

A WARRIOR UNDEFEATABLE

A Man Like None Other Chapter 3991 - 4000

A Man Like None Other Chapter 3991-Upon hearing that, Juliet quickly stepped in front of Jared. "Father, you can't harm him. He's Mr. Barclay's disciple. If you dare to hurt him, I'll never speak to you again." "Fine. I won't harm him. You claim you're not smitten, yet you're standing up for him, even threatening to disregard your father. I'm just going to have a chat with him. I won't lay a hand on him. After all, I can't possibly hand over my daughter to a man I know nothing about," Gael replied helplessly.

Jared gently patted Juliet's shoulder, saying, "Juliet, you should go. I believe Mr.

Ortiz won't harm me. I'll have a good chat with him." Upon hearing Jared's words, Juliet nodded and then stepped out.

As soon as Juliet stepped out of the grand hall, Gael's expression instantly turned incredibly cold, losing all traces of the warmth he had just displayed.

Upon seeing the sudden change in Gael's countenance, Jared couldn't help but shudder inwardly.

"Brat, who exactly are you? Why are you trying to get close to my daughter?" Gael asked in a chilling tone.

"Mr. Ortiz, I am Mr. Barclay's disciple, an inner court disciple of Violet Flame Sect. My name is Axel Chadwick. I didn't intentionally approach Juliet." Jared feigned innocence as he spoke.

"Hmph! Mr. Barclay's disciple? There's no way Mr. Barclay could take in a disciple like you who could destroy the Death Trap Formation so casually. I suspect your abilities are not below Mr. Barclay's. How much money did you give to Mr. Barclay? What is your real purpose for coming to Violet Flame Sect?" Gael directly exposed Jared.

Though Jared had just managed to deceive Juliet by reducing the potency of the Death Trap Formations, he couldn't fool Gael.

Jared hadn't expected that Gael could see through everything.

"Mr. Ortiz, I assure you, I bear no ill intentions, nor do I wish to harm Juliet in any way. I joined the Violet Flame Sect to learn the fire fusion technique from you," Jared responded truthfully.

"Fire fusion technique?" Gael scrutinized Jared. "I do indeed know the fire fusion technique, but do you really think I would tell you? I don't even know who you are."

“Even though I relied on unconventional methods to enter Violet Flame Sect, I had told you the truth in other aspects. My name is Axel Chadwick, a wandering cultivator,” Jared said.

Jared didn’t want to reveal his true identity. After all, it was too shocking and could potentially invite much unnecessary trouble.

“You should leave. If you can’t be honest with me, why should I teach you?” Gael waved his hand, signaling Jared to leave.

“Mr. Ortiz, why is this so?” Jared frowned in confusion.

“You concealed your aura and altered your appearance, yet you claim your identity is genuine. Do you think you can fool me like a three-year-old child?”

“Since you lack sincerity, why should I bother teaching you?” Gael let out a cold huff.

Upon hearing that, Jared instantly felt a headache coming on. He hadn’t anticipated Gael would be so observant, even keenly noticed he had concealed his aura and altered his appearance.

Jared knew that if he didn’t reveal his true identity, Gael would certainly not teach him.

Left with no choice, Jared had to come clean. With a gentle shake of his body, his appearance returned to its original state.

“Mr. Ortiz, I deceived you out of desperation. My real name is Jared Chance. I had offended Jo many people, so I had no choice but to alter my appearance and aura, concealing my true identity,” Jared explained in resignation.

“Jared Chance? You’re the one Demon Seal Alliance is trying to hunt down with their hundred-year offering?” Gael was astounded.

“Do you know me?” Jared was taken aback. He hadn’t expected that Gael would recognize him even while confined there.

“Haha! Your reputation is so widespread that I doubt there’s anyone in Ethereal Realm who doesn’t know your name.

This is indeed no small feat. You’re a mere Fourth Level Tribulator, yet you’re being hunted by Demon Seal Alliance with their hundred-year offering. It seems you really should hide your identity. Otherwise, many won’t be able to resist the allure of Demon Seal Alliance’s hundred-year offering and choose to eliminate you.” Gael let out a hearty laugh.

A Man Like None Other Chapter 3992-“Mr. Ortiz, I’ve laid bare the truth before you now. You aren’t planning to harm me, are you?” As Jared glanced at Gael, who was heartily laughing, a hint of nervousness crept into his voice.

“No! There’s no way I’d even think about plotting against my dear son-in-law,” Gael replied with a laugh.

“Son-in-law?” Taken aback, Jared quickly waved his hands and said, “Mr. Ortiz, please don’t misunderstand. There’s really nothing between me and Juliet.” “Enough, no need for further explanations. I can tell that my daughter doesn’t find you repulsive. Besides, you’ve already seen her naked. Don’t you think you

should take responsibility?” Gael said.

