An Understated Dominance by Marina Vittori Chapter 2068

Seeing Xu Yang take action, two muscular and round-waisted men immediately jumped out from behind the bearded man.

The weapons used by both of them were large butcher knives.

The knife also has a strong smell of blood and an imperceptible evil aura, which is the effect of the blade drinking blood all year round.

In the world of martial arts, this is called nourishing the sword with blood.

It's a pity that the swords raised by the two have just started and have not developed the momentum they deserve.

“Qiang! Qiang! Qiang!”

Xu Yang was the first to draw his sword, one against two, and soon he was fighting with two sturdy men.

The two burly men wielded their swords very fiercely, showing more than enough strength but not enough dexterity.

From move to move, his movements were a little clumsy.

On the other hand, Xu Yang was obviously taught by famous teachers and had considerable practical experience.

Whether it is speed, strength, or skills, they have all reached a very high level, which can be said to be an all-round development.

As soon as the three of them fought, Xu Yang knocked down the two sturdy men to the ground in no more than ten moves.

And they clearly stabbed a bloody hole in their legs as punishment.

“Hmph! With this little strength, you still dare to act like a hooligan? You are really overestimating your capabilities!”

Xu Yang pointed his sword diagonally and shouted majestically: “Get out of here quickly, otherwise don’t blame me for being ruthless with my sword!”

“Good! Good fight!”

Seeing Xu Yang’s victory, many spectators around him applauded.

Although they don’t have the courage to act bravely, it’s okay to give them a round of applause and support.

“Boy! I can’t tell you have some ability. No wonder you dare to meddle in your own business here.”

The bearded man narrowed his eyes, slowly pulled out his pig-killing knife from his waist, and said slyly: “It’s a pity that you kicked the iron plate today. If you dare to mess with our pig-killing gang, you will die. One piece!”

“I’ve never heard of a pig-killing gang or a cow-killing gang!” Xu Yang looked arrogant.

“Hehehe... It doesn’t matter. After I drain your blood, you will know why we called the Pig Killing Gang!”

The bearded man laughed ferociously, stopped talking nonsense, and took action directly.

With a kick of his feet, he jumped out like a tiger, and the butcher knife in his hand turned into a streak of blood-colored light and slashed hard at Xu Yang.

Unlike the two younger brothers before him, the bearded man’s butcher’s knife was particularly full of evil aura.

Unlike the two younger brothers before him, the bearded man’s butcher’s knife was particularly full of evil aura.

Wherever the blade passed, there was an ear-piercing scream.

“So fast!”

Xu Yang’s pupils shrank and he didn’t dare to enlarge his eyes. He immediately raised his sword to block his chest.

“Qiang!”

Just listen to a soft cry, accompanied by sparks flying.

The bearded man’s butcher’s knife hit Xu Yang’s sword hard.

The huge force directly knocked Xu Yang back several meters.

“Come and die!”

The bearded man took advantage of the situation and pursued Xu Yang. When Xu Yang was unsteady, he struck down hard with the butcher’s knife.

Xu Yang reluctantly raised his sword to block.

“Qiang!”

There was another sound of gold and iron clashing.

The bearded man’s butcher’s knife struck Xu Yang’s sword again.

Xu Yang only felt his wrist go numb. The sword that passed over his head was bounced back and pressed heavily on his shoulder.

“Kneel down!”

The bearded man roared angrily, and the strength of the butcher’s knife on the sword increased again.

The powerful zhenqi kept impacting Xu Yang.

“Boom!”

Xu Yang was overwhelmed, his knees weakened, and he knelt down on the spot.

His entire body was so overwhelmed by the powerful strength of the bearded man that he could not even straighten his waist.

He looked extremely embarrassed and no longer looked as majestic as before.

This scene made everyone fearful.

No one expected that Xu Yang, who was unstoppable just now, would be restrained by the bearded man in the blink of an eye.
