

## **A WARRIOR UNDEFEATABLE/**

**A man like none other chapter 3511-**The Lion King also roared, his aura erupting, ready to take action at any time!

At this moment, the two sides immediately became tense and were about to take action!

“Lion King, don’t be impulsive!”

The Thousand-faced Demon King still has sense. He knows that they will definitely suffer in a fight. Maybe all four of them will die here!

So he stopped the Lion King from taking action impulsively!

“Sect Master Luo, if you have something to say, please tell me, and we will just go with you...”

Thousand-faced Demon King said quickly!

Seeing this, Sect Master Luo said to Hai Dafu, “Sect Master Hai, since they are willing to follow us, don’t take action...”

Hai Dafu snorted coldly and took back his breath!

Although the Lion King was dissatisfied, there was nothing he could do. After all, he really couldn’t defeat the people of the five major sects!

“Thousand-faced Demon King, let’s go...”

Sect Leader Luo said!

The four Thousand Faced Demon Kings could only follow Sect Leader Luo and the others to the five major sects!

The five major sects are in a depression south of Tianmo Mountain. To get to the five major sects from Tianmo Mountain, you have to pass through Fancheng of the Sheng family!

Originally, the area of the five major sects was a deserted land!

Later, five major sects established sects here, and the place became prosperous!

The five major sects are located in the direction of the Five Elements and Bagua. They are not far apart and take care of each other!

And in the middle of the five major sects, there is a tall building made of stones!

This is the central hub of the five major sects, and the five major sect masters usually hold meetings here!

The Thousand-faced Demon King and others were taken into the high-rise building, and then they were watched eagerly by the sect leaders of the five major sects!

“Sect Master Luo, now that we have been brought to the land of your five major sects, shouldn’t it be time to tell us why we were brought here?”

The Thousand-faced Demon King asked Sect Leader Luo displeasably!

But before Sect Master Luo spoke, Hai Dafu said, “What are you pretending to be? Why did you bring you here? Don’t you know it in your own mind? What did you do in the battlefield of gods and demons? Don’t you know it in your mind?”

Hai Dafu’s words made the Thousand-faced Demon King and others feel puzzled. They didn’t know what they meant!

“Sect Master Hai, what did we do on the battlefield of gods and demons?”

The Thousand Faced Demon King asked in confusion!

“Pretend, just pretend, I’ll see how long you keep pretending.”

Hai Dafu snorted coldly!

“Hai Dafu, say what you fucking say. If you can’t, kill us. You are outnumbered and we admit defeat.”

“But if you can’t explain the reason, you will detain us and humiliate us casually. Believe it or not, we will try our best to launch a wave of beasts, but we will die together with your five major sects...”

The Lion King stared and said loudly!

Seeing the Lion King's unconvinced look, Hai Dafu was about to speak, but was stopped by Sect Master Luo, and then said, "Thousand-faced Demon King, do you know the five outstanding men of our five major sects?"

"I know you. The Five Outstanding Disciples are the most promising disciples selected by your five major sects. How could you not recognize them!"

Thousand-faced Demon King said!

"Okay, now that we know each other, it's easy to say that five of us heroes entered the battlefield of gods and demons and died in it."

Sect Leader Luo said!

"What does death in there have to do with us? Do you suspect that we killed the five outstanding men?"

The Thousand-faced Demon King frowned and said!

"It was either suspicion or you killed him. You helped Chen Ping kill our five outstanding men."

"Then Chen Ping alone cannot be the opponent of the Five Heroes, so a few of you guys from the Three Sovereigns and Four Kings helped to kill our Five Heroes."

Hai Dafu said angrily!

"Hai Dafu, you are slanderous. What evidence do you have that we helped Chen Ping kill your five outstanding men?"

The Lion King retorted!

This matter is not trivial and must be clarified. The Lion King also knows the status of the five outstanding men among the five major sects!

**A man like none other chapter 3512**—"Am I slandering others?" Hai Dafu's face was full of anger. He took out the storage bag of the five heroes and threw it in front of the Lion King. "This is the storage bag of our five heroes. It fell out from Chen Ping. What about Chen Ping?" At this level, it is impossible for him to kill our five outstanding men."

“If it wasn’t a few of you Three Sovereigns and Four Kings who helped Chen Ping kill our five outstanding men, then who would it be?”

“And the Fox Princess among you has been following Chen Ping, how dare you say that you didn’t help her do it?”

Looking at the storage bag on the ground, the Lion King looked at the Thousand-Faced Demon King with some confusion!

The Lion King is well aware of the strength of the five outstanding men. Although those five people cannot compare with them, they are definitely the best among the younger generation!

It is absolutely impossible for Chen Ping himself to kill the five outstanding men!

But they did not help Chen Ping kill anyone!

Seeing Lion King’s expression, Hai Dafu was even more convinced that it was Lion King and several others who did it!

