

A WARRIOR UNDEFEATABLE/

A man like none other chapter 3521-The elders led these people from the Soulless Palace into the cave of the Spirit Rhinoceros Beast!

After seeing two spiritual beasts, one large and one small, the people in the Soulless Palace were very excited!

“So this is a rhinoceros beast. It looks stupid. Are they really that sensitive to breath?”

After the woman in black saw the rhinoceros beast, she immediately approached it!

“Fellow Taoist, this is a spiritual beast that has just given birth. Please don’t get close...”

The elders of the clan hurriedly spoke out to stop the woman in black from approaching!

But the woman in black rushed forward and grabbed the little consonant!

“Stop, what are you doing?”

The sect elder was shocked and rushed to stop him!

But the man in black had a cold look in his eyes: “This rhinoceros beast belongs to us. If you dare to stop it, you will be killed!”

After saying that, the man slapped the sect elder with one palm!

The sect elder was shocked. He really didn’t expect that these guys from the Soulless Palace would dare to openly rob the Spirit Rhino Beast in their Spirit Beast Valley!

The sect elder hurriedly retreated, but the woman in black had already captured the little consonant beast!

“Brother, withdraw...”

After the rhinoceros beast succeeded, the woman in black shouted!

These people from the Soulless Palace began to rush out of the cave!

“Stop them, stop them...”

The elder of the clan shouted!

Hearing the roar of the sect elder, many monks in Spirit Beast Valley took action to stop him!

It's just that the demonic cultivators in the Soulless Palace are obviously much stronger, so many cultivators in the Spirit Beast Valley were knocked to the ground!

Seeing that these demon cultivators from the Soulless Palace were about to rush out of the Spirit Beast Valley, suddenly three figures appeared, and one of them threw a punch!

This punch made a deafening sound, and countless fist shadows directly blocked the way!

When the man in black saw this, he stepped forward and punched the fist figure!

Rumble.....

There was a sound that resounded throughout the world, and terrifying spiritual power instantly surged around.

The man in black paused for a moment, then took three steps back!

When the woman in black saw this, she immediately stopped!

“Put down the rhinoceros and I can let you go!”

Chen Ping looked at the people in the Soulless Palace coldly and said!

Several people in the Soulless Palace didn't know Chen Ping. When they saw that Chen Ping was only at the first level of the Tribulation Realm, they all thought they were wrong!

Especially the man in black, his face is very gloomy. After all, he is a sixth-grade monk in the Tribulation Realm, and he is also considered a leader in the Soulless Palace!

Now he was unexpectedly knocked back three steps by a first-level cultivator in the Tribulation Realm. It was so embarrassing!

“Get out of my way or die...”

The man in black said with a cold face and gritted his teeth!

“What a loud tone...”

Bai Qian and Huo Feng stepped forward slowly!

The aura of the seventh-level Tribulation Realm was revealed on Bai Qian’s body, and the terrifying aura kept pressing towards the people in the Soulless Palace!

At this moment, the elders of the sect also led people to catch up and surrounded these people from the Soulless Palace!

Seeing that Bai Qian has become a seventh-level monk in the Tribulation Realm, the faces of the people in the Soulless Palace became increasingly ugly!

“You are so brave. We are from the Soulless Palace. If you dare to touch us, you will be killed by the Soulless Palace.”

“If you don’t want Spirit Beast Valley to turn into purgatory, then get out of my way immediately!”

The man in black burst out of the house and shouted loudly!

He thought that the explosion of the Soulless Palace would shock everyone!

But I found that after I said it, no one gave way!

“Soulless Palace?”

When Chen Ping heard this name, he immediately thought of Elder Fei, and then smiled coldly and said, “A dog from the Demon Sealing Alliance started barking. Do you really think your Soulless Palace is very powerful?”

Hearing Chen Ping’s words, the man in black’s heart jumped suddenly!

Everyone else in the Soulless Palace was also instantly shocked!

A man like none other chapter 3522-You must know that very few people know that the Soulless Palace is working as a dog for the Demon Sealing Alliance!

They didn't understand how Chen Ping knew about this!

"What nonsense are you talking about? You dare to humiliate our Soulless Palace, you are simply seeking death..."

The man in black roared at Chen Ping!

It was impossible for him to admit that Soulless Palace was a lackey of the Demon Sealing Alliance!

"Whether I'm talking nonsense or not, you know best in your heart. Since you are from the Soulless Palace, even if I release the Spirit Beast, I can't let you leave!"

Chen Ping said with cold eyes!

The Soulless Palace is also chasing Chen Ping. Now that Chen Ping has met someone from the Soulless Palace, how could he let him go so easily?

What's more, now that they are following the people from Spirit Beast Valley, their strength is not weak!

It's enough to deal with these guys from the Soulless Palace!

"Boy, it seems that you are going to die with us..."

The man in black's eyes turned cold, and then a black energy shot out from his hand!

This seemingly ordinary black energy contained terrifying power and headed straight for Chen Ping!

A young monk who was in the first level of the Tribulation Realm. The man in black couldn't kill Chen Ping even if he tried his best to attack him!

