An Understated Dominance by Marina Vittori Chapter 2239

While Dustin and others were chatting, there was a sudden commotion not far away.

The originally bustling crowd dispersed in an instant, leaving a wide avenue.

That posture was like seeing something terrible.

As the crowd dispersed, a beautiful girl walked into the competition arena with several mysterious men in white robes.

The girl has white hair and white eyes, and has a cold temperament. She is not angry and has no authority. Just standing there gives people a coldness that penetrates into the bone marrow.

Within a radius of ten meters, no one dared to approach.

Everyone looked in awe, as if they were avoiding snakes and scorpions.

However, when Dustin saw the white-haired girl, he couldn't help but was slightly surprised, looking a little surprised.

He didn't expect to meet an acquaintance here.

"Hey, it's strange, that girl is obviously very beautiful, why do people around her look so scared?" Liu Hongxue was a little confused.

"She is beautiful, but if you look carefully at the chest emblem on her clothes, it is the symbol of the Witch Gu Sect." Yan Buqi revealed the mystery with one word.

"What? Witch Gu Cult?"

Liu Hongxue's eyelids twitched and she subconsciously shrank her neck.

Although she has never met anyone from the Witch Gu Cult, she has heard many rumors.

As one of the three major sects, the Wu Gu Sect has a completely different stance from the Sword Sect and the Tianxiahui.

Many people even regard witchcraft as a cult.

On the one hand, it is because of the skills practiced in the witchcraft and Gu sect, and he is surrounded by poisonous insects, snakes and scorpions all day long.

On the other hand, the behavior of the disciples of the Witch Gu Sect is both good and evil, and they do not follow the rules of the world at all.

If they don't agree with each other, they will kill everyone.

Under such rumors, many people were frightened when they heard the name of the Witch Gu Sect, and did not dare to approach it at all.

Over time, the Witch Gu Sect has become a talkative existence.

"I didn't expect that in this martial arts competition, even the disciples of the Witch Gu Sect would come to join in the fun. This will put even more pressure on us."

Xu Yang touched his chin, thoughtfully.

Putting aside the people on the list of geniuses, there are too many masters competing for ranking in the martial arts competition this time.

There is competition in the world, which is already very stressful, and now there is a witchcraft and Gu sect emerging.

It is obviously not easy for them, Sword Sect disciples, to stand out.

"Brother Xu, there is one thing you said wrong. That girl is not an ordinary disciple of the Witch Gu Cult." Yan Buqi said with a half-smile.

"Does Brother Yan know that person?" Xu Yang was stunned.

"If I guess correctly, she should be Huang Yinyin, the saint of the Witch Gu Sect, who is ranked second on the list of geniuses." Yan Buqi said in a surprising way.

“What?! Saint of Witch Gu Cult? Number two on the list of geniuses?!”

Hearing this, Xu Yang couldn't help but widen his eyes.

Not only him, but the two sisters Liu Rushuang and Liu Hongxue were also surprised.

They didn't expect that the beautiful, delicate-looking girl could have such a high status.

Not to mention how powerful the Holy Maiden of the Witch Gu Sect is, her strength alone, which is second on the list of geniuses, is enough to dominate the audience, which is impressive.

“It turns out she is Huang Yinyin, much more beautiful than the rumors said.”

After the shock, Liu Hongxue immediately became energetic.