“Hmph, you dare to take it seriously. Are you orcs all shy and afraid to admit it?”

Hai Dafu snorted coldly!

“Sect Master Hai, we did not help Chen Ping kill the five outstanding men. You only saw this storage bag falling out of Chen Ping’s body. Can you see us helping him kill him?”

“These are just speculations, there is no evidence at all!”

The Thousand-faced Demon Emperor argued vigorously!

Hai Dafu wanted to speak, but Sect Leader Luo said, “Okay, since you want evidence, we will arrest Chen Ping and make him confess on the spot. However, during this period, you must abide and cannot leave here!” “

“Why don’t you let us leave?”

The Lion King roared!

“With my fists, if you can defeat me, I can let you go...”

Sect Master Luo clenched his fists and said!

When the Lion King saw this, he could only suppress his anger and didn't dare to say anything!

Seeing that the Lion King was silent, Sect Leader Luo waved his hand and said, "Lock them up..."

.....

"Ahead is the Valley of Spiritual Beasts, we'll be there soon..."

Bai Qian glanced at the surrounding terrain and said!

Chen Ping and the others had spent a lot of spiritual energy on their way. Chen Ping regretted a little, so he might as well take Ji Yun's flying boat!

Now Chen Ping only hopes to successfully obtain the Rhinoceros Beast!

Soon, Chen Ping and the others arrived at the Spirit Beast Valley. When Chen Ping looked at the mountain peak not far from the Spirit Beast Valley, he was stunned!

Chen Ping felt that this mountain peak was very familiar, as if he had seen it somewhere before!

"It's here, it turns out to be here..."

Chen Ping suddenly screamed!

This is the mountain peak where he got the God King's Bow. At that time, Chen Ping didn't know that this was the world of heaven and man!

I didn't expect that this place belongs to the territory of Tianmo Mountain!

At that time, the evil demon appeared and made Chen Ping return to the secular world!

It seems that the Yin Demon is in the Heavenly Demon Mountain. Maybe the Wind Demon and the Blood Demon are also in the Heavenly Demon Mountain!

After all, this Heavenly Demon Mountain is considered a paradise for the demons in the world of gods and humans!

You won't be hunted here!

"Chen Ping, have you been to the Spiritual Beast Valley?"

Bai Qian heard Chen Ping's scream and asked curiously!

Chen Ping didn't speak. He didn't know what to explain to Bai Qian!

But Bai Qian quickly reacted and said, "Oh, I remembered, you must have been here, because the mountain peak not far away is where the God King's Bow is stored. If you get the God King's Bow, you must have been there. Mountain peak, I almost forgot..."

"Below the mountain peak is the Valley of the Dead, and in front of the Valley of the Dead is the Valley of the Spiritual Beasts!"

"Look at the environment of the Spirit Beast Valley, but it's different from the Valley of the Dead..."

Chen Ping saw a huge valley surrounded by green trees and flowers, with small streams winding through it!

And in the valley, big birds were flying in groups, and there were all kinds of wild beasts running around!

**A man like none other chapter 3513**-And there are many buildings in the valley, and all kinds of monsters are peaceful!

Who would have thought that such a beautiful place would turn into a Valley of the Dead and be completely silent as it goes deeper!

"This Spirit Beast Valley is doing pretty well. I didn't expect that rough guy like the Lion King to be able to manage such a good place!"

Huofeng couldn't help but admired when he saw the Spirit Beast Valley!

"It is precisely because this lion king has a rough temper that he is able to manage this beast tribe well."

Bai Qian smiled and said!

After hearing Bai Qian's words, Chen Ping knew what she meant!

Every ethnic group has its own undercurrents. As the saying goes, kindness does not control soldiers, but justice does not control wealth. People like Bai Qian and the others, who are three emperors and four kings, must have their own set of management methods!

"Who are you?"

Just as Chen Ping and the others were slowly falling, several figures suddenly appeared and asked with serious faces!

"Who is in charge of your Spirit Beast Valley now? Is that old boy the Lion King here?"

Huofeng asked several people!

The fire phoenix at this moment has the aura of a powerful person. After all, the lion king will nod and bow when he sees the fire phoenix. He was always bullied by the fire phoenix in the past!

Now the Lion King and these little subordinates, Huo Feng naturally has the aura of a superior!

However, Huo Feng is now in the Fusion Realm, and these Spirit Beast Valley guards don't know Huo Feng!

When several people saw that the fire and phoenix were in a small fusion state, and they kept calling their lion king "old boy", they immediately became unhappy!

"Where does this little girl dare to call us, the Lion King, like that? She is seeking death..."

With that said, several people actually wanted to attack Huo Feng!

This made Huo Feng angry!

When Bai Qian saw this, he immediately frowned and said, "Stop, you guys who don't know how to live or die..."