Jared was shocked to hear that. He couldn’t understand how Gael knew about him seeing Juliet naked.

Moreover, Gael was confined here, and was mad some of the time. How could he possibly know what was happening outside?

“Mr. Ortiz, this is slander. I assure you, I’ve never laid eyes on Juliet’s body.” Jared could only grit his teeth and deny it. After all, this was not something to be proud of.

“Denial won’t change anything. Don’t assume that because I’m confined here, I’m ignorant of what’s happening at the Violet Flame Sect. There may be times when my spiritual sense is manipulated and causes me to become mad, but I am not a fool,” Gael said.

Upon hearing that, Jared quickly changed the subject. “Mr. Ortiz, what exactly is going on with your erratic behavior? If you allow it, I might be able to help treat you. However, I have one condition. If I successfully treat you, I hope you will teach me the fire fusion technique!” Jared intended to use that condition as a bargaining chip to negotiate with Gael.

After all, if Gael didn’t want to teach him the fire fusion technique because there wasn’t any personal gain, Jared couldn’t possibly force him to!

“You can’t cure me. I’m possessed by a demonic soul. I have no idea how Harlan managed to get involved with Demon Cultivators and inflict me with this demonic soul. Thankfully, my spiritual sense is strong enough. This demonic soul can only disrupt my spiritual sense during the day. By nightfall, under the moonlight, the internal flame energy within me will control the demonic soul, granting me brief moments of clarity. This demonic soul is so powerful that even I can’t fully subdue it. You’re merely a Fourth Level Tribulator. How can you possibly control a demonic soul, let alone eradicate it?” Gael said with a sense of resignation.

After hearing that, Jared gave him a confident smile and said, "I can easily capture a mere demonic soul. I can beat it until it cries for mercy..." Jared had already devised a plan in his mind. In fact, the moment he stepped through the door, he had roughly guessed what was happening when he noticed the ominous dark aura surrounding Gael and the resistance of the purple energy.

It was highly likely that Harlan aimed to manipulate Gael using the demonic soul to gain complete control over the Violet Flame Sect!

However, Gael's powerful spiritual sense caused the demonic soul to become entangled within his spiritual sense field, which drove him to madness. However, when Gael's spiritual sense gained the upper hand, he would regain his clarity!

Upon realizing he couldn't control Gael, Harlan finally decided to confine him.

"You're not that old, but you sure know how to talk big. The demonic soul within me isn't same. I'm not a Demon Lord, but a great demon lord. If it were just a Demon Lord's soul, I would have already sent him to his fiery demise."

Gael didn't take Jared's words seriously because he assumed that Jared was merely boasting.

Jared then said, "Mr. Ortiz, just tell me if you agree or not. If I eliminate the demonic soul and return you your freedom, can you teach me the fire fusion technique?"

Jared was confident in his plan. Even if the demonic soul in Gael's Vermilion Demon Lord in his consciousness field?

As soon as Jared lured the demonic soul into his consciousness field, Vermilion Demon Lord could annihilate it within minutes!

The infamous Vermilion Demon Lord was a level nine great demon lord. He was a level nine great demon lord of the celestial realm. Even the so-called demon lords of the Ethereal Realm were insignificant in his presence!

A Man Like None Other Chapter 3993-Okay, I agree to your terms. But let me make this clear upfront. If you end up possessed by the demonic soul and turn into a mindless fool, don't blame me for it," Gael said.

"Don't worry, there won't be any repercussions for you." After Jared finished speaking, he extended his hand and released a surge of aura!

When this aura made contact with the dark energy surrounding Gael, the dark energy instantly became menacing!

At that moment, Gael's eyes went lifeless, and his spiritual sense was completely controlled by the demonic soul!

Gently, Jared placed his hand atop Gael's head, intending to draw the ominous dark energy into his own body.

However, the dark energy seemed to know Jared's plan. It didn't invade Jared's body or attack his consciousness field. Instead, it emitted a putrid smell and began to corrode Jared's body!

The demonic soul intended to erode Jared's physical body!

However, Jared's physical body had undergone numerous cultivations, including internal flame cultivation!

This vile energy couldn't even make a dent on Jared's physical form!

Upon seeing the situation, Jared initiated the Focus Technique, emanating an immense force of attraction and absorbing the demonic soul within Gael's body.

Feeling the immense pull, the demonic soul struggled desperately.

"Are you seeking death, brat? My refusal to invade your body isn't due to fear of you, but because controlling this old geezer is my duty. If you don't want to die, get lost immediately. Stop testing my patience!" Using Gael as its conduit, the demonic soul chillingly threatened Jared in an icy tone.

"Pah, you're just scared of me, aren't you? You're afraid that once you enter my mind, I'll trap you there and beat you until you cry for mercy, aren't you?" Jared sneered as he ceaselessly provoked the demonic soul to invade his consciousness field.

