An Understated Dominance by Marina Vittori Chapter 2088

“What happened just now? Why did it happen like this?”

“...”

After a brief silence, the whole place was in an uproar.

The situation before me was beyond expectation.

Chen Xingwen comes from a famous family, has superb marksmanship, advanced cultivation, and fierce attacks. He had the upper hand when he fought Yayoi Kusama just now.

Why did he suddenly lose after one attack?

what happened?

“Lost...lost?”

Liu Hongxue was stunned, her beautiful eyes widened, and she was at a loss for a moment.

From the moment Chen Xingwen appeared on the scene, she has always paid attention to him.

His handsome appearance, noble temperament, powerful cultivation, and superb marksmanship all fascinated her.

She had imagined countless scenarios in which Chen Xingwen would win, but she never expected that the final result would be this.

“Ah this...”

Xu Yang was speechless and looked embarrassed.

He had previously vowed that Chen Xingwen could win, but Yayoi Kusama was just at the end of her game, but he didn't expect to be slapped in the face in the blink of an eye.

"Chen Xingwen is already at the half-step master level, and his marksmanship is superb. Yayoi Kusama can defeat him. Could it be that the opponent has already..." Yan Buqi frowned and stopped talking.

"Yes, Yayoi Kusama is a martial arts master!" Liu Rushuang blurted out.

With Chen Xingwen's cultivation level, there is only one possibility for Kusama Yayoi to win, and that is her superiority in cultivation level.

Thinking of this, she glanced at Dustin meaningfully.

I have to admit that everything the other party said before came true.

At the same level, Chen Xingwen is indeed more powerful, but unfortunately, Yayoi Kusama is a martial arts master and is much stronger in terms of hard power.

No matter how talented Chen Xingwen is or how good his marksmanship is, the gap between the two sides is an insurmountable gap.

"Cough cough cough..."

Chen Xingwen coughed up blood and supported his body with the broken silver gun, and finally stood up again.

"Chen Xingwen from Tianxiahui, you are very powerful. I admire your bravery, but unfortunately, you are no match for me." Yayoi Kusama shook her head.

He originally tried to lower his level and rely on his superior martial arts skills to compete with Chen Xingwen.

But as he fought, he suddenly found that he couldn't fight the opponent, and in the end he could only win through strong cultivation.

This made him admire Chen Xingwen's strength even more.

It seems that the warriors of the Dragon Kingdom are not all soft-footed shrimps.

“I haven’t lost yet! I can still fight again!”

Chen Xingwen gritted his teeth, held on to his severely injured body, and challenged Yayoi Kusama again.

“That’s enough! The victory or defeat has been decided, don’t show off any more!”

Dong Qianqiu couldn’t stand it anymore and quickly stopped him.

If you continue to fight, it won’t be a matter of injury, but you may die!

With a talent like Chen Xingwen, he naturally couldn’t bear to watch the other person jump into the fire pit.

“Mr. Dong! Give me another chance, I can continue to fight!” Chen Xingwen prayed.

This battle is about the prestige of the country and the reputation of Tianxiahui. No matter what, he will fight to the end.

“Give up, you can’t win.”

Dong Qianqiu shook his head and advised with a serious face: “There is a big gap between you two in terms of realm. This is something that skill and experience cannot make up for. If you continue to fight, you will die!”

“I will fight even if I die!”

Chen Xingwen gritted his teeth and spoke carefully.

The hatred of the country and the family will never allow him to bow to the warriors of the Golden Crow Kingdom.

Even if he couldn’t beat him, even if he risked his life, he would make the other party pay in blood.
