A Man Like None Other Chapter 2476-In the meantime, Jared was busy cultivating in Ethereal Realm by channeling his Focus Technique to absorb energy from the gold apatite.

Time passed by in the blink of an eye, and two weeks later, Jared had finished absorbing the last ounce of energy in the gold apatite.

The initially shiny and golden gold apatite had become as dull as an ordinary stone.

Seeing that Jared had woken up from his cultivation, Flaxseed quickly asked, "Jared, what cultivation level are you on now? I felt your aura change a few times."

Jared let out a heavy sigh and felt the energy churning within his body. His eyes lit up as he replied emotionally, "I'm now a Sixth Level Manifestor. If I can get my hands on another gold apatite, I might become a Top Level Manifestor or even achieve the Breakthrough!"

Flaxseed pursed his lips when he heard that. "There's something insane about your body. A gold apatite is filled with an enormous amount of power. However, you only went up several minor cultivation levels with it. I wonder how big of an amount of resources you'll need to achieve Tribulator and become immortal. I think you'll need more resources than what the entire Ethereal Realm can offer."

Flaxseed was shocked to see the amount of resources Jared needed. Judging by his current progress in cultivation level, I'm sure he'll need even more resources in the future. In other words, Ethereal Realm won't be enough for him!

"I don't know why I need more resources than others to cultivate.

Nevertheless, my hand seals might be the reason. I'm now a Sixth Level Manifestor. I wonder if I can finally utilize Dragon Bell!" Jared wanted to know how much control he had over Dragon Bell. If I can control Dragon Bell as I wish, it'll be my trump card and a way to protect myself!

Right when Jared was about to take out his Dragon Bell to test it out, Flaxseed quickly stopped him and warned, "Don't test it out here! If you do that, its aura will spread all over the place and attract the attention of the other prestigious families in Ethereal Realm. If that happens, we won't be able to leave! Try it out in the mundane world, okay? After all, you're not bound by the laws of nature."

Jared thought those words made sense, so he abandoned the idea.

After that, Jared whipped out his Divine Bow from his Storage Ring. With his right hand on the bowstring, he exerted strength and drew the bow to the

fullest.

All of a sudden, all sorts of energy started to gather on the bowstring, and a golden arrow soon appeared.

Jared pulled the bowstring as hard as he could and held on to it. As he clenched his teeth, the golden arrow gradually became transparent.

Whoosh!

Jared released the bowstring, and the arrow pierced through the air to create a giant black hole.

The seemingly unstable black hole had a vortex inside of it.

Seeing that he had opened a passage to the mundane world, Jared shouted at Flaxseed in excitement, "All right. Let's get out of here!"

Zelda, the sword spirit, transformed into Dragonslayer Sword and entered Jared's body.

After all, passing through a passage like that would take a lot of energy because one needed to protect oneself from spatial turbulence.

After Jared and Flaxseed had leaped into the black hole, the black hole slowly disappeared.

Shortly after Jared and Flaxseed disappeared, an elderly with white hair arrived at the scene alongside a boy and a girl dressed as monks.

"Master, why did you bring us here? Aren't we supposed to go to Pentagon Monastery?" the female monk asked in puzzlement.

The elderly with white hair checked their surroundings and frowned. "This is rather peculiar... I thought I felt Divine Bow's aura. Did I make a mistake?"

A Man Like None Other Chapter 2477-Upon returning to the mundane world with Flaxseed, Jared rushed straight toward Deragon Sect in Jadeborough. Not only did Jared want to see if everything was okay in Jadeborough, but he also wanted to visit his mother. Ever since he rescued his mother, he hadn't spent much time with her.

Upon seeing Jared, Beatrice pretended to be angry and asked, "Jared, you were gone for so long, and I didn't hear a word from you! Fortunately for me, Cecilia and the others have been keeping me company. When are you going to give me a grandchild?"

"Mom, I've been very busy. Hence, you'll have to wait for a while before I can give you a grandchild." Jared squatted down to massage Beatrice's legs.

“Busy? Do you not even have time to sleep at night? Cecilia and the others are free all day long. You just have to spend time with them at night, and that’s it. Besides, you don’t have to do anything when they get pregnant. Once my grandchild is born, I’ll be the babysitter!” Beatrice glared at Jared.