"you dare....."

When Bai Qian saw this, he immediately shouted angrily!

But Chen Ping stopped Bai Qian, his eyes flashing coldly, “Don’t worry, he’s just a sixth-grade Tribulation Realm, I just want to give him a try...”

I saw golden light emerging from Chen Ping’s body, his indestructible golden body activated, and his whole body was instantly covered with golden scales!

boom!

The black energy burst down, and Chen Ping instantly created two barriers, taking on a defensive posture!

But when the two barriers came into contact with the black energy, they were instantly shattered!

Then hit Chen Ping’s indestructible golden body!

Chen Ping took three steps back!

The golden scales on Buhujin’s body kept falling off, and soon Chen Ping’s skin was exposed!

However, the black energy did not cause any substantial harm to Chen Ping and quickly disappeared!

“Sixth level of Tribulation Realm, nothing more than that...”

Chen Ping’s eyes were full of disdain!

If it weren’t for the corrosive black energy of the man in black, Chen Ping’s indestructible golden body should not be broken!

Seeing that he fought hard, not only did he not kill Chen Ping, but he didn’t even hurt Chen Ping!

The man’s heart suddenly stirred up a storm!

You must know that Chen Ping is just a first-level monk in the Tribulation Realm, but he is a sixth-level Tribulation Realm monk!

There is a difference of five small realms!

How could it not be killed?

Others in the Soulless Palace were also looking at Chen Ping in shock at this moment, their eyes full of disbelief!

“Put down the rhinoceros beast...”

Chen Ping looked at the woman in black and said with cold eyes!

“Huh, just because you can resist my big brother’s palm, doesn’t mean you can resist my palm.”

“Hand it over if you say it will be handed over. Who do you think you are?”

The woman in black put down the psychic beast and was about to attack Chen Ping!

“A girl is so rude and needs to be punished.”

Bai Qian snorted coldly, and instantly a breath burst out from her body!

boom!

Before the woman in black could react, she felt a heavy weight falling on her body and fell to her knees with a thud!

“younger sister.....”

When the man in black saw this, he shouted anxiously!

The woman in black gritted her teeth and tried hard to get up, but she couldn’t move at all!

She, the sixth level of the Tribulation Realm, was powerless to resist in front of Bai Qian, the seventh level of the Tribulation Realm!

“The people from the Soulless Palace are too weak. They only have a certain level of cultivation, but no real ability...”

Bai Qian couldn’t help but sneer!

Logically speaking, a sixth-grade Tribulation Realm master would not be suppressed by a seventh-grade Tribulation Realm cultivator, unable to move even with a random breath!

It's just that now the Soulless Palace has become a lackey of the Demon Sealing Alliance. Whether it is resources or training, it is already empty!

Although the man and woman in black appear to have the sixth-level cultivation of the Tribulation Realm, their actual strength is not that high!

Bai Qian finally understood why Chen Ping dared to resist the palm of the man in black without letting him take action!

A man like none other chapter 3523-"Give the rhino beast back to you. We don't want it anymore. Let me go!"

The man in black looked at Bai Qian and said!

Bai Qian didn't move at all, and kept suppressing the woman in black. Seeing this, the man in black could only look at Chen Ping. He saw that Chen Ping had the final say here!

"Tell me, what does your Soulless Palace want the Rhinoceros Beast for?"

Chen Ping asked the man in black!

The man in black frowned slightly, hesitant, and didn't seem to want to say anything!

"Huh, if I ask you anything, just tell me honestly, otherwise..."

Bai Qian added a little more breath, and the woman in black suddenly screamed!

"I said, I said!"

Seeing this, the man in black hurriedly said, "There is a traitor in our Soulless Palace. We need the spirit beast to detect the traitor's aura and find where the traitor is."

"Traitor?" Chen Ping frowned and instantly thought of Elder Fei!

"Is the traitor you are talking about Elder Fei from your Soulless Palace?"

Chen Ping asked!

The man in black was stunned and looked at Chen Ping in disbelief, "You...how did you know?"

"You don't need to worry about how I knew it. Tell me first, how did you know about Elder Fei's betrayal?"

Chen Ping narrowed his eyes slightly and said!

"I can't say!" The man in black shook his head!

When Chen Ping saw this, the Dragon-Slaying Sword instantly appeared in his hand, and then pressed against the shoulder of the woman in black!

"If you don't tell her, then let her die..."

Chen Ping threatened!

"Brother, you can't say anything, otherwise our Soulless Palace will be doomed. Elder Fei's rebellion has put our Soulless Palace in dire straits. You can't talk anymore."

The woman in black shouted at the man!

The man in black looked anxious and in a dilemma!

Chen Ping exerted slight force on the dragon-slaying sword in his hand, and a thin wound instantly appeared on the woman's neck, and the blood continued to fall!

Seeing that Chen Ping actually took action, the man in black hurriedly said, "Don't take action, I said, I said..."

After a pause, the man in black said, "Elder Chu from the Demon Sealing Alliance told us that we are indeed cooperating with the Demon Sealing Alliance!"

