader," Dario explained hurriedly when he saw Jared's expression.

Standing nearby, Judd was puzzled. Why is Master explaining things to Axel?

Could it be... After glancing at Dario and Jared, Judd could roughly guess what was going on.

Judging from Jared's generous behavior, it seemed he had spent a lot of money on Dario to be brought into the Violet Flame Sect.

"Acting sect leader? So Harlan isn't the true sect leader?" Jared asked curiously.

"Of course not. The true sect leader needs to be recognized by the Divine Flame Seal. Harlan doesn't have it yet. Before Mr. Ortiz went mad, he showed signs of it. So, he placed the Divine Flame Seal into Divine Flame Mountain.

Now, without opening Divine Flame Mountain, Harlan can't get the Divine Flame Seal. We've always suspected that Mr. Ortiz's illness is related to Harlan, but without evidence, we can't say anything," Dario explained thoroughly "Divine Flame Seal? Divine Flame Mountain? What are these things? And there's no mountain around here. It's just barren all around, right?" Jared asked, puzzled.

Dario chuckled. "You'll understand when Divine Flame Mountain is opened. After Mr. Ortiz went mad, only Mr. Cunningham could open Divine Flame Mountain with the formation plate. Mr. Cunningham is impartial and upright, so he won't open it easily.

Otherwise, Harlan would have already had him open it to seize the Divine Flame Seal." Jared was surprised by how many secrets the Violet Flame Sect held.

"So anyone who gets the Divine Flame Seal can become the sect leader?" Jared asked.

"Not exactly. The Divine Flame Seal must recognize its master. To become the sect leader of the Violet Flame Sect, one must possess two kinds of demonic fire, which already disqualifies many. Many elders don't even have the violaceous flame. Even with two types of demonic flames, you still need to make the Divine Flame Seal recognize you as its master. As for the method of recognition, that's top secret. I don't even know it, so what use would it be for someone else to get their hands on the Divine Flame Seal?" Dario revealed.

Listening to their conversation, Judd was shocked. Even as a deacon, he was oblivious of many things.

These were secrets of the Violet Flame Sect, and now Pariowas m telling them all to Jared!

It showed how much Dario had benefited from Jared.

"So, only Harlan can become the sect leader if he gets the Divine Flame Seal?"

Atter all, Harlan was now the head of the house, and he also had the om violaceous flame. 4 WaS Believed that heknew how to make the Divine Flame Seal recognize him as its master.

"Not necessarily. Juliet, Mr. Ortiz's daughter, is also eligible. However, Juliet lacks the strength now and has been training hard, rarely seen. Since Mir. Ortiz went mad, Juliet has been even more diligent, spending all her time in the spiritual energy pool. If it weren't for my position, you wouldn't even dream of seeing her," Dario said.

A Man Like None Other Chapter 3972-"Spiritual energy pool?" Jared frowned, feeling a sudden sense of unease.

"What's wrong?" Dario asked, noticing Jared's expression.

"Oh, it's nothing." Jared quickly shook his head. However, as he looked at the familiar buildings and felt the increasingly dense spiritual energy, he began to feel more and more uneasy.

Could it really be such a coincidence?

Jared prayed inwardly, hoping that this Juliet wasn't the girl he had seen naked last night. Soon, Dario led Jared and Judd to Juliet's courtyard. Looking at the

courtyard, Jared was speechless.

“Master, is this really Juliet’s courtyard?” Jared asked.

“Yes. Only Juliet’s courtyard has a spiritual energy pool in the entire Violet Flame Sect,” Dario confirmed with a nod.

“Uh...” Jared was stunned and didn’t know what to do.

How am I supposed to explain to Juliet that I had bathed in her courtyard in the middle of the night and seen her naked? Why wasn’t there any guard? And why was the door open?

As Jared was lost in thought, the courtyard door opened. Two identical female cultivators stepped out.

“Ladies, we have an appointment with Ms. Juliet to see her today,” Dario spoke politely to the guards of Juliet’s courtyard.

