

The Charismatic Charlie Wade Chapter 431 – 435

Chapter 431

When Charlie and his wife and Elsa were bathing in the hot springs, Liu Ming, who was engraved with the words “Poor Hang” on his forehead, and his girlfriend with a crooked nose, were sitting in a dilapidated van and bumped back to Aurous Hill. In the city.

Sitting in the car, Liu Ming kept covering his bloody forehead for fear of being seen by the van driver.

He stopped the van on the way out of the Champs Elysées. The two sides negotiated the fare to home at a price of 200, so now he just wants to get home as soon as possible, and doesn't want to have trouble.

However, the driver saw the blood on Liu Ming's forehead in the rearview mirror.

He observed for a long time and couldn't help but ask in surprise: “Young man, are you hurt?”

Liu Ming said irritably: “It has nothing to do with you, drive your car well and stop the f*cking nonsense!”

The driver was a little unhappy, and said, “Don't you care about it? Besides, your forehead is always bleeding. Don't stain the interior seats in my car!”

As soon as Liu Ming heard this, he exploded and he blurted out: “*dmn poor hanging, you rubbish thing, the new car is worth 40,000 to 50,000, and you are afraid that I will get your car dirty. What a fck!*”

Poor hanging has long become Liu Ming's mantra. Even if the word “poor hanging” has been engraved on his forehead, he will not be able to correct his own problems for a

while. This is why the ancestors said that the country is easy to change and nature is hard to move!

The driver didn't expect this guy to scold him, and immediately became angry, and he blurted out: "You guys are too uneducated, right? How can you get dirty?"

Liu Ming was annoyed to death. Seeing that he was reluctant, he blurted out: "Grass, you are endlessly poor? Then the f*ck is forced to talk with me, believe it or not, I call someone to kill you. Poor like you, no one can control me when I beat you to death!"

The van driver was also very angry at this time. At this time, he drove through an intersection in the city center. Seeing a traffic police car was leaning on the corner of the intersection on duty, he drove the car directly to the traffic police and stopped, and then immediately pushed the door down. Car: "Comrade traffic police, a customer in my car threatened to kill me. I suspect that he has weapons on his body, which has seriously threatened my personal safety!"

Upon hearing this, several traffic police immediately got out of the car, surrounded the van, and then opened the door, shouting to Liu Ming sitting inside and the plastic face, "Hold your head with your hands and get out of the car!"

Liu Ming realized that he was in trouble.

This is a downtown area!

Let himself hold his head in his hands and get out of the car, isn't it impossible to cover the words "Poor Hanging" on your forehead? !

So, he made up his mind, not going to live or die!

Afterwards, he blurted out to the traffic policeman and said, "What are you doing? I just took a taxi, but did I bother you? Hurry up and ask the driver to come back and drive me home, otherwise I will never finish with him!"

When the traffic police saw his arrogant and domineering appearance, he knew that this person must not be a good stubborn, and seeing his hand covering his forehead, the blood was constantly oozing from it, it was estimated that he had just participated in a

weapon fight. Such a person basically has a criminal record. Most of them are still fugitives, so it is time to catch one!

So several traffic policemen winked at each other. One of them took out the chili water used by the traffic police for law enforcement, and said to Liu Ming: "Now I warn you, put your head in your hands and get out of the car for inspection, otherwise, we will treat you according to law. Take coercive measures!"

Liu Ming became annoyed, and he blurted out: "I know the captain of your transportation team. He is a good friend of my dad. If you are not convinced, call and ask if he knows the Liu Group. I am the son Liu Ming!"

The traffic police sneered: "The son of the Liu group? You too dare to brag, you have to take a van when you go out, so you are ashamed to say that you are the son of the Liu group? Does the Liu Group not give their son a car? Is he worth 40,000?!"

Liu Ming hates others for doubting his own strength, and hates others for taunting him. Seeing that a few traffic policemen dare to ridicule him, he immediately blurted out: "Grass, a bunch of poor hanging here and pretending to be something? Believe me or not. Call your team leader?"

Chapter 432

The traffic police said coldly: "Okay, insulting law enforcement officers! You are already blatantly resisting the law! Then don't blame us for being rude!"

