An Understated Dominance by Marina Vittori Chapter 2099

“Snapped!”

Without any warning, Dustin raised his hand and hit Yayoi Kusama directly in the face with a branch.

Yayoi Kusama, who was reciting a spell, was stunned. Her eyes widened and she stood there blankly, a little at a loss.

There was already a bloodstain on his face where he had been beaten by a branch.

The area around the blood stain was becoming red and swollen at a speed visible to the naked eye.

“ah?!”

The sudden change left everyone stunned.

No one expected that when faced with Yayoi Kusama who was so fast that she had to draw her sword to kill him, Dustin was not only fine, but actually slapped her in the face.

“What’s going on? What happened just now?”

“No way? Could it be that that guy escaped the flying sword-drawing attack?”

“...”

Everyone looked at each other, whispered, and were surprised and confused.

When they saw Yayoi Kusama sheathing her knife, they thought Dustin was already a corpse.

Especially the word “inverted” at the end confirmed their idea.

However, the strange thing is that Yayoi Kusama “fallen” there alone for a long time, but Dustin was stunned and nothing happened.

He even slapped Yayoi Kusama in the face with a backhand.

This almost comical scene was something that no one could handle.

Yayoi Kusama is indeed very handsome and cool when she draws her sword, but the result is very different from the legendary one-shot killing move.

The feared Feitian Sword Style doesn't seem so scary now.

"I...did I read it correctly? That person named Lu actually slapped a stick on the little devil?" Liu Hongxue's beautiful eyes widened, and she couldn't believe it.

She had just thought that Dustin would definitely die, but she didn't expect that the outcome would take a huge turn.

"How did he do it?" Liu Rushuang was also shocked.

Yayoi Kusama's sword slash was so fast that she couldn't see clearly. Normally, Dustin shouldn't be able to dodge, but the other party didn't do anything.

"Damn it! That guy is not dead? Or did the little devil make a mistake?" Xu Yang was a little confused.

"Brother Dustin really didn't disappoint me!" Yan Buqi's eyes lit up and he breathed a sigh of relief.

Being able to dodge Feitian's sword-drawing slash is enough to prove that Dustin is very strong and he didn't make a mistake.

"You...are actually not dead?"

Yayoi Kusama touched her burning face, then looked up at Dustin, her eyes full of astonishment.

His sword slash had clearly hit the target, so why could the opponent still act as if nothing had happened?

"die?"

Dustin smiled coldly and hit Yayoi Kusama's face with another branch.

"Snapped!"

There was a crisp sound.

Another bloodstain appeared on the other half of Kusama Yayoi's face.

One on the left and one on the left, very symmetrical.

Yayoi Kusama was stunned for a moment, and then her face instantly turned gloomy.

As the saying goes, a scholar cannot be killed but cannot be humiliated. Being slapped in the face by Dustin with a tree branch twice in succession was simply a great shame and humiliation.

"Bagayalu! I'm going to kill you!"

Yayoi Kusama became angry and furious. She drew her sword again and began to chop wildly.

He was still using the Feitian sword style, but unlike the previous swift sword slashing, this attack became extra violent and fierce.

Like a crazy ferocious beast.

"Flying Sword Style – Earth Dragon Flash!"

Yayoi Kusama roared and struck hard on the ground with a slash.

Boom!
