

The Charismatic Charlie Wade Chapter 436 – 440

Chapter 436

Early the next morning, Tianqi came to pick up Charlie and went to the traditional medicine Expo.

What Charlie didn't expect was that the venue of the Expo was also chosen in the Aurous Hill Convention and Exhibition Center.

The last time Junwei Gao came here, Junwei Gao was still very arrogant in front of him, but at this time, Junwei Gao and his old son Jianjun Gao were all turned into ashes, leaving no trace in the world.

The phrase "I don't know where to go, but the peach blossom still smiles in the spring breeze".

Stepping into the convention and exhibition center, Charlie saw at a glance that on the wall of the hall, there were still missing persons notices of Junwei Gao and Jianjun Gao.

The Gao family had increased the bounty to 30 million, but still did not find the whereabouts of the father and son.

However, these efforts are destined to be futile.

When Charlie and Tianqi walked in together, Qin Gang took Aoxue and greeted them together.

The Qin family is in the business of medicinal materials. This kind of traditional medicine expo, they are also the exhibition and sales parties, so they only prepared here early in the morning.

When he saw Charlie, Qin Gang stepped forward with excitement, and said respectfully, “Mr. Wade, you are here!”

Aoxue on the side seemed to be worried, and her face was a little haggard, he didn’t know why.

However, seeing Charlie, Aoxue’s mood still jumped up, walked to Charlie with a little shame, bowed obediently, smiled lightly, and said softly, “Hello, Mr. Wade.”

Charlie nodded slightly and observed at Aoxue for a moment, knowing that she was pretending to be something, but the other party did not say, and he was not easy to ask, so he said to her: “Aoxue, your complexion is not very good, please pay attention to your health.”

As soon as Aoxue heard this, her cheeks were blushing, she didn’t expect Charlie to care about her for the first time, and she couldn’t help making her feel even more happy, nodding her head again and again.

Qin Gang also said respectfully: “Mr. Wade, I wonder if you are here for the 300-year-old purple ginseng?”

Charlie nodded and asked, “Any specific news?”

Qin Gang smiled and said: “This 300-year-old super-quality purple ginseng was acquired by accident by a medicinal company near Changbai Mountain in the northeast. It is said that the starting price this time is 5 million. The price alone is not high, but 5 million. A purple ginseng is actually quite high. It is estimated that the final bid will be more than 30 million, and the price/performance ratio is not too high.”

Charlie nodded.

A superb purple ginseng is really of little use to ordinary people or doctors of ordinary traditional medicine.

Whether it is purple ginseng, ganoderma, or cordyceps, these precious Chinese medicinal materials are basically not useful if they are eaten directly. They do have the effect of strengthening the body, but they have no ability to cure all diseases.

Therefore, if good medicinal materials want to exert their maximum effect, one depends on the combination of prescriptions and the other depends on the ability of refining medicine.

The prescription is the most important thing. Use the same ten medicinal materials to make a prescription. Some can cure diseases, and some can kill people. The fundamental reason lies in the different proportions of the ten medicinal materials, just the proportions. Differences can lead to such a big gap, and if there are a few different medicines, it is very different.

As for the ability to refine medicine, it is based on a good prescription to refine good medicinal materials into good medicine.

If the ability is not enough, the medicinal material of 10 points will be refined into 1 point.

If the ability is very strong, 1 point of medicinal materials will finally make 10 points.

If it is strong in all aspects, a medicinal material with 10 points can even make 100 points.

Charlie's ability is the kind of medicinal materials with 10 points, the kind that can make 100 points of medicine.

In addition, he has a classic recipe that has been lost for a long time, and he can even produce medicines far exceeding 100 points.

Therefore, something like the premium purple ginseng is useful to him, but it really doesn't make much sense to others.

But with his own hands, he can refine a better miraculous medicine, much better than the pill given to everyone last time!

Chapter 437

At this time, Charlie suddenly heard a few familiar voices from behind him.

A man said, "Fredmen, don't worry. As long as we take the 300-year-old purple ginseng this time, all the medicinal materials we need for our new prescription will be available. By then, your disease will definitely be cured. it is good!"

It was Barena Wei from the Wei family who spoke.

That is the one who was forced to lick the urinal a few days ago.

At this time, Fredmen, the native of the Willson family, said: "Oh, I really want to thank Brother Wei in advance. When my illness is cured, I will definitely strengthen the cooperative relationship with the Wei family. Then, my family and I , Will give some resources to help the Wei family, our two strong alliances will last forever!"

