

Medical Genius's Unspeakable Marriage Chapter 498

The group of people had lost all self-control.

With a proud look on his face, Leo waved his hand and said, "Sit down, everyone. Sit down. Why are you all so excited? As for her contact details, I can't give that to you since it's very personal. But the next time I see President Sandel, I'll take a picture with her. I'll open your eyes to a whole new world!"

They shrieked.

"You're amazing, Leo!"

"Oh my gosh. Leanna Sandel! She is the woman of all Eastcliff men's dreams!"

"Leo, I heard that Leanna is single now. If you manage to win her heart, that would be out of this world!"

"Whether it's looks or assets, Leanna Sandel far surpasses Sasha Cunningham. Aren't you envious, Matthew?"

They kept making a racket as if being acquainted with Leanna was a matter worth flaunting about.

Meanwhile, Matthew did not have much to say and was not bothered to talk to them either.

Leo bragging that he knew Leanna was also a way for him to gain back some of his pride.

Currently, it did not seem like they would be able to have any fruitful conversations about business at that dinner and he was also uninterested in letting the night drag on. Thus, he called the waiter over to get the check.

The waiter said with respect, “Ladies and gentlemen, your check has been paid for.”

They were astonished. Grace was the first one to look at Leo. “Leo, did you pay beforehand? It’s fine. We’re going Dutch, so we’ll transfer you the money. How much was the total?”

Leo felt perplexed. I didn’t get the check beforehand.

At that moment, the waiter interrupted, “Oh, my apologies; I forgot to tell you. Leanna Sandel was the one who paid for it. She paid beforehand because her friend was going to eat here.”

Once again, there was a ruckus inside the room.

“What? Leanna Sandel—President Sandel—paid for our bill?”

“For a friend? Then, it’s definitely for Leo!”

“T-That can’t be!”

“You’re a champ, Leo!”

“The great Leo!”

They were all cheering in high spirits while Leo was dumbfounded.

He was simply talking big earlier, but in reality, he and Leanna had only met once before.

At the time, he participated in a meeting in place of his uncle. A few minutes after Leanna arrived, she gave a speech then proceeded to leave.

As for her contact details, it was just her office number.

Moreover, he could only reach her secretary through that number. If it was unimportant, the call would not get transferred to Leanna.

In other words, she was unaware of his existence. Why would she pay the bill for him?

Nonetheless, he had come to this point, so he could only go with it shamelessly.

“As long as everyone is happy. Okay, we’ve had plenty to eat and drink tonight. It’s time to go home now. Let’s gather again some other time.” He laughed.

They continued to curry favor with him as they walked him all the way to the main entrance.

As soon as he stepped out, they all saw a Lamborghini parked at the front.

“F*ck! That’s a sleek car!” They were in awe.

Elaine was even more shocked. One of her friends sat in a Lamborghini once, and she could not stop bragging about it.

Elaine had also wondered when she would be able to sit in a car like that. At least, she would not have lived for nothing all this time.

Pulling up her skirt slightly to reveal more of her legs, she started striding toward the car. If I can get the person in the car, I’d have gained something tonight!

Before she could get close to it, however, the door of the Lamborghini opened.

Under everyone's attentive watch, a pair of straight and beautiful legs stretched out of the car.

Then, a woman of unrivaled beauty stepped out.

Seeing that woman made them feel like they were struggling for air and even made them shy away.

She was so beautiful that people did not even dare to make eye contact with her.
