

The Charismatic Charlie Wade Chapter 451 – 455

Chapter 451

If the psychological suggestion of the s*umbag is a stream, then Charlie's hypnosis is the whole sea!

In an instant, he completely defeated the psychological hint that the s*umbag gave to Yuesheng.

But at this moment, in Yuesheng's heart, Charlie's words already stood there like a beacon of life, and they would never disappear in her entire life.

Suddenly she had an epiphany at this time, and realized how stupid she was before.

Thinking that she was almost bewitched by a s*umbag to commit suicide, she was so frightened, she immediately knelt on the ground, bowed her head to Charlie, and said, "Thank you for saving me. I will live well in the future, and will never disappoint my parents and society for their cultivation!"

Charlie nodded in satisfaction and said, "Since you can wake up to your senses, then I wish you a happy and fulfilling life in the future."

With that said, Charlie thought of the s*umbag and asked, "Can you tell me about your boyfriend?"

Yuesheng said bitterly: "From now on, he is not my boyfriend, this kind of person will only make me feel sick!"

After that, she respectfully said to Charlie: "The s*umbag is called Wu Qi, and he is the school grass of our Aurous Hill School of Finance and Economics. He is not a local, but

it is said that his family is very good. I was also deceived by lard at the time. I always think he is the perfect object. I didn't expect him to be such a despicable villain."

Charlie nodded and said, "I heard he killed many girls?"

Yuesheng nodded repeatedly: "I don't know how many girls he has played with. I'm just one of them..."

Charlie gave a hum, and said, "In this way, call him and say that before dying, there is a gift you want to give him, so that he can come here now."

Yuesheng asked hurriedly, "What if he doesn't want to come over?"

Charlie said: "If he doesn't want to come, then you tell him, you have to break up with him, and from now on, the well water will not be offended by the river. This kind of rubbish wants to force you to commit suicide and regard your suicide as your greatest achievement. If he hears that you are going to break up with him, it must be a great blow to him."

Such s*umbags take pleasure in being able to control women, but if women get out of control, it will be a huge pain and shock to them.

They regard this kind of thing as a war. There is only one victor in the war. If the victor is not themselves, the label of the loser will be put on their heads.

For these people, failure is beyond their tolerance!

.....

At this moment, in a bar near Aurous Hill University of Finance and Economics, Wu Qi was sitting opposite a beautiful girl, and said with a smile: "Beauty, God is really unfair to me. I come here alone every day. Drinking two drinks at the bar, I saw you for the first time today, and it instantly made me feel that I had lived for nothing in the past twenty years."

The girl smiled a little embarrassedly: "You are pretty good, do you talk to girls less often?"

Wu Qi shook his head repeatedly, and said solemnly: "I am actually quite shy and don't dare to talk to girls, but the feeling you give me is so special. I hesitated and struggled for a long time by myself before finally deciding to come over and say hello to you."

With that said, Wu Qi deliberately exposed the Vacheron Constantin watch on his wrist.

This watch, worth more than seven million, is an extremely rare limited edition.

But to Wu Qi, this kind of watch is nothing at all. There are several more expensive watches in his family, each worth tens of millions.

The girl recognized this piece of Vacheron Constantin at a glance, was surprised for a moment, and hurriedly pretended not to see it, and said with a grin: "Since we are so destined, why not drink two glasses together?"

Wu Qi smiled slightly and said, "I will invite you tonight."

After speaking, he immediately beckoned and said to the waiter: "Here, the two best ace of spades champagne."

Ace of spades sells for more than 20,000 in the bar, which can be said to be the most expensive champagne.

Chapter 452

Seeing that he was so generous, the girl's defense had almost completely collapsed, she just waited to learn more about Wu Qi, and then went further.

At this time, Wu Qi's cell phone rang suddenly. He looked down and found that it was Yuesheng's call, and he couldn't help but frown.

Why isn't this woman going to die? What annoying!

Seeing him with a weird expression, the girl asked curiously: "It's not your girlfriend's phone call, right?"

“No, it’s not.” Wu Qi hurriedly explained: “Ex-girlfriend, she cheated, but she has been pestering me.”

After speaking, he sighed and said: “Hey beauty waits for me, I will be back when I answer the phone.”

“It is Okay.”