The slightest hint of the aura of the seventh-level Tribulation Master on Bai Qian's body caused the guards to turn pale and kneel on the ground!

The eyes of several guards were full of panic and they were a little at a loss!

“I am the Fox Princess. Is your Lion King here? Who is in charge of the Spirit Beast Valley now? Let him get out...”

Bai Qian said coldly!

“Lord Fox Emperor, I’m sorry, it’s our fault that we are too blind to recognize Taishan...”

“Our Lord Lion King is not here. The elders are now in charge of the Spirit Beast Valley. We will report it immediately...”

Several guards were scared to death. After all, Bai Qian was one of the Three Sovereigns and Four Kings, and the Lion King following them was the same. These little guards couldn’t afford to offend him!

Several guards rushed to report it. After waiting for a while, several figures came quickly and soon arrived in front of Chen Ping and the others!

“Lord Fox Emperor, I didn’t know you were here, so I missed your welcome. I really apologize...”

An old man in the lead said to Bai Qian with a respectful face!

The people behind the old man also hurriedly saluted Bai Qian. Although Bai Qian was not their direct leader, Bai Qian’s status in the orc tribe did not allow these people to dare to neglect him at all!

“You are the sect elder. Are you in charge of this Spiritual Beast Valley now?”

Bai Qian asked!

“Exactly, I wonder what the Lord Fox Emperor has ordered?”

The elder Zong asked!

“It’s no big deal. Since the Lion King isn’t here, let me tell you. I need one of your telekinesis beasts now. Go and get one for me!”

Bai Qian said straightforwardly!

After hearing Bai Qian's words, the sect elder's expression changed obviously, and he looked very embarrassed!

"What? I want a telekinesis beast from you, but you're not willing to give it to me? I don't even have any face at all?"

Bai Qian was a little angry!

Seeing Bai Qian getting angry, the elder sect hurriedly explained, "Don't get me wrong, Mr. Fox Emperor. It's not that we are unwilling to give, but that we also have something to hide, and the Lion King is not here, so I can't make the decision..."

**A man like none other chapter 3514**—"What the hell is there to hide? I think I just don't want to give it. Even if the Lion King is here and I ask him for a telekinesis beast, he wouldn't dare to refuse!"

Bai Qian shouted angrily!

"Lord Fox Emperor, we really have no choice. It's not that we don't want to give it to you..."

The sect elder said anxiously!

Bai Qian was about to continue scolding, but Chen Ping said, "Elder Zong, is there something unspeakable in your Spirit Beast Valley? If it's convenient, you can tell us that the Lion King is not here. If we can help, we will definitely help." of."

The elder Zong glanced at Chen Ping and said nothing because he didn't know who Chen Ping was!

Bai Qian pointed at Chen Ping and said, "This is Mr. Chen. You lion kings will bow their heads when they see this person. This is the son of the dragon..."

As Bai Qian introduced, Chen Ping quietly exuded bursts of dragon energy!

Feeling the dragon energy in Chen Ping's body, Elder Zong and others were obviously stunned, and then they became very respectful and said, "Mr. Chen, we have indeed encountered difficulties in the Spirit Beast Valley. You should please go inside instead of standing here! "

After knowing that Chen Ping was the son of the dragon, the sect elders respectfully welcomed Chen Ping and the others into the Spirit Beast Valley!

“It seems that your identity as the son of a dragon is quite useful. For such a long time, you didn’t ask me to come in and sit with you despite my identity...”

Bai Qian followed Chen Ping with some dissatisfaction!

Chen Ping smiled faintly, “I will fuse with you when I have time, so that your bloodline will become noble...”

Bai Qian smiled, “It’s really time to increase the number of times in the future. If you can’t find a place, go and fuse it now...”

When Chen Ping heard this, he waved his hands repeatedly, “I’m just kidding, don’t make trouble...”

Chen Ping hurriedly moved away from Bai Qian!

Huo Feng walked to Bai Qian with a smile and said, “Fox Princess, it’s almost done. You have to squeeze the master dry. The master has not been with me during this time...”

“Huofeng, you are jealous...hahaha...”

Bai Qian burst out laughing!

The sect elder pushed back the others, and he took Chen Ping and the three of them through the layers of buildings in the Spirit Beast Valley and headed towards the depths of the Spirit Beast Valley!

As Chen Ping and the others went deeper, the scenery around Spirit Beast Valley began to become a little desolate!

Waves of evil spirits began to emerge.

“Elder Zong, are you taking us to the Valley of the Dead? We are here to find the Spirit Beast. Why are you taking us to the Valley of the Dead?”

Bai Qian realized something was wrong, so she asked the sect elder!

“Lord Fox Emperor, I am taking you to find the rhinoceros beast...”

The sect elder replied calmly!

As Chen Ping and the others went deeper and deeper, the surroundings became a little dark!