Barena Wei was also very excited, and said excitedly: "Then I also want to thank Fredmen in advance, hahahaha."

Charlie turned back and saw that it was Barena Wei and Fredmen who were coming from far and near.

Following the two, there was Wendy.

At this time, Wendy did not have the embarrassment of licking the urinal that day. She held a Hermès limited bag in one hand, and held Barena Wei's arm in the other. She walked with her eyes higher than the top, completely like a lady.

Behind a few people, there was a person who looked somewhat similar to Barena Wei followed. Charlie didn't know this guy. This person was the illegitimate child of Barena Wei's half-brother, Liang Wei, who was always dismissed in the Wei family. .

And just as Charlie saw several people, several people also found Charlie.

Fredmen, Barena Wei, and Wendy, these three people all have blood and deep hatred for Charlie, and they hate him to the bone. When they see him at this time, they are all angry and want to tear him alive.

And when Barena Wei saw him, he was even more angry, as if the urinal smell of disgust came to the extreme.

Wendy couldn't help but retching when thinking about it at the beginning. After so many days, her tongue tastes nothing and feels stinky. All this is thanks to Charlie!

Seeing Charlie, Fredmen, with the strongest background and strength, took the lead to speak. He gritted his teeth and said: "It turns out that it's you stinky silk, let's meet again!"

Charlie smiled indifferently, and said, "Last time you called me father and grandfather, that was so refreshing, but you changed the name in a blink of an eye? My grandson is too unfilial, right?"

Fredmen clenched his fists hatefully when he heard him mention it.

That incident made him lose face and somehow lost his ability to be a man. It was the greatest shame in his life!

But he knew that he couldn't beat Charlie, and he didn't dare to do it. He could only sneer and said: "That is to say that a good man does not suffer from immediate losses, and a big man can bend and stretch. What do you know about this kind of waste? Don't think that you will fight, you are a personal thing! This world It's very dark, so be careful when you walk at night."

Charlie sneered and said: "I think you can only bend now, can't stretch, right? Have you recovered your male prowess during this period of time?"

Chapter 438

Fredmen gritted his teeth angrily when he heard Charlie scold him for being able to bend and not stretch!

"Don't be arrogant!" Fredmen gritted his teeth and cursed, "I will regain my power sooner or later. Don't worry, I will not spare you!"

Tianqi coldly scolded: "Fredmen! I have warned you many times that you must be respectful and polite to Mr. Wade and don't offend. If you target Mr. Wade again, don't blame me for turning my face and denying people!"

When Fredmen saw Tianqi speaking for Charlie, his brain hurt.

His mother has been urging him to repair the relationship with Tianqi as soon as possible and invite Tianqi to go to Eastcliff to attend her 84th birthday party.

However, this Tianqi is really stubborn!

Mixing with Charlie this kind of stinky rag all day long, what exactly is he pictured?

However, Fredmen did not dare to disobey Tianqi in public, and could only say angrily: "Uncle, you must keep your eyes open. There are too many scammers these days, and many elderly people are deceived by those ulterior swindlers in society. Some are just to buy you some fakes, and even follow your a** to recognize you as godfather; some just take some fake and shoddy things and sell them to the elderly as a panacea. You are a shrewd man, but don't lose it. Hoof!"

Barena Wei on the side also gave a disdainful smile, and said, "This kind of Rubbish liar, in a small place like Aurous Hill, can only jump for a few days. When he is in a big place, he must not be scared to death? The place this gang has never seen the world before will be deceived by him!"

Charlie smiled and said, "Was the toilet in the Brilliant Clubhouse not big enough last time? Your mouth still smells bad. The toilets in the Convention and Exhibition Center are very powerful. There are only 20 or 30 urinals in the men's toilet. Cool?"

Barena Wei's expression was extremely ugly, but with seven points of dread, he said, "You...don't think that you have fooled Boyu, you can run wild in Aurous Hill!"

Qin Gang had been standing behind. At this moment, when Barena Wei was targeting Charlie, he immediately said with a cold face: "Barena Wei, what kind of thing do you dare to say to Mr. Wade?"

Their Qin family is one of the Wei family's medicinal material suppliers, and they have been in contact before, but he did not expect that Barena Wei would be disrespectful to Charlie!

