A Man Like None Other Chapter 3414-Bulrush Sect?” Catina was momentarily stunned. “Are you talking about that group of perverts from the sect that absorbs negative energy to replenish positive energy?” “Yes! Them!” Feenix nodded.

“Let me deal with these people,” Catina uttered and stepped forward.

The bald man couldn’t help chuckling when he saw that. “Another girl? What a pleasant surprise for our men! The two girls we caught just now aren’t enough for everyone.” Misho and Hamish trembled when they heard those words.

Those two girls Bulrush Sect had caught were none other than Izolda and Kiara.

Those men from Bulrush Sect were known for taking advantage of female cultivators and draining them. Catina narrowed her eyes when she heard that bald man. “You’re f*cking dead!” Quickly, she unleashed her Seventh Level Tribulator aura that was filled with the stench of blood. The members of Bulrush Sect were stunned when they sensed Catina’s aura.

The bald man immediately apologized to Catina, “We didn’t know it was you, Fox Queen. We’re sorry. Please don’t hold it against us. Bulrush Sect has never crossed the beast race. Please stay out of this, Fox Queen.” “What if I don’t want to stay out of it?” Catina retorted.

The bald man frowned and answered, “If you insist, then don’t blame us for being ruthless. Although you’re a Seventh Level Tribulator cultivator, we outnumber you. It’s still uncertain who’s going to win or who’s going to lose.” With that, the bald man unleashed his Sixth Level Tribulator aura.

The rest of the Bulrush Sect members also readied themselves for battle, and they were rather powerful individuals.

Although the members of Bulrush Sect weren’t Demonic Cultivators, they cultivated through twisted and evil ways. They could strengthen themselves faster than the regular cultivators.

Catina's expression grew tense. I'm all alone, and I can't defeat all the members of Bulrush Sect. I can't ask Feenix and the rest to help me. They're weak and injured!

In an instant, she found herself caught between a rock and a hard place.

"Fox Queen, I'm giving you another chance to walk away," the bald man said coldly.

"What if she wants to stay?" Right then, a voice rang out from nearby. Misho, Feenix, and the others were overjoyed when they heard that voice, and they quickly looked over.

They saw Jared and Rosetta walking toward them.

"Mr. Chance!" Misho and Hamish dashed toward him and dropped to their knees.

"Old Mr. Giuvali, Mr. Chevalier, what are you guys doing?" Jared quickly helped them up.

"Mr. Chance, please rescue Izolda and Kiara! Bulrush Sect has taken them. If no one saves them, they're doomed!" Misho and Hamish pleaded.

"What?" Jared's gaze turned icy. He glanced at the others and noticed they were all injured. Cloud stepped forward and shouted emotionally. "Mr. Chance!" Feenix's eyes were brimmed with tears. "Master!" "What's going on here? Where are the others?" Jared asked Feenix.

Feenix told Jared what had happened, and immediately after, Jared unleashed a surge of murderous intent.

Catina was puzzled when she found out that those people knew Jared. How is Jared Feenix's master? Jared is merely a First Level Tribulator cultivator.

Everyone is stronger than him! One of them is even a Sixth Level Tribulator cultivator! Yet, everyone is treating Jared with respect! This doesn't make sense!

"Feenix, why did you call him your master? What's going on?" Catina asked Feenix.

"Well, he's my master! Do you know my master too?" Feenix asked.

Catina cast Jared a glance and nodded. "Well, yes..."

A Man Like None Other Chapter 3415-Jared glanced at the members of Bulrush Sect before saying to Catina, "Help me kill all these people." "I don't think I can do it on my own," Catina answered truthfully.

"Well, you're not on your own. You have me," Jared said with a cold expression.

Catina looked at Jared's expression and realized it was an expression she had never seen on his face.

"You?" Catina sized Jared up. "What can you do?" Instead of replying, Jared slowly took out his Dragonslayer Sword. At the same time, his Golem Body shone brightly and covered his entire body.

Although Jared was a First Level Tribulator cultivator, the aura he exuded was utterly terrifying. Catina widened her eyes in shock and stared at Jared.

Jared pointed his sword at the members of Bulrush Sect and said, "You've hurt the people around me. You all deserve to die!" The bald man was also startled by Jared's aura.

However, he quickly came to his senses and sneered, "Brat, who are you trying to fool? You're nothing but a First Level Tribulator cultivator. How dare you speak so haughtily?" "Did I?" Jared narrowed his eyes which were filled with murderous intent. Those men had harmed Cloud, Feenix, and the others. Jared would not show them mercy.

The Power of Dragons was ceaselessly channeled into the Dragonslayer Sword, from which emanated beams of resplendent golden light.

Immediately after, Jared swung his sword outward. As soon as he did that, a dragon roar rang out, and as a ray of light shot into the sky, a golden dragon appeared and roared ferociously.

The members of Bulrush Sect were flabbergasted when they saw the golden dragon. The golden dragon descended from the sky and turned into countless rays of light. Seeing that, the bald man threw out a fiery punch to form a shield

and told his associates to retreat. "Hide!" Unfortunately for them, it was too late.

None of them had taken Jared, a First Level Tribulator cultivator, seriously.

Whoosh! Whoosh! Whoosh!

The countless rays of light shot out and turned three Third Level Tribulator disciples from Bulrush Sect into a mass of gore.

Moreover, a few Fourth Level Tribulator disciples were crippled on the spot.

They had all suffered severe injuries.

When the bald man saw what happened to his subordinates, he was astounded.

Was that even a move a First Level Tribulator cultivator can pull off? This is f*cking terrifying!

The bald man furrowed his brows, fear etching across his face. At that moment, even Catina's eyes went wide in shock. She didn't know Jared was that impressive. Those people were either Third or Fourth Level Tribulator cultivators! Yet, in front of Jared, they were defenseless! This is outrageous!

With an ambiguous look in her eyes, Catina said to Jared, "I didn't know you were this strong! No wonder you could pound me a few times a day!" Before that, Catina had only gotten close to Jared because she wanted to take advantage of his Draconian bloodline.

At that moment, however, traces of affection had appeared in her gaze. Jared's expression turned slightly awkward when he heard those words. "Deal with that bald man. Leave the rest to me." "Sure! I'll do as you say!" Catina answered and turned toward the bald man.

Instantly, the bald man panicked and threatened Catina, "Fox Queen, we're from Bulrush Sect. If you kill me, my leader will surely come after you! You know how ruthless Bulrush Sect is. By then, you'll definitely get tortured!" "Pfft! I despise everyone from Bulrush Sect! All you guys do is bully women, and you call yourselves men?" With that, Catina charged at the bald man.

Even without the manifestation of any aura, the activation of her spiritual energy, or the utilization of her magecraft, Catina was still capable of exhibiting remarkable speed. She was just charging at the bald man like an ordinary person.

Even so, there were several afterimages left behind as she rushed forward. That was how fast Catina was.