Soon, the surrounding flowers and plants completely disappeared. In the valley in front of Chen Ping and the others, there was a layer of white. These were all skeletons!

However, on top of these white skeletons, there were many animal carcasses lying, which looked like they had just died!

When Bai Qian saw this situation, he couldn't help but be stunned!

“Lord Fox Emperor, the rhinoceros beasts you are looking for are here. For some unknown reason, these docile rhinoceros beasts poured into the Valley of the Dead a few days ago like crazy, and then died inexplicably...”

The sect elder said with a helpless face!

At this moment, Bai Qian didn't know what to say. The sect elder just now seemed to have something to hide, and he didn't mean to be naughty!

Chen Ping frowned and looked at the scene in front of him, his eyes full of doubts!

It's so good, why do these spiritual beasts suddenly go to the Valley of the Dead to commit suicide?

“The Lion King went to the battlefield of gods and demons and has not come back yet. I don't know what to do about this matter...”

Seeing that Bai Qian and the others were silent, the elder Zong continued!

“Is there not a single spirit beast left in your Spirit Beast Valley?”

Huofeng asked.

**A man like none other chapter 3515-**“That's not true, there is another one...”

The elder said!

Chen Ping and the others were relieved when they heard that there were still rhinoceros beasts. If they all died, wouldn't their trip be in vain?

Mainly because of the tragedy in Blood Spirit Valley, there is no way to know who did it!

“Since there is another one, let's take a look...”

Bai Qian said to the sect elder!

The sect elder nodded helplessly, and then led Chen Ping and the others back!

After walking for a while, the sect elders, Chen Ping and the others suddenly turned around and headed directly towards the stone wall of a mountain peak!

Just when Chen Ping and the others were puzzled, they saw the sect elder gently patting the stone wall with his palm, and the stone wall actually moved!

There is a secret door here!

It is estimated that the Spirit Beast Valley saw the abnormality of these spirit beasts and locked the last spirit beast in a secret room!

After walking into the secret door, the stone wall slowly closed automatically!

Directly behind the secret door is a very huge cave. At the top of the cave are countless luminous pearls, which illuminate the entire cave as bright as day!

“Elder Zong, why do I feel like there's something wrong with the aura inside?”

After Chen Ping entered, he suddenly frowned and said!

“Mr. Chen, this is a pregnant rhinoceros beast. It is estimated that it is giving birth at this time...”

After the elder Zong finished speaking, he led Chen Ping and the others towards the depths of the cave!

“Master, what kind of aura do you feel is wrong? Why don't I feel it?”

Huofeng saw that Chen Ping was always frowning, so he asked!

“Nothing!” Chen Ping shook his head, but his frown never relaxed!

Soon the elders of the sect took Chen Ping and the others to the depths of the cave. There were already many monks here, and several magic formations had been set up!

These monks all looked nervous, and when they saw the sect elder coming, they all saluted!

Chen Ping and the others saw a rhinoceros beast that was several meters tall, making a deep roar, and the eyes of this rhinoceros beast were glowing red!

There were several corpses surrounding the rhinoceros, which had obviously been killed not long ago!

“Elder Zong, just now this spiritual beast was about to rush out of the cave. We tried our best to stop it, and even killed and injured several people. Finally, we activated the magic circle to stop this spiritual beast.”

A monk followed the sect to report to the gathering!

“Why is this happening? The rhino beast is very docile. Why is this happening?”

The sect elder’s face was full of questions, but it was obvious that he didn’t know what was going on!

Roar.....

At this moment, the rhinoceros beast suddenly roared crazily again, constantly attacking the magic circle!

It seems that this rhinoceros beast has no intention of living anymore, and it doesn’t even care about the child in its belly!

“Quickly, stop it, stop it, this is the last consonant beast, it can’t die!”

The sect elder shouted loudly!

When several monks saw this, they had no choice but to rush through the magic circle. If they wanted to control the rhinoceros beast, they couldn’t let it move violently, otherwise they might not be able to save both mother and child!

But as soon as a few monks rushed in, they were beaten to death by your rhinoceros beast in three or two blows!

Seeing the monks who died tragically, the sect elder looked helpless and shouted, “What should we do? What should we do?”

“let me try.....”

After Chen Ping finished speaking, he walked straight towards the magic circle!

“Master, you have to be careful...”

“Chen Ping, don’t show off, come out quickly...”

Huofeng and Bai Qian are both worried about Chen Ping!

The elders of the sect also looked at it with surprise on their faces. Chen Ping was only at the first level of the Tribulation Realm. You must know that when this rhinoceros beast goes crazy, it explodes with huge power. Chen Ping may not be able to resist it!

But Chen Ping didn’t seem to hear what Huofeng and Bai Qian said, and slowly walked up to the rhinoceros beast!

The rhinoceros beast roared, staring at Chen Ping with scarlet eyes, and let out bursts of roars!

