

The Charismatic Charlie Wade Chapter 421 – 425

Chapter 421

Manager Zeng of the Champs Elys Spa saw this scene completely stunned.

He didn't know what was going on, and the security guards didn't dare to move.

Liu Ming even screamed like a pig: "Uncle stop fighting! What the h*ll is going on!?"

Orvel stepped on Liu Ming's face with his foot, and said coldly: "Liu Ming, I usually call you a big nephew and give you a face, don't I? You f*cking act like this outside?"

Liu Ming said anxiously: "Uncle, how did I provoke you? If you tell me, I will change it!"

While kicking him, Orvel cursed: "Mr. Wade is as kind to me as a new parent. You dare to be disrespectful to Mr. Wade. You say it yourself, are you looking for death?!"

Only then did Liu Ming realize that he had provoked someone who shouldn't be provoked, and hurriedly cried and pleaded: "Uncle, I was wrong. I confess my mistake to Mr. Wade. I apologized to him. It was my fault. Blame me, I am willing to compensate him for his loss!"

Orvel glanced at his Maserati sports car and sneered: "You kids are not yourself when you drive a new car, isn't it? Come on, smash his car! It's a mess! I want to listen to it today. Rang! Driving a f*cking broken Maserati and driving you to the sky, anyone dares to offend!"

"OK!" The strong man in black at the back immediately picked up the clubs and smashed the Maserati.

The plastic face woman sitting inside Maserati screamed in terror, opened the door and ran out.

Looking at her appearance, Orvel knew that she was not a good bird, and immediately said to his opponent: "Come on, get me that plastic face kneels down!"

As a result, the plastic face was immediately taken over and knelt on the ground with a splash.

She annoyed and said: "What are you doing? I tell you, I have millions of fans on YouTube! You annoyed me, I will expose you!"

"I'm going to your mother!" Orvel slapped her directly, put her prosthetic nose under his hand, and pointed at her and cursed: "A little Rubbish internet celebrity dare to yell here, know me Who is it?"

"Who knows you, old stuff!" muttered with a plastic face gritted teeth.

Liu Ming next to him was frightened and slapped her face, cursing: "Are you crazy? This is the master Orvel! Great master Orvel!"

The facelifted face was back in the car just now, and was patronizing the car to take a selfie with Maserati's steering wheel. I didn't know that this man was Mr. Orvel. When she heard this, she was frightened and trembling and said, "Great Lord. Yes... I'm sorry, if I know it was you and killed me, I wouldn't dare to offend you..."

Orvel said coldly: "Unlock your phone for me!"

Plastic face didn't know what he was going to do, but she didn't dare to disobey him. After all, this is the king of the Aurous Hill underground world, so she can only do it obediently.

Orvel took her mobile phone, turned on YouTube, and clicked directly to shoot. He patted the face of the other party with a crooked nose, and said loudly, "Come on, say to the camera that you are a stinky frame from the second generation of Pong Fu. Ten times!"

Seeing that Orvel was about to shoot her on the face of the facelift, she hurriedly begged: “No way, Mr. Orvel, I have a lot of fans...If they see me, what should I do...”

“Don’t tell me?” Orvel nodded and said: “Tie her up and take her away, and send her to my KTV as a lady for three years. If she dares to run, you will kill her.”

“Yes!” The younger brothers hurried forward.

The face was scared and hurriedly crying and begging: “Oh Lord, I said! I said it’s not enough...”

Orvel pointed the camera at her and shouted coldly: “Say it!”

Plastic face crying, while saying: “I am the second generation of Pongfu’s stinky frame...”

After speaking ten times in a row, Orvel stopped recording and sent it directly to her YouTube. Then he slammed the phone to the ground and broke it into pieces.

Chapter 422

Now, she wanted to delete it but couldn’t delete it.

In the ear, the sound of smashing cars was endless, and the brand-new Maserati was quickly smashed into a pile of scrap iron.

Liu Ming trembled all over, no matter how stupid he knew it, he probably kicked on an iron plate this time, and he hugged Orvel’s leg and begged for mercy: “I’m wrong, Uncle, please spare me once, I really know it’s wrong!”

“Wrong with your mother!” Mr. Orvel kicked Liu Ming fiercely in the chest, turned to look at Charlie, and asked for instructions: “Mr. Wade, what do you think?”

