An Understated Dominance by Marina Vittori Chapter 2231

Chapter 2231

“Come again!”

The words of the Longhu Mountain disciple did not persuade Chunhua Qiuyue.

The two sisters looked at each other, suddenly drew their swords, and struck directly at the mountain-moving talisman on the lion’s back.

If it can’t be torn off, then destroy it!

It’s just a piece of talisman paper. No matter what, it can’t be stronger than black iron.

“Qiang! Qiang!”

When Chunhua Qiuyue’s sword struck the talisman paper, the talisman paper suddenly lit up with a burst of yellow light.

Immediately afterwards, a powerful impact suddenly erupted.

The two long swords that hit the talisman broke directly, and Chunhua Qiuyue and two others were also shocked and retreated, spurting out a mouthful of blood on the spot.

For a moment, he looked shocked and a little unbelievable.

They didn’t expect that a seemingly ordinary piece of talisman paper would be invulnerable.

How outrageous!

“I told you earlier, but you didn’t listen. You are really asking for trouble.” The round-faced Longhushan disciple sighed, feeling a little helpless.

If ordinary swords can destroy the talisman, then what is the point of their decades of hard training?

“Even the sword can’t cut it. What kind of material is that talisman paper made of?” Liu Hongxue clicked her tongue in wonder.

“The magical talisman of Longhu Mountain naturally has its own special features, not only the material problem, but also the Qi contained in the talisman!”

Yan Buqi explained seriously: “As far as I know, when Longhu After the disciples of the mountain master the golden light spell and thunder method, they can practice the legendary Qi body source flow, and the Qi body source flow is the foundation of the talisman.” ”

What is the Qi body source flow?” Liu Hongxue was a little curious.

“Qi Ti Yuan Liu is one of the eight wonders of the world. The practitioner can burst out unimaginable energy. As for the specific effect, I don’t know.” Yan Buqi shook his head.

“It sounds quite mysterious.” Liu Hongxue nodded thoughtfully.

“Junior sister, Qi Ti Origin is the secret skill of Longhu Mountain. Those who are qualified to practice it can only be counted on five fingers. Of course it is mysterious.” Xu Yang smiled.

“Then tell me, can Dustin lift someone up?” Liu Hongxue asked curiously.

“Lifting it by force will definitely not work. With the Mountain Moving Talisman pressing down on you, no matter how strong your strength is, it will be useless. The best way is to break the prohibition of the Mountain Moving Talisman first.” Yan Buqi said.

“How to break it?” Liu Hongxue asked.

“How did I know?” Yan Buqi shrugged and said seriously: “If I had the ability to break restrictions, would I still be standing here chatting with you?” ”

...” Liu Hongxue rolled her eyes.

Having said so much, doesn't it mean that you haven't said anything yet?

"Next, it depends on Brother Dustin's own abilities."

Yan Buqi narrowed his eyes slightly and shook his folding fan slightly.

Ordinary people certainly can't break the magic talisman of Longhu Mountain, but is Dustin an ordinary person?

"Mr. Lu, I'm sorry, we failed, please punish us."

Chunhua Qiuyue held the broken sword and walked up to Dustin to apologize.

As Dustin's bodyguards, they usually do nothing, but now they can't even handle this little thing, which is really shameful.

"It doesn't matter, the magic talisman of Longhu Mountain is really powerful. You two can't shake it, so don't take it to heart." Dustin smiled slightly and didn't care.
