An Understated Dominance by Marina Vittori Chapter 2073

Dustin glanced at Yan Buqi next to him, thinking that no matter how beautiful the other person was, he would never be able to like a man.

“Cough cough cough...”

Yan Buqi choked on his drink and coughed a few times. He smiled bitterly and said, “Sister Liu, when you say this, I really don’t know if you are praising me or ridiculing me?”

“Of course I’m complimenting you. What man can’t be moved by your face?” Liu Rushuang said seriously.

“Ah this...” Yan Buqi was speechless for a moment.

Even so, you don’t need to say it to your face, right?

I always feel like something is weird.

“If you don’t believe me, ask my junior brother Xu.” Liu Rushuang said again.

At this moment, Xu Yang’s eyes were staring straight at Yan Buqi.

Hearing Liu Rushuang mention his name, he couldn’t help but be slightly startled, and immediately looked away, with a flustered look on his face, as if he was guilty of committing a crime.

“Ah I?”

Xu Yang said with an embarrassed look: “Senior sister, stop joking, what does this have to do with me?”

“Senior Brother Xu, something is wrong with you.”

Liu Hongxue raised her eyebrows, looked left and right, and said with a wicked smile: “You are not really fascinated by Brother Yan, are you?”

“You...you girl! What are you talking about?!”

Hearing this, Xu Yang immediately became anxious, blushing and shouting: “I am a man, and Brother Yan is also a man, how can we be involved together?”

“Senior Brother Xu, don’t be so nervous. I was just joking.”

Liu Hongxue chuckled: “Besides, true love is between men, what’s wrong with that? If you really have that idea, I will definitely give you my blessing, Jie Jie Jie...”

“You girl, you are getting more and more outrageous!”

Xu Yang was a little angry and wanted to fight.

Liu Hongxue immediately hid behind her sister Liu Rushuang, smiling sweetly.

Faced with this situation, Yan Buqi, as the person involved, felt speechless for a while.

The most annoying thing is that when Xu Yang was fooling around with Liu Hongxue, he would steal glances at Yan Buqi from time to time.

It was just a joke at first, but now that I’ve looked at it, it’s become a bit intriguing.

“Brother dustin, Sister Liu, this must be your first time coming to Longhu Mountain, right? How about I take you around first? Get to know the surrounding environment?”

Seeing that something was wrong, Yan Buqi promptly changed the subject.

“Okay.” Liu Rushuang nodded.

“Then Mr. Lao Yan is here.” dustin smiled slightly.

The most important task of his trip is to find the dragon’s source of energy, but with his strength, he is still unable to freely enter and exit Longhu Mountain.

After all, neither the old Celestial Master Zhang Xuanji nor the Celestial Master’s successor Zhang Yuzhen can be dealt with.

And now that the situation is unclear, he must hide his identity.

Following Yan Buqi's group would not attract too much attention.

"Everyone, do you know why Longhu Mountain is holding a martial arts competition this time?"

Walking on the streets of the ancient town, Yan Buqi shook the folding fan in his hand, enjoying the scenery and chatting.

"I know this!"

Liu Hongxue volunteered and replied: "I heard that Longhu Mountain holds a martial arts competition to select talents and win glory for the country!"

Hearing this, Xu Yang couldn't help laughing: "Junior Sister Liu, you believe this kind of nonsense, are you too naive?"
