An Understated Dominance by Marina Vittori Chapter 2218

Chapter 2218

In the blink of an eye, a golden sword was formed out of thin air.

The weirdness of his methods shocked everyone.

Dustin didn't say anything. He grabbed it with one hand and the sword stuck on the ground immediately flew into his hand.

"Boy! I will make you regret your choice!"

Zhao Shanhe raised the knife with one hand and slowly raised it across his chest. Then he stepped suddenly, and the person shot out like a cannonball, and then swung at Dustin's chest.

"Buzz~!"

Just heard a roar.

The golden knife in Zhao Shanhe's hand suddenly expanded to ten meters long, and it slashed towards Dustin like a giant blade splitting the sky.

Dustin did not dodge or evade, but raised his sword to block.

"Qiang!"

The swords collided, sparks flew everywhere, and terrifying explosive energy surged instantly.

The ground beneath Dustin's feet collapsed and shattered into pits.

But he stood upright and was not hurt in any way.

"Let's see how long you can hold off!"

Zhao Shanhe changed his hands to hold the sword with both hands, pressing the blade against Dustin's sword body, and kept exerting downward force.

He tried to use his tyrannical cultivation to directly crush Dustin.

"Elder Zhao! Save someone under the knife!"

At this time, a shout suddenly came from the distance.

Zhao Shanhe suddenly turned around and saw Dong Qianqiu leading a group of people rushing towards this direction.

Among them, there are many masters from Longhu Mountain.

"Great! The people from Longhu Mountain have finally arrived!" Xu Yang looked happy.

"With Longhushan upholding justice, I see how arrogant the old man named Zhao can be!" Liu Hongxue looked indignant.

"Something is wrong. Zhao Shanhe has no intention of giving up." Yan Buqi frowned.

"He's not going to kill the people from Longhu Mountain directly before they take action, right?" Liu Rushuang quickly realized the seriousness of the problem.

With Zhao Shanhe's domineering character, this kind of thing is not impossible.

"Go to hell!"

At this moment, Zhao Shanhe's eyes were filled with fierce light, and the Grandmaster Qi in his body spurted out like a tide, constantly pouring into the golden sword.

"Buzz~!"

The golden sword began to tremble, and its surface shone brightly.

Wave after wave of terrifying power struck Dustin's sword crazily, like a landslide and a tsunami, incessantly.

Liu Rushuang's guess was correct. Zhao Shanhe was already murderous and prepared to kill Dustin before Dong Qianqiu and his party arrived.

For this reason, he did not hesitate to use all his energy, completely gave up defense, and launched an attack without leaving any room.

“Ah.....”

Facing the fierce Zhao Shanhe, Dustin smiled coldly and did not confront him head-on. Instead, he stepped sharply and suddenly dodged sideways.

“boom!”

Zhao Shanhe's golden sword had no obstacle and struck the ground heavily.

Suddenly, the hard rock ground was slashed with a knife mark two meters deep and more than ten meters long.

“Roar~!!”

However, at the moment when Zhao Shanhe's golden sword struck down, a huge black shadow suddenly struck him and threw him to the ground.

The terrifying force suppressed Zhao Shanhe so much that he couldn't get up.

The sudden black shadow turned out to be a lion transformed into a beast!
