An Understated Dominance by Marina Vittori Chapter 2248

Chapter 2248

When the old village owner was alive, he didn't feel anything. He just thought that the young village owner was a little impulsive.

But now he realized that this was not impulsiveness, but a pure brain problem.

Can't see the situation clearly at all.

"My knight, the personal grievances between you can either be resolved in the ring or in private after the game. But now, you can't cause trouble here." Zhang Qizheng said with an indifferent expression.

"You stupid Taoist priest! It's not your turn to tell me what I want to do. If you know what I'm doing, get out of the way immediately, otherwise don't blame me for being rude!" Lu Heng shouted with a glare.

"..." The corners of the goatee old man's eyes twitched.

Afterwards, a group of disciples from Blizzard Villa kept wiping their sweat.

They really didn't know whether to say that the young village owner was too brave or too stupid for daring to confront Longhu Shan.

If the situation continues, Blizzard Villa will probably be finished in a few years.

"My knight, if you persist in your stubbornness, I will have no choice but to ask you to leave Longhu Mountain." Zhang Qizheng's face turned cold.

"You just left when you said you were going to leave? I won't leave today. I don't believe you can do anything to me?!"

Lu Heng raised his head and stared, as if he was a dead pig not afraid of boiling water.

Hearing this, Zhang Qizheng couldn't help but frown slightly.

He is not a person who gets angry easily, but Lu Heng's arrogance and rudeness have already made him a little unhappy.

"Come on! Don't you want to drive me away? Do it! I want to see if you have this ability!"

Lu Heng pointed his sword and said in an extremely arrogant provocation.

The disciples at Blizzard Villa looked at each other, wanting to cry but without tears.

As for the warriors watching around, they looked joking and were ready to watch the show.

It's been a long time since they've seen a madman who dared to challenge Longhu Mountain.

"Pindao, let me tell you one last time, please leave Longhu Mountain." Zhang Qizheng's face had become serious.

An invisible pressure burst out from his body.

In an instant, strong winds howled and rocks flew around.

"You want me to leave? Okay! Ask me about the knife in my hand first!" Lu Heng shouted with a fierce expression.

As soon as these words came out, Zhang Qizheng finally became angry. There seemed to be thunder flashing in his eyes, which contained the power to destroy the world.

"Uncle Fifth Master, why do you need to do this yourself? Let me handle it."

At this time, a light voice resounded throughout the audience.

Immediately afterwards, a young Taoist priest wearing rags and linen clothes and flip-flops walked out of the crowd.

The person who came was none other than Zhang Yiqing.

Zhang Yiqing picked his nose and walked to Zhang Qizheng's side, his eyes half closed and half open, as if he was not awake.

“Uncle Fifth Master, please rest first. I have experience in dealing with this kind of guy.”
Zhang Yiqing said lazily.

“Then I’ll leave it to you.” Zhang Qizheng nodded and quickly calmed down.

With his status, it is indeed not appropriate to deal with a junior in public.

But Zhang Yiqing was different. He was ten years younger than Lu Heng and could not be considered a bully.

“Hey, big guy, I’ll give you two choices now.”

Zhang Yiqing stretched out two fingers listlessly: “First, get out by yourself; second, I will throw you out myself!”