Barena Wei didn't see him just now. At this time, he glanced at Qin Gang and said with disdain: "Qin Gang, our two families have worked together for more than ten years. Why are you even speaking for this waste?"

Qin Gang snorted and said, “Mr. Wade’s ability is not something people like you can know. If you insult Mr. Wade, you insult my Qin family. From now on, our Qin family will cut off all cooperation with your Wei family. All medicinal materials will no longer be supplied to the Wei family!”

Barena Wei’s face changed slightly, and they would be in trouble if they lost the Qin family supplier.

But you can’t lose face when you lose anything, so he gritted his teeth and said coldly: “Without the supplier of your Qin family, our Wei family is still living and moisturized, but your Qin family has broken off cooperation with us, I am afraid that in the future It’s not easy, right?”

Qin Gang’s face remained as usual, and he resolutely said: “The Qin family’s medicinal materials are well-known throughout the country. Even if you don’t cooperate with us, it will not have a big impact on us. It is your Wei family that will suffer. If my Qin family’s medicinal materials are gone, I will see your future How to guarantee the quality of medicines!”

The middle-aged man behind Barena Wei said sorry to Qin Gang at this time: “Don’t mind Mr. Steven, my brother was joking just now. Our two companies have been cooperating for so long, so we rashly terminated our cooperation. Neither side is good...”

Before he finished speaking, Barena Wei turned his head, kicked him, and said coldly: “Liang Wei! When do you speak here? What do I want to do with you? Remember you? Your identity, you are a bastard born from a mount, and if you babble with me, you will go back to your Changbai Mountain!”

Chapter 439

Liang Wei was kicked to the ground, covering his stomach with pain, his face flushed.

But he didn’t dare to speak any more, just stood up quietly, stood behind Barena Wei again, and said nothing.

Charlie glanced at Liang Wei more.

From his body, Charlie saw a little bit of his previous shadow.

Being despised, or even humiliated by others, but he can only choose to forbear, stay invisible, and quietly wait for a chance to rise.

At this time, Wendy said to Barena Wei: "My dear, you can't be guilty of being angry with a Rubbish and a b@stard. Let's go in."

Barena Wei nodded.

Charlie, this Rubbish, and Liang Wei, a b@stard, were rubbish in his eyes. Even if he suffered a big loss under Charlie's hands, he still didn't think Charlie was a great person.

On the contrary, he was still waiting for an opportunity to retaliate against Charlie to relieve his hatred.

Charlie didn't bother to argue with this group of people. The reason why he came to the Expo was for the 300-year-old purple ginseng.

As for Fredmen and Barena Wei, if they dare to continue to pretend to be forceful, then they have the opportunity to slowly clean up them.

Seeing Fredmen, Barena Wei and others are gone, Tianqi shook his head and sighed: "This Fredmen is really self-inflicted and cannot live!"

Qin Gang said, "Mr. Wade, Mr. Shi, let's go in too, don't let these villains affect our mood."

Charlie said with a smile, "Of course I don't care about a group of clowns."

They walked into the center of the exhibition hall. There are already exhibition counters for various traditional medicine materials, and each of them displays many kinds of medicinal materials.

Qin Gang first invited Charlie to inspect his booth. The Qin family deserves to be a medicinal material dealer with a history of over a hundred years. They have more than a dozen showcases, and various rare medicinal materials filled the counter.

Qin Gang said to Charlie: “Mr. Wade, if there are medicinal materials you need in it, just say it and I will bring it out to you.”

Charlie nodded and said, “After I get the three-hundred-year-old purple ginseng, I may make a new medicine. I will tell you what I need then.”

Qin Gang hurriedly said to Charlie: “Mr. Wade has any request, despite the instructions, Qin Gang will do his best to fulfill it for you!”

Charlie looked around at the expo, and found no medicinal materials worthy of his attention, which made him somewhat disappointed.

It seems that most of the medicinal materials can only be regarded as ordinary goods, and there is nothing special about them.

After shopping for a while, it was almost time for the auction, and Charlie went to the auction hall with Qin Gang and Tianqi.

The entire auction hall can accommodate millions of seats and has a large area.

In the front of the auction hall, a transparent booth with four sides of glass was erected. In the center, it is the 300-year-old purple ginseng plant.

After Charlie saw this purple ginseng, he was delighted.