Wu Qi took his cell phone and went out of the bar. Then he got on the phone. As soon as he opened his mouth, he cursed: “Why are you filthy girl calling me? Isn’t the insult and humiliation you brought me enough?!”

Yuesheng was turning on the speaker at this time, and Charlie felt annoyed when he heard this.

This b@stard is really giving his own psychological hints all the time! Just want Yuesheng to feel dirty, want her to give up her life!

However, he did not expect that Yuesheng was actually completely free from his psychological hints at this time.

But Yuesheng still obediently followed Charlie’s instructions and said: “Wu Qi, I am ready to die. Only if I die can you be free from the humiliation...”

Wu Qi said impatiently: “Then you go quickly, don’t f*cking hurt me again!”

Charlie typed a string of words with his mobile phone and handed it to Yuesheng.

Yuesheng read the words on Charlie’s phone and said, “Then can you come to meet me by the artificial lake of the school? Before I leave, I still have gifts to give you...”

Wu Qi immediately said: “No! I don’t want to see you again, seeing you will make me feel sick! It makes me nauseous, makes me want to vomit, makes me want to draw my own face, and asks how I fall in love with some Dirty woman like you!”

Yuesheng said, Charlie sent another string of words at this time.

She read as she read: "Since you don't want to come, let's break up. From now on you will take your Road and I will cross my single-plank bridge. If we meet at school, I hope you can pretend not to know me. Thank you."

Wu Qi was stunned.

what's the situation? !

Hasn't Yuesheng been brainwashed by him? !

How could she suddenly wake up? Why is she so calm about breaking up with him?

d*mn it, isn't this slap in the face? ! Haven't all his previous efforts been abandoned?

So he hurriedly begged: "Yuesheng, how could you be so cruel and hurt me, and then leave me, are you really going to break my heart?"

Yuesheng looked at Charlie's cell phone and read the lines Charlie wrote to her, and said, "Don't you hurt my heart? I'm ready to die. My only wish is to see you again before I die. On the one hand, if I give you a gift, why can't you promise me? If you don't promise me, then I can only break up with you!"

When Wu Qi heard this, he blurted out immediately: "Don't! Don't break up with me! You want to see me, right? I'll see you now! On the artificial lake, right?"

Yuesheng gave a hum, and said, "Yes!"

Chapter 453

Seeing that Yuesheng might want to get rid of his own control, Wu Qi was extremely nervous, ignoring that there was still a beautiful prey waiting for him in the bar, and hurried back to school.

As soon as he entered the school, Wu Qi hurried to the artificial lake, and finally saw Yuesheng on the edge of the artificial lake.

He hurried to Yuesheng and asked: "Yuesheng, what gift do you want to give me?"

Charlie suddenly stood up at this time and smiled: "She has no gifts for you, but I do!"

"Who are you?" Wu Qi frowned and looked at Yuesheng, and asked: "This person is your relative?"

Charlie smiled and said, "I am not her relative."

Wu Qi asked: "Then who are you?"

Charlie said lightly: "I am the one who walks for the sky!"

After speaking, Charlie patted Yuesheng on the back and said: "Yuesheng, you go to Aoxue and the others, first go back to the dormitory and change to dry clothes. This has nothing to do with you."

Yuesheng nodded gratefully, because of what happened just now, she had 10,000 trust in Charlie, bowed respectfully, and walked to find Aoxue and the others not far away.

Aoxue and a few classmates saw that she had given up committing suicide and immediately held her and wept with joy.

Yuesheng was also grateful to the fellows for their concern.

Later, a few classmates sent her back to the bedroom.

Wu Qi looked at it from a distance, feeling that Yuesheng's current state seemed strange, could it be that she had got rid of his own psychological hints? !

He was very angry, frowned and looked at Charlie in front of him, and said coldly: "You asked Yuesheng to call me and lie to me? What do you mean?"

Charlie sneered and asked, "What do I mean? I just wanted to ask you, did your parents give birth to you and let you poison women? You are such a sc*m, do your parents know?"

Wu Qi's expression also became gloomy. He had realized that he might be exposed, so he cursed: "Whatever, I play with women and it's my ability. What's the matter with you?"

What are you? Want to take care of me too? Do you know who I am? Do you believe it or not?