Charlie glanced at Liu Ming coldly and smiled: “This kid is very interesting. He likes to curse and sprays manure with his mouth full. By the way, two days ago I heard that someone also sprayed manure with his mouth full, and was finally pulled to the toilet. Licking the urinal, do you know this?”

Of course Orvel knows!

At the time in the brilliant club, Barena Wei of the Wei family brought a concubine over and offended Mr. Wade. He was forced by Boyu, the head housekeeper of the Song family, to lick eight urinals. This matter spread early in Aurous Hill. A lot of people talked after dinner.

However, Boyu didn't dare to expose Charlie's identity to the outside world, so no one outside knew that Barena Wei and his concubine were punished so badly that they had offended some big people.

Two days ago, Liu Ming laughed at Barena Wei for being embarrassed and being so miserable. He also said that if he was so miserable, he would resist desperately.

Unexpectedly, Charlie suddenly said such words at this time, and his soul was frightened.

He didn't want to follow in Barena Wei's footsteps and lick the urinal in the men's bathroom...

So he hurriedly begged: "Mr. Wade, I don't know. Please forgive me this time. You see that my car was also smashed, and I am out of breath. Please forgive me. One time..."

Charlie smiled lightly and said: "You seemed to like to call me a poor man just now. I think you seem to be particularly interested in the word poor man?"

"No, no!" Liu Ming hurriedly shook his head and waved his hand, and explained in a flustered manner: "I am a poor man! I am a poor man! Mr. Wade!"

Charlie nodded and said, "Okay, since you know you are poor, then I suggest you engrave these two characters on your forehead so that everyone can know, right?"

Liu Ming squatted his head in fright, and cried, "Mr. Wade, please spare me this time. I am willing to pay you five million! Oh no! I will pay you ten million!"

Charlie shook his head: "I am a poor person, so I am not interested in your money. Besides, you scared my wife just now. Do you think you can just lose some money?"

After speaking, he asked Orvel: “Mr. Orvel, do you have a knife?”

Orvel hurriedly winked at his opponent.

His men immediately handed over a sharp folding dagger.

Orvel handed the dagger to Charlie respectfully and said, “Mr. Wade, please.”

“Shall I please?” Charlie glared at him and asked him: “Do you think it’s worthwhile for me to write an inscription by myself?”

Only then did Mr. Orvel realize how big a mistake he had made!

Yes, a Liu Ming, how can he be qualified to let Mr. Wade personally engrave on his forehead!

So he hurriedly said: “Mr. Wade, let me come! I come!”

Charlie nodded and said, “Engrave a little deeper, I’m afraid that if the engraving is shallow, he will not have a long memory in the future!”

Chapter 423

When Orvel listened to Charlie’s instructions, his expression stunned, he immediately picked up the dagger, and said to his followers, “Come on, hold his head for me!”

Liu Ming was frightened, struggling desperately, shaking his head desperately, he was unwilling to let people engrave the word “poor hang” on his forehead, these two words, but he said every day when he spoke to others and scolded others. !

In the past few years, Liu Ming’s family has made some money, and his life has become more and more nourishing, so his whole person has become more and more ecstatic.

When he goes out and see garbage pickers, he will call them poor;

When he goes to the street and sees that one’s car is not as good as his, he will also call them poor.

Some time ago, a high school student wearing Metersbonwe accidentally rubbed milk tea on his r jacket. He directly beat the other party into a concussion. When the other party's parents arrived, he also scolded the other party: "A poor family Hanging, selling your whole family is worth nothing for me!"

After speaking, he left without paying any money for medical expenses.

Last night, he went out to catch a meal and saw a traffic jam on the road. He drove his Maserati retrogradely on the sidewalk, forcing the cyclist to carry the car to the side of the road to give him the way. As a result, an Old Master acted slightly slower. At one point, when he got out of the car, he kicked the Old Master into the green belt on the side of the road, and then spit on the opponent's face, and cursed: "B@stard stupid dare to stand in my way? This time it is just kicked. Next time I will f*cking kill you old thing!"

After that, he just drove away.