"Bullsh*t! You're just a Fourth Level Tribulator. How can I possibly be afraid of you?" The demonic soul was rather furious, its voice tinged with a hint of exasperation and fluster.

"Since you're not afraid of me, invade my consciousness field. Let's see who comes out on top. I can see that you don't have the guts at all. You only know how to bully the elderly, you despicable guy!" Jared continued to challenge the demonic soul.

"Ah, you punk, I'll take you down first and continue to control this old man!" Enraged, the demonic soul transformed into demonic aura and invaded Jared's body like a sharp blade.

As soon as it entered, it headed straight for Jared's consciousness field!

Once it seized control of Jared's consciousness field, he would be no more than a living dead. It could dictate the manner of Jared's death at its whim!

However, the moment the demonic soul entered Jared's consciousness field, it instantly regretted it!

Vermilion Demon Lord was seen casually sitting with one leg crossed over the other right in the midst of Jared's consciousness field. He wore a smirk on his face, coldly waiting for the demonic soul to enter.

Meanwhile, above Jared's consciousness field, a Golden Tome shimmered with a golden glow, sending chills down the spine of the demonic soul!

The demonic soul discovered that although Jared was only a Fourth Level Tribulator, his consciousness field was incredibly vast. Surprisingly, within this consciousness field, there was even a soul!

The moment the demonic soul left Gael's body, he instantly regained a spiritual sense. Immediately after, he swiftly sealed off his consciousness field to prevent the demonic soul from invading once again!

At the same time, Gael turned to Jared, his eyes filled with surprise as he asked, "Did you really draw that demonic soul into your own consciousness field?" "Indeed, that demonic soul is currently within my consciousness field." Jared nodded.

"How come you aren't controlled?" Gael was truly puzzled. How was Jared not controlled?

With Jared's abilities, as soon as the demonic soul entered his consciousness field, it was immediately controlled!

"We've said it before, a mere demonic soul can't control me. Once it enters soul can't control me. Once it enters my consciousness field, it can only beg for mercy and obey me," Jared said with a laugh.

Gael was confused, and he still refused to believe Jared's words.

Upon seeing that, Jared said, "Beg me. If I'm happy enough, I might spare you. You still have a chance to restore your physical form and come back to life."

At that moment, the demonic soul within Jared's consciousness field was being held by the collar by Vermilion Demon Lord. It was on the verge of tears!

A Man Like None Other Chapter 3994-The demonic soul could sense the aura emanating from Vermilion Demon Lord, an aura that only a Demon Lord could possess!

The concept of being a Demon Lord of the celestial realm was something he had never even contemplated.

He had never imagined that he would encounter a Demon Lord from the celestial realm. What was even more surprising was there was a divine soul of a Demon Lord from the celestial realm residing within the consciousness field of a Fourth Level Tribulator in the Ethereal Realm!

“Did you hear that? He’s commanding you to beg!” Vermilion Demon Lord demanded as he glared at the demonic soul.

“I beg you! Please spare me...” The demonic soul began to scream with all its might.

At that moment, the demonic soul would do anything Jared wanted him to do.

Gael listened to the voices emanating from within Jared. The timbre and aura of the voice sounded exactly like the demonic soul!

Gael had been dealing with the demonic soul in his consciousness field for quite some time, so he was able to recognize it.

Gael wore an expression of astonishment as he looked at Jared in disbelief.

He really couldn’t figure out how Jared had managed to pull it off.

Gael could never imagine that within Jared’s consciousness field, there was a Demon Lord.

“Okay, you can die now!” Jared said coldly.

No sooner than Jared finished speaking, a cry of agony was heard!

With a wave of his hand, Vermilion Demon Lord obliterated the demonic soul, turning it into a resource for Jared’s cultivation!

“Mr. Ortiz, isn’t it time to fulfil your promise and teach me the fire fusion technique?” Jared turned to Gael and asked.

“I’d teach you if I could...” Gael replied with a wry smile.

“D*mn, you old geezer. Did you just deceive me?” Jared grew anxious upon hearing that.

Having endured hardships to reach the Violet Flame Sect, the purpose of his journey

was to learn the fire fusion technique. Moreover, he helped Gael eradicate the demonic soul.

Now Gael was telling him that he didn't know how to teach him?

Why didn't he say earlier?

Gael quickly comforted Jared, "My dear son-in-law, don't be hasty. Why are you resorting to foul language? Just because I don't know the fire fusion technique doesn't mean others don't!" "Who knows it?" Jared demanded angrily.

"Actually, the method to merge the internal flames was within our Violet Flame Sect's Divine Flame Seal. When I first acquired the Divine Flame Seal, I was able to understand the cultivation method, which then allowed me to merge two internal flames. This kind of understanding can't be taught. If you also want to achieve fire fusion, you must get the Divine Flame Seal. Only by comprehending the technique from within the Divine Flame Seal can you succeed. How many types of internal flame are you planning to merge?" Upon hearing that, Jared realized that Gael hadn't deceived him, which eased his expression. He replied, "I'm thinking of combining at least five kinds of internal flame..." Jared had already mastered five types of internal flame. Perhaps he could master even more in the future!