Well, I know it’s every parent’s dream to have grandchildren. Jared knew what was on his mother’s mind. “Mom, give me a couple of days. After that, I’ll-”

Before Jared could finish his sentence, Beatrice interrupted, “No. I want you to sleep with Cecilia and the others tonight. Otherwise, I’ll disown you. I’ve already gotten someone to ask them to come here. Tonight, you’ll all sleep here. No one is going elsewhere.”

It seemed like Beatrice was determined to get her son to have s3x with Cecilia and the other women that night. Soon, Cecilia and the others arrived, and they were delighted to see Jared there.

“Girls, come here.” Beatrice beckoned Cecilia and the others. In response, Cecilia, Lizbeth, Astrid, Evangeline, and Lyanna approached Beatrice and massaged her shoulders.

“Girls, listen up. You are all sleeping here tonight with Jared. No one is allowed to leave! Work hard tonight, okay? I want a grandchild,” Beatrice said to the girls.

Cecilia and the others blushed immediately. when they heard those words. In fact, they were so embarrassed that none of them dared to lift their heads or utter a single word. However, their silence was tantamount to a tacit admission.

Meanwhile, Jared was rendered speechless. It’s true I’m no longer a virgin, so I’m not worried about doing the act itself. Still, why can’t I have s3x with them one at a time? It’s so embarrassing to sleep with all of them at once!

Right when Jared was at a loss, Flaxseed appeared at the door and waved at Jared. “Jared, come out. I need to talk to you about something!”

“Mom, Mr. Flaxseed is looking for me. I’m heading out!” Jared uttered and went outside. “Remember what I said, Jared! If you don’t return tonight, I’ll disown you!” Beatrice warned.

“Don’t worry, Mom! I won’t run away. I’ll obey your words,” Jared promised. After Jared left the room, Flaxseed dragged him out of there.

“Jared, you’re so lucky with the ladies! I’ve been fooling around with women all my life, but I’ve never had a reverse gangbang! If you were to die afterward, you would die a happy man!” Flaxseed remarked enviously.

“Touch wood. If anyone’s dying, it’s you! Mr. Flaxseed, what do you need to talk to me about?” Jared asked. “I’m not the one looking for you. It was Godrick. He didn’t dare to show up because he knew your mother was lecturing you,” Flaxseed replied. As soon as Flaxseed finished his sentence, Godrick arrived.

“What is it, Godrick?” Jared asked. “Jared, someone came to Deragon Sect to look for you when you were away. That person said he had something important to tell you. However, I couldn’t reach you at that time. Thus, he left his name here and left,” Godrick answered.

A Man Like None Other Chapter 2478-“Did you say someone came looking for me?” Jared was puzzled. Who could it be? What was so important? “He said his name was Quindon Yuchamore from Gate of Heaven’s secret realm. I told him to leave his address here so that you could look for him afterward. However, he left without doing so,” Godrick responded.

“Quindon Yuchamore?” Jared was stunned. Why did Quindon leave his secret realm to look for me in the mundane world? As a cultivator, leaving the secret realm for the mundane world can be a painful experience. Not only will he be restricted by the laws of nature, but his cultivation might even decrease in the more severe cases! I know he’s one of the purple- robed emissaries of Evil Heart Sect, but why did he seek me out in the mundane world? What could be so important? Regardless of the reason, I think it’s safe to assume that something is definitely up.

With that in mind, Jared instructed, “Godrick, stay alert. If Quindon comes again, report back to me immediately!” “Okay!” Godrick nodded and left.

Right after Godrick left, Fernando hurried over. Upon spotting Jared, Fernando uttered anxiously, “Mr. Chance, Great Elder has been looking for you. When I heard that you were back, I came as quickly as I could. Please follow me.”

“Great Elder? Why is he looking for me?” Jared asked. Who would’ve known that so many people would look for me when I was gone? “I’m not too sure, but Great Elder is waiting for you in the secret realm,” Fernando replied. “Okay. Let’s meet him in the secret realm.”

With that, Jared whipped out Thousands of Miles Away and teleported himself and Fernando to the Gate of Fire’s secret realm. When Chester saw Jared, the former hurried toward Jared and said, “Mr. Chance, something big happened in the Eight Major Secret Realms!”