**A man like none other chapter 3516**—“Don’t be afraid, I’m here to help you...”

Chen Ping actually spoke to the rhinoceros beast!

The rhinoceros beast didn’t seem to listen to Chen Ping’s words. After a roar, a terrifying aura came towards Chen Ping!

“broken.....”

When the elder of the sect saw this, he immediately shouted something bad, because he knew that the roar of the spirit beast was very terrifying!

But Chen Ping actually stood motionless, letting the terrifying aura come towards him!

The aura caused several magic formations to tremble, but Chen Ping's body remained motionless!

Although Chen Ping is only at the first level of the Tribulation Realm, his strength is not something that this spiritual beast can shake!

The sect elders who saw this scene were dumbfounded!

“Is this... is this a first-level cultivation level in the Tribulation Realm?”

The sect elder's face was full of disbelief!

Seeing that a roar was useless to Chen Ping, the rhinoceros beast retreated and planned to hit Chen Ping!

“I won't hurt your child...”

After Chen Ping finished speaking, he waved his palm gently, and a soft light fell on the body of the spirit beast, and then formed a halo around the body of the spirit beast!

Moreover, Chen Ping kept chanting the Heart-Cleaning Mantra in his mouth, and the spirit beast slowly became quiet, and the scarlet color in its eyes slowly disappeared!

“what's the situation?”

Seeing this scene, Bai Qian and Huo Feng were also a little confused!

The rhinoceros beast completely calmed down, and under the halo of light, it began to give birth to babies with force!

With the roar of the conson beast, a small conson beast was born!

The rhinoceros beast kept licking its child, looking like a gentle mother, without the violent look just now!

Chen Ping looked at the silent beast and slowly walked out of the magic circle!

“What...what is going on?”

Seeing Chen Ping come out, the elder Zong asked with a puzzled look!

“I seem to understand why these telekinesis beasts committed suicide...”

Chen Ping said solemnly!

“Why?”

Huofeng and Bai Qian asked in unison!

“Because there is an undetectable evil spirit. This evil spirit is almost undetectable, but this spirit beast is extremely sensitive to the breath, so it is disturbed by this evil spirit.”

“I just used magic to block the evil spirit, and the spirit beast immediately calmed down. It seems to be the cause of this evil spirit.”

“I felt a strange aura from the beginning, but I couldn’t be sure. Just when I entered the magic circle, the rhinoceros beast roared and let out a terrifying aura, and I caught the evil aura.”

Chen Ping explained carefully!

“Evil spirit, why don’t I feel it?”

Bai Qian was stunned. Given her current state, Chen Ping should have noticed it, so she shouldn’t not have been able to notice it!

The elder of the sect also looked puzzled and said, “Evil energy? That shouldn’t be the case. Although there is evil energy in the Valley of the Dead, it is blocked by formations. There is no way for the evil energy to enter the Valley of Spiritual Beasts.”

“Come on, let’s go take a look, maybe we’ll find out...”

After Chen Ping finished speaking, he walked out of the cave!

Huofeng and the others hurriedly followed, and then followed Chen Ping towards the Valley of the Dead!

After leaving the cave, Chen Ping could no longer detect the evil aura, but he still walked towards the Valley of the Dead!

Coming to the Valley of the Dead again, Chen Ping slowly walked in when he saw the bones on the ground and the motionless spiritual beasts!

When Huofeng and Bai Qian wanted to follow them in, they were stopped by Chen Ping.

“Don’t come in, there can’t be any other atmosphere in this place now.”

Chen Ping was afraid that the auras on Huofeng and Bai Qian would cover up the undetectable evil aura!

When Chen Ping entered the Valley of the Dead, he was instantly surrounded by the thick evil spirit!

**A man like none other chapter 3517**-Chen Ping is not afraid of these evil spirits, but he likes them very much!

It’s just that these evil spirits are different from the evil spirits that Chen Ping just noticed in the cave!

Chen Ping looked at the dead rhinoceros beasts. They all seemed to be asleep, but they no longer had the slightest breath!

Chen Ping circulated the Heart Condensation Technique, swallowing up the evil energy around him!

At the same time, Chen Ping also needs to find the special evil spirit among these evil spirits. By following that evil spirit, he can find out the cause!

However, no matter how hard Chen Ping searched, he still couldn’t find it out, which made Chen Ping very angry!

However, Chen Ping would not let go of so much evil energy. Above Chen Ping’s head, the evil energy gradually condensed into mist and continued to pour into Chen Ping’s body!

But just as Chen Ping was greedily absorbing the evil spirit, his body suddenly shook slightly!

Because he noticed that special evil spirit, and it was obvious that this evil spirit seemed to have life. He just checked around Chen Ping, but it was not absorbed by Chen Ping, and then disappeared quickly!