So, at the very least, Jared now had to ensure the fusion of the five internal flames!

Gael's eyes widened in surprise. His gaze was filled with astonishment as he exclaimed, "How is that your possess live kinds of internal flame?"

Can you perhaps display these flames, so that I may have the privilege of witnessing them?"

"Five?"

Upon hearing that, Jared felt somewhat embarrassed.

Two of the fires he possessed were stolen from the Violet Flame Sect. If this was revealed, how could he possibly explain it to Gael?

Seeing Jared's hesitant demeanor, Gael's expression turned cold. "If you don't want me to see, then won't. As for how to comprehend the cultivation method through the Divine Flame Seal, I have nothing more to tell you!"

"Mr. Ortiz, it's not that I won't let you see it. I just fear it might startle you.

But since you insist on seeing, I'll grant you a glimpse!"

After Jared finished speaking, waves of internal flame began to ignite around his body.

The black demonic fire, the fiery red fire of the Earth's core, the white extremus frost flame, shades of brown, hues of purple... Five different hues of internal flame danced around Jared's body!

"F*ck, this is our Violet Flame Sect's internal flame. How the hell did you get it?" Upon seeing the flames, Gael became anxious.

A Man Like None Other Chapter 3995-Upon seeing the situation, Jared hurriedly extinguished the flames. With an embarrassed look on his face, he said, "Mr. Ortiz, please don't panic. There's no need for such harsh words... You were just calling me your dear son-in-law repeatedly. If I am indeed your dear son-in-law, won't it be normal for me to possess the internal flames of your Violet Flame Sect?" "That's true!" Gael gave it a thought and felt that what Jared said made sense.

If Jared truly became his son-in-law, it would be perfectly normal for him to have the Violet Flame Sect's internal flames!

After all, his daughter possessed both types of internal flames from the Violet Flame Sect.

"You rascal, you still dare to claim there's nothing between you and my daughter? She even gave you our Violet Flame Sect's violaceous flame. In such a short time, you've mastered two of our Violet Flame Sect's internal flames.

Have you and my daughter been cultivating together? That is the only way you can master these two types of internal flame in the shortest possible time." Gael regained his composure and turned to question Jared.

Upon hearing that Gael misunderstood him, Jared didn't dare to correct him.

After all, he couldn't possibly admit that he had stolen the Violet Flame Sect's internal flame!

"Mr. Ortiz, it seems there's nothing that can escape your eyes!" Jared let out a sigh and feigned dilemma as he continued, "Juliet is quite reserved, so she doesn't want people to know about our dual cultivation." The elder leader wore a face of satisfaction, then turned to Jared and said, "My daughter has had a tough life, but now that she's found someone to lean on, I can finally find some peace of mind. Since you and she have already cultivated together, there's no need to call me 'Mr. Ortiz'. Just call me 'Father'." "No, no, no, I feel embarrassed!" Jared repeatedly waved his hands.

"What's there to be embarrassed about? You two have already slept together.

But apart from our Violet Flame Sect's internal flame, the other three internal flames seem to be more powerful. What kind of internal flames are they?" Gael asked Jared curiously.

"It's the demonic fire, the fire of the Earth's core, and the extremus frost flame..." Jared told Gael about the various internal flames in detail, Gael, too, was completely fascinated by the flames.

Gael looked at Jared with admiration. "Indeed, each generation surpasses the last. My daughter is fortunate to be with you. Since you've cultivated with my daughter, I believe it will be easier for you to gain the recognition of the Divine Flame Seal. After all, my daughter shares the same bloodline as me, so the Divine Flame Seal wouldn't resist my bloodline much." "Mr. Ortiz... Father, does it mean that only your lineage can be acknowledged by the Divine Flame Seal?" Jared asked in astonishment.

"It's not entirely that. It's just that the Divine Flame Seal has already acknowledged me as its master. Therefore, it carries my bloodline's aura, which makes it more receptive and less resistant to me. If there is a completely new bloodline aura, the Divine Flame Seal will fiercely resist. To have the Divine Flame Seal accept a new master is not as easy as you might think. Back then, it took me half a month to master the Divine Flame Seal, and I nearly died!" Gael explained slowly.

Upon hearing that, Jared slowly nodded. However, he wasn't in a romantic relationship with Juliet. It was all a ruse to deceive Gael!

Looking back, it seemed that in order to master the fire fusion technique, one first needed to gain the OM recognition of the Divine Flame Seal.

Following that, he could use the Divine Flame Seal to comprehend the fire fusion technique!

In that case, he really needed to cultivate together with Juliet. This would make it much easier for him to gain acceptance from the Divine Flame Seal!