“What happened? Did the other secret realms attack Gate of Fire’s secret realm?” Jared had only murdered the purple-robed emissaries in the secret realms of Gate of Fire and Gate of Thunder. Hence, he was certain that there were six other purple-robed emissaries still working for Evil Heart Sect in the other secret realms.

That was why Jared thought the other purple-robed emissaries had used Teleportation Array to bring men over to attack Gate of Fire’s secret realm.

“No. As of now, only the people in the secret realms of Gate of Fire and Gate of Thunder remain. The residents of the rest of the secret realms have all disappeared. No one knows where they are. I strongly believe that something bad has caused the disappearance of those people,” Chester revealed.

“What? Disappeared? Are you telling me those secret realms are now deserted?” Jared was bewildered. What happened to those people? Why are they all gone? They are all rather strong cultivators. In fact, Quindon of the Gate of Heaven’s secret realm is very likely to have surpassed the Top Level of Manifestor! How did so many strong cultivators disappear? Where did they go?

“Could this be the reason Quindon came to look for me?” Jared murmured with his brows furrowed. Yes... Quindon must’ve sought me out because everyone in the secret realms has vanished.

“Did you say Quindon went to look for you, Mr. Chance?” Chester was caught by surprise. Jared nodded. “He went to the mundane world to look for me, but I was away. Therefore, I don’t know why he wanted to see me.”

“That’s strange. You ought to be more careful from now on, Mr. Chance,” Chester urged.

“Got it!” Jared then left the secret realm of Gate of Fire and returned to Jadeborough. Before he even stepped into Deragon Sect, he was stopped by Xavier.

“Jared, Mr. Sanders is inviting you over,” Xavier said. Jared was filled with exasperation. I’ve only returned not long ago, and I haven’t even had time to rest! Why are so many people looking for me?

A Man Like None Other Chapter 2479-Despite his irritation, Jared couldn’t turn down a chance to see Arthur. Mr. Sanders told me he only had one month to live, and it’s already nearly one month since then. I should see how he’s doing!

Jared followed Xavier to the Department of Justice and into Arthur’s office. Upon arriving, Xavier left tactfully. “Have a seat,” Arthur said when he saw Jared.

Jared sized Arthur up and noticed how healthy the latter looked. Mr. Sanders’ aura seems stable, and he doesn’t look sick. As a matter of fact, he doesn’t look like he’s dying!

“Mr. Sanders, you look very healthy. One month is almost up, no? That means you should be fine, right?” Jared asked. “Who told you I would die of illness?” Arthur chuckled.

“Huh? How will you die, then? You’re strong enough to defeat anyone in the mundane world. No one is capable of killing you, right?” Jared asked.

“Haha! Well, it’s true that no one in the mundane world is capable of killing me. However, it’s my fate. When the time comes, I’ll meet my maker.” Arthur laughed. Jared was confused when he saw Arthur laughing. How can Mr. Sanders still laugh? Is he not afraid of dying?

“Mr. Sanders, since you already know when you’re dying, why don’t you defy your destiny? Can’t you just stay put on that fateful day?” Jared questioned.

Arthur shook his head in response. “That’s my destiny, though. If I don’t die that day, chaos will be brought upon the world, and others will die. Sometimes, we should just accept our fate.”

Jared was rendered speechless. I don't get it. Destiny? What did Mr. Sanders mean by that? Why will chaos be brought upon the world if he lives on?

I shouldn't let this miserable topic affect Jared's mood. Arthur quickly changed the topic when he saw Jared keeping mum. "Have you just returned from Ethereal Realm?" Arthur asked. Jared nodded and asked in disbelief, "How did you know I was in Ethereal Realm?"

"Haha! That's easy. Your body is filled with the aura from Ethereal Realm! Besides, you have the energy of a gold apatite in your body." Arthur laughed out loud.

Upon hearing that, Jared could only glance at Arthur in astonishment. Mr. Sanders is incredible! He was in the mundane world the entire time! No matter how strong he is, he shouldn't know so much about Ethereal Realm.

"Mr. Sanders, how do you know so much about Ethereal Realm? Also, do you know about the gold apatite as well?" Jared queried. "I know Ethereal Realm like the back of my hand." Arthur flashed a faint smile.

