An Understated Dominance by Marina Vittori Chapter 2121

“Bagaya road!”

Feeling slighted, the one-eyed warrior instantly became furious and stepped forward again. He held the sword in both hands and slashed hard at the figure.

The figure did not turn around or dodge, but simply raised his hand and grabbed the incoming sword.

“Qiang!”

The moment the two touched, sparks flew out.

The figure’s seemingly pale and weak hands were like steel at this moment, easily grabbing the sword struck by the one-eyed warrior.

“ah?”

The one-eyed warrior’s eyelids twitched, looking surprised.

He didn’t expect that his full-strength sword strike would be blocked by someone’s bare hands.

And no matter how hard he tried, the sword could not be withdrawn.

Where does this guy come from? !

“Click~boom!”

The figure exerted a strong force with its five fingers, and the sword in the one-eyed warrior’s hand broke into pieces.

The next second, the figure suddenly turned around, revealing a pale and thin face.

Those blood-red eyes exuded a strange light in the darkness.

“Ho~!”

The figure let out a low roar, opened its huge mouth, and bit the one-eyed warrior’s carotid artery.

Its speed is so fast that the opponent cannot react at all.

“William! That’s enough!”

Seeing that the one-eyed warrior’s neck was about to be torn apart, Bailey stopped him in time.

Hearing the sound, the figure’s movements suddenly froze, and the sharp fangs had come into contact with the one-eyed warrior’s skin.