“Ah, Mr. Barclay, please come in. Juliet has been waiting for a while.” The two of them promptly ushered Dario and his party inside.

Looking at the arrangement of the courtyard and the spiritual energy pool, Jared felt even more nervous.

“Axel, prepare yourself. Juliet is very beautiful. Many male cultivators get nosebleeds the first time they see her,” Judd warned Jared.

“Really? Nosebleeds?” Jared felt it was exaggerated.

He had seen Juliet naked last night. Although he had felt excited and a bit restless, it hadn’t made him have a nosebleed!

“Just wait and see. When you see her, you’ll know what a fairy looks like,” Judd said, rubbing his hands in excitement.

Jared smiled faintly. If he told Judd that he had seen Juliet naked, he wondered what Judd’s reaction would be!

Jared followed Dario with his head down.

After they entered a room, the two guards thoughtfully closed the door. Juliet was seen seated on a chair, clad in a white dress. Her skin was as smooth and fair.

Seeing Dario, Juliet hurriedly stood up and greeted, “Greetings, Mr. Barclay.” “Ms. Juliet, you must not do this. You’re embarrassing me,” Dario said hastily.

“Mr. Barclay, my father has retired and is no longer the sect leader, so you don’t need to stand on formality. Just call me Juliet,” she said.

Juliet was very moved. She agreed to meet Dario because of his unwavering loyalty.

“Mr. Barclay, who are the two people behind you?” Juliet looked at Jared and Judd.

“I will always be loyal to Mr. Ortiz, whether he is the sect leader of the Violet Flame Sect or not, Dario said seriously.

Jared kept his head down, so she didn’t get to see his face.

“This is my eldest disciple, Judd Davies. He is now, a deacon,” Dario said, pointing to Judd.

Judd stepped forward quickly. Seeing Juliet’s stunning beauty, Judd immediately became flustered and didn’t know where to look.

“Greetings, Juliet!”

As he spoke, his nose suddenly started bleeding!

Juliet covered her mouth and laughed at Judd’s reaction.

A Man Like None Other Chapter 3973-“Spiritual energy pool?” Jared frowned, feeling a sudden sense of unease.

“What’s wrong?” Dario asked, noticing Jared’s expression.

“Oh, it’s nothing.” Jared quickly shook his head. However, as he looked at the familiar buildings and felt the increasingly dense spiritual energy, he began to feel more and more uneasy.

"Greetings, Juliet!"

As he spoke, his nose suddenly started bleeding!

Juliet covered her mouth and laughed at Judd's reaction.

A Man Like None Other Chapter 3974-Judd hurriedly covered his nose, looking extremely embarrassed.

Equally ashamed, Dario said, "Useless boy, go out and clean yourself up..." Judd quickly ran out to clean up.

"This is my new disciple, Axel Chadwick," Dario said, pointing at Jared.

Juliet looked at Jared, noticing that he kept his head down, making it impossible to see his face.

"Why is Axel so shy? He doesn't even dare to lift his head," Juliet asked curiously.

"Lift your head! How are you going to talk to Ms. Juliet like this?"

Dario nudged Jared.

Jared had no choice but to grit his teeth and lift his head.

"Hello, Juliet," he said with a smile.

Upon seeing Jared, Juliet was momentarily stunned. She then erupted in anger.

"So, it's you, you pervert! I'll kill you..." she shouted, slapping Jared.

Jared was startled and quickly ran outside.

Dario hadn't even realized what was going on when Juliet chased after Jared.

“Don’t run! I will kill you!” Juliet shouted angrily.

Outside, Judd was still cleaning up and had no idea what was happening. He saw Jared running out, followed closely by Juliet.

At that moment, Dario finally reacted and hurriedly stopped Juliet in her tracks.

“Ms. Juliet, what is going on? Do you two know each other?” Dario asked.

“Mr. Barclay, this new disciple of yours has poor character. Ask him what he did,” Juliet barked.