A glimmer of light flashed in Chen Ping’s eyes, and then the Heart Condensation Technique stopped operating, and his consciousness focused on one place, firmly locking on the evil aura!

Huofeng and the others saw that Chen Ping suddenly started running, and he was still running towards the depths of the Valley of the Dead!

However, Chen Ping had given instructions, so they did not dare to rush in privately, for fear of ruining Chen Ping's important event!

Soon, Chen Ping's figure disappeared before their eyes.

Chen Ping locked on to the evil spirit until he came to the foot of the mountain peak. This mountain peak was once the place where the God King's bow was placed!

Following the evil spirit, Chen Ping climbed toward the mountain peak, and soon found a small-looking cave halfway up the mountain!

And this evil spirit is emanating from this cave!

Looking at the bottomless black cave, Chen Ping did not dare to go in rashly. He observed the outside for a while, and then wanted to use the fire to force out the evil things inside!

Before Chen Ping could use Ultimate Fire, he saw a black shadow rush out quickly, and then slapped Chen Ping with a palm!

Chen Ping was so shocked that he retreated and fell directly from the mountainside!

But the black shadow clung to Chen Ping and chased after him!

After Chen Ping landed, he hit him with a backhand palm!

boom!

After a loud noise, a bright light shot out in all directions!

The moment his palms came into contact, Chen Ping was stunned!

And the black shadow also stopped and looked at Chen Ping in disbelief!

“Senior Yin Mo, you...why are you here?”

Chen Ping looked at the demon in front of him, his face filled with disbelief!

The Yin Demon also looked shocked, “You... why are you back again? And your level seems to have improved a lot?”

“I have been in the world of gods and humans for a long time. I wonder what Senior Yin Demon is doing here?”

Chen Ping asked in confusion!

“Of course I have to practice. My suppressed remnant soul escaped back to the world of heaven and humans and reshaped my physical body. I have lost most of my cultivation. Of course I have to practice.”

“The evil spirit prevails in the Valley of the Dead, so it is most suitable to practice here.”

“You got the God King’s Bow, but you still don’t hide. You dare to come here. Be careful of being discovered by those beasts.”

Yin Mo said to Chen Ping!

“It doesn’t matter, even if the Beast Lion King is here, he won’t dare to do anything to me.”

Chen Ping smiled lightly.

The Yin Demon looked Chen Ping up and down, and then said in amazement, “I didn’t expect that you, a boy who is in the first level of the Tribulation Realm, are very strong. My palm just now failed to do anything to you.”

“Senior Yin Demon, you have no problem absorbing the energy of Yin Demon to practice, but why do you want to kill these spiritual beasts? Fortunately, the Lion King is not here. If he were, he would probably find your whereabouts.”

Chen Ping asked as he pointed at the corpses of the rhinoceros beasts all over the ground!

**A man like none other chapter 3518-**“Shall I kill the Rhinoceros?”

The Yin Demon looked at the corpses of the spiritual beasts lying on the ground, and he was confused. “I didn’t kill these spiritual beasts. I have been practicing in the cave and never left. How could I kill these spiritual beasts?”

“And if I kill so many spiritual beasts, won’t it attract the attention of the Spirit Beast Valley? How will I be able to meditate then?”

Chen Ping looked at Yin Mo’s appearance and knew that when Yin Mo was practicing, a ray of breath passed through the magic circle and reached the Spirit Beast Valley!

Because the breath was weak, no one noticed it, but the rhinoceros beasts, who were very sensitive to the breath, were attracted by the breath and came to the Valley of the Dead one after another!

Then the large amount of sinister energy in the Valley of the Dead made the rhinoceros beasts unable to bear it, and they died one after another!

“It seems that Senior Yin Mo made an unintentional mistake, but with so many spirit beasts dying in the Spirit Beast Valley, the truth will surely come to light.”

Chen Ping said!

“You can’t let people from Spirit Beast Valley come in and disturb my spiritual cultivation. I’m currently recovering quickly and cannot be disturbed.”

“What’s more, if you leave here, there will be no place where you can find such a strong evil spirit!”

The Yin Demon doesn’t want to leave here, so he can only ask Chen Ping to find a way to prevent the people from Spirit Beast Valley from coming in to investigate!

“I’ll figure it out. I’ll just make an excuse when the time comes.”

Chen Ping said, taking out the clock from his storage ring, “Senior Yin Mo, look at this thing, do you recognize it? Do you know how to use it?”

The Yin Demon took the clock, took a look at it, and asked with a little surprise in his eyes, “Where did you get this thing from?”

“I bought it from a middle-aged man.”

Chen Ping said truthfully!

“This is a time magic weapon, but looking at the current situation, this magic weapon should have been damaged, otherwise it would not have turned into stone.”

“If you want to use this kind of time magic weapon, you need to understand the origin of time yourself.”

The demon explained!

“The origin of time?” Chen Ping was stunned!