"Elder Chu said that our Elder Fei secretly attacked Zuo Xuan, the young master of the Demon Sealing Alliance, causing Zuo Xuan to be killed by Chen Ping."

"Elder Chu told us that the Soulless Palace must have an explanation, and he is also contacting the nearby branch of the Demon Sealing Alliance to prepare to hunt down Chen Ping."

After hearing what the man in black said, Chen Ping smiled coldly and said, "Does the leader of the Demon Sealing Alliance know that his son is dead?"

"I don't know yet. If he finds out, I'm afraid our Soulless Palace and Elder Chu won't be able to survive."

The man in black shook his head, and then continued, "What I said is true. Can you let my sister go?"

"Of course I know what you said is true, because I am the Chen Ping you said..."

Chen Ping smiled slightly and said!

"Are you Chen Ping?"

The man in black's eyes were full of shock. He couldn't believe that he could meet Chen Ping in this Spirit Beast Valley!

The woman in black also looked at Chen Ping in disbelief!

"Of course, if it's Chen Ping, didn't your Soulless Palace get an order to hunt me down?"

Chen Ping still has a smile on his face!

The man in black looked ashen at this moment. He knew that if he fell into Chen Ping's hands, he would definitely not end well!

The woman in black also slowly lowered her head. At this point, they can only accept their fate!

If Bai Qian is not here, they can fight with Chen Ping. Even if there is help from Spirit Beast Valley, they are not afraid!

But now that Bai Qian is here, a seventh-level monk in the Tribulation Realm, they are no match at all!

"Now that I have fallen into your hands, I feel free to kill or chop him into pieces, but my master will avenge us."

The man in black said coldly!

A man like none other chapter 3524-"I won't kill you. Go back and tell your palace master to stop working for the Demon Sealing Alliance."

"If you, the Soulless Palace, still want to help the Demon-Sealing Alliance kill me, I will accompany you at any time, but next time, you won't have such a good ending."

Chen Ping put away the Dragon-Slaying Sword!

The woman in black was shocked and looked at Chen Ping in disbelief. She didn't expect that Chen Ping would let her go!

The man in black didn't expect Chen Ping to let them go!

"Are you telling the truth?"

The man in black asked in disbelief!

"Of course, you can leave now..."

Chen Ping waved his hand, causing Bai Qian to take back his breath!

The woman in black felt her body relax, and then slowly stood up!

The two brothers and sisters, the man in black and the woman in black, glanced at Chen Ping and then left with them!

"Master, why don't you kill these people? Since you know that they have been chasing you, why do you let the tiger go back to the mountain?"

Huofeng asked very puzzledly!

"Killing them here will inevitably arouse the resentment of the Soulless Palace towards the Spirit Beast Valley. Then I am afraid that the Spirit Beast Valley will not have a good life."

"These people from the Soulless Palace are not very strong, so don't worry!"

Chen Ping smiled slightly and said!

When the elders saw that Chen Ping was considering their Spirit Beast Valley, they were very grateful!

“Mr. Chen, you can take this little consonant with you. Although the little consonant has just given birth, it is still sensitive to breath.”

“And this spirit beast has a very strong ability to give birth. I believe it won't be long before there will be more spirit beasts in our Spirit Beast Valley.”

The elder Zong said to Chen Ping!

“Thank you very much, Elder Sect...”

Chen Ping was not polite and directly picked up the little consonant beast!

After saying goodbye, Chen Ping, Huo Feng and the others hurried towards the Blood Spirit Valley with the Rhinoceros Beast!

.....

Southern Territory, Yecheng!

This is also a city at the foot of Tianmo Mountain, and Yecheng is not far from Fancheng.

The reason why it is called Yecheng is because there is the largest family here, the Ye family!

And this Ye family is also a branch of the Demon Sealing Alliance!

The head of the Ye family, Ye Liancheng, is a sub-ruler of the Demon Sealing Alliance!

“Elder Chu, we have a total of eighteen branches in the Southern Territory. I have already ordered them to go down. As long as Chen Ping is still in the Southern Territory, he can't even think about escaping.”

Ye Liancheng said to Elder Chu who was sitting opposite!

“Thank you, Captain Ye...”

Elder Chu stood up and thanked him!

“Elder Chu, you are being polite. We all serve the alliance leader. Now that the alliance leader's son has been killed by Chen Ping, we should do our best.”

Ye Liancheng waved his hand and said!

“Elder Chu, I have also ordered my disciples to go to the Spiritual Beast Valley to buy a spiritual beast. As long as there is a spiritual beast, I will definitely catch the traitor Elder Fei and give an explanation to Elder Chu and the Demon Sealing Alliance.”

Sitting on the other side, an old man with a goatee said!

This person is Song Tianhai, the master of the Soulless Palace!

“Hmph, your Soulless Palace has been fostered by the Demon-Sealing Alliance for so many years, but the first time you did something bad, there was a traitor. If the alliance leader knew about this, your entire Soulless Palace would be destroyed.”

Elder Chu glanced at Song Tianhai, with dissatisfaction in his eyes!

