

Chapter 169

'Chairman Jiang, the CEO from the Yao Ming Pharmaceutical factory came and said that he wanted to cooperate with us.'

At this moment, Mandy suddenly knocked on the CEO's office door. She came in with the information in her hand. She was full of joy.

Over the past two days, the company had been cooperating with the top pharmaceutical factory in China.

'Sister Cindy is really amazing!'

'She actually has such a strong connection.'

Cindy didn't hear what Yusra was saying, so she said, 'Sorry, Miss Su, I have something important to do. If you need to see me, I welcome you with open arms.'

Cindy hung up coldly.

Meanwhile, flames of fury lit up in Yusra's eyes.

'How dare this bi*ch hang up on me?!'

'I have to teach her a lesson!'

'Otherwise, Cindy wouldn't understand how much inferior she is compared to me!'

Cindy mulled it over and quickly tidied herself up. She followed Mandy to the meeting room.

That afternoon, Jason had nothing to do in the hospital. He suddenly received a phone call from Joe.

'Young master, there's a dinner party in Juxian Chamber tonight. Several CEOs from our family's pharmaceutical companies will be attending. When they learned that you are in Shang Jiang City, they begged me to arrange a meeting to meet you. What do you think?' Joe said.

'All right.' Jason replied. He couldn't refuse.

After all, they helped him solve Bi Kang Pharmacy's issues.

Since they were all here, it was inappropriate to refuse. Jason decided to meet them.

'Then I'll inform them immediately and ask them to wait for you at Juxian Chamber. Do you need me to pick you up?' Joe asked.

'No, I can go there by myself.' Jason replied.

After hanging up, Jason accompanied Angela until seven o'clock in the evening. Then he took a taxi to Juxian Chamber.

After entering the hall, Jason sat on the sofa. He waited for a while before going upstairs.

Jason was bored and picked up the magazine from the table. Unexpectedly, he heard the two waitresses by the door talking about him.

'Look, that man is dressed so shabbily. Why would he come to our hotel?'

'I don't know, but it's disgusting. There are so many beggars who want free food these days.'

'Yeah, I heard that some beggars come to the hotel on purpose. When they see rich people, they will kneel down and ask for money.'

Jason smirked. He ignored the girls.

'Am I really poorly dressed?'

Jason got up and walked to the elevator. This attracted the waiters' attention. They stared daggers at Jason. He felt uncomfortable.

Jason was stopped after he took a few steps. Someone shouted from behind him.

'Jason, why are you here?'

Randy entered the door behind his father. As soon as he entered, he saw a familiar figure. 'Isn't this Jason the loser? How could he be at such a luxurious place like Juxian Chamber?'

Jason turned his head and saw Randy staring at him arrogantly. He smiled, 'So it's you, Mr. Randy. What a coincidence.'

Randy sneered and then said sarcastically, 'Wow, Jason, didn't know you're a successful guy. You can come to the Juxian Chamber already. Do you know what this place is?'

Randy was irritated when he saw Jason. 'How could this loser have married Cindy?'

'It's the Juxian Chamber, why?' Jason replied, looking innocent.

'Why? You dare ask why? How dare a loser like you come here?' Randy came forward and sneered.

Jason frowned and glanced at Randy. He replied with just an 'Oh.'

Randy's bad temper of a rich kid's son flared.

'Waiter, what's wrong with Juxian Chamber now? How dare you let a person like him in?' Randy pointed at Jason and shouted.

If he didn't punish Jason today, it would be a thorn in Randy's side.

After a while, a lobby manager ran in and apologized, 'Master Randy, I'm sorry. It's our negligence. Please come in, Mr Randy. I'll deal with it immediately.'

With a straight face, the manager coldly said to Jason, 'Um... sir, please leave immediately!'

Jason looked at the triumphant Randy and blushed slightly. He asked, 'I'm here for dinner. Can the Juxian Chamber refuse serving a customer?'

'They can refuse a customer who is a loser. Take a look in the mirror. You think you can have a meal here? I'm really wondering why did Cindy fall in love with a loser like you?'

Randy had a displeased look and explained what was happening to his father.

