An Understated Dominance by Marina Vittori Chapter 2192

Chapter 2192

“This...I...”

Faced with the crowd’s clamor and criticism, Niu Mang was sweating profusely, looking panicked, and retreated continuously.

He never thought that rhy could lift a giant cauldron of 100,000 kilograms, so he didn’t leave any room for it when he spoke before.

As a result, we ended up in this situation, where we were forced to eat by a group of people.

Not to mention that this cauldron is made of bronze and cannot be eaten at all. Even if it is made of chocolate, it is enough to choke him to death.

“Everyone, I made a mistake just now and said something I shouldn’t have said. I have now realized my mistake. Please be merciful and please let me go.”

Niu Mang clasped his hands and forced a smile.

“Now you know it’s wrong? What the hell were you doing so early?!” Xu Yang shouted with eyes wide open.

“To be honest, I still liked the way you were rebellious before, but now you are a bit too cowardly.” Yan Buqi shook his head.

If you want to be slapped in the face, then slap it hard to the end.

“Hmph! Those elite disciples of the Xuanwu Sect are just a few bullies who are afraid of the strong. What they say is like farts!” Liu Hongxue sneered mercilessly.

She hates those guys who bully others the most. She has no ability, and they use the name of the sect all day long to show off their power, bully men and dominate women. They are simply the scum of the martial arts world!

Faced with the ridicule and insult, Niu Mang gritted his teeth and endured it.

But his face looked like he had eaten shit, which made him look particularly ugly.

He had never been so humiliated before, but these people had a profound background, and he was helpless.

Coupled with the fact that he was in the wrong, he could only allow himself to be humiliated.

“Brother Dustin, there is another person who is paralyzed by fear. How do you plan to deal with it?”

At this time, Yan Buqi glanced at Ma Wang, who was slumped on the ground.

At this moment, the horse king has long lost his previous elegance and momentum.

His face was pale, his eyes were dull, and his body would tremble from time to time out of fear.

The distraught look clearly showed that he had suffered a big blow and was unable to face the facts.

“Brother Dustin, a guy like this who looks down on others should be severely punished. Anyway, you have signed a life and death certificate. Even if you smash him to death with a tripod, the Xuanwu Sect will not pursue him.” Xu Yang started to fan the flames. .

As soon as these words came out, Meng Yao, who was standing next to him, immediately became anxious.

“don’t want!”

Meng Yao stepped forward quickly, opened his arms, stood in front of the horse king, and begged: "Master Lu! Just now, my senior brother was confused for a moment, please don't remember the villain's fault and let him live!"

"Let him live? When he was bullying others, how could he ever think of giving others a life?" Xu Yang sneered.

"That's right!" Liu Hongxue said in support: "Looking at his arrogant and domineering appearance before, it is obvious that he is not a good person. If he hadn't met Dustin today, anyone else would have been bullied to death by him! "

Thanks to Dustin's strong strength, he could easily defeat the horse king, otherwise I don't know how he would have been bullied.

"Plop!"

Meng Yao knelt directly on the ground and begged with tears in his eyes: "Master Lu, my senior brother already knows that he was wrong. He will never dare to do it again. Please please be patient and spare my senior brother. I will give it to you here." Kowtow!"

After saying this, Meng Yao put his hands on the ground and kept kowtowing to Dustin.

In just a few blows, his head was bleeding.

Such an action moved many people.

"This little girl is quite considerate, but it's a pity that she has such a senior brother."

"Who says it's not the case? When the two of them were about to sign a life and death certificate, this little girl was still trying to persuade them to resolve the conflict between them. However, she was so soft-spoken that she was not taken seriously at all."

"What a good little girl. If I had such a junior sister, I would definitely obey her words!"
