

Married at First Sight Chapter 4352

Haitong also likes Youyou Villa more.

“Brother, you should take a rest too. I’ll take care of Haitong and the child.”

Ning Yunchu said to Zhan Yin, and then went to look at the child.

She adores children.

Haitong is in good spirits. He can eat, sleep and get out of bed to move around. Now the baby just eats and sleeps, and eats when he wakes up. When he poops, I just change his diaper and he falls asleep peacefully. I don’t have to worry about him much.

Zhan Yin was exhausted recently, so he just rested on the sofa in the small hall outside.

The baby is awake.

Ning Yunchu was about to make the milk powder, and Haitong said, “It was only recently eaten, maybe he had diarrhea.”

Hearing that the baby might have diarrhea, Ning Yunchu was a little at a loss. She picked up the baby from the crib and walked over, handed the baby to Haitong, and said with a smile: “I have no experience, you help change the baby’s diaper.”

Haitong took her son in her arms, and Ning Yunchu went to get the diaper.

She stood by and watched Haitong skillfully change the baby’s diaper.

“Tongtong, this is also your first time being a mother, but you are very experienced and skilled in taking care of children.”

Haitong smiled, “I helped take care of Yangyang while he was growing up.”

She kept her son company.

The little guy looked at her with his eyes open, and kicked the small quilt that wrapped him from time to time.

“These calves are pretty strong.”

Ning Yunchu touched the child’s feet.

“If he wakes up and doesn’t cry or make a fuss, and I don’t hold him, he will definitely kick the quilt.”

“He’s so small.”

“The quilt isn’t heavy. Don’t look at how small he is. He’s very strong. When he was in my stomach, he often kicked me and it hurt.”

Haitong complained about her son’s strength, but her face was full of tenderness. She held her son high and kissed him on his little face.

This is her blood-related child.
This is her blood-related child.

“Give me a hug.”

Ning Yunchu stretched out his hands.

Haitong was just about to hand the baby to her when there was a knock on the door.

“I’ll go see who’s here. Big brother is resting.”

Ning Yunchu said.

Haitong hummed, retracted her hand and continued to hold her son.

Soon, Ning Yunchu went out and opened the door.

Zhan Yin was sleeping soundly on the sofa in the small hall. Perhaps he was too tired. He finally got a chance to relax and have a good sleep, but he slept particularly deeply.

The knock on the door didn’t wake him.

The person standing at the door was Ning Siqi, who was Mrs. Long.

The media in Wancheng has reported the news that the eldest lady of the Zhan family gave birth safely.

Ning Siqi only then realized that Haitong had given birth to a son, and both mother and child were safe.

She was so jealous at home that she kept cursing Haitong and her son.

He smashed quite a few things, and only stopped after being warned by two bodyguards of the Long family.

After venting her anger, Ning Siqi adjusted her mood, brought some nutritional supplements and came to the hospital, wanting to see Haitong and the child.

“What are you doing here?”

Ning Yunchu asked coldly.

Even if Ning Siqu is Mrs. Long, it cannot erase the fact that she is Ning Siqu.

Because no one knew what Ning Siqu’s purpose was, no one exposed Ning Siqu.
