

Married At First Sight Chapter 2815-Hugh was still saying, “Kevin is either bad or that person. I don’t know why, but I dislike him more every time I look at him.”

Hayden didn’t even wear women’s clothing to show him, but she wore it to Kevin, and she wanted Kevin to tell everyone that she was a woman.

Hugh felt a little sour. Although he also hoped that Hayden would regain her status as a woman and marry a good husband, when Hayden was ready to get married, he felt reluctant to let her go.

“Sister, why don’t you ask Kevin if he would like to be your son-in-law? I really can’t bear to let you marry far away. You’re my only sister, and my parents only have a daughter. If Kevin doesn’t want to be your son-in-law, then dump him. With your conditions, what kind of man can’t be found?”

Sister, what’s wrong with your eyes? Why are you blinking all the time? Is something blowing into your eyes?”

Seeing that Hayden kept blinking at him, Hugh asked her with concern.

Hugh stared at her.

He was usually very smart, but today he was extremely slow.

Hayden simply stood up, walked around the desk, slapped Hugh’s arm, took the steaming cup of coffee from Kevin’s hand, and said to Kevin, “Kevin, you don’t have to worry about Hugh. Whatever he says, I won’t listen to him.”

Hugh turned his head suddenly and met Kevin’s dark eyes.

He spoke ill of Kevin behind his back and instigated his sister to abandon Kevin, but Kevin ignored her. How do I remedy this?

Did Kevin hear it?

Or did he only hear a little bit?

Hayden didn’t remind him again.

Oh, she reminded him, but he didn’t react.

Hayden kept blinking at him, and he thought something was wrong with her eyes.

Hugh wailed in his heart. Why was he so stupid today?

Kevin said, “Hugh, it seems that you have a lot of opinions about me. I didn’t please you, so you just don’t like me, right? How do you want me to please you?”

He pulled up a chair and sat next to Hugh. He stretched out his arm and put it on Hugh’s shoulders. He had a smile on his face. Hugh would rather see him with a dark face than see him.

Kevin: “Tell me, how do you want me to please you? You tell me, and I’ll try my best to do it.”

Hugh smiled coquettishly and said, “Brother Kevin, I’m just kidding. I’m just kidding. I have no problem with you. You’re pretty good to me, so there’s no need to please me anymore.”

“hehe.” Kevin chuckled. “Future brother-in-law, do you need some coffee? Do you want me to go in and get you a cup of coffee?”

Hugh: “Then give me a cup. You don’t need to add sugar or milk. I just want bitter coffee.”

The smell of bitter coffee could remind him to be careful when talking about people behind their backs in the future, so that the rightful owner doesn’t overhear him.

Kevin immediately stood up and left, saying as he walked, “My future brother-in-law wants to drink coffee; I will arrange it immediately. For the sake of my fiancée, I have to do my best to please my brother-in-law.”

Hugh was speechless.
