An Understated Dominance by Marina Vittori Chapter 2175

## Chapter 2175

“Hey! My ability is not great, but my tone is not small!”

Niu Mang said with contempt: “You can’t even lift a 10,000-jin cauldron, but you dare to talk about a 50,000-jin cauldron? What a sensationalism!”

“Junior Brother Niu, since he wants to lift a fifty thousand kilogram cauldron, then you give him a chance to move the cauldron in front of him and see what he is capable of?” King Ma suddenly said.

In his opinion, Dustin was just looking for excuses and trying to scare away Niu Mang with a fifty thousand kilogram cauldron.

“Okay! Then I will show my hand again and let this kid have a taste of the fifty thousand kilogram giant cauldron!” Niu Mang said with high spirits.

As he spoke, he lifted the 10,000-jin cauldron back to the original place, then turned his eyes to the referee: “I want to challenge the 50,000-jin cauldron!”

“Contestant No. 844 has learned from the past. Are you sure you want to challenge the 50,000-pound cauldron?” the referee asked.

There is a certain danger in the tripod lifting test, especially if you are weak but still try to be strong, you may self-explode your meridians, resulting in serious injuries.

The strong man before was a bloody example.

“I am an elite disciple of the Xuanwu Sect, how can I be compared to that big guy? Just watch my performance!” Niu Mang was still confident.

“Since you are confident, let’s get started.” The referee didn’t say much and took the initiative to step aside.

Niu Mang adjusted his breathing and then walked straight to the 50,000-jin cauldron.

The 50,000-pound cauldron is nearly three meters high. It is no longer possible to grasp the ears of the cauldron and can only hold the base.

“Bah! Bah!”

Just like before, Niu Mang spat into his hand twice, then stepped down from his horse’s stance and pressed the bottom of the cauldron with his palm.

“rise!”

Niu Mang gave a soft drink, raised his hands suddenly, and all his strength suddenly exploded.

His feet sank slightly due to gravity, leaving two footprints on the ground.

At the same time, the 50,000-pound cauldron began to rise slowly.

Niu Mang gritted his teeth and held his breath. His face turned red, and the veins on his neck popped out. He looked a little ferocious.

When the 50,000-pound cauldron was lifted an inch higher, Niu Mang’s legs began to tremble, and his eyes turned red.

His flushed face gradually turned purple, and blood slowly overflowed from his nostrils.

It was clear that he had reached his limit.

“Boom!”

Finally, after holding on for two seconds, Niu Mang could no longer resist the heavy burden. He let go of his hands and all his energy dissipated. The fifty thousand kilogram cauldron fell heavily, making the ground tremble.

“It’s a pity that Senior Brother Niu only succeeded by a narrow margin.” Meng Yao shook his head.

It has been lifted an inch. No matter how hard you try, you will only succeed if you lift it above your head.

“Junior Brother Niu’s body skills are superb, but he is a little inferior in terms of strength. To be able to achieve this performance is not bad.” Ma Wang nodded.

Niumang has a small body and is not good at strength, so he suffers in this test.

“Aren’t you going to move the 50,000-jin cauldron in front of me? What? Can’t move it? Do you want me to help you?” Dustin said with a half-smile.

“I... I’m not in a good condition today. I haven’t eaten enough and I’m exhausted. Otherwise, I would definitely be able to lift it!” Niu Mang said bravely.

He must not give in at this time, otherwise where would he put his face?

“Is it because you haven’t eaten enough? Or are you just not good at all? How about I give you a chance to eat something and try again?” Dustin looked playfully.

“You——!” Niu Mang’s face turned red due to being choked, and he said angrily: “Boy! Don’t be too arrogant! If you can do it, you can do it. If you can’t do it, don’t force me!”

He didn’t believe it. A gigantic cauldron that he couldn’t even lift, could an unknown person with no family or sect still have the ability to create miracles?