Song Tianhai’s forehead was covered with cold sweat and he apologized repeatedly.

At this time, the two brothers and sisters who went to Spirit Beast Valley to buy Spirit Beasts came back!

“How’s it going? Have you bought back the Rhinoceros?”

Song Tianhai looked at the brother and sister and asked!

“Master, we...”

The man looked embarrassed. He was about to open his mouth to tell the truth, but the woman beside him said, “Master, I have bought it back. Now we can set off to catch the traitor!”

Upon hearing that the Spirit Beast was bought, Song Tianhai hurriedly stood up, and then said to Elder Chu, “Elder Chu, Master Ye, I’m going to find the traitor first. Within three days, I will bring Elder Fei’s head.” .”

“Go ahead, if you can’t catch the traitor, you know the consequences!”

Elder Chu waved his hand!

A man like none other chapter 3525-Song Tianhai nodded, and then followed the brother and sister out!

“Where’s the Rhinoceros?”

Song Tianhai asked after walking out of Ye’s house!

“Master, listen to me...”

The woman grabbed Song Tianhai and then walked to a hidden place!

He told Song Tianhai exactly what happened to them in Spirit Beast Valley!

When he heard that his disciple had met Chen Ping, Song Tianhai’s expression became very shocked!

Especially when Chen Ping released them all!

“Master, the reason why I lied to you just now is to let you get away. If Elder Chu knew that we didn’t get the telekinesis beast, he would definitely blame us. Maybe we won’t be able to leave here.”

The woman said softly!

“Master, let’s leave the Demon-Sealing Alliance. These guys don’t think of us as human beings at all.”

The man in black also spoke at this moment!

“Yes, after leaving the Demon-Sealing Alliance, there is no Spirit Beast now, and we can’t find Elder Fei at all. When three days are over, Elder Chu will definitely attack us.”

“And Zuo Xuan was accompanied by Elder Chu. Zuo Xuan died. Elder Chu himself did not dare to report to the alliance leader and wanted our Soulless Palace to take the blame. Who knows whether Elder Fei really rebelled!”

The woman followed Song Tianhai to analyze!

Song Tianhai frowned slightly, as if he was struggling in his heart!

Without the rhinoceros beast, they might not be able to find Elder Fei even in three days, let alone three days!

What's more, they don't know whether Elder Fei is alive or dead now. If Elder Chu said this deliberately in order to make their Soulless Palace take the blame, what can they do?

After thinking again and again, Song Tianhai nodded and said, "Okay, let me inform you that all the disciples of the Soulless Palace will leave Yecheng. Let's just wait and see what happens!"

The brother and sister nodded and went to inform them immediately!

.....

Blood Spirit Valley!

After Luo Shouhai buried the dead disciple, he cleaned up the entire Blood Spirit Valley!

Devil Mountain Ghost Lao has been following Luo Shouhai. He is always afraid that Luo Shouhai will not be able to bear it and his body will collapse!

After all, this Blood Spirit Valley has existed for thousands of years. When it reached Luo Shouhai, it was almost destroyed. This made Luo Shouhai face to face with his ancestors without shame!

"Lao Luo, as long as you are still here, Blood Spirit Valley will be here. Don't be too sad."

Devil Mountain Ghost Lao gently patted Luo Shouhai on the shoulder and said!

Luo Shouhai didn't speak. He had been thinking about who he was so cruel that he killed everyone in the Blood Spirit Valley!

"Master, there is someone visiting from outside the valley..."

At this time, Jin Dong came over and said to Luo Shouhai!

"who is it?"

Luo Shouhai was stunned!

The Blood Spirit Valley is like this, why do people still come to visit?

“I don’t know, he’s a middle-aged man, and he doesn’t seem to be very strong!”

Jin Dong replied!

Luo Shouhai stood up and walked out, with Devil Shan Gui Lao following behind!

When they arrived at the entrance of the valley, they found a middle-aged man waiting quietly!

Luo Shouhai looked around and found that the other party was actually an orc, which made Luo Shouhai very confused!

He didn’t understand why this beast tribe came to his place!

Although the three tribes did not fight or kill each other in the Tianmo Mountain area, they had no friendship with the Beast Tribe in the Blood Spirit Valley!

“Fellow Taoist, I wonder what you are doing here?”

Luo Shouhai stepped forward and asked the middle-aged man very politely!

“Find someone…….”

The middle-aged man said very coldly!

“Who are you looking for?” Luo Shouhai continued to ask.

“I’m looking for Chen Ping and ask him to come out to see me!”

The middle-aged man sounded domineering!

Seeing the middle-aged man’s attitude, Luo Shouhai was a little unhappy!

Jin Dong on the side also frowned, “You look quite crazy. Since you are here to find someone, you must be polite. And who is Mr. Chen? Is it something you can see if you want to?”

A man like none other chapter 3526-The middle-aged man glanced at Jin Dong coldly, and then snorted coldly. An inaudible breath came quietly, making Jin Dong fall to his knees with a pop!