Jared wanted that, but he wasn't sure if Juliet would agree.

"My daughter, come in..." Gael called out to Juliet.

Juliet pushed open the doors to the main hall and stepped inside. When she saw that the ominous dark aura that once surrounded Gael had vanished, and that he appeared noticeably more spirited, Juliet's face was full of disbelief.

"Dad, are you... are you all right now?" Juliet asked, excited.

Gael nodded and said, "It's all good now. The demonic soul in my consciousness field has been vanquished. I must say, the man you've chosen is quite impressive."

A Man Like None Other Chapter 3996-“Man?” Juliet blinked in surprise, then turned to look at Jared. “Father, did he vanquish your demonic soul?” she asked.

“Of course it was him. If I could get rid of it myself, don’t you think I would have done it a long time ago? You really are something, you know. In the future, when something major like this happens, you must let me know first,” Gael grumbled.

“Something major?” Juliet was even more bewildered. She thought Gael was referring to her bringing Jared to see him, so she lowered her head and said, “Father, I understand. I won’t do it again in the future...” Gael waved his hand and said, “Okay, I didn’t mean to blame you. This was your decision, and as your father, it’s only right that I respect your choices. It’s getting

late, you should head back now. If you wait until dawn, you risk being discovered.”
“Father, now that you’re all right, aren’t you coming out with us?” Juliet asked, confused.

Since everything was back to normal and his madness had subsided, why not step out? It was the perfect time to reclaim Harlan’s position as the acting sect leader!

“Though the demonic soul has been vanquished, my spiritual sense has suffered severe damage. I must recuperate. If I leave now and alert Harlan that I’ve already come to my senses, he’ll surely do something out of desperation.

Once I’ve recovered, I’ll unlock the Divine Flame Mountain and allow the Divine Flame Seal to see the light of day again. When the time comes, my dear son-in-law will be able to utilize the Divine Flame Seal to comprehend the fire fusion technique!” Gael slowly explained.

“Son-in-law?” Juliet looked utterly baffled.

Alarmed, Jared quickly turned to Juliet and urged, “Juliet, dawn is breaking. We should hurry up and leave, or we’ll be in trouble...” Jared dared not keep Juliet there for too long. If the conversation went on, his cover would be blown!

And so, Juliet was reluctantly led away by Jared.

Bewildered, Juliet looked at Jared and asked, “Axel, what did my father mean?

Did he just refer to you as his son-in-law? What were you two discussing?” “Oh, we didn’t really talk about much. We were merely discussing the fire fusion technique. You must have misheard earlier. Mr. Ortiz was just asking me to come and sit with him when I’m free. We got along quite well.” Jared could only offer a haphazard explanation.

“Is that so?” Juliet asked, her face full of confusion.

“Of course! Did you really think Mr. Ortiz was calling me son-in-law? If that’s the case, doesn’t that mean I’m your husband? If I have a dual cultivation partner as beautiful as you, I’ll wake up laughing even in my dreams,” Jared said as he chuckled.

“Hmph, as if I’ll be your dual cultivation partner.” Juliet rolled her eyes at Jared, but it was clear that she wasn’t actually mad.

“Juliet, haven’t you ever considered finding a dual cultivation partner? Or perhaps, isn’t there a man you admire?” Jared asked.

Jared had to gradually persuade Juliet. If he could cultivate together with her, it would be more than ideal. At that point, it would be much easier to make the Divine Flame Seal acknowledge him!

“Why are you asking these questions?” Juliet looked at Jared with caution.

“... I’m just curious, what kind of man can possibly catch youDeye? Jared replied. I

“There is this man who has always piqued my curiosity,” Juliet confessed.

“There’s a guy named Jared Chance.

I heard he’s just in his early twenties, yet he possesses great strength.

Moreover, the Demon Sgal Alliande has put quta hundred year offering to eliminate him. However, he manages to escape every time.

There’s nothing they can do about him. I’m eager to meet this Jared. I’m curious about what kind of person he is to warrant such high regard from the Demon Seal Alliance.”

“Who?” Jared asked.

A look of admiration and fascination shone in Juliet’s eyes as she spoke.

It appeared that she was quite eager to meet Jared, the man who sparked her curiosity!

A Man Like None Other Chapter 3997-At Juliet’s words, Jared inwardly burst into laughter.

“Juliet, to be honest with you, I am the Jared Chance you’re speaking of,” he said, looking at her solemnly.

Upon hearing that, Juliet was momentarily taken aback. On the heels of that, she raised her hand to strike him.

“If you dare spout such nonsense again, I’ll kill you. How could he possibly be like you,

a downright pervert? You only know how to take advantage of girls. I haven't even settled the score with you yet!" Just as she made her move, the sky suddenly lit up, followed by a resounding roar splitting the air.

The color drained from Juliet's face in an instant. Jared's brows also furrowed in worry.