After speaking, one immediately took out the chili water and sprayed it against Liu Ming's face.

Liu Ming felt that his eyes were so hot that he was about to sore, and he subconsciously stretched out his hand to rub it. This rubbing didn't matter, the two big bloody characters on his forehead were instantly exposed.

"I'm going..." one of the traffic police sighed, "Look at him, he has a poor hanging on his forehead!"

"What kind of tattoo is this? It's really hardcore!"

“Hahaha, no wonder this kid likes to scold others for being poor, because he has these two words on his forehead!”

When Liu Ming heard this, he hurriedly tried to cover his forehead, but at this moment, his eyes were swollen and painful, and he didn't see a few traffic policemen reaching out!

Immediately afterwards, Liu Ming was dragged out of the car and then pressed to the ground.

The traffic police immediately put his hands behind his back and handcuffed him with hands-on his back. In this way, he would have no way to get to him, let alone cover his forehead with the word “poor hanging”.

Afterwards, the traffic police brought him and the plastic face to the side of the road, told them to squat on the side of the road, and then called the team, asked the team to send someone over to take the guy back to investigate.

This is the intersection in the city center with the most traffic!

Almost everyone who has been here can see a young man with red eyes squatting on the side of the road. The most frightening thing is not his eyes sprayed with chili water, but the two huge characters on his forehead: poor hanging.

Many people took out their mobile phones to take pictures. Liu Ming was embarrassed and furious, squatting on the spot and trying to turn around, facing passersby with his buttocks.

However, the traffic police directly pressed him there and said coldly: “Don't move, don't you like to say these two words? It happens to be an exhibition for the citizens here!”

Liu Ming wants to die...

he had known this a long time ago, why to bother to pretend to be the driver of the van, if he had to endure a wave, he would be home now.

At this moment, an old BMW car parked on the side of the road, and a young man got out of the car and ran over with some kindness, and asked, “Oh, Mr. Liu, what's the

matter with you? Ouch, your forehead. What's going on?! Who carved you a poor hanging on there?"

Liu Ming, who had been desperately bowing his head, suddenly heard someone calling himself Mr. Liu, and he wanted to die. The last thing he wanted at the moment was to be recognized, but he was recognized by others...

At this moment, he wanted to kill someone angrily!

He looked up, the speaker was a little familiar, and couldn't help but ask: "Who the f*ck are you?"

The person hurriedly explained: "I am Harold! Harold of the Willson family, we have eaten together before, and the young master of the White family, Gerald, don't you remember us?"

Liu Ming gritted his teeth and looked at him, suddenly a mouthful of bloody sputum was spit on his face, angrily cursed: "f*ck your mother and make the Willson family hang up, dare to come here to watch me as a joke, believe it or not, you will die?!"

Chapter 433

Harold was also suffocated in his heart.

What the f*ck is this called?

He saw Liu Ming being handcuffed by the traffic police to the side of the road, and wanted to come over to say hello and chat. He didn't expect this guy to come up and curse and spit on his face. This is so f*cking disgusting!

He angrily said: "Mr. Liu, you are too much! I came over to ask the situation out of concern among friends, how can you do this?"

Liu Ming scolded, "You f*cking care? Besides, you poor guy is worthy of being my friend? You are a chicken, you, stinky silk, big poor guy, do you want to be close to me? Get out!"

"I..." Harold was wronged.

But he didn't dare to confront Liu Ming. After all, the ability of the Liu family was countless times stronger than that of the Willson family who was on the verge of bankruptcy. Offending him would definitely not end well.

So, he could only use his sleeves to dry the phlegm on his face, and said angrily: "Mr. Liu, you are so passionate, sorry."

After speaking, he quickly turned into the car and drove away.

At this time, he felt wronged in his heart.

What the h*ll do you think this is...

It's so maddening to pay for life!

Here, Liu Ming is not feeling well.

He was also sighing, what the h*ll is this? he wanted to go home low-key, but he didn't expect to have an exhibition at the intersection of the city center.

Many people took photos of him with their mobile phones, and some even posted them on facebook and Instagram. The good guys even gave him a new nickname, "Aurous Hill No. 1 Poor Hang."