“Ignorant child, you dare to talk to me like this. If it had been before, you would have turned into a pool of blood by now.”

The middle-aged man snorted coldly!

When Luo Shouhai saw this, his expression instantly turned ugly, his body trembled slightly, and a breath rose up, directly following the middle-aged man to compete with him!

“This is Blood Spirit Valley, not a place for you to run wild. If you want to find someone, just talk to me. If you want to take action, I can accompany you!”

Luo Shouhai said with a cold face and eyes full of murderous intent!

The middle-aged man saw Luo Shouhai’s murderous look, but he was not afraid at all. Instead, he raised the corner of his mouth slightly, “There are really no tigers in the mountains, and the monkey is the king...”

After saying that, the aura on the middle-aged man’s body suddenly surged, and Luo Shouhai flew backwards!

“Bold...”

Seeing this, the Demon Mountain Ghost Old Man on the side slapped the middle-aged man with his palm!

He felt that this guy was really too crazy and he must be taught a lesson!

Seeing the Devil Mountain Ghost Lao slap him with his palm, the middle-aged man casually punched it out!

A flash of white light flashed, and the huge aura was like a cannonball, which violently collided with the palm of the Demon Mountain Ghost Old Man!

Devil Mountain Ghost Elder also flew backwards and took dozens of steps back before he regained his balance!

“That’s right. I just passed through the seventh level of the Tribulation Realm, and I encountered the Demon Tribulation Cloud, and I managed to carry it through.”

The middle-aged man looked at the Demon Mountain Ghost Elder with some appreciation and said!

Demon Mountain Ghost Old Man's face was full of shock, and he opened his mouth and said, "Who are you? Why do you know the Holy Light Fist?"

In the eyes of Moshan Gui Lao and the others, this kind of person is full of the aura of the beast race. He is obviously the beast race. How can he know the Holy Light Fist of the Feng Mo lineage?

This is simply impossible. You must know that Devil Mountain Ghost himself doesn't know Holy Light Fist. Holy Light Fist is Feng Mo's unique skill. How can he teach it to others at will?

The only Holy Light Fist that Demon Mountain Ghost Elder had ever seen was used by Chen Ping. Could it be that this beast tribe was also taught by Feng Mo himself?

"You don't have to worry about why I know Holy Light Fist, you just need to call out Chen Ping."

The middle-aged man said calmly!

"Mr. Chen is indeed not here. If you have something urgent to do with him, you can wait in the Blood Spirit Valley for a while. He should be back soon."

The old Demon Mountain Ghost stepped forward and his attitude became much more respectful!

Let's not talk about how this middle-aged man learned the Holy Light Fist. Since he knows the Holy Light Fist, it proves that he is connected to their Feng Mo lineage!

Since there is a connection, Demon Mountain Ghost Elder must be polite and respectful. Demon Mountain Ghost Elder knows very well the status of people who can master the Holy Light Fist in their Wind Demon lineage!

Seeing that the attitude of the old Demon Mountain Ghost became respectful, and that Chen Ping was indeed not in the Blood Spirit Valley, the middle-aged man nodded and said, "Okay, I will wait for his return in the Blood Spirit Valley for the time being..."

After saying that, the middle-aged man walked straight into the Blood Spirit Valley. When the middle-aged man passed by Jin Dong, Jin Dong looked at

him carefully, then his eyes widened and he said, “Oh, I remembered, I know Who are you...”

When Jin Dong said this, Devil Shan Guilao and Luo Shouhai all looked towards Jin Dong!

“He is the big man who runs a stall in Xuanyin Sect. Mr. Chen also bought something from him, which seems to be a clock carved from jade.”

Jin Dong said suddenly!

When Moshan Guilao and Luo Shouhai heard this, they were speechless. What kind of knowledge does this have? They just know that they have set up a street stall, but so what?

They are strong, and if they really want to enter the Blood Spirit Valley, no one can stop them!

“You went to Mr. Chen, did you regret it and want to take the things back?”

Jin Dong asked the middle-aged man!

But the middle-aged man raised his lips and walked directly into the Blood Spirit Valley without saying anything!

A man like none other chapter 3527-“This little consonant beast is so cute...”

On the way back to the Blood Spirit Valley, Huofeng hugged the little consonant beast and couldn't put it down!

Perhaps because they are both members of the beast clan, the little contortion beast also loves the fire phoenix very much and keeps acting coquettishly in the fire phoenix's arms!

“The Blood Spirit Valley is ahead. If I had known, I would have been Ji Yun's flying boat. I'm so tired from traveling...”

Chen Ping was speechless for a while. Going back and forth this time consumes a lot of spiritual energy!

But just as Chen Ping finished speaking, the little consonant beast, which was originally very docile, suddenly screamed in Huofeng's arms, and then jumped to the ground!

There was a bit of anger and panic in the little consonant's eyes, and it kept wagging its tail in one direction!

Seeing the strange behavior of the little consonant beast, Chen Ping and the others quickly stopped.

“What's wrong with this rhinoceros?”

Bai Qian asked!

“I don't know, suddenly it became like this...”

Huo Feng was also confused, not knowing what was going on!