Utterly confused, Dario looked at Jared and asked, “What did you do to upset her?” Embarrassed, Jared could only tell the truth, “Last night, I accidentally saw Juliet bathing...” “What?” Dario and Judd exclaimed simultaneously.

Judd, in particular, was shocked and envious.

Seeing Juliet bathing was a sight so enticing, he’d willingly trade a hundred years of his life for it!

“You’d better tell the truth. Did you just see me bathing, or did you have other intentions?” Juliet glared at Jared.

“It was definitely a misunderstanding!” Jared said, sounding distressed. “I was just wandering around last night and happened to come here, The spiritual energy here had a hint of celestial energy, so I came in on a whim.

There were no guards, and the door was open. I saw the spiritual energy pool and thought it looked nice. Since no one was there, I took off my clothes and jumped in. How could I have known that Juliet was also inside the spiritual pool? But Juliet, you saw me naked too, so it’s mutual.

You didn’t really lose out.”

Hearing Jared’s explanation, Juliet was furious.

Judd’s eyes widened, trembling with envy. “Axel, you... you were naked in the same spiritual energy pool as Juliet? Johnny god, if it were me, I would gladly die...” Judd said before belatedly realizing that he had said the wrong thing.

“Ms. Juliet, I think this must be a misunderstanding. My disciple is not that kind of person. Moreover, if you kill him now, the story of you being seen, naked will spread, which won’t be good for your reputation. My disciple has gained some notoriety in the Violet Flame Sect after defeating Thiago in the inner competition as even Thiago had to show him respect. If he suddenly dies, people will investigate.”

He quickly shut his mouth.

Dario was helpless. He believed Jared was telling the truth. After all, Jared had come to learn the fire fusion technique, not to peep at Juliet bathing in the middle of the night!

Dario appealed to Juliet's sense of reputation.

After all, Jared had only seen her once and hadn't done anything more.

"What? He defeated Thiago?" Juliet was stunned.

After all, Jared was only a Fourth Level Tribulator, so how could he defeat Thiago?

A Man Like None Other Chapter 3975-"Yes, he defeated Thiago in the promotion match yesterday. He's now an inner court disciple," Dario said with a nod.

"I don't believe it. He's just a Fourth Level Tribulator. How could he defeat Thiago? Mr. Barclay, are you making excuses to cover for your disciple? This pervert doesn't deserve to stay in our Violet Flame Sect." Juliet refused to believe Dario's words.

"Ms. Juliet, there's no need for me to lie to you. I believe there must be some misunderstanding," Dario continued to explain, but Juliet didn't believe a word of it.

"If you want me to believe it, then let him compete with me. If this guy can defeat Thiago, he should be on par with me," Juliet demanded.

She wanted to challenge Jared.

Dario knew that Juliet wanted to use a competition as an excuse to teach Jared a lesson.

After all, it was infuriating to be seen naked while bathing.

Moreover, Juliet was widely acknowledged as a great beauty, and many people found it difficult to even catch a glimpse of her. Yet Jared had seen everything.

"But you're already a Ninth Level Tribulator, about to reach the Top Level.

Competing with him is too unfair," Dario protested.

Dario wasn't sure if Jared could defeat Juliet, but he was unwilling to let them fight.

Regardless of who got hurt, it wouldn't be good.

"If there's no competition, then you must gouge out his eyes and expel him from the Violet Flame Sect," Juliet said aggressively.

Feeling helpless, Dario could only look at Jared.

He could only help this much. After all, Jared had no business wandering around and peeping at someone bathing in the middle of the night.

The turn of events had even taken Dario by surprise.

“Competing is fine, but I don’t compete without stakes. I had a wager with Thiago,” Jared said with a slight smile.

“Not only are you a pervert, but you’re also a gambler. People like you don’t deserve to stay in the Violet Flame Sect. Today, I’ll clean up for Mr. Barclay. If you can beat me, you can name any condition. If you lose, you’ll gouge out your eyes and get out of the Violet Flame Sect.” Juliet’s aura was pulsating, her eyes filled with rage. Without waiting for Jared’s response, Juliet attacked, fearing he would refuse or that Dario might intervene.