Even just now, he didn't have the quality himself, robbed someone else's parking space, and ended up rubbing the car. Instead, he criticized Elsa and Charlie for being poor when he spoke. The degree of arrogance is evident.

If he is now engraved with the word "poor hang" on his forehead, it is really the best punishment for his life, his character, and his actions!

Seeing this kid struggling back and forth, he refused to let himself engrave, and immediately gritted his teeth and cursed: "If you cooperate honestly, I will engrave two characters on your forehead, but if you fight with me here, I'm sorry. , I will not only engrave the word "Poor hang" on your forehead, but I will also engrave the word on your cheeks on the left and right sides!"

After finishing speaking, Orvel felt puzzled, and said: "Right! Don't you just think that your dad has made too much money in the past two years, and it is not you who floated? Then I will let your dad be arrested. Engraved four characters on his face! Then tell him that all this is thanks to you!"

Liu Ming was really frightened!

Although he has a bit of money, it is impossible to really fight against Orvel!

The underworld brother Mr. Orvel, can chop his family into the meat with one knife!

Moreover, above Orvel, there is also the Song family. Who doesn't know that Orvel is a dog of the Song family on the road?

However, even if he is just a dog in the Song family, he is definitely not something others can afford!

If he really engraved the word "poor hang" on his face, how would he see people in the future?

If he really engraved the words "Poor Father" on his father's face, how would his father see people in the future?

When the time comes, Dad will be angry and strip him alive!

So he could only cry while begging: "Uncle, please be merciful, can you make it smaller?"

"f*ck off!" Orvel slapped his face directly, and cursed: "Dare to bargain with me?"

Liu Ming was in tears and was extremely afraid of feeling wronged in his heart, but he dared not say anything to Mr. Orvel.

Mr. Orvel asked people to grab his head tightly, preparing to use a dagger to engrave a poor character on it.

Charlie took out his phone and turned on the video recording.

Although Liu Ming begged him to engrave a bit smaller, how could he dare to neglect Charlie?

Chapter 424

So go as big and deep as possible!

This word occupies half of the forehead.

Moreover, Mr. Orvel, an old thing, is too d*mn ugly writer!

His poor character is not as good as a primary school student.

Mr. Orvel returned to find a supplement for himself, hehe smiled: "Looking at Mr. Wade, I am not used to lettering with a knife, it's ugly..."

Charlie snorted and asked, "You tell the truth, how many years have you read?"

Mr. Orvel laughed and said, "I have been studying for several years. I graduated from elementary school anyway, but it's true that I didn't study hard in six years of elementary school..."

Charlie nodded and said, "Alright, if you engraved him too well, it would be cheaper for him.

When Liu Ming heard this, he cried out of breath.

The pain on the forehead is no longer important at all. The important thing is, doesn't this mean that he's disfigured?

Mr. Orvel looked at the other party's bloody forehead, took out a wrinkled pile of toilet paper from his pocket, sucked the blood-sucking water, and said, "Come on, the other side now!"

Immediately afterward, Mr. Orvel began to carve another character.

He also engraved this character very big, one on each side is really eye-catching!

After the engraving, he looked around for himself, nodded in satisfaction, and then asked Charlie: "Mr. Wade, do you think my craft is okay?"

Charlie stopped the video recording, nodded, and said, "Seems pretty good."

Orvel just smiled and asked, "Mr. Wade, how to deal with this plastic face?"

Charlie said calmly: "You will observe at these two people from now on. If Liu Ming dared to remove his scars and grow long hair to cover his forehead, he would be killed

directly by me, and if she had this plastic face if she dared to go. Fix her crooked nose and disfigure her entire face! Besides, if she still dares to play YouTube, break her leg!”

The bodies of the two kneeling on the ground were suddenly startled...

When Liu Ming was thinking about going back, he hurried to find a plastic surgery hospital to remove the scars, and then grow his hair a little longer and covered his forehead with bangs. This should have a little effect...

But what Charlie meant was to let all the people see what was on his forehead with two big characters in the future!

And that plastic face was thinking about it, and when he went back, she will quickly find a mobile phone to log in to YouTube, deleted the video that Orvel sent just now, and then go to the plastic surgery hospital to get her nose back.

But Charlie directly and expressly forbids her to trim her nose, and even refused to let her use YouTube. How can she become an internet celebrity in the future? How to lie to those poor fans? How to hook up the rich second generation? !

