An Understated Dominance by Marina Vittori Chapter 2092

Dong Qianqiu's eyes widened and he was secretly frightened.

The silver needle shot by Dustin was actually a bit strange considering his strength.

If it were used on Yayoi Kusama, she might actually have a chance to win.

Of course, the most important thing is that at the moment the silver needle flew by, he vaguely sensed a master's aura on it.

Could it be that...this unknown little guy in front of me is actually a hidden martial arts master?

"Mr. Dong, am I qualified to fight Yayoi Kusama?" Dustin asked.

Dong Qianqiu hesitated for a moment, but finally nodded: "Okay! Since you are so confident, I will let you try it. I hope you won't let us down!"

If Dustin is really a master of martial arts, coupled with his incredible skills with hidden weapons, he really has a good chance of winning against Yayoi Kusama.

"Mr. Dong! Are you kidding me? Do you really want this kid to play?!"

"Yes, Mr. Dong! He is just a nobody. How can He De fight on behalf of the Dragon Kingdom?"

"Sending this kind of person to the field is simply asking for humiliation!"

Dong Qianqiu's decision attracted opposition from many people.

Dustin has no background, no fame, and no strength. Why should he challenge Yayoi Kusama on behalf of the Dragon Kingdom?

"Everyone, please be patient."

Dong Qianqiu raised his hand and pressed down: "This little brother has extraordinary bearing and profound knowledge. He is by no means an ordinary warrior. I believe in his ability."

"Mr. Dong! You are confused!"

Liu Hongxue couldn't help but retorted: "He is just an embroidered pillow, what can he do? Don't be deceived by him!"

She really didn't understand why Dong Qianqiu, who was the protector of the World Association, valued the small role of Dustin?

"Mr. Dong! There is only one chance left. If he loses, who will bear the responsibility?" Xu Yang asked.

"That's right! Who will be responsible?!" Everyone agreed.

"I chose this little brother. If he loses, I will cut off one of my arms and apologize to the world!" Dong Qianqiu said loudly.

As soon as these words came out, the surrounding voices suddenly became quieter.

No one expected that Dong Qianqiu would be so protective of Dustin, even using his broken arm as a guarantee.

At this time, even if they objected, there was nothing much they could say.

"Little brother, what happens next is up to you."

Dong Qianqiu walked to Dustin, reached out and patted his shoulder, and said seriously: "Remember! We must win! Our Dragon Kingdom can no longer afford to lose!"

"Don't worry, I will do my best!" Dustin nodded seriously.

To be honest, he didn't expect Dong Qianqiu to be so supportive of him. He could not let him down in public or private matters.

“Sigh...Mr. Dong is so confused that he would believe this kid.” Xu Yang shook his head and sighed.

“Who says it’s not the case? If we lose three games in a row, our Dragon Kingdom will really lose its face!” Liu Hongxue was anxious and angry at the same time.

“Why are you two panicking? Brother Dustin may not lose.” Yan Buqi said with a half-smile.

“Brother Yan, how long has it been and you still say such things?”

Liu Hongxue frowned and complained: “Even my senior brother and Chen Xingwen can’t beat that little devil, why can he win?”

“People should not be judged by their appearance. If Brother Dustin dares to ask for a fight, he must be sure of it.” Yan Buqi said.

“Hmph! You’re pretty sure. In my opinion, he just wants to show off!” Liu Hongxue sneered.

“Sister Hongxue doesn’t believe Brother Dustin so much, how about we make a bet?” Yan Buqi smiled slightly.

“How do you want to bet?” Liu Hongxue asked.

“It’s very simple, let’s bet on winning or losing.”

Yan Buqi smiled and said, “If Brother Dustin wins, you should apologize to him and admit your mistakes.”

“What if he loses?” Liu Hongxue held her head high.

“If you lose, I will give you a sword on the list of famous weapons.” Yan Buqi said.

“Are you serious?” Liu Hongxue’s eyes lit up.

Although the list of famous weapons is not as good as the list of divine weapons, the weapons in it are all extremely precious treasures.

The flaming sword that her master was so proud of was one of them.

As a disciple of the Sword Sect, she loved swords like crazy, and she even dreamed of the swords on the list of famous weapons.

Now that I have the opportunity to get it, I am naturally very excited.

“A gentleman’s word is that a horse is hard to catch.” Yan Buqi shook his folding fan lightly.

“Okay! I’ll bet with you!” Liu Hongxue agreed: “I want to see, why does this guy win?!”