Liu Ming's deeds spread throughout Aurous Hill all at once...

.....

The night at the Champs Elysées hot spring felt very tormenting for Charlie.

Originally, he was going to sleep with his wife Claire directly.

As a result, he didn't know if Elsa was deliberate or unintentional. She insisted on pulling Claire to sleep together, and she also called her girlfriend time.

Therefore, Charlie could only sleep in another room by himself.

The next day, they were going to check out and return to the city after getting up, but the two women were reluctant to partake in the private hot spring here, so they soaked for another morning before they reluctantly checked out with Charlie.

However, after the baptism of the hot springs, both of them looked radiant and extremely beautiful.

When checking out, Issac came in person.

He chased Charlie and Claire to apologize again and again, and warned all Champs Ely's employees on the spot that if there were any more cases of treating customers differently and favoring one another, it would not be tolerated.

The entire Champs Elysian staff finally realized the importance of serving customers well.

Afterwards, Issac took the top of Champs Elys and politely sent Charlie and the others out of the gate.

Issac had originally planned to send Charlie to the parking lot. Charlie gave him a look and said calmly: "We will go directly to the parking lot to pick up the car and return to the city, so you don't have to face things again."

Issac was also very on the road, knowing that Charlie didn't want to let herself always follow, so he hurriedly said respectfully: "Mr. Wade, go slowly."

Out of the gate, Elsa stretched her waist very enchantingly, and said: "It's really comfortable to take a bath in the hot springs. Claire, if you two are fine, how nice it would be to stay here for a few days and then go back!"

Claire smiled and said, "My company has just opened, and there are so many things. How can I live here for a few days..."

Chapter 434

After that, Claire asked again: "Don't you have to go to work?"

Elsa sticks out her tongue and said: “My job was originally run outside. Moreover, I have never met the chairman of the Emgrand Group since I have been there. He can’t control me. I belong to an unsupervised employee. It’s okay not to go to work occasionally.”

Afterwards, Elsa said again: “But since you have something, I will send you two back first.”

When she arrived at the parking lot, Charlie discovered that Orvel was standing next to Elsa’s car. The place where the car had been scratched yesterday had also been repaired.

When Orvel saw him coming, he hurriedly greeted him and said respectfully, “Mr. Charlie, are you still having fun?”

“Not bad.” Charlie looked at the rear of the car a few times, and when he saw that the repaired one was the same as the new one, he said, “You are good.”

Orvel said hurriedly and respectfully: “Mr. Wade, there happens to be an auto repair shop underneath, and workers are asked to come over with tools for the construction. Are you going home? Do you need me to send a few people to escort you back?”

Charlie waved his hand quickly and refused: “You go if you are busy, and we can go back by ourselves.”

“That’s OK, if Mr. Charlie has something to do, you can find me at any time.” Orvel arched his hands, and then left with his men.

Seeing this scene, Claire couldn’t help but shook his head and said to Charlie: “I don’t know what demon these people are, how can I treat you so respectfully.”

Charlie smiled and said, “Can’t it be my own ability?”

Claire gave him a blank look and said, “What’s the skill of Feng Shui mystery, right? The more they believe in you now, the more they will find that they have been deceived in the future, the more vicious the revenge will be. You’d better be careful.”

Charlie smiled and didn’t argue.

The three got into the car and drove towards the city.

On the road, Elsa asked as she drove, "Claire, are you two going home or where?"

"Go home." Claire said: "If you go home and take a good rest, you will be resurrected with full blood on Monday!"

Elsa nodded and said: "Then I will send you two home first, and then back to the hotel."

Claire asked in surprise: "Are you still living in hotel?"

Elsa gave a hum and said, "Where else can I live without a hotel? I have always lived in Shangri-La."

Claire asked: "It's very deserted to live in a hotel alone? Why don't you buy a house in Aurous Hill?"

Elsa smiled bitterly: "It's more troublesome to buy a house and live by yourself. It's better to live in a hotel. Every day someone cleans up the room. You can directly call whatever you want to eat. The dining staff will bring you to the room. The clothes will be sent to me after drying and ironing."

