

An Understated Dominance by Marina Vittori Chapter 2234

An Understated Dominance by Marina Vittori Chapter 2234

Chapter 2234

“It’s just that I learned some strange magic techniques. They are all trivial tricks and cannot be put on the stage.” Dustin smiled faintly.

“Brother Dustin is too humble. If all this is just a trick of yours, then I will be ashamed.” Dong Qianqiu shook his head.

“Mr. Dong, I’m very sorry about the death of your elder Zhao, but as you can see, this matter has nothing to do with me.” Dustin spread his hands.

“Uh...”

Dong Qianqiu’s expression froze, but he finally nodded: “That’s natural. Elder Zhao’s death was purely an accident. We in the world will be very sensible and will never wrongly blame a good person.” ”

Dragon Protector Dong!”

Hearing this, the person behind him was about to say something, but was interrupted by Dong Qianqiu, who raised his hand and asked coldly: “Everyone present can see clearly that Elder Zhao was killed by a monster. Why? Do you have any objections?” ”

“No, I don’t dare.” The man immediately lowered his head.

Naturally, he would not offend Dong Qianqiu because of a dead Zhao Shanhe.

Besides, if this kind of thing is really to blame, Dustin cannot be blamed.

After all, the other party did not kill anyone, he just ignored him.

“You guys, take Elder Zhao’s body away and give him a good burial!” Dong Qianqiu made a gesture.

“Yes!” Several Tianxiahui disciples immediately stepped forward and carried away Zhao Shanhe’s headless body.

“Brother Dustin, thank you for your hard work tonight. I still have some trivial matters to deal with, so I’ll take my leave now.”

Dong Qianqiu smiled and clasped his fists. He didn’t stay long and left quickly with a group of people.

He saw all of Dustin’s potential, and he was definitely not a creature in the pool.

It is natural to make good friends with a genius like this.

If you pursue Dustin’s responsibility for a dead man, not only will there be no benefit at all, but it will also cause some trouble.

Of course, the most important thing is that he has no friendship with Zhao Shanhe.

It was even a bit unpleasant.

Zhao Shanhe was too arrogant and domineering, and he didn’t take him seriously at all. However, the other party was one level higher than him, so he could only be restrained in everything and swallow his anger.

Now that Zhao Shanhe is dead, he will not only vent his anger, but also have the opportunity to rise to power, why not do it?

After watching Dong Qianqiu and his party leave, Dustin took out several silver needles and pierced the lion’s head, nape, and back.

These silver needles are specially used to seal the male lion’s acupuncture points to prevent the lion from turning into a beast again and going crazy.

As long as the silver needle is still in the body, the lion’s strength will be completely locked.

Even if he has the cultivation level of a martial arts master, he is no different from ordinary people.

“Spring flowers and autumn moon.”

After taking care of the lion, Dustin turned around and shouted.

“Here!”

Chunhua Qiuyue and the others immediately stepped forward to salute.

“Carry this person away and send him to your lady overnight, and let her interrogate him properly.

If there is any information, report him immediately.” rhys ordered.

“Yes!”

Chunhua Qiuyue responded, without hesitation, and immediately left with the lion on his shoulders.

Dustin looked at the backs of the two people, thoughtfully.

There are many secrets hidden in the lion, whether it is the killer organization behind it or the ability to transform into a beast, it is very crucial.

As long as you can master one or two, you can use them in unexpected ways.