She stretched out her hand, and a flame spiritual sword appeared. Dozens of sword lights immediately shot toward Jared.

Seeing this, Jared sneered, casually breaking off a tree branch and infusing it with spiritual energy.

The ordinary tree branch began to glow with white light.

Seeing Jared using a tree branch to counter her, Juliet became even more furious.

Swish, swish, swish... Juliet swung her sword again, sending another wave of sword lights toward Jared. Wave after wave of sword lights crashed toward Jared like a tide, giving him no time to breathe.

However, Jared swung his tree branch, accurately shattering each sword light.

He seemed less like he was fighting and more like he was exercising with a tree branch.

None of the sword lights could escape Jared’s strikes.

His body never moved from its original position.

Both Judd and Dario were stunned by this display.

Even though Juliet’s sword lights weren’t meant to kill Jared it o m shouldn’t have been so easy for him to fend them off.

A beam of white light shot out. Juliet was startled and hurriedly retreated, but the beam still pierced the corner of her clothing.

Seeing the hole in her clothes, Juliet narrowed her gaze while her aural surged even more intensely.

When the final sword light was shattered, Jared pointed the tree branch at Juliet.

A Man Like None Other Chapter 3976-“Juliet, you should just admit defeat. You’re not my match at all. If you surrender now, perhaps the conditions I propose won’t be too harsh on you. But if you keep clinging on, after I win, I might just make you strip naked and dance before me.” Jared looked at Juliet with a smile, trying to persuade her.

However, she saw his smile as mockery, especially the part about stripping and dancing, which she felt was a humiliation.

“Don’t get cocky. I haven’t even shown my true abilities yet.” Gritting her teeth, Juliet leaped into the air.

As she soared, she tossed her spiritual sword, and with it, flames erupted into the sky, accompanied by a thunderous roar.

A colossal dragon, its entire body ablaze with flames and its jaws wide open, appeared!

Earlier it had been a spirit snake, but now it was a full-fledged fire dragon.

Each move she made was more sophisticated than the last.

Jared noticed this and finally looked serious.

If he didn’t hide his identity and unleashed the Power of Dragons directly, the illusionary fire dragon formed by Juliet would not withstand a blow.

However, Jared could not expose himself. If he unleashed the Power of Dragons, his identity would not be able to be hidden.

In the entire celestial realm, he was the only one capable of unleashing the Power of Dragons and allow the Golden Dragon to manifest.

Jared vigorously swung the tree branch in his hand, a white light shooting straight toward the fire dragon.

However, the moment the tree branch collided with the fire dragon, it instantly turned into dust.

After all, it was just a piece of wood, despite Jared infusing it with spiritual power and a touch of extremus frost flame.

Seeing the branch turn to powder, Juliet smirked.

She wanted Jared to regret challenging her with a mere branch. The fire dragon roared, its flaming claws swiping directly toward Jared.

Judd and Dario were stunned by this sight. Dario even began to emit his aura, ready to intervene at any moment.

However, Jared remained fearless. Although he no longer had the branch, he slapped his palm directly against the dragon's claw.

Flames engulfed Jared's palm, with faint lightning flickering within the flames.

Jared used the Thunder Palm, albeit not fully, as he didn't want to reveal too much at the Violet Flame Sect.

His palm strike against the dragon's claw caused it to recoil.

Seeing this, Dario, who had intended to act, suppressed his aura once more. He hadn't expected Jared to face the fire dragon bare-handed and unarmed but ended up unscathed.

He saw the lightning flashing among the flames in Jared's palm strike, though.

"This kid even knows lightning techniques. Looks like he's hiding more than we thought," Dario said with increased interest.

Although Dario had accepted money from Jared and brought him to the Violet Flame Sect to learn the fire fusion technique from Gael, he was not foolish.

He wouldn't let the sect fall into danger.