He could perceive that this purple ginseng has a strong medicinal power. According to his eyesight, the purple ginseng is said to be 300 years old, but in fact it is almost 400 years old, and the quality is even better than imagined.

Chapter 440

There are many kinds of ginseng, common ginseng, American ginseng, red ginseng, purple ginseng, and wild ginseng. Among them, purple ginseng is the rarest and the most expensive.

And ginseng itself has a lifespan, and most of them cannot live for a hundred years. Therefore, it is not to say that a ginseng plant has not been picked, it can become a

hundred-year-old ginseng or a hundred-year-old ginseng. More than a hundred years will come to an end.

Ginseng that can live more than two to three hundred years is the best ginseng, and ginseng that can live more than five hundred years is almost rare. Some people collect ginseng for a lifetime and have no chance to see it.

As for thousands of years of ginseng, it is even more invaluable. It almost only exists in legends, and it is rare to see anyone take it out.

Therefore, this 300-year-old purple ginseng is extremely precious.

At this time, the auction hall was already overcrowded. Most of the people who came were from all over the country in the world of traditional medicine, allopathic medicine, and medicinal materials. There were also many old Chinese doctors who could be regarded as masters of traditional medicine.

Among them, many people are familiar with Tianqi. After seeing Tianqi coming in, they came forward to congratulate him.

These are to congratulate him on successfully curing high paraplegia and creating a miracle in medical history.

But Tianqi was extremely ashamed.

Everyone thinks that he is responsible for the treatment of high-level paraplegia, but only he himself knows that the credit is entirely Charlie's alone. Mr. Charlie Wade likes to keep a low profile, so he let himself take it for him.

Many people gathered around Tianqi and asked Tianqi how to cure high paraplegia. Tianqi said: "Actually, treating high paraplegia is not my own skill, but a magical medicine I occasionally got has exerted a huge therapeutic effect."

Someone asked: "Old Shi, can you publish the prescription for this magical medicine? If it is published, it will benefit all mankind!"

"That's right!" Someone echoed, saying: "Apply a genius doctor, announce this prescription, you may get the Nobel Prize in medicine!"

Tianqi said embarrassingly: "Let's forget it, it is indeed some inconvenient hidden information."

At this time, a young man in a suit and leather shoes came to Tianqi, bowed slightly, and said in not fluent Chinese: "Hello, doctor Tianqi, my name is Ichiro Kobayashi, and I am the vice chairman of Kobayashi Pharmaceutical."

Tianqi nodded and said, "I know that you Willsonlin Pharmaceutical, I wonder why you are looking for me?"

Ichiro Kobayashi said seriously: "Mr. Shi, our Kobayashi Pharmaceutical is the strongest pharmaceutical company in Asia. There are many popular classic drugs that are developed and produced by our company. With such a strong strength to support, we have the ability to carry forward your prescription for high-level paraplegia and sell it to more than 200 countries around the world. Therefore, I sincerely hope that you can sell this prescription to us!"

When Tianqi heard the other party's words, he couldn't help but frowned and said, "I remember, many of your medicines were not developed by yourself, and those medicines are all our Kampo!"

The so-called Hanfang is actually an ancient prescription of traditional medicine.

Japan and South Korea were deeply influenced by Chinese culture in ancient times. Naturally, their medicine was also taught from this land's traditional medicine. Now the pharmaceutical companies in these two countries are all engaged in Kampo medicines, which, to put it bluntly, is plagiarizing things from the Chinese ancestors.

Because ancient Chinese prescriptions are recorded in some pharmacopeias and there is no clear patent copyright protection, these Japanese and Korean pharmaceutical companies have plagiarized various prescriptions from the traditional Chinese pharmacopeia, and then produced a variety of medicines and sold them all over the world.

It would be fine if they made it clear that these medicines originated from ancient Chinese prescriptions, but they just want to publicize that the prescriptions were developed by themselves.

There are even more shameless people who will describe the traditional medicine as a medicine handed down by the ancestors of their own country, making consumers all over the world think that these medicines are really the historical heritage of Japan and South Korea.

This kind of blatant plagiarism has long made Tianqi and a lot of traditional medicine practitioners indignation!

At this time, Ichiro Kobayashi said with an arrogant expression: “Mr. Shi, I want to correct your mistake. All of our medicines at Kobayashi Pharmaceuticals, none of them use Kampo, all of which are based on the essence of our Japanese traditional medicine!”