For people like Elsa who have a lot of money in her family, she spends money to save herself time and energy.

Claire asked again: "Then what's going on in your family? Has your cousin targeted you lately?"

"Nothing." Elsa said: "I filed a complaint with my family before, but they said that there was insufficient evidence and they could not be sure that everything I said was true, but now my cousin seems to have stopped a lot, and dare not do anything to me. ."

With that, she looked at Charlie in the back row through the rearview mirror in the car, and made a "thank you" gesture.

She knew very well in her heart that it was Charlie who had warned those of the Dong Family who wanted to target her, and they had restrained.

Therefore, Charlie really didn't know how many times he had saved her.

Claire suddenly felt a little distressed for Elsa, a good girlfriend, who came to work in Aurous Hill by herself and could only live in a hotel all the time. She also suffered betrayal and hunted down by her family...

Thinking of this, she said to Elsa: "Elsa, the White family gave Charlie a villa, which is located at Tomson. When the decoration is completed, I will reserve a room for you. You can move in and live with us."

"Really?!" Elsa asked very excitedly.

Claire smiled and said: "Of course it is true! I am your good girlfriend, can I lie to you?"

Chapter 435

Claire and Elsa, two good girlfriends, soon made a reservation about living together in the Tomson Villa.

Both women were very happy, but Charlie was a little depressed.

Claire is really innocent, she doesn't know Elsa has always thought about your husband.

Here she invited her to move to the villa to live with, silly wife, this is to lead a wolf into the room!

However, Charlie couldn't explicitly refuse this kind of thing, and he didn't have a reason to refuse.

Therefore, even if he is unsatisfied, he can only hide it in your stomach.

Elsa was very happy.

Because in this way, she can get along with Charlie day and night, in that case, the possibility of herself and him is much greater.

The car drove downstairs to Claire's house. After Charlie and Claire bid farewell to Elsa, they got out of the car and prepared to go upstairs.

At this moment, an Old Master saw the two get out of the car and hurriedly walked over to meet them.

Charlie saw that it was Tianqi.

When Claire saw Tianqi, she was immediately very excited. He greeted him and said respectfully: "Mr. Shi, why are you here? Last time you saved my father, I haven't had time to thank you."

Tianqi hurriedly waved his hand and said, "Mrs. Wade, you don't have to be polite. Shi did not dare to take credit for what happened last time. I came here this time because I have something to do with Mr. Charlie."

"Then let's go upstairs and talk? There is also a good tea from my father's collection at home. You are here, and he will definitely take it out to entertain you." Claire invited.

Tianqi smiled and declined: "Thank you, I just want to say a few words to Mr. Charlie, so I won't bother Madam Wade and your father."

Seeing that the two were polite, Charlie didn't end there, so he immediately interjected: "Claire, go up first, let me talk to genius doctor Tianqi."

Claire commanded: "Then you have to entertain the genius doctor."

Charlie nodded and agreed, Claire only then went upstairs.

Seeing Claire's departure, Tianqi respectfully bowed to Charlie and said, "Mr. Wade, I am looking for you because I want to report something to you."

Charlie nodded: "Say it."

Tianqi said: "Tomorrow, there will be a traditional medicine expo in Aurous Hill. I heard that there is still a 300-year-old purple ginseng to be auctioned. The whole Chinese medical profession is quite a sensation. I think this magic medicine will not be born for a

long time. It's rare, you may be able to use it, so I'll ask you, would you like to have a look tomorrow?"

"Three hundred years old best purple ginseng?"

Charlie couldn't help thinking for a moment.

According to the records in the Nine Profound Heaven Scriptures, purple ginseng is indeed a very rare good thing. The 300-year-old purple ginseng is a rare and precious medicinal material!

If you have this medicinal material, you can refine some more powerful pill, such as the rejuvenating pill that can bring the dead back to life.

Thinking of this, Charlie nodded and promised: "Okay, then go and take a look."

Tianqi hurriedly said: "Then I will arrange the invitation letter and will pick you up tomorrow morning."

"Okay, that's it."

"I will leave now." Tianqi bowed his hands in salute.

Bidding farewell, Charlie nodded, then stepped upstairs.