He had been quietly observing Jared to understand his intentions. If Jared had any malicious intentions toward the Violet Flame Sect, Dario would certainly take action.

Money could be earned, but there were lines he wouldn't cross.

Dario wouldn't earn money if it required him to bring harm to Violet Flame Sect.

"Now you understand the consequences of underestimating.

me, right? You allow you to bring out your weapon, or else the next fire.

dragon attack will take your life!"

Juliet was surprised by Jared's palm strike but confident that he wouldn't withstand the next attack.

“Against you, using a branch would be overkill. I’ll stick to bare hands!”

Jared taunted, waving his hand toward Juliet provocatively.

Immediately, flames ignited in her.

hands as she manipulated them, continuing to infuse flames into the airborne fire dragon.

“Hmph...” Juliet scoffed upon seeing that.

In an instant, the flames on the fire dragon intensified dramatically.

A Man Like None Other Chapter 3977-The flames on the fire dragon’s body blazed fiercely, its gaping maw opening as it lunged once more at Jared, who stood barehanded, calmly watching the approaching dragon.

As the fire dragon neared, Jared showed no sign of evading or retaliating, leaving Dario and Judd utterly bewildered.

“What are you doing, Axel?” Judd shouted.

But at that moment, the fire dragon swallowed Jared whole, engulfing him in flames.

His face filled with anxiety, Judd was about to rush in to help when Dario stopped him.

“Leave it. These flames might not harm him,” Dario said, understanding that Jared was doing this on purpose.

Remembering how Thiago used the demonic black lotus the previous day, and yet Jared emerged unscathed, Dario concluded that Juliet’s demonic fire likely wouldn’t harm Jared either.

Although Dario couldn’t fathom how Jared could be impervious to such fire, Jared’s confident stance indicated he had a plan.

Seeing Jared swallowed by the fire dragon, Juliet smirked.

“How foolish of him to even think about making a wager with me,” Juliet sneered, then turned to Dario. “Dario, I’ve won. His fate is none of my concern.” “Ms. Juliet, it’s too early to declare victory,” Dario responded.

“Mr. Barclay, how could you say that? Your disciple has been engulfed by my demonic fire, and if you don’t save him, he’ll be reduced to ashes!” Juliet couldn’t understand how Dario could be so nonchalant about not rescuing his disciple and claimed that the outcome wasn’t decided yet.

“Reduced to ashes? Do you really think I’ll easily be burnt to a crisp?” Jared’s voice echoed from within the roaring flames.

Soon after, the flames around Jared rapidly extinguished, and the fire dragon vanished without a trace.

Jared stood before Juliet, unscathed.

“How... How could this be possible?” Juliet was dumbfounded, seeing her fire dragon gone and Jared unharmed.

“Why not? Your demonic fire is too weak to harm me. Now, it’s my turn to retaliate. Be prepared!” Jared said, a ball of flame igniting in his palm.

Everyone watched in disbelief as the terrifying intensity of Jared’s demonic fire became evident.

Even though it was just a small flame, the temperature around it rose instantly, causing the air to sizzle.

With a casual wave, Jared sent the flame swirling around Juliet.

She screamed but found no escape.

“Stop! Don’t hurt Ms. Juliet...” Dario hurriedly called out.

“Don’t worry, I won’t harm her,” Jared assured, then looked at Juliet, “Pa, you congede? you don’t, fil let the.

fike burn your clothes off, leaving you exposed to everyone here.”

Upon hearing Jared’s words, Juliet was absolutely livid.

Meanwhile, Judd was thrilled and whispered, “Axel, bumthena! Burn”

Juliet’s blothes..”

He would die for a chance to see Juliet stark naked.

Although Judd whispered, Dario heard him and shot him a fierce glare, silencing him.

“I concede, I concede...” Juliet admitted reluctantly, kagwing shel couldn’t defeat Jared, not even with her demonic fire.