It turned out that Juliet had unintentionally made contact with the arcane array earlier. She originally had a formation plate in hand, allowing her to pass through the arcane array effortlessly.

Unfortunately, she was careless. When she lifted her hand, she inadvertently bumped against the arcane array, activating it.

As the arcane array activated, over a dozen presences rapidly headed in their direction.

"Oh, no! Oh, no! I'm going to be caught this time. Axel, leave quickly. If they catch you, you'll be in trouble." Juliet urged Jared to leave.

"What about you, Juliet?" Jared asked.

"I'll be fine. They wouldn't dare do anything to me. But you, being an inner court disciple, will surely be locked up since you came here," Juliet said with great urgency.

"You leave, Juliet. I'll stay here. If they find you, they'll discover your formation plate as well. Your secret meetings with Mr. Ortiz won't remain a secret either.

Worse still, Mr. Ortiz's recovery and his demonic soul having been eradicated might come to light, too. Then, things would be tricky. I was a new disciple, my curiosity led me to wander around. They probably wouldn't suspect anything," Jared analyzed, laying out the pros and cons.

"But Axel..." Juliet knew that he was right. However, she still felt somewhat uncomfortable about leaving him to take the blame alone.

"Juliet, I'll definitely be fine. Just leave quickly!" Jared gave her a shove.

Seeing that, Juliet could only nod. She said to him, "Axel, be extra careful yourself." "Don't worry, Juliet. I'll be fine." After Jared had said that, he forcefully pushed Juliet again.

Meanwhile, Juliet went through the arcane array and rushed toward her quarters.

Upon seeing that she had left, Jared finally let out a sigh of relief. He then feigned a look of panic, fumbling continuously with the arcane array in front of him with both hands.

As the arcane array was activated, waves of defensive auras struck Jared, sending him flying.

That was exactly the effect he aimed for.

No sooner had he been knocked off his feet by the defensive auras and couldn't get up than about a dozen figures appeared all at once.

"You've got some nerve to trespass on the forbidden ground of the Violet Flame Spots" Harlan roared, hovering in mid-air.

Beside him were Berthold and several other elders.

Dario and Judd were also among them.

When they saw that it was Jared who had collapsed onto the ground, they were both taken aback.

They never expected him to be there, much less to have triggered the arcane array, causing it to activate.

"Axel, it's you? Why are you here?" Judd asked in surprise.

"Judd, I was up early and felt bored, so I wandered around. How would I know this place was forbidden?"

"ground, let alone protected by an arcane array? The arcane array blasted me away, and I'm still aching all over even now... Since this is forbidden ground, they could've at least put up a sign to warn people. I nearly got hurt by it," Jared huffed.

Not only did he dare trespass on the forbidden ground and activate the arcane array, but he also had the nerve to be displeased.

Upon hearing him speak in such a manner, Dario was both frustrated and amused.

A Man Like None Other Chapter 3998-"Mr. Barclay, this is the new disciple you've taken under your wing, the one who defeated Thiago?" Harlan turned to Dario and asked.

"Indeed. Due to my lack of guidance, my disciple has caused trouble. I'm willing to accept any punishment, Mr. Garrido." Dario had no choice but to shoulder the blame for Jared.

Harlan glanced at Jared coldly.

Then, he said to Dario, "For trespassing on forbidden ground, the normal course of action would be to strip the person of his cultivation and banish him from the sect. However, considering that it's his first offense, and it was unintentional, he shall be punished to reflection in Reflection Cliff for three days."

After he had finished speaking, he blurred and vanished in a blink of an eye.

Berthold gave Jared a cold glance, then promptly left as well.

Dario and Judd landed in front of Jared, the former's eyes brimming with displeasure.

"I've told you I would definitely take you to meet Mr. Ortiz when the opportunity arose. Yet, you dared come here on your own. Thankfully, Harlan has been preoccupied with activating Divine Flame Mountain these past few days.

So, he didn't take any serious action. Otherwise, you wouldn't only have been confined to Reflection Cliff for three days." He knew that Jared was there on purpose.

"I've already met Mr. Ortiz, so there's no need to look for an opportunity anymore!" Jared declared with a faint smile.

"What?" Dario and Judd were both utterly astonished.

"How could that be? To meet Mr. Ortiz, you would have had to pass through several arcane arrays. At the end of it, there are even several kinds of superimposed arcane arrays. On top of that, there's a killing array among them.

Even Mr. Cunningham admitted that he couldn't get through them. How could you possibly have navigated through all the arcane arrays and met with Mr.

Ortiz?" Dario clearly didn't believe Jared.

"If you don't believe me, that's fine. I truly saw Mr. Ortiz. His madness is gone.

However, his spiritual sense suffered severe damage. He needs some time to recover. Once he has fully recovered, he will resume control over Violet Flame Sect," Jared said.