Charlie smiled and said, "What? You have a big background?"

Wu Qi was full of arrogance and said, "Have you heard of the Wu family? If you haven't heard of it, you can go to inquire about it. Our Wu family is the top family in Aurous Hill!"

"Oh." Charlie said with a smile: "The Aurous Hill top family, so amazing, are the men from your Aurous Hill top family like you? Are innocent women like you?"

Wu Qi sneered: "I like it, are you dissatisfied? I just like to see these women being manipulated by me, just like watching them self-harm and commit suicide for me. Can you control it? Also, can I control it? "

Charlie said coldly: "Do you think your family is very powerful, so you have someone to support you? Besides. How did I hear that the real big families are in the north, especially Eastcliff, that's everyone. In places where ethnic groups gather, these families outside are somewhat unable to get up to the table."

Wu Qi said contemptuously: "Although our Wu family is not comparable to the top big families in Eastcliff, we are still one of the best in the Aurous Hill area. Even the Song family in Aurous Hill is not as strong as ours, so you still weigh in. You provoke me, can you hold it?"

Charlie nodded and exaggeratedly said, "Suhang Wu Family, right? That's amazing, I'm so scared!"

Wu Qi sneered: "Get out of the way if you're afraid, don't be nosy, otherwise, I can kill your whole family by just calling!"

Charlie smiled and said, "I'm afraid to return, but I have a problem. The more afraid, the more I have to try!"

After speaking, Charlie observed at him murderously, saying every word: "Do you know who I am?"

“You’re the d*mn who cares about you!” Wu Qi gritted his teeth and said, “If you provoke me, even if you’re the king of heaven, you have to pay the price!”

Chapter 454

Charlie rounded his arm, slapped it, and directly caused Wu Qi to stagger and fall to the ground.

Wu Qi hasn’t been touched with a finger in his entire life, and has been held in the hands. How could he have received such a slap, he immediately got up and roared: “I f*cking kill you!”

“Kill me?” Charlie said coldly: “Bast@rd, you listen to me, my grandfather’s surname is Wade, my name is Charlie! Wade family master of Eastcliff, chairman of the Emgrand Group! You are now weighing and weighing, you A filthy Wu family is also worthy of being arrogant in front of me?!”

Wu Qi was struck by lightning immediately!

Wade Family? !

This is the top family in the country!

Although the Wu family is better than the Song family, it is not even one-tenth less than the Wade family.

Although he had also doubted whether Charlie was bluffing himself, but after another thought, this person was not afraid of hearing his own report, and he dared to slap himself. It seemed that he must be full of confidence!

This also means that what he said is 80% true!

At this moment, Wu Qi suddenly became nervous!

He thought he could dominate in Aurous Hill and even the whole Aurous Hill, but he didn’t expect that the young master of Wade family would appear in Aurous Hill, and would appear in front of him and make trouble for himself.

After all, he is a high-achieving student and a young master from a large family who has been trained by nobles since childhood. His IQ, EQ, and methods of doing things are by no means comparable to those of Harold's generation. He immediately realized that he might be in trouble, and might even bring the whole family face trouble.

So he knelt on the ground very acquainted with the current affairs, and begged: "Mr. Wade, I have offended you because of my blindness. Please also remember that you are not a villain!"

Charlie was very surprised at the speed of his transformation.

It seems that this guy is indeed very smart!

No wonder he can constantly control and hurt girls with psychological hints. This kind of person has too good brains. Most people can't beat him with IQ. In the end, they can only be at his mercy.

However, Charlie was not merciful to him.

He sneered and said: "You guy, you can really bend and stretch, but you really think that if you kneel down and beg me, I will let you go?!"

Wu Qi trembled and said, "Mr. Wade, I know I was wrong. I will definitely correct my evil in the future. At the same time, I am willing to spend 100 million to compensate Yuesheng! I hope you can forgive me!"

Charlie smiled and said, "You, you don't understand Charlie's behavior too much. If you are in my hands today, it can't be solved by money!"

Wu Qi hurriedly asked: "Mr. Wade, how do you want to solve it?!"

Charlie grinned and said, "I want to treat you in my own way!"

Wu Qi was a little surprised.

What do you mean? Do you want to give me psychological hints too?

how is this possible?