The Yin Demon did not speak, but held the clock in one hand, and suddenly a light flashed in his hand!

Immediately afterwards, the clock also flashed with light. The hands of the clock that had not moved at all suddenly jumped!

In just an instant, the clock turned back to stone again!

But when Chen Ping’s face was full of shock and he was about to talk to Yin Mo, he found that Yin Mo had arrived in front of the cave entrance halfway up the mountain without knowing when!

At this moment, Chen Ping’s face was full of disbelief, and he jumped in front of the Yin Demon!

“Senior Yin Mo, you...can you teleport? How come you are here in the blink of an eye?”

Chen Ping asked very surprised!

“With my current strength, I can teleport back. I just activated this time weapon. In fact, the moment you thought it was has already passed a long time.”

The Yin Mo smiled faintly, then picked up a stone and threw it down the mountain. The stone fell vertically, very fast!

But as the clock in Yin Mo’s hand turned, Chen Ping found that the falling speed of the stone had slowed down, very slowly, like blood falling!

But it only happened for a moment. After the clock in Yin Mo’s hand stopped moving again, the stone hit the ground hard!

“What did you see?” the demon asked!

“It’s slowing down, as if time has slowed down, and the speed of the stone has also slowed down...”

Chen Ping said in surprise!

“This is the power of the time magic weapon. However, this magic weapon is damaged and it may not be used for long. But after you understand the origin of time and truly practice time magic, these things can be used without the magic weapon.”

“And this magical weapon was previously used by the old guy named Feng Motou. I felt his breath as soon as I turned it on.”

Yin Mo followed Chen Ping and said!

**A man like none other chapter 3519-**“Senior Feng Mo?”

Chen Ping’s eyes widened and his mouth suddenly opened!

Chen Ping saw that the middle-aged man was a little weird from the beginning. He was sitting steadily in front of the stall and motionless, which left a deep impression on Chen Ping!

Could it be that this middle-aged man is the phantom of the wind demon, or is the remnant soul of the wind demon possessing this middle-aged man?

After all, when he escaped from the Demon-Suppressing Tower, the Wind Demon was just a remnant soul. It would be very difficult to rush to the world of heaven and humans to reshape his body!

If you can’t reshape your body, you can also choose someone and directly attach the remaining soul to that person!

Chen Ping felt that this was what the wind demon was about!

“I’m just saying that old man Feng Mo has used this thing, but it may not have been given to you by him. Don’t think too much about it.”

Yin Mo saw Chen Ping’s expression and quickly explained!

“I’m not thinking wildly. The remnant soul of Senior Feng Mo has also returned to the world of heaven and humans. I just don’t know where it is now and whether it has reshaped its body.”

Chen Ping said!

“Do you think it’s so easy to reshape the body? If I hadn’t gone directly to the Valley of the Dead, it would have been harder than climbing to the sky!”

“You must know that it is against the laws of heaven to reshape the body and live again. Not everyone can reshape it.”

Yin Mo said with emotion!

When Chen Ping heard this, he became even more convinced that the middle-aged man who sold him the clock must be Feng Mo. It must be this guy.

“It seems that the person who sold me the clock must be Senior Feng Mo. I really want to have the opportunity to meet him.”

Chen Ping said with emotion!

“I won’t talk to you anymore. I want to practice and recover as soon as possible!”

“Don’t forget to take care of this place for me. No one can disturb you!”

After Yin Mo followed Chen Ping’s instructions, he returned to the cave to practice!

Chen Ping jumped down from the mountainside and looked at the dead rhinoceros beasts and the densely packed bones of the undead. Chen Ping seemed to have thought of a way!

Chen Ping’s fingertips were seen beating, and a ray of light hit the bones on the ground!

Many white bones began to shake, and then a large number of white bones piled up, and slowly turned into a huge skull!

Chen Ping glanced at the skull, nodded with satisfaction, and then ran towards the entrance of the Valley of the Dead!

The huge skull chased Chen Ping from behind.

Chen Ping slashed at the skull with his sword, and fire flew everywhere, but he couldn't stop the skull at all!

Chen Ping is getting closer and closer, Huofeng and the others have already seen Chen Ping's figure!

Everyone was shocked when they saw the huge skull made of bones behind Chen Ping!

"What is this?"

The sect elder said in shock!

"Owner....."

The fire phoenix is about to rush in!

"No one can come in..."

Chen Ping shouted, stopping Huofeng from rushing in, and then started fighting with the skull in front of Huofeng and the others!

Huofeng could only watch anxiously!

Chen Ping followed the huge skull and fought for more than ten rounds in a decent manner, and then chopped the skull into pieces with a sword!

Chen Ping pretended to be panting hard, and then walked out of the Valley of the Dead!

"How is this going?"

Bai Qian asked Chen Ping!

