

# Married at First Sight Chapter 4354

Haitong looked at Ning Siqi. This woman had changed a lot. She had become more cunning and could hide secrets.

“Madam, I heard that you gave birth, so I came to see you. No wonder I haven’t seen you sending Yangyang to kindergarten recently.”

Ning Siqi placed the supplements she brought on the bedside table and said to Hai Tong, “I bought you some supplements. After giving birth, your vitality has been greatly damaged. You need to replenish yourself.”

She was not allowed to give birth to the child. If she had been allowed, she would have had fetal movement by now and would have given birth in the second half of the year.

Thinking of her unfortunate child, Ning Siqi looked at the baby held by her sister.

I really want to go over and see the baby.

Because the baby was held by Ning Yunchu, she couldn’t get too close, for fear that Ning Yunchu would discover her flaw.

“The child is very cute.”

Ning Siqi sat down in front of the bed, her eyes and eyebrows gentle, and asked Haitong.

“In my eyes, my son is the cutest child in the world.”

Ning Siqi complained in her heart that he was shameless, but she smiled and said, “That’s right, your own children are the cutest.”

“If I could have kept my child, it would have been born in the second half of the year. Unfortunately, my health was not good enough and I couldn’t keep it. I guess we are not destined to be together.”

Haitong comforted her: “Mrs. Long is still young and will have children in the future. Take care of yourself first and then have children in two years.”

Ning Siqi smiled, “Well, I’ve let it go, but when I see the baby, I can’t help but think of my child.”

“Madam, can I hold the baby?”

Ning Yunchu looked up at her and said coldly, “Mrs. Long has never been a mother and she is young. How can she hold a baby? It is not easy to hold a baby that is just a few days old. It is soft and fluffy.”

“Mrs. Long, just take a look. It’s better not to hug her.”

After hearing what she said, Ning Siqi could no longer hold her smile. She looked very embarrassed and said, “That’s right, I have no experience holding a baby. Then, I won’t hold it.”

Ning Yunchu lowered his head to look at his nephew again and said, “I don’t even know how to hold a baby.”

Ning Yunchu lowered his head to look at his nephew again and said, “I don’t even know how to hold a baby.”

“The baby is asleep too. When he is asleep, he doesn’t like others to touch him or wake him up. He cries so loudly that it’s hard to comfort him.”

“Mrs. Long, just look at it, don’t hug it.”

Ning Siqi smiled awkwardly, “Okay, I won’t hug you.”

She didn’t even go closer to take a look.

I had already cursed Ning Yunchu thousands of times in my heart.

The blind man obviously didn’t want her to hold the baby.

Do you think she will be bad for the baby?

Although she was jealous of Haitong and wanted to kill Haitong’s son, she also knew that once she killed Haitong’s son, she would not be able to survive.

Ning Siqi doesn’t want to die. She is still young and there is a bright future ahead of her.

In order to survive, she endured and endured.

Haitong said: “This is my first time being a mother and I have no experience. My husband feeds the baby and changes diapers for the baby.”

“His posture of holding a child is better than mine.”

Zhan Yin originally followed Su Nan to learn how to be a nanny.

However, he didn’t learn much because he was too busy with work.

Now he is putting his knowledge into practice and is becoming more and more proficient.

Ning Siqi smiled, “Mr. Zhan is so good to you.”

“It’s really enviable.”