Jared was stupefied when he heard those words. "A-Are you from Ethereal Realm? If that's the case, why did you come to the mundane world?" Jared asked.

Arthur merely chuckled in response. Instead of answering Jared's question, he said, "Seven days later, the Spiritual Energy Restoration Formation will be activated, so you ought to be prepared. As of now, there are still certain things you shouldn't know about. When you become the strongest one day, perhaps you'll be able to see the things you can't see today."

Jared fell into deep thought when he heard those words. I feel like no matter how hard I work and how strong get, I'll never be Mr. Sanders' match. In the end, I'll still need him to protect me. I've known him for a long time, but I still don't know who he really is. Heck, I don't even know if his name is real! It's as though Mr. Sanders is a familiar stranger. Nevertheless, I know he has been looking after me all this while.

After chatting with Arthur for a while more, Jared left the Department of Justice and returned to Deragon Sect.

A Man Like None Other Chapter 2480-The sky was already dark by the time Jared returned to Deragon Sect. As a result, he was even more surprised when he saw Beatrice waiting for him at the door. "Mom, why are you standing out here..." he uttered before promptly helping her back into her room.

"I was worried that you wouldn't come home today... I'd disown you if that were the case!" "Why wouldn't I, Mom? I always keep my promises to you," Jared reassured.

"That's good to hear. Cecilia and the others are in the room next door, and they've already taken their baths. Everyone's waiting for you," Beatrice replied. "By the way, don't even think about fooling me. I'll be listening from here!"

Upon hearing that, Jared sighed helplessly. "Mom, I've been busy the entire day and haven't even eaten anything. Could you at least let me. have some food first? Otherwise, how would I have the energy?"

The next second, Cecilia strode into the room with a sumptuous dinner spread. She was dressed in a sexy outfit that exposed her snow-white skin, and it was clear from the water droplets clinging to her skin that she had. just stepped out of the shower.

"I knew you'd say that! That's why I already had dinner prepared for you," Beatrice said smugly. Cecilia set the dishes down and glanced at Jared. "Eat up. We're all waiting for you...."

With that, she turned crimson with embarrassment and left. Seeing Cecilia behaving so coyly drove Jared crazy with excitement. After all, he was just like any other hot-blooded male! He had merely suppressed his sexual urges in the past because it didn't feel right to act on them when his mother was still stuck in a hellhole.

Now that he had rescued his mother, Jared could no longer control his inner desires. Besides, he had already gotten a taste of it with Feenix, so how could he not want more?

Perceptive as always, Beatrice noticed the way her son looked at Cecilia and smiled. As someone who had been there and done that, she knew very well

what was running through the young man's mind. "Go on. Eat up," she urged, "Don't keep the ladies waiting..."

Without further ado, Jared nodded and scarfed down the food before him. Once he had his fill, Beatrice quickly led him into the adjacent room. The room had clearly been redecorated to make it warm and cozy, and a handful of scantily-clad ladies sat inside waiting for Jared.

As soon as they saw the latter, the women blushed and fell silent. Even Lyanna, who was always boldly seducing Jared, didn't dare to look up at him then. She often teased him in the past because she knew he'd never lay a finger on her, and that made her want to mess around with him even more.

Tonight, however, was different. No one was going to escape Jared's clutches, so Lyanna couldn't help but feel some trepidation. After all, she was still an innocent young lady!

After looking around the room, Jared spoke up. "I know you were all forced into this by my mother. We've never established formal relationships, and you won't be getting an official civil status, either... Therefore, I won't force you to do anything against your will. I'm sure you know what it's like to be with me. There will be countless dangers, and I'll be away from home for long periods. Feel free to leave now if you don't wish to spend the night with me. I won't blame you."

After hearing that, the women looked up and gazed fondly at Jared. "Jared, we're here on our own accord because we like you. We don't care about getting an official civil status. All we want is to be with you," Cecilia said firmly. "Let us be your women tonight..."

"Yes! We want to do this..." the other ladies chimed in. Unable to suppress his burning desires any longer, Jared threw caution to the wind and made his move. What followed soon after was a night of passion and an endless cacophony of moans and grunts.

When morning came around, the women were so exhausted and sore that no one could muster the strength to get out of bed....