His father had a strong jaw and was of medium height. He stuck out his beer belly and looked at

Jason in disgust.

'Is this the kid who stole my son's girlfriend?'

'He looks so ordinary. I can end him easily.'

'Jason, this is my final warning. Leave Cindy, or I will make sure you spend the rest of your life in a bed.'

Randy walked up to Jason and threatened him. His eyes were full of coldness.

Jason's heart was burning with anger. He glared at Randy, who had turned to leave. 'I will teach him a lesson sooner or later!'

The lobby manager sized Jason up in disdain. He asked, 'Are you here for dinner?'

Jason did not explain. He immediately took out his phone and called Mark. Mark only said a few sentences to the manager, and the manager quickly bowed down and served Jason respectfully, inviting him upstairs.

'Mr. Smith, I'm sorry. I looked down on you. I hope you can forgive me.' The lobby manager apologized.

Jason ignored him and took the elevator to the top

floor.

When the door of Jason's elevator closed, the lobby manager breathed a sigh of relief. He almost made a terrible mistake. This loser actually knew Mr. Ma.

He had almost gotten into trouble!

When he reached the top floor, Jason suddenly wanted to pee and ran to the men's toilet. And he bumped into a beautiful woman coming from the ladies' toilet.

The woman smelled nice and had a good figure. Jason almost knocked her down.

Her figure was perfectly voluptuous!

The woman staggered and regained her balance. She shouted, 'Who are you? Are you blind?'

After scolding him, she looked up at Jason and pushed him away. Then and she stepped on her heels and walked away.

Jason was stunned. She was a gorgeous girl with delicate facial features and big eyes. She had light makeup and was about twenty-four to twenty-five years old. Her skin was very clear and she radiated feminine qualities.

'Where did this loser come from? How dare he use Juxian Chamber's toilet.' The woman muttered discontentedly.

When she turned back, she saw that the ordinary looking man staring at her chest.

'He must be a pervert!'

Jason looked a few times. He memorized the fragrance and then went into the men's bathroom.

Meanwhile, the woman trotted all the way into a private room. As soon as she opened the door, she saw seven or eight middle-aged men sitting inside. All of them were talking enthusiastically about something.

Seeing the woman coming in, one of the middle-aged men with glasses smiled and said, 'CEO Yao, you are late.'

As soon as she entered the room, almost everyone's eyes fell on her. Especially on her slender legs and deep cleavage.

The woman sat down. She put down her bag and said apologetically, 'Sorry, Mr. Song, there was traffic on my way here. The young master hasn't come yet?'

'He hasn't arrived yet. I just called Chairman Qiao. Master Smith is almost here.'

Mr. Song looked at his watch and then said to everyone, 'When the young master comes later, you guys better look alive. Don't be sloppy.'

'I know, Chairman Song. You don't have to say it for the four hundredth time.'

Everyone else nodded in agreement. They understood the purpose of tonight's dinner.

It was the Smith Group's young master who had organised tonight's banquet!

Most of the people present were relying on the Smith Group for work.

But Colleen was not.

She could only join dinner party because of her connections. She came for the sake of her company's development.

Colleen wanted to win Master Smith's favor as well as his investment over this dinner.

The Smith Group in the capital city was a place where many people dreamed of working with.

Meanwhile, Jason was following the waiter and

came to the door of the room. He pushed it and entered.

Mr. Song hurriedly got up and trotted to the door to welcome Jason. Everyone else also stood up with respect.

'Young master, please.'

Mr. Song recognized Jason at a glance and bowed to him. He was fortunate enough to have met Jason at a banquet eight years ago.

It was still fresh in his memory.

The group of people stood and bowed respectfully. This made Jason feel embarrassed.

'Chairman Wang, Chairman Cai, Chairman Song, how have you been?' Jason said.

When they heard Master Smith mentioning their names, they felt extremely proud. They hurriedly smiled, 'Young master, you still remember us. It's an honor.'

At this moment, Colleen got up and pulled on her hip skirt with excitement. With a smile on her face, she looked at the person who came in.

'It's you?' She exclaimed in disbelief.