Seeing Juliet admit defeat, Jared extinguished the flame and approached her

A Man Like None Other Chapter 3978-The moment he reached Juliet, a sudden flash of ruthlessness sparked in her eyes as she swiftly aimed a palm strike at Jared!

She actually launched a sneak attack on Jared!

Jared was taken aback, instantly filled with anger. He reached out, lightly gripping Juliet's wrist, then swiftly took control of the woman with a counter move.

Smack! Smack! Smack!

Jared launched an attack directly on Juliet's protruding bottom.

The slaps were resounding, one after another.

"Ah! Let me go! Let me go..." Nonetheless, Jared had Juliet in a tight grip, so she was unable to break free.

She hadn't expected that Jared would actually strike her sensitive bottom, nor how she wouldn't have the slightest ability to resist!

Judd and Dario were dumbstruck. Neither of them had expected that Jared would actually dare to hit Juliet there.

Feeling both embarrassed and irritated, Juliet shouted at Jared, "You pervert, let go of me! I'll kill you!" Jared was relentless, ignoring her cries as he continued striking her.

"I have to teach you a lesson," he said sternly. "One should live with integrity.

You've already lost, yet you dared to launch a sneak attack. If we weren't in the Violet Flame Sect, you would have been dead by now." Jared was so angry that he simply couldn't stop!

Nearby, Judd and Dario were both startled and anxious.

With an envious gaze, Judd looked at Jared and said, "Axel, stop! Stop hitting her." Though he said so, Judd wished he could step forward and slap Juliet himself.

The sneak attack was indeed underhanded!

"Stop! Hurry up and stop..." Dario was shouting loudly, but Jared simply wasn't listening.

In the end, Juliet could no longer hold back her emotions. She broke down in tears, beginning to admit her mistakes.

"I was wrong! I admit defeat, so stop hitting me!" Juliet said through her tears.

Upon hearing Juliet's words, Jared finally released his grip. Juliet's expression was aggrieved as she felt the burning pain in her bottom.

She was the prominent young lady of Violet Flame Sect, and everyone respected her. Even a mere glance from her would send chills down the spines of the disciples.

Juliet had always carried herself with the poise of an aloof goddess, yet now, she found herself being manhandled and humiliated in front of others!

This psychological disparity left Juliet feeling incredibly wronged!

However, amidst feeling wronged, Juliet surprisingly developed a hint of unusual emotions for Jared.

Somehow, a Fourth Level Tribulator cultivator was able to overpower her, a Ninth Level Tribulator cultivator. Moreover, his internal flame was so formidable.

But the main reason was that Jared didn't flatter her at all. It seemed like he was completely unaffected by her beauty!

Every one of the inner court disciples would drool at the sight of her and grovel at her feet.

Yet, Jared didn't, which made Juliet feel that he was different from others.

And so, the more it was like this, the more Juliet felt something different toward Jared!

Dario hurriedly approached Juliet and spoke. "Ms. Ortiz, are you all right? I assure you, Axel will be duly punished for what he did once we return."

Juliet glanced at Dario and said, "Who gave you the right to punish him? We were just sparring, so injuries are inevitable. You shouldn't punish him."

Dario was dumbfounded. He couldn't comprehend why Juliet, despite being hit, was still defending Jared. What was going on?

Women truly are hard to comprehend!

After Juliet finished speaking, she turned to Jared and said, "I've lost. Just tell me what you want.." "I want to learn the fire fusion technique..." Jared stated bluntly.

Just now, when Jared suggested that Juliet should strip and dance, it was merely to intimidate her. Jared wouldn't actually be that frivolous!

He had come to Violet Flame Sect in search of the fire fusion technique. If Juliet knew it, then there would be no need to meet the crazed Gael!

“The fire fusion technique?”

Juliet was taken aback before she let out a bitter laugh. “Aren’t you putting me in a tough spot? How wouldn know the fire fusion technique?”

You’ve seen it yourself; my two types.

of internal flames were separate just now. If I knew how to merge them, I might have been able to defeat you!”

