An Understated Dominance by Marina Vittori Chapter 2071

“ah?!”

Yan Buqi’s words immediately made several people stand on the spot, and they didn’t even react for a while.

Especially the attentive Xu Yang, whose smile was stiff, his eyes widened, and his hands raised in the air, a little at a loss.

How can it be?

Could it be that the target of his heroic rescue of “Beauty”... was a man?

“M-Male? You...are you kidding?”

The girl in red looked Yan Buqi up and down, looking like she couldn’t believe it.

She clearly has a beautiful face that would captivate the entire country, how could she be a man?

The woman in green clothes opened her mouth, but for a moment she didn’t know what to say.

After doing this for a long time, the gangsters from the Pig Killing Gang just now molested not a good woman, but a good man?

This taste... is really special.

“I’m not kidding, I’m a true gentleman.” Yan Buqi nodded seriously.

When I go out, I have been mistakenly admitted like this not once or twice.

“But your appearance...” The girl in red hesitated to speak.

“Male and female, there is nothing we can do about it.” Yan Buqi shrugged, a little helpless.

“What a pity.” The girl in red shook her head.

It would be great if such a beautiful face could grow on my body.

“Senior Brother Xu, what’s wrong with you? Are you okay?”

Seeing that Xu Yang was still in a daze, the girl in red reached out and patted his shoulder.

“Huh? Oh, I’m fine, I’m just a little surprised.”

Xu Yang woke up from a dream and quickly came to his senses.

But his eyes were always looking back and forth on Yan Buqi.

He really couldn’t believe that such a charming face was actually a man.

He really couldn’t believe that such a charming face was actually a man.

What a waste of natural resources!

“I’m Yan Buqi, may I ask your names?”

Yan Buqi clasped his hands and asked proactively.

“Liu Rushuang.”

The woman in green clasped her fists in return.

“Liu Hongxue.”

The girl in red smiled sweetly.

Although he is a little brother, he is really pleasing to the eye.

“Xu Yang.”

Xu Yang clasped his fists and looked a little strange.

Regarding what just happened, he couldn’t help but have some obstacles in his heart.

“We are destined to meet each other. You three might as well sit down and have a glass of wine together.”

Yan Buqi extended his hand as a guide and introduced at the same time: “This is Brother Dustin, these two are Brother Dustin’s personal bodyguards, their names are...”

“Spring flowers, autumn moon.”

The spring flowers and autumn moon rise at the same time and sign up for the number.

“Nice to meet you.”

Liu Rushuang, a woman in green clothes, nodded, which was regarded as saying hello.

“You three, please take a seat.”

Yan Buqi smiled slightly, and then shouted in the distance: “Servant, bring me some more jugs of good wine!”

Yan Buqi is a typical Zilai familiar, especially the hero Liu Rushuang and the other two rescued the beauty just now, which made him fond of him.