The rhinoceros beast bared its teeth and made an attack motion!

Upon seeing this, Chen Ping dispersed his consciousness and quickly caught someone coming towards them!

After Chen Ping dispersed his consciousness, he was immediately captured by the other party!

“Master, someone is using spiritual consciousness to detect...”

The man in black looked at Song Tianhai beside him and said!

“I already know, but the opponent's realm is not strong, so don't be afraid!”

Song Tianhai looked indifferent. The other party's spiritual consciousness was not strong, so he was not afraid at all and walked straight forward!

At this moment, Chen Ping frowned slightly, “Someone is coming, it should be someone from the Soulless Palace!”

“What should we do?”

Huofeng hurriedly picked up the little consonant beast, fearing that the people from the Soulless Palace would snatch it away!

“Let’s go, let’s go quickly. As long as we return to Blood Spirit Valley, we’ll be fine!”

Chen Ping knew that now was not the time to follow the people from the Soulless Palace. If a fight broke out, it would probably delay time. You must know that the longer the delay, the weaker the remaining aura in the Blood Spirit Valley will be!

If even the spirit beasts can’t detect their aura by then, I’m afraid they will never know who committed the Blood Spirit Valley tragedy!

But just when Chen Ping and the others wanted to avoid it, Song Tianhai and the others from the Soulless Palace had already arrived!

When they saw Chen Ping, Song Tianhai’s two disciples were all stunned!

“Master, this...this is Chen Ping...”

The man in black pointed at Chen Ping and said!

Song Tianhai didn’t expect that he would meet Chen Ping here!

Seeing that there was no way to hide, Chen Ping took out the Dragon-Slaying Sword, and then told Huofeng, “If there is a fight later, you take the Spirit Beast back to the Blood Spirit Valley quickly. I will follow Bai Qian to block it for the time being.” On.”

Huofeng nodded. She knew that she couldn’t help much by staying. The most important thing was that the Spirit Rhinoceros Beast couldn’t fall into the hands of the Soulless Palace!

“It seems that you didn’t listen at all to what I told you. You are still working for the Demon Sealing Alliance and are here to hunt me down...”

Chen Ping’s eyes were filled with murderous intent, and his body was instantly covered with an indestructible golden body!

Bai Qian also assumed an offensive stance, and the aura of the seventh-level Tribulation Realm on his body exploded without concealment!

Chen Ping and Bai Qian knew that they had to work hard. Only in this way could Huofeng get a chance to escape with the Rhinoceros Beast!

The brother and sister felt the killing intent in Chen Ping, and for a moment they didn't know what to say!

After all, Chen Ping had just let them both go.

The brother and sister looked at Song Tianhai at the same time. Now they could only wait for Song Tianhai to give orders. In fact, in their hearts, neither brother nor sister wanted to work hard for the Demon Sealing Alliance!

Song Tianhai frowned, and he didn't know what to do for a moment.

If you don't work hard for the Demon-Sealing Alliance, you must know that the living space of the demons is very limited now, and the Demon-Sealing Alliance has branches in the entire heaven and human world, and they may not have a place in the Soulless Palace at all!

A man like none other chapter 3528-But working hard for the Demon Sealing Alliance, the Soulless Palace has no hope at all. Although their realm has been growing in practice, their real strength is very weak. After all, the resources of the Soulless Palace need to be rewarded by the Demon Sealing Alliance!

What's more, Chen Ping now has Bai Qian, a seventh-level monk in the Tribulation Realm beside Chen Ping. Song Tianhai is not sure that he can kill Chen Ping!

"Master, let's stop working our lives for the Demon Sealing Alliance. They don't regard us as human beings at all. In the Tianmo Mountain area, the three races are still harmonious. We might as well stay here and develop."

The man in black broke the silence and spoke.

"Master, let's break away from the Demon-Sealing Alliance. The Demon-Sealing Alliance uses the slogan of exterminating demons and defending the Tao in order to enslave us demons. We can no longer be enslaved. We must resist, and we must let the world know that we demons Not everyone in the clan is a heinous person, and the Demonic Alliance is not a good thing either."

The woman in black also spoke!

Song Tianhai still didn't speak, his face was gloomy and uncertain, he still couldn't make up his mind!

When Chen Ping saw that Song Tianhai was silent, he took a step forward and said, "The war between gods and demons back then caused constant disputes in the world of heaven and humans, and the people were in dire straits. As a result, everyone in the demon tribe became shouting for fights."

"Actually, this is a conspiracy. I know that not all of you demons are treacherous and evil people. Don't you just want to live an upright life?"

Song Tianhai glanced at Chen Ping, but still couldn't make up his mind, and said helplessly, "Leaving the Demon-Sealing Alliance is easy to say, but it's never that easy to do. The Demon-Sealing Alliance can spread all over the heaven and human world, making many demons Just like a bereaved dog hiding everywhere, it won't happen overnight."

