

An Understated Dominance by Marina Vittori Chapter 2191

An Understated Dominance by Marina Vittori Chapter 2191

Chapter 2191

King Ma shook his head crazily, his face full of disbelief: "It's impossible for him to lift a giant cauldron weighing one hundred thousand kilograms. It must be an illusion, an illusion!"

At this moment, the horse king's mentality suddenly collapsed.

He was a little lucky at first, thinking that Dustin was just exaggerating and overconfident.

But now, he realized that he was wrong, and very wrong.

Lifting a giant cauldron weighing 100,000 kilograms is as difficult as climbing to the sky.

However, Dustin not only lifted it up, he even used only one hand!

Holding the cauldron with only one hand, what is the concept?

He simply couldn't imagine it, and his mind was completely blank.

Deep in my heart, there is only deep despair!

He knew that he was completely defeated, defeated at the hands of a monster.

"Boom!"

Ma Wang's legs gave way and he collapsed directly on the ground, his face ashen.

After seeing Dustin's unparalleled power, at this moment, he could no longer think of any resistance.

"rise!"

Dustin held the cauldron in one hand and without pausing, he raised it directly over his head in one breath.

The giant cauldron weighing one hundred thousand kilograms seemed as light as a feather in his hand, without any pressure at all.

“Outrageous! Too outrageous!”

“Even a martial arts master can’t do it so easily, right?”

“I can only say that those strong men on the Prodigy List are under pressure now!”

The warriors raised their heads and looked at Dustin, who was holding the cauldron above his head. Their hearts could not calm down for a long time.

Everyone, including Yan Buqi, was shocked by Dustin.

Although they knew that Dustin was very powerful and could lift a giant cauldron weighing one hundred thousand kilograms, they didn’t expect it to be so easy.

He lifted it up easily with just one hand.

What an exaggeration!

“Hey! Who is that!”

Dustin held the tripod with one hand, looked at Niu Mang, and said jokingly: “I have already raised the tripod. I see that you look very hungry. Come on, eat it!”

“eat?”

Niu Mang’s body stiffened, and his face instantly turned the color of pig liver, as ugly as he wanted to be.

A hundred thousand kilograms of bronze cauldron is as big as a hill. How can it be eaten?

The problem is, he just said it, and he did it in front of everyone.

If you make such a fuss now, you are undoubtedly slapping yourself in the face.

How embarrassing!

As an elite disciple of the Xuanwu Sect, when had he ever been humiliated like this?

“What? Do you still want me to feed you?” Dustin asked with a smile.

“A man makes a promise worth a thousand dollars. You can’t go back on what you said, right?” Yan Buqi smiled half-heartedly.

“That’s right! You just made it very clear that as long as Brother Dustin can lift this cauldron, you will eat it clean. Now it’s your turn to perform!” Xu Yang said loudly.

“Eat it! Eat it!”

Liu Hongxue watched the excitement and started shouting loudly without fear of trouble.

“Eat it! Eat it!”

The onlookers also raised their arms and shouted in various ways to attack.

At this moment, Niu Mang completely became the target of public criticism.