Jared knew that Juliet was telling the truth. Just now, Juliet’s two kinds of internal flames were separate. It was only due to their rapid rotation that they appeared to be merged together.

A Man Like None Other Chapter 3979-“Since you don’t know it, forget it!” Seeing that Juliet wasn’t aware of the technique, Jared could only hope for a chance to meet with Gael.

“Don’t you have any other requests?” Seeing that Jared seemed quite dejected, Juliet thus asked.

She was a rare beauty, yet when she allowed Jared to name his terms, he astonishingly only requested the fire fusion technique, seemingly disregarding all else.

Could it be that my charm isn’t enough?

“No. What else could I possibly ask for?”

Jared shook his head.

At that, Juliet’s expression darkened slightly. If Jared were to admire her beauty and make certain requests pertaining to her physique, Juliet wouldn’t be upset.

On the contrary, she would be pleased because it would mean she was attractive.

Yet now, Jared didn’t even mention it, which led Juliet to start doubting her own charm.

Seeing Jared not making any other demands, Jared was almost driven to desperation. If it were him, he would have boldly asked Juliet to undress!

“Ms. Ortiz, there’s something else I need to discuss with you...” Seeing the situation, Dario quickly changed the subject.

“Mr. Barclay, has something else happened?” Juliet asked.

Dario nodded. "Mr. Moreau was locked up for contradicting Harlan and is set to be imprisoned for thirty years." "What? Imprisoned for thirty years?" Juliet was taken aback. "Harlan is going too far. He's merely the acting sect leader, yet he's behaving so outrageously!" "Also, Berthold has returned. Ms. Ortiz, you need to be careful!" Dario urged.

Juliet's brows furrowed. "I can't believe that guy had the audacity to return. If I see him, I'll definitely kill him..." "Ms. Ortiz, you must endure. Otherwise, there will be no hope left for our Violet Flame Sect. Right now, what's most important is that you need to intensify your training. Once you break through Ultimate Realm, we can ask Mr. Cunningham to open Divine Flame Mountain. Once we obtain the Divine Flame Seal, you'll be able to become the sect leader. Harlan has been wanting to open Divine Flame Mountain as well. He has approached Mr. Cunningham several times, but Mr. Cunningham has consistently declined. Now that Mr. Ortiz is ill, he's constantly not in his right mind. The only way Mr. Cunningham will be permitted to activate Divine Flame Mountain is if the proposal was unanimously approved by all the elders. But don't worry, Ms. Ortiz. Until you reach Ultimate Realm, we won't agree to open Divine Flame Mountain," Dario said.

"Mr. Barclay, you all have worked hard, especially Mr. Moreau. Please think of a way and see if you can manage to rescue him. If he were really locked up for thirty years, Mr. Moreau would be completely ruined," Juliet expressed her concerns with a worried expression.

"We'll give it our best shot, though it's likely to be quite challenging!" Dario sighed, then asked, "Ms. Ortiz, have you seen Mr. Ortiz recently? Has his condition improved at all?" Juliet shook her head. "Harlan has people guarding him closely, and I can only visit my father at set times. But every time I went, he was in a state of madness." Upon hearing this, Dario fell silent. This was because every time they visited Gael, it was the same.

He even suspected that Harlan did it on purpose, deliberately arranging their meetings only when Gael was having a relapse.

"Ms. Ortiz, please take good care of yourself. As long as Harlan doesn't get his hands on the Divine Flame seal, we still have a fighting chance,"

Dario said.

Juliet nodded emphatically, realizing that at this point, their only hope was the Divine Flame Seal.

Dario led Jared and the others away, but Juliet called out to Jared, "Axel, wait a moment. Since I've lost, I have to show some form of acknowledgment."

After Dario and Judd had left, Jared turned to Juliet and asked, "Juliet, what do you intend to do? If you're thinking of offering yourself, you can forget it. I'm not the type to kick someone when they are down."

Jared was left utterly bewildered, unsure of what Juliet intended to do.

Judd wore an expression of envy, yet he was pulled away by Dario.