"You know that the entire Demon-Sealing Alliance has almost united many sects and families in the five domains of the Heaven and Human Realm, and they are all very powerful. They all have interests among themselves, and they use the slogan of eradicating the demons to seek personal gain for themselves. "

"If I leave the Demon-Sealing Alliance now, even in this Heavenly Demonic Mountain, I believe there will never be a place for us in the Soulless Palace."

Seeing Song Tianhai like that, Chen Ping also fell silent. The power of the Demon Sealing Alliance was too great for a small Soulless Palace to contend with!

"You go away, just pretend we haven't met!"

After Song Tianhai hesitated for a moment, he waved his hand to let Chen Ping and the others leave!

Song Tianhai knew that they wouldn't be able to gain any advantage in a fight!

"Then what should you do?" Chen Ping asked!

"I still have three days. In these three days, we can run as far as we can..."

Song Tianhai forgot about the endless Tianmo Mountain Range, "If it doesn't work, I will take them to the top of the most dangerous mountain range. Maybe they can find a place there!"

Chen Ping looked at Song Tianhai and asked, “Do you believe me?”

Song Tianhai was stunned and didn’t understand what Chen Ping meant!

“If you believe me, I can take you to a place. I don’t think the Demon Sealing Alliance will find you for the time being.”

“And you must also unite with other demons to jointly resist the Demon-Sealing Alliance. Only in this way can the Demon-Sealing Alliance be restrained.”

Chen Ping said to Song Tianhai!

Song Tianhai looked at Chen Ping, but didn’t know how to answer for a while. After all, he was following Chen Ping and didn’t know him, so he couldn’t easily trust a stranger!

“Master, I believe in Chen Ping. I don’t think he will harm us.”

The man in black said!

“Yes, if he wanted to kill us, he wouldn’t have let us go. Wouldn’t it be better to kill us with one sword directly in the Spirit Beast Valley?”

“We’d better go with him and have a look. Maybe there’s a good place there.”

The woman in black also spoke!

They have always been grateful to Chen Ping for not killing him!

Song Tianhai saw that his two disciples all said this, and finally nodded in agreement!

Chen Ping took the people from Soulless Palace and rushed to Blood Spirit Valley!

A man like none other chapter 3529-When Chen Ping arrived at the Blood Spirit Valley, Jin Dong was already waiting for Chen Ping at the entrance of the valley!

Seeing that Chen Ping actually brought many people, Jin Dong hurriedly stepped forward and said, “Mr. Chen, these people are...”

“These are all from the Soulless Palace. I met them on the way and brought them here. What are you doing at the entrance of the valley?”

Chen Ping didn't understand what Jin Dong was doing at the mouth of the valley, as if he was waiting for someone!

“Mr. Chen, I'm here to wait for you.”

After Jin Dong finished speaking, he leaned close to Chen Ping's ear and whispered, “Mr. Chen, the person who sold you the clock is here, and he seems to be very powerful. He insists on seeing you. He may have returned and wants to take the clock back.” go.....”

Jin Dong thought that the middle-aged man was here to take back the clock, so he had been waiting for Chen Ping at the mouth of the valley, planning to tell Chen Ping in advance so that Chen Ping could be mentally prepared!

But when Chen Ping heard this, he immediately became happy, “Where is that person now?”

“Right inside, Mr. Gui and my master are waiting, very arrogant...”

Jin Dong said!

Chen Ping was not taking care of Jin Dong, but ran directly into the Blood Spirit Valley!

At this time, the middle-aged man was sitting on a recliner, with Devil Shan Guilao and Luo Shouhai standing aside!

Luo Shouhai's face looked a little unhappy, but Devil Mountain Ghost Elder was respectful!

Seeing Chen Ping coming back, the two people rushed to greet him!

“Mr. Chen, you are back...”

Luo Shouhai and Devil Mountain Ghost Elder said!

When the middle-aged man heard that Chen Ping was back, he stood up immediately!

Chen Ping ignored Luo Shouhai and Demon Mountain Ghost Elder, but walked straight to the middle-aged man and said respectfully, “Senior Feng Mo, I’m really sorry for keeping you waiting for so long...”

Chen Ping’s words made Luo Shouhai and Mo Shan Gui Lao stunned on the spot, with incredible expressions on their faces!

Even Feng Mo himself was slightly startled, then smiled and said, “How did you recognize me?”

You must know that when he sold the watch to Chen Ping, Chen Ping did not recognize him, but now he called him out when they met, which made Feng Mo a little confused!

Chen Ping smiled awkwardly and said, “I met Senior Yin Mo. He saw the clock and guessed your identity...”

“Hahaha, it turns out it’s this old guy. I said it’s impossible for you to penetrate my time magic weapon in such a short time.”

Feng Mo laughed and admitted his identity!

At this moment, Luo Shouhai and Demon Mountain Ghost Elder were both confused. They couldn’t believe that the middle-aged man in front of them, who was full of beastly aura, was actually Feng Mo?

“Senior Feng Mo, what’s going on with you? Why do you have the aura of the beast tribe in your body?”

Chen Ping was also surprised, so he asked!

