An Understated Dominance by Marina Vittori Chapter 2169

Chapter 2169

“I dare not tell you what a clever trick it is, but it is a simple and effective method. As long as you use it well, it should not be difficult to catch the killer.” Yan Buqi smiled slightly.

“Mr. Yan, your plan is good, but there is a problem, who will be the bait?” Liu Rushuang quickly grasped the key to the problem.

The hardest part now is who to choose as bait?

This person is not only a contestant, but also must be strong and dare to take risks.

In this way, when faced with the killer’s attack, he can retreat unscathed.

Otherwise, it is very likely that he will lose his wife and lose his troops.

“this.....”

Yan Buqi shook his folding fan and looked at Dustin intentionally or unintentionally.

Although he didn’t say anything, the choice was already obvious.

“No need to choose, I think Dustin is a good fit!”

Liu Hongxue suddenly patted Dustin on the shoulder and said carelessly: “He can even block Kuang Lang’s knife. Facing the killer’s attack, he will definitely be safe!”

“That’s right! As long as Brother Dustin is willing to take action, he can easily kill the killer even without us ambushing him!” Xu Yang smiled and nodded.

Invisibly, a rainbow fart was shot up again.

“!?”

Dustin raised his brows and retorted: "It's not that I refuse, but the targets chosen by the killer are all registered participants. I haven't signed up yet, so it shouldn't be his cup of tea."

"It's just a matter of signing up, it only takes a few minutes!"

Liu Hongxue grabbed Dustin's arm and said anxiously: "Let's go, let's go, the sun hasn't set yet, there's still time, let's sign up now!"

"Does it need to be so urgent?" Dustin was speechless.

"This opportunity must never come again. After tonight, I don't know how many young talents will die at the hands of that madman. You are now a hero worshiped by countless people, and you should shoulder the heavy responsibility!" Liu Hongxue said earnestly. .

"Stop it! I can't be a hero, and heroes are often short-lived. What if I get killed?" Dustin said.

"Don't worry, we will definitely protect your safety. Just go with peace of mind!" Liu Hongxue patted her chest, as if she was wrapping her body around me.

"..."

rhys looked weird and cursed secretly.

You guys can't even protect yourselves, how can you protect me? Isn't this nonsense?

"Brother Dustin, if you really don't want to, we won't force you. But in this case, we should work together to overcome the difficulties." Yan Buqi looked serious.

Among them, only Dustin is the most suitable.

Moreover, after the battle with Yayoi Kusama and Kuanglang, the person in front of him has already become famous. With a little exaggeration, he can easily attract the attention of the killer and successfully complete the bait plan.

Of course, if rhys felt it was too risky and chose to refuse, he would understand.

After all, no one is willing to gamble with their own life.

“You can use me as bait, but I have a condition.” rhy suddenly said after thinking for a while.

“Brother Dustin, speak as soon as possible. As long as I am satisfied, I will never refuse.” Yan Buqi vowed.

“It’s very simple. After you catch this killer, you must leave it to me, because I am very interested in this person.” Dustin looked solemn.

“No problem! As long as he no longer harms the martial arts world, Brother Dustin can do whatever you want!” Yan Buqi agreed.

The others looked at each other and nodded.

They don’t care what the identity of the killer is, as long as the threat can be eliminated in time.
