An Understated Dominance by Marina Vittori Chapter 2138

The silver-armored guards could not block William's attack at all and could only slow down his killing speed.

Death continues.

More and more corpses.

Blood stained the entire yard red.

Fear also began to spread rapidly.

It was only then that they realized the seriousness of the problem.

William was much stronger than they expected.

That was no ordinary vampire at all, but the king among vampires!

"Asshole! Stop it! Come at me if you can!"

Park Guochang roared and cursed, trying to attract William's attention to himself.

Because only he can block William's attack and stop this killing.

As long as he holds William back and cooperates with his subordinates' attacks, he has a chance to kill this monster!

"Um?"

Hearing the shout, William's figure finally stopped.

At this moment, he was still holding the head of a silver-armored guard in his hand.

The pale face was covered with blood, and the mouth was full of fangs, which looked particularly terrifying.

“Axi! What’s the point of bullying the weak? Why don’t you have the guts to have a fair fight with me!”

Park Guochang held a silver gun and issued a provocation again.

“Hehehe...”

William stuck out his long tongue, licked the blood from the corner of his mouth, and said with a sinister smile: “Originally, I planned to kill these troublesome guys first, and then deal with you last, but you like to die so much, so I will make it happen. you!”

“Come on! Do you think I’m afraid of you?!” Park Guochang’s face was gloomy.

“I wonder what your blood tastes like?”

William threw away the head in his hand, and with a flash of figure, the whole person suddenly disappeared on the spot.

The speed is so fast that it cannot be caught by the naked eye.

“What?!”

Park Guochang’s pupils shrank and he became alert.

Started to look around, looking for William.

“Huh~!”

At this time, a breeze suddenly sounded in my ears.

Park Guochang felt a warning sign in his heart, and before he had time to think, he immediately raised his gun and stabbed back.

“puff!”

The silver gun accurately hit its target, piercing William’s chest directly and freezing his figure in place.

“Haha... Let’s see you’re not dead now!” Park Guochang looked happy.

Silver is extremely poisonous to vampires.

After being injured by a silver weapon, the vampire's wounds not only cannot heal, but also become extremely weak.

At that time, it will be burned to ashes by fire, and no matter how powerful the recovery ability is, it will be useless.

"The response was quick, but alas...it didn't work."

William looked down at the silver gun that pierced his chest, then pressed the wound against the barrel of the gun and continued to move forward without any reaction.

When the silver gun barrel passed through his back, it also pulled out a long bloody trail.

"ah?"

Looking at William who was as if nothing had happened, Park Guochang couldn't help but his face stiffened and his heart trembled.

Didn't you say that vampires are afraid of silver?

Why is nothing wrong with this guy?

Are the movies all lies? !

"You, you...how are you okay?"

Park Guochang's eyes widened and his voice began to tremble.

"I said...I am immortal."

William grinned, then raised his claws and swung hard at Park Guochang.