"After the erosion of time, some of the white bones in the Valley of the Dead actually developed spiritual consciousness, and then attracted the rhinoceros beasts to the Valley of the Dead, and used the unique aura of the rhinoceros beasts to practice."

“Okay now, I have completely killed the skull. I am setting up a magic circle so that the evil spirit in the Valley of the Dead will never reach the Valley of Spiritual Beasts.”

After Chen Ping finished speaking, he began to nervously set up the formation!

He wants to set up a big formation so that no one can enter the Valley of the Dead, otherwise he will be in trouble if he disturbs the Yin Demon’s cultivation!

Seeing that it would take some time for Chen Ping to set up the formation, the elder Zong said, “Mr. Chen, you guys are busy first. I’m going to take care of the consonant beast. Now there is only this consonant beast and its cub, which must be taken care of!” “

“Okay, you go ahead...”

Chen Ping nodded!

The elder Zong left, and Chen Ping continued to set up the formation!

**A man like none other chapter 3520-Entrance to Spirit Beast Valley!**

Several monks are slowly walking towards the Spirit Beast Valley!

One man and one woman were at the front of the team!

“Brother, why do you think Elder Fei betrayed him? Master is so worried now. He must catch Elder Fei to deal with him.”

“Elder Chu from the Demon Sealing Alliance has already spoken. If we can’t catch Elder Fei, we will all die in the Soulless Palace!”

The woman in a black dress asked the man in black next to her!

“How did I know that now I can only place my hope on the Spirit Beast in the Spirit Beast Valley. I heard that the Spirit Beast is very sensitive to aura. I hope we can find Elder Fei, otherwise our Soulless Palace will really suffer.”

The man in black sighed!

“Stop, who are you?”

Just when these demon cultivators from the Soulless Palace reached the entrance of the valley, they were suddenly stopped by the people from the Spirit Beast Valley!

“You two, we are from the Soulless Palace. We came here specially to visit and want to purchase some spirit beasts!”

The man in black stepped forward very politely and said!

The guard looked at it and said, “Wait a moment...”

After saying that, the guard went to report it!

Spirit Beast Valley also does business and sells spirit beasts to some demon cultivators or human monks. After all, it is difficult to tame a spirit beast!

So Spirit Beast Valley has started this kind of business, which can earn a lot of resources for Spirit Beast Valley, and as an orc tribe, it will be much easier for them to tame beasts!

At this time, the sect elder was in the cave, looking at the rhinoceros beast, and the guard hurriedly came to report!

“Elder Zong, there are people from the Soulless Palace who say they are here to buy spiritual beasts.”

The guard said!

“From the Soulless Palace?” The sect elder frowned slightly, “Are you a demon cultivator? It seems you have never heard of this sect.”

“It’s a demon cultivator, maybe not from our southern region!”

The guard said!

“Go and invite people in. Those who come are guests.”

The elder said!

In this area of Tianmo Mountain, demonic cultivators will not be targeted, so the sect elders have nothing to be wary of against these demonic cultivators!

Soon, several demon cultivators from the Soulless Palace were brought to the sect elders!

The man in black said directly, "We are from the Soulless Palace. We came to your Spirit Beast Valley to buy a spirit beast."

"Fellow Taoist, what kind of spiritual beast do you want to buy? As long as our Spirit Beast Valley has it, we will sell it!"

The elder said!

"Spiritual Rhinoceros Beast..."

The man in black said calmly!

"Spirit beast?"

When the elder Zong heard this, he immediately frowned!

All the rhinoceros beasts are dead, and now only one big one and one small one are left. How can they be sold!

The elders of the sect did not expect that the rhinoceros beast suddenly wanted them all today!

"Fellow Taoist, I'm really sorry, but we can't sell the spirit beasts in Spirit Beast Valley!"

The sect elder said very apologetically!

The man in black looked slightly cold, "What, are you afraid that we can't afford the price?"

"That's not the case, it's just that our rhinoceros beasts have died in large areas recently. Now there are only one big and one small left. There is no way to sell them."

The elder Zong told the truth!

"Aren't there two left? Why can't you sell one to us?"

The man in black was very unhappy!

“Although there are two of us, someone has already arrived in advance and needs a rhinoceros beast, so several fellow Taoists had to return without success. I’m really sorry!”

The sect elder said very politely!

After all, these demon cultivators from the Soulless Palace are not weak, and the sect elders don’t want to think about conflict!

“Why are you like this? We can sell the consonant beast to us at double the price...”

The woman in black also shouted dissatisfied!

“Fellow Taoist, I’m really sorry, we...”

Before the elder Zong finished speaking, the man in black said, “Since you are not selling it, then we can take a look at the rhinoceros beast. We have always heard that this rhinoceros beast is extremely sensitive to breath, and we would like to see it!”

The sect elder didn’t want to agree, but he would definitely not give up if the other party didn’t agree, so he took them to see the rhinoceros beast!