After Dario and Judd had left, Jared turned to Juliet and asked, "Juliet, what do you intend to do? If you're thinking of offering yourself, you can forget it. I'm not the type to kick someone when they are down."

A Man Like None Other Chapter 3980-Juliet shot Jared a look. "Don't get too smug. You've seen me naked, even hit me. I haven't forgotten that grudge. However, since I lost, I owe you a favor. You want to learn the fire fusion technique, right? I may not know it, but my father does." "Juliet, Mr. Ortiz is now out of his mind and under guard. I can't just go and see him, even if he does know the technique!" Jared said, at a loss for words.

"Don't worry. I have a way to get you to meet my father. Even though Harlan has people guarding him, using his well-being as an excuse, and even set up an arcane array to prevent anyone from seeing him casually, I've found a way to secretly see my father. Nobody knows about this method, so I couldn't mention it in front of Mr. Barclay and the others just now. Come see me tonight, and I'll

take you to meet my father. Given your skills and abilities, I'm certain that your purpose for coming to Violet Flame Sect isn't just to be an inner court disciple.

You must have given Mr. Barclay quite a bit of money to get in here, didn't you?" Juliet looked at Jared, offering him a faint smile.

She had seen through it all long ago. Given Jared's capabilities, she could tell he was no ordinary man, so how could he possibly have become a disciple of Dario and be brought in by him?

Moreover, it was well-known that Dario was greedy for wealth.

More importantly, the fire fusion technique was something most disciples hadn't even heard of!

After all, mastering a single type of internal flame was already a difficult task, so there was no need for these disciples to attempt the fire fusion technique.

Besides, to use the fire fusion technique, one must, at the very least, master two types of internal flames!

Upon seeing Juliet's insightful gaze, all Jared could do was laugh and say, "I came to Violet Flame Sect solely to learn from Mr. Ortiz about the fire fusion technique. I assure you, I have no other intentions!" "Then could you tell me what kind of internal flame you used earlier? It seemed incredibly powerful," asked Juliet.

“It’s the fire of the Earth’s core,” said Jared.

“Fire of the Earth’s core?” Juliet paused for a moment, then shook her head.

“I’ve never heard of it!” “There are countless types of internal flames in the world, so it’s impossible to know them all.. Your Violet Flame Sect’s internal flame is one I’ve never heard of or seen before either,” Jared said with a laugh.

“Could you share some of the fire of the Earth’s core with me so that I can refine it?” Juliet asked cautiously.

After all, asking someone for their internal flame to refine was no small matter.

Every single bit of internal flame that was refined was extremely precious!

Moreover, Juliet’s encounter with Jared was just a chance meeting; they had no particular connection. Why on earth should he pass anything on to her?

“Juliet, it’s not that I’m being stingy or unwilling to share it with you for your cultivation. It’s simply because the fire from the Earth’s core is extremely fierce, and you wouldn’t be able to refine it. There’s a chance that the two types of internal flame within you could be consumed by it. The loss outweighs the gain!

However, there is a method that could transfer it to you. It can also reduce its intensity, making it easier for you to refine,” Jared said.

“What method? Out with it!” Juliet asked out of curiosity.

“Dual cultivation. If you practice dual cultivation with me, our auras could merge, so when the fire of the Earth’s core senses my aura within you, it won’t resist too fiercely. This would make it a bit easier to refine. Other than this method, there’s no other way.”

No sooner had Jared finished speaking than Juliet shot him a m disdainful look.

“You’re such a pervert. If you want to sleep with me, just say it. No need for all these excuses. “I don’t need the fire from the Earth’s core anymore.

There’s no way I’m sleeping with you!”

“It’s not like I want to give it to you in the first place either...” With a snort, Jared turned around and walked away.

Juliet thought that Jared was purposely making up such excuses iystitp. sleep with her.

“Don’t forget to come see me tonight,” Juliet reminded Jared.

Jared didn't answer, he simply walked out of Juliet's courtyard.