“Hey, it’s a long story. When you released me from the Demon Suppression Tower, my remnant soul escaped back to the world of heaven and humans. However, I couldn’t find a place to rest and couldn’t reshape my body. In the end, I just Can possess an orc monk.”

“If the remaining soul is exposed for a long time, it is very likely that the soul will be scattered, and then I will really disappear forever!”

Feng Mo explained!

After listening to Feng Mo’s explanation, Chen Ping realized that this body belonged to an orc monk. No wonder he had the aura of the orc in him!

“Ancestor, this disciple deserves to die. He actually attacked the ancestor and asked the ancestor to punish him...”

Devil Mountain Ghost Lao knelt down in front of Feng Mo with a bang!

Now he has no doubt about Feng Mo’s identity. After all, Feng Mo just used Holy Light Fist!

“Get up, he who doesn’t know is not guilty!”

Feng Mo waved his hand and said!

Devil Mountain Ghost stood up with excitement on his face, his body trembling slightly with excitement!

“Senior Feng Mo, I wonder what you want from me?”

Chen Ping was curious as to why Feng Mo came here to find him!

“Of course I’m looking for you to ask for your help. I’ve been using someone else’s body, and there’s no way to increase my strength. This body can’t bear it.”

“So I need to reshape my body. But to reshape my body, I need the Demon Stone. I want you to find the Demon Stone for me so that I can reshape my body.”

Feng Mo said!

A man like none other chapter 3530-“Senior Feng Mo, it is very difficult to reshape the body, and your strength will be greatly reduced in the early stage. Senior Yin Mo is also reshaping the body. He has the support of the Valley of the Dead, but his current strength is not very strong.”

“At least you are possessing someone else now, so your strength is pretty good...”

Chen Ping said to Feng Mo!

“You don’t understand. Possessing someone else’s body will limit your strength. If I can reshape my physical body, although it will be difficult at the beginning, it will get better and better in the future. When I successfully

reshape my physical body, I will be able to regain my physical body.” The peak is equivalent to living again.”

“Besides, I’ve been fed up with this bastard for a long time. My own body is better looking. This bastard has a hairy face and it’s hard to pick up girls!”

Feng Mo said helplessly!

Poof.....

Chen Ping couldn’t help but laughed out loud. He didn’t expect that Feng Mo could say such a thing!

“Senior Feng Mo, where is the Heavenly Demon Stone today?”

Chen Ping still doesn’t know where the Heavenly Demon Stone is, and he can’t help Feng Mo find it!

“Mr. Chen, I know that the Heavenly Demon Stone is on the top of the Heavenly Demon Mountain Range, and this kind of stone can be encountered but not sought.”

Devil Mountain Ghost Lao said!

When Chen Ping heard this, he was speechless. Where could he find something like this that could only be encountered but not sought?

“Don’t worry, just keep an eye on the Heavenly Demon Stone for me.”

“Come here, I’ll tell you two formulas. Whether you can penetrate the time magic weapon depends on your own understanding.”

Feng Mo waved towards Chen Ping!

Chen Ping came closer, and Feng Mo whispered something in Chen Ping’s ear!

After finishing speaking, Feng Mo patted Chen Ping on the shoulder and said, “I believe you can understand...”

“Senior Feng Mo, can this time magic weapon reverse time, bring people back to life, or even go back in time?”

Chen Ping asked curiously!

“what are you thinking?”

Feng Mo was stunned, “Even Daluo Jinxian doesn’t have the ability to turn back time. Do you know that time controls thousands of worlds? Do you want to turn back time?”

“When this time magic weapon is used, you can suspend a specific time in a specific area, or you can go back in time. It’s just not going back in time, but taking your consciousness back to what happened before.”

“That is to say, you can see and hear, but you can’t do anything. After all, it’s just your consciousness that is brought there. If you want to bring your physical body back to the past, this magical weapon can’t do it.”

“But I don’t know if the immortal weapons in the hands of those true immortals can do it...”

After listening to Feng Mo’s explanation, Chen Ping had a preliminary understanding of clocks, and he also knew the formula. Now he had to figure it out on his own!

“Thank you, Senior Feng Mo, for your guidance.”

Chen Ping said very gratefully!

“Haha, I should thank you. If you hadn’t released me from the Demon Suppression Tower, I would still be suppressed now.”

“Originally, I thought it would take a long time to see you in the Heavenly Demon Mountain in the Heavenly Realm, but I didn’t expect your boy’s strength to improve so quickly. Now you are only a first-level Tribulation Realm master. I’m afraid you are a fifth-level Tribulation Realm cultivator. You don’t even care about it, do you?”

Feng Mo laughed and said!

“This is also thanks to Senior Feng Mo’s Holy Light Fist...”

Chen Ping flattered Feng Mo!

“Okay, please stop flattering me. None of you are allowed to reveal my current identity.”

“I can only walk as an orc now. When you find Tianmo Mountain, remember to contact me. I have a sound transmission jade slip here. I will give you one to facilitate our contact.”

“You have to cherish it. This sound transmission jade slip cost me a lot of spiritual coins...”

Feng Mo gave Chen Ping a sound transmission jade slip and said!