The two of them cried and begged for mercy, hoping that Charlie could open up their future and not to kill them all.

Charlie was completely unmoved. He said to Orvel, “You remember what I told you. If something goes wrong, I will ask you only!”

Orvel immediately stood up straight and said seriously: “Mr. Wade, don’t worry, I will observe these two s!t in the future!”

After that, he gritted his teeth and looked at the two of them, and said coldly: “You two bird people will remember me. You will check in with me every other week from now on. Let me check in person, and I will go to the chase one day later. At that time, the entire Aurous Hill, and even the entire Nanguang people will hunt you down! If you escape from the province, I will send my little brother across the province to hunt you down! Until I hacked you to death I won’t stop, do you understand?!”

Chapter 425

At this moment, Liu Ming and facial plastic surgery are completely desperate for their future life.

Seeing that their punishment was more relieved, Charlie said to Mr. Orvel: "I look at these two people as a headache, so I hurried to get away."

Mr. Orvel nodded, kicked Liu Ming, and cursed: "Don't you hurry up?!"

Liu Ming got up, ignored the dirt on his body, and hurriedly prepared to escape with the plastic face.

Mr. Orvel gave him a violent kick on his a**, kicked him all the way, fell a dog to gnaw sh!t, and then shouted: "Listen you two. After a week, come to my Classic Mansion to report to me. Let me check, if you don't come, just wait to be hacked to death!"

"Lord, don't worry, we must be there..."

The two hurriedly agreed, and then they continued to flee in a panic, and they quickly fled without a trace.

Mr. Orvel came to Charlie's side with a stern face and asked flatly, "Mr. Wade, are you satisfied?"

Charlie turned to look at Claire and Elsa. Seeing that they had a strange expression, he asked: "Wife, Elsa, are you satisfied?"

Only then did Claire vaguely said, "Charlie, is it not a bit cruel to treat both of them like this?"

Orvel hurriedly said: "Mrs. Wade, you don't know anything. This Liu Ming is a brutal b@stard. He loves to bully the poor all the time. I don't know how many poor people are bullied. The most annoying thing is that this grandson last year. In winter, drinking too much and in a bad mood saw a homeless tramp who went straight up and killed him. The bad things he did are really exhausted!"

Claire exclaimed, "Is this person really so bad?"

Orvel nodded and said, "This grandson likes to bully the poor the most. The poorer he is, the more he will bully to death."

Elsa on the side said: "Then he really deserves it! What kind of ability to bully the poor? What a b@stard!"

Orvel hurriedly said: "Miss Elsa, you are so right! For a person like this, Mr. Wade is doing this for the heavens!"

Charlie said indifferently: "Okay, don't linger here, you should be busy, my wife and I are going to the hot spring."

Orvel hurriedly pointed to the hot spring hotel manager who was shocked a long time ago, and asked, "Mr. Charlie, what should I do with this person? Can't just let him go? Do you want to engrave him too? "

Charlie said lightly: "A dogleg, let him leave his job immediately, get him out of Aurous Hill, and don't let him show up in Aurous Hill in the future, otherwise let the brothers on the road see once and chop once!"

The manager Zeng has not dared to speak. Hearing this, he hurriedly called out: "Orvel, don't mess around, our Champs Elys Spa Hotel, but Shangri-La's property, Shangri-La's Issac, you should know? If you move me, Mr. Issac will not let you go!"

Manager Zeng thinks that Orvel is awesome, and the Song family is behind him, but his manager Issac is also very good. He is the spokesperson of the Wade family, and the Wade family behind it is much better than the Song family!

Mr. Orvel sneered and said, "Okay, you can call Mr. Issac to see if he can protect you!"

"Call him!" Manager Zeng let out a sigh of relief, took out the phone, and dialed Issac.

Soon, the call was connected.

Manager Zeng hurriedly said: "Mr. Issac, Orvel is making trouble here. He carved the words "Poor Hang" on Liu Ming's forehead with a knife and beat Liu Ming's girlfriend's nose crooked. He wants me out of Aurous Hill and wants to block me, you have to save me!"

Issac asked in surprise: "What's the matter? Give Mr. Orvel the phone and I will tell him."