"Are you serious, Axel? You're not lying to us, are you?" Judd asked, his face filled with excitement.

If Mr. Ortiz has recovered and will resume control of Violet Flame Sect, we won't have to put up with Harlan anymore!

“How can you prove that you’ve met with Mr. Ortiz?” Dario scrutinized Jared, for he truly couldn’t believe the latter’s claim.

If he’s telling the truth, it’s fantastic news for us!

“I don’t have any proof, but all I’ve said is true. If you don’t believe me, you can see for yourself...” After Jared had finished speaking, he gently stepped forward, intending to touch the arcane array in front of him with his hand.

“What are you doing? If you activate the arcane array again, it won’t just be a three-day confinement in Reflection Cliff.” Dario couldn’t tell what exactly he was up to.

Still, Jared slowly reached out and touched the arcane array. A flash of white light manifested. Surprisingly, the arcane array wasn’t activated. Instead, a massive opening appeared.

Passing through the opening, Jared went right through the arcane array.

He went back and forth in the same manner for about three or four times.

Then, he waved his hand again, upon which the arcane array was restored as if nothing had ever happened.

Dario and Judd stared at Jared, both utterly flabbergasted.

Neither of them could fathom why the man knew array craft.

Could it be that he’s an array master?

“You now believe that I can meet with Mr. Ortiz, yes? These so-called arcane arrays are no different than child’s play in my eyes. They can’t stop me at all. However, what I’ve shared with you must remain a secret. We can’t risk Harlan finding out and attacking out of desperation,”

Jared said to Dario.

“Don’t worry. No one will find out about it.”

Dario looked at Jared in astonishment and continued, m “However, you still Náveto spend three days in Reflection Cliff. I’m afraid I can’t plead for you on this matter.”

“Violet Flame Sect doesn’t even have a mountain. Where did this so-called Reflection Cliff come from? Besides, it’s only for three days. It’s the perfect opportunity for me to focus on cultivating!”

Conversely, Jared didn’t mind spending three days in Reflection Cliff.

A Man Like None Other Chapter 3999-“Axel, Reflection Cliff is merely a room. But staying in there is no easy task. If one could focus on cultivating by staying in there, everyone would flock to it.

There’s an aura within Reflection Cliff that could invade one’s spiritual sense, causing pain to the person in there. Moreover, one’s spiritual sense would have to endure all kinds of suffering as if they were truly happening in reality! You must be careful. Although three days aren’t long and won’t endanger your life, it will undoubtedly take a toll on your body and mind. You’ll need some time to recuperate.” Judd cautioned Jared about Reflection Cliff, urging him not to let his guard down.

“However, you don’t have to be overly anxious. With your current capabilities, spending three days in Reflection Cliff won’t put you in danger,” Dario consoled.

Jared nodded. Then, he followed the two elders to Reflection Cliff.

Reflection Cliff was nothing more than a slightly dilapidated hut. A sign hung from the eaves of it, bearing its name.

Pushing the door open, Jared stepped in. The interior was almost bare, with nothing but a grimy-looking straw mat.

“This place seems like it hasn’t been occupied for quite some time.” Jared scanned the surroundings, then settled himself on the straw mat.

Three days were fleeting for a cultivator. Once the cultivator entered the state of cultivation, time ceased to be an issue.

But no sooner had Jared settled down, closed his eyes, and circulated the spiritual energy within him to cultivate than he abruptly sensed an aura in his consciousness field, and it continually condensed.

It didn’t originate from within his body, and he had no control over it. However, Judd had already forewarned him, so Jared did not panic.

This must be the aura used by Reflective Cliff of Violet Flame Sect to manipulate the consciousness field. Thus, he did not intentionally resist it.

As the aura flooded his consciousness field, intense heat swamped him.

When he opened his eyes, he was astounded to find an imposing mountain before him. The entire mountain was ablaze in a fiery red hue, reminiscent of a mountain engulfed in flames.

The place he sat faced a sheer cliff. Carved into the cliff were the words Reflection Cliff.

At that moment, Jared finally understood the origin of Reflection Cliff's name. It turned out that once a person entered the room, he would be led to the base of a cliff for real.

As he gazed at Reflection Cliff before him, waves of flames suddenly surged forth from the top of the towering mountain like a flood.

He wanted to dodge, but he simply couldn't avoid them.

In no time, he was engulfed by the flames.

For a moment, the intense burning sensation caused him unbearable agony. He hastily used extremus frost flame to counteract the searing heat.

But no matter how much he resisted, it was to no avail. It was as if extremus frost flame had lost its inherent frost energy.

"W-What's going on here?" Jared was utterly shocked.

"This is an illusion, so your extremus frost flame is naturally useless.

Everything you see and feel now is dominated by your spiritual sense.

Since your consciousness field is being controlled, you will experience whatever the other party wants you to experience," Vermilion Demon Lord explained slowly.