He a good hand at psychological suggestion. Psychology is the elective course in college. How could Charlie brainwash me?

Seeing him with a surprised look, Charlie smiled and said, "Don't you like to give girls psychological hints? I'm going to add a psychological hint to you so that you have to eat sh!t every hour. Don't eat until you don't stop!"

Chapter 455

Wu Qi looked at Charlie dumbfounded, and felt that Charlie was talking about a fantasy.

At this moment, Charlie smiled evilly and continued: "Also, after I finish this psychological suggestion, if someone stops you from eating sh!t at that time, you will do everything possible to kill yourself until you eat sh!t. At the same time, if you see sh!t on the road, you must also eat it. If you don't eat it, you will die. Whoever dares to stop you, you will still find a way to kill yourself. The cycle goes back and forth for a lifetime!"

"So, in your future life, apart from eating sh!t, you will have no other pursuits. You will not pursue spending money, pleasure, or women. For the rest of your life, you will only want to eat. feces!"

When Wu Qi heard this, he couldn't help being a little angry, and said, "Mr. Wade, do you treat me as a mentally retarded? Do you think I will listen to you if you say this? Psychological hints are not done this way. You are not professional at all!"

Charlie laughed and said, "I'm not professional? I'm too professional, okay? If you don't believe me, come and try!"

After all, Charlie stretched out his hand and tapped on his forehead...

Wu Qi's whole body seemed to have been fixed, and he paused for about ten seconds. Then, he suddenly opened his eyes and murmured anxiously: "Where is the sh!t? Where is the sh!t? Don't take another bite. I'm dying! I'm dying! How can there be sh!t?!"

After finishing speaking, he also forgot who Charlie was, turned his head and ran to the dormitory, because there was a voice in his mind telling him that there are toilets in the dormitory building, and from some of them he can eat sh!t...

A shocking incident broke out in the dormitory building of Aurous Hill University of Finance and Economics!

The school grass, super rich second-generation Wu Qi suddenly rushed into the bedroom toilet and kicked a male student who was sitting on the toilet defecating.

Listening to the first half, it seems to be a story of a domineering rich second-generation bullying classmates, but this second half is really disgusting.

After kicking the classmate who was defecate, he directly reached out and grabbed the stool that was just pulled out, grabbed it and stuffed it in his mouth...

The scene of his devouring caused the roommates in the bedroom to vomit bile.

The classmates didn't know what he was going crazy suddenly, so they called the teacher quickly. When the teacher came, Wu Qi had just eaten and he didn't even wipe his mouth. When the teacher came, he vomited and vomited to death.

The teacher knew that Wu Qi's family was very strong, so he didn't dare to take it lightly, staring at him in disgust and asking him: "Student Wu Qi, what's wrong with you?"

Wu Qi had just recovered his sanity at this time, and felt an extremely disgusting taste in his mouth, so he wiped it and put it under his nose. The disgusting almost died.

He had completely forgotten that he had seen Charlie, and he had also forgotten that he had just grabbed sh!t and ate it. Now he has no idea why he had a mouthful of sh!t.

He rushed into the bathroom to rinse his mouth and retches constantly. The teacher followed and asked: "Student Wu Qi, are you feeling unwell?"

Wu Qi paled and shook his head: "What the h*ll is going on? Is anyone pitting me?!"

A classmate plucked up the courage and said: "Boss, you just came back from outside, kicked the roommate off the toilet with one foot, and then ate what he pulled..."

Speaking of this, he really couldn't go on. He strongly controlled the thought of vomiting, and said, "Should we go to the hospital for a visit?"

“What the h*ll are you talking about?!” Wu Qi scolded angrily: “You said I ate the roommate...”

Several classmates nodded one after another.

Wu Qi vomited for a while and cursed: “Quick! Quickly take me to the hospital!”

The teacher hurriedly drove his car, where Wu Qi went to the People’s Hospital.

Several classmates who had a good relationship with Wu Qi also followed.

As soon as he arrived at the hospital and saw the emergency doctor, Wu Qi couldn’t wait to say: “Doctor, come on, give me a gastric lavage! I ate sh!t!”

The doctor was stunned. After more than ten years of experience in medicine, it was the first time he saw such a “patient”.

He subconsciously asked: “Why are you eating sh!t?”
