An Understated Dominance by Marina Vittori Chapter 2173

## Chapter 2173

He has changed his appearance, and his appearance should not be that outstanding, so he won't let such a beautiful woman fall in love with him, right?

"Yao Yao, the world is dangerous. Don't talk to strangers casually. There are many sanctimonious people in this world."

At this time, the two young men in front of Mengyao turned their heads.

One is wearing green clothes and the other is wearing yellow clothes.

The man in Tsing Yi is tall and muscular, and looks quite extraordinary.

The man in yellow is short in stature and has a thin face, giving people the impression of malnutrition.

"Senior Brother Ma, Senior Brother Niu, this is Young Master Dustin. Like us, we are all here to participate in the martial arts competition." Mengyao quickly introduced.

"There are so many people signing up for the competition. Not everyone can pass the assessment. Some people are destined to only accompany the runners and be spectators." The horse king, a man in green, said calmly.

The look in Dustin's eyes was a bit cold.

"Senior Brother Ma is right. There are so many people here, and only one out of a hundred can pass the test. Guys like this, who have no family or sect, are not even qualified to participate in the competition. They are just here to join in the fun. We are the elites of Xuanwu Sect. , how can you associate with mediocrity?" Niu Mang, the man in yellow, looked arrogant.

Xuanwu Sect is one of the top sects in the Jiangnan area.

They can represent the Xuanwu Sect in the competition, and they are all carefully selected elites.

Naturally, ordinary warriors are not taken seriously.

“Senior Brother Ma, Senior Brother Liu, you can’t say that. The most important thing about the martial arts competition is participation. It is also a blessing to be able to see the geniuses from all sides. Why should you care about success or failure?” Meng Yao retorted.

“Yao Yao, you are wrong. As a man, you have to make a name for yourself and dominate the world, so that you can live your life in this world.”

The horse king held his head high and said: “In this martial arts competition, our Xuanwu Sect must win the championship! And I will also take this opportunity to make a surprise move!”

“Senior Brother Ma is a genius of a generation. This battle will definitely make him famous all over the world!” Niu Mang echoed from the side.

“Yao Yao, dragons do not live with snakes. You are an elite disciple of Xuanwu Sect after all. Your future is unlimited. It is best not to associate with some unscrupulous minions.”

While Ma Wang was speaking, he glanced at Dustin, obviously meaning something.

“Senior Brother Ma, how can you say that? We are all children of the world, regardless of high or low.” Meng Yao frowned slightly.

“Yao Yao, you are new to the world and you don’t know many things. Some people may appear to be kind, but in fact they are very sinister inside. You should open your eyes to see clearly.” Ma Wang advised earnestly.

“Yes, Yaoyao, Senior Brother Ma is well-informed and has rich experience in the world. You must be right to believe him!”

Niu Mang, who was next to him, continued to echo: "Besides, our Xuanwu Sect is the largest sect in Jiangnan. You must not lower your status and make friends with some unworthy people."

Listening to the two people's strange words, Dustin couldn't help but sneer.

But he didn't retort, instead he looked like a clown.

"Hey! Why are you laughing? Did we say something wrong?"

Seeing Dustin laughing, Niu Mang immediately became unhappy.

"I don't know whether it's wrong or not. I'm just curious. Are you Xuanwu Sect disciples so arrogant?" Dustin asked.

"Bold! How dare you insult our Xuanwu Sect? Are you tired of living?" Niu Mang glared.

"Hey! Why bother with this kind of thing? It will only lower our status."

Ma Wang raised his hand to stop Niu Mang, who was about to explode, and said with disdain: "If it weren't for the martial arts competition held in Longhu Mountain, he wouldn't even be qualified to see us; of course, it's just this one time. After today's test, we We parted ways completely, he can only look up at our necks, so don't pay attention."

"That's true."

Niu Mang nodded in agreement, then sneered: "Boy! When we lift the bronze cauldron, you will naturally understand the gap between the two sides. By then, I will see how you can still be so stubborn!"

"Then we'll wait and see." Dustin smiled playfully.

They are just two innate warriors. I don't know where they got their confidence from, but they dare to be so arrogant.