Only then did Jared understand that he was probably still in the dilapidated hut at that very moment.

It was just that his consciousness was being controlled, leading to the sight before him.

Left with no choice, he could only brace himself against the scorching flames. Deyoured by the heat, he felt intensely restless. It was as if he was on the verge of losing his sanity.

"Quick, look! Look what's on the cliff wall!" Vermilion Demon Lord suddenly prompted.

With his brows furrowed, Jared glanced at the cliff, only to see that the only thing on there was the words Reflection Cliff. There was absolutely nothing else.

"There's nothing. What did you see?" Jared asked in confusion.

"A technique! It's a cultivation technique! Calm down and try looking with your heart," Vermilion Demon Lord urged.

A Man Like None Other Chapter 4000-Upon hearing Vermilion Demon Lord's words, Jared promptly took a deep breath. Ignoring the scorching flames, he stopped his mind from wandering.

Instead, he recited the calming incantation, striving to keep his spiritual sense sober.

As he gradually calmed down, the burning sensation he had been feeling surprisingly dissipated significantly.

He lifted his gaze to Reflection Cliff before him. Through the blazing flames, words began flickering on and off the cliff.

The calmer his mind became, the clearer his words grew. Soon, the entire Reflection Cliff was filled with inscriptions.

As Jared looked at the words before his eyes, he was profoundly excited.

Nonetheless, he strived to keep his emotions in check since he couldn't afford to let his feelings fluctuate too much.

"True Fire Spiritual body? It's a cultivation technique to refine internal flame!" After perusing the cultivation technique, he slowly closed his eyes and began cultivating according to the cultivation technique on Reflection Cliff.

In no time, a nebulous figure appeared in his consciousness field. Astonishingly, it was a mirror image of Jared, just like its primordial spirit.

However, one's primordial spirit wouldn't typically appear in one's consciousness field. Even Vermilion Demon Lord, upon seeing the sudden figure, was very much intrigued.

However, he did not interfere but merely watched silently.

The ethereal figure appeared incredibly blurry, devoid of any discernible aura.

But as Jared cultivated the technique, five balls of internal flame appeared around the figure. They were none other than the five types of internal flames he possessed.

The five types of internal flames swirled around, surprisingly beginning to purify themselves. At first, they were impure due to various reasons during the absorption and refining process. But now, all of them had become incredibly refined.

At that moment, the internal flames became incredibly pure. Their strengths also saw a significant increase.

Following the purification, his body was also tempered. The ethereal figure was, in fact, his True Fire Spiritual body. However, it was still in a state of intangibility as he had just begun cultivating.

As his spiritual form was refined, his physical self likewise seen an improvement.

With that, he could let his spiritual body cultivate in his consciousness field no matter what he did in the future. Consequently, his cultivation would also increase.

Then, he would no longer need to isolate himself to cultivate. Even during a battle, the cultivation of his spiritual body would reflect upon him.

The only downside was that Jared hadn't yet to fully grasp True Fire Spiritual body right then.

He had just begun to grasp its cultivation. But as his cultivation deepened, there was no doubt that he would gain a deeper understanding of it.

While Jared cultivated True Fire Spiritual body at Reflection Cliff, Winston had already gone to Duad Formation Sect and got an expert in arcane array over.

Since the elders objected to activating Divine Flame Mountain, Harlan decided to find an expert in arcane array to help him do so.

"Mr. Garrido, Mr. Graham from Duad Formation Sect is here, Winston said to Harlan, entering the main hall.

"I never expected you to come personally, Mr. Graham. My apologies to have kept you waiting." Harlan rose to his feet and greeted Carlo with utmost respect.

If Jared laid eyes on Carlo, he would likely have recognized the latter instantly. It was the very man who had sabotaged Moses' daughter at Pathfinder Sect.

At that time, he broke Ten Thousand Spirits Array. Alas, Carlo's soul remnant escaped. Following the narrow escape, the man vowed to settle the score with him in the future.

"Mr. Garrido, you flatter me. Violet Flame Sect needs my assistance naturally have to cokie Besides, you have always been supportive of Duad Formation Sect," Carlo said with a smile.

The killing array Harlan had spent a fortune on was actually purchased from Duad Formation Sect. Hence, it could be said that the man had some relationship with Duad Formation Sect.

"Mr. Graham, we've known each other for quite some time now, so I'll get straight to the pair? I sought you out because I hope you can help me.

activate Divine Flame Mountain,”

Harlan stated.

Carlo was taken aback for a moment.

Then, he said, “Mr. Garrido, Divine Flame Mountain is the sacred mountain of Violet Flame Sect and has always been restricted by an arcane array. To activate Divine Flame Mountain, the arcane array must be broken. Doesn’t Violet Flame Sect have array masters who can activate the formation plate of Divine.

Flame Mountain? Why would you seek my help?”
