

The Charismatic Charlie Wade Chapter 456 – 460

Chapter 456

Wu Qi grabbed his collar angrily: “If I f*cking know, I’ll come to you?! Give me a stomach lavage!”

Although the doctor was very dissatisfied with his attitude, he was still kind and hurriedly said to the nurse: “Prepare gastric lavage tools!”

The nurse nodded hurriedly and set about preparing.

At this moment, Wu Qi suddenly felt that there was another pain in his mind, and then his whole body lost control from his mind, and all his thoughts were sh!t!

So he blurted out subconsciously: “Where is the toilet? Where is the toilet?!”

The doctor subconsciously pointed to the right hand and said, “Turn left and go to the end.”

When Wu Qi heard this, he blurted out and rushed to the toilet.

The teacher and a few classmates hurried to catch up.

As soon as Wu Qi rushed into the toilet, he went straight to open one of the compartments. After opening, instead of going to the toilet, he looked into the toilet. Seeing that the toilet was empty, he immediately exited and opened the second one.

Everyone was frightened by his actions, could it be...is he going to eat again? !

At this moment, Wu Qi opened the second compartment, and there was an Old Master in it. Wu Qi was about to rush up immediately. Everyone held him tightly and blurted out: “No way, Wu Qi, no way! “

Wu Qi yelled frantically: “Let go of me! Let me go! Let me eat, I want to eat!”

Everyone almost collapsed, what happened to this person? Suddenly become neurotic? Otherwise, why is he suddenly crazy, desperate to eat sh!t?

The teacher yelled at this moment: “Quickly, get him up and get out!”

So several people together, just carried him out.

As soon as he exited the toilet door, Wu Qi collapsed and shouted: “Let me down, I want to eat sh!t! Let me down! If I don’t eat it, I will die! Please let me down!”

The entire emergency department of the hospital was boiling.

They have seen people with various diseases, but who has seen people who are forced to eat sh!t?

And he’s a young and handsome guy. What’s the reason?

The doctor was also very embarrassed and asked, “He just said he needs gastric lavage, why is he suddenly saying that he wants to eat something like that...They wonder if this person has something wrong with his nerves? How about you taking him to SanityLab Hospital, right?”

When the teacher thought about it, this kind of thing really didn’t look like some kind of organ disease. It was estimated that this was a mental problem, so he hurriedly said, “Let’s go to the SanityLab Hospital!”

At this time, Wu Qi was almost crazy!

He is now thinking about eating sh!t, and ready to self-harm if he can’t eat it. He keeps slapping himself, seizing the opportunity, kneeling on the ground and hitting the floor with his head. The classmates grabbed him desperately, but he changed. Be even more

irritable, and shouted wildly: “You all f*cking let me go! If you don’t let me eat sh!t, I will die can’t you see!”

After that, he started struggling violently.

Because of his explosive power, a few classmates didn’t hold him down. He broke free all at once, rushed to the toilet quickly.

A lot of classmates hurried to catch up, but they were not as fast as him. When everyone rushed to the toilet, he had already pulled out the Old Master just now and threw him to the ground. He threw himself directly into the toilet and started to stuff his mouth with...

Everyone hurriedly stepped forward and dragged him tightly, but he stopped slowly and still didn’t stop...

The Old Master didn’t even pull up the pants and was scared, and he was shivering on the ground. Someone was frightened by the sight. He immediately took out his phone and took a video, which was posted on Facebook.

“An eye-opener! Aurous Hill People’s Hospital has a lunatic who grabs sh!t and eats...”

Chapter 457

Wu Qi’s headteacher and roommates in the same dormitory were almost tortured crazy by him.

They resisted the nausea and wanted to send Wu Qis back to the doctor.

The Old Master who was pulled out of the toilet by Wu Qi and thrown to the floor whimpered: “If your brain is sick, don’t let him out! Why is he stealing sh!t!”

The headteacher looked embarrassed and took out his wallet, handed him five hundred, and said, “Master this should compensate you for your loss, please forgive me...”

The Old Master didn’t expect that he could earn 500 in this way. The grievances just now disappeared in an instant. Then he asked with joy, “Well, do you want to next time?”

The headteacher retched and said, "Uncle, I don't want it next time. If you don't finish it, please continue to go in..."

After finishing speaking, he shouted to everyone quickly: "Quickly, get Wu Qi to the doctor!"

When he arrived at the doctor, the doctor glanced at him, then vomited all the supper, and blurted out: "I beg you, take him to the mental hospital, we really can't cure this kind of disease!"

The headteacher said: "Well, somehow, give him a stomach wash, how dirty it is to eat..."

The doctor was about to cry and said, "I can wash him, but are you not afraid that he will slow down and eat again? No matter how I wash this, I have to put the tube in a little bit, I can't stand it. He eats so fast!"

The headteacher asked some of his classmates: "Is this the second time for him?"

"Yes." The same bed hurriedly nodded and said: "It's almost an hour away!"

The headteacher said: "Then he might have to eat in another hour..."

Thinking of this, he hesitated for a moment, and blurted out: "Wipe him clean, get in the car, let's go to the SanityLab Hospital, otherwise, in case of delay, it will be finished again!"

Everyone had to endure the nausea, wipe Wu Qi's mouth with a tissue, and then walked out with him in a daze.

As soon as he got in the car, Wu Qi came back to his senses, feeling a strange nausea in his mouth, and couldn't help asking: "What happened to me?"

A sleeper sitting next to him asked in surprise: "Don't you remember?"

Wu Qi shook his head and said, "I don't remember, I just remember that I had a headache just now, and my mind was buzzing."

After speaking, Wu Qi put his hand to his mouth, he sighed, and instantly he was almost fainted. He blurted out and asked, "What's the situation?! Did I eat that thing again?!"

Sitting in the dormitory of the front co-pilot, the old third turned around and said, "Boss, we couldn't stop you with all our hard work just now. You rushed into the toilet and took an Old Master..."

The bedmate sitting next to Wu Qi hurriedly said: "Hey, don't talk about it!"

"Oh..." The youngest realized that this fact was a bit disgusting, so he closed his mouth with interest.

Wu Qi hurriedly asked: "What the h*ll is going on?! Tell me clearly!"

"This..." Everyone looked at each other. No one wanted to describe the terrible devil scene just now, and even thinking about it, it felt disgusting.

Wu Qi shouted with a dark face: "d*mn! You guys can't tell me!"

The voice roared out, and the whole car was immediately stinking!

Chapter 458

The three classmates and the head teacher who drove were a little dizzy. The head teacher hurriedly put down all the windows and let the wind continue to pour into the car, which is regarded as blowing away the smell.

Wu Qi exploded. He gritted his teeth and said to the person on his right hand: "Fourth, if you or he doesn't tell me clearly, don't blame me for turning my face with you! The two hundred thousand you took from me last time, hurry up Give it back to me!"

Hearing this, the guy hurriedly said: "Boss, I said! I said it's okay! Just now, you suddenly had to eat that thing like crazy. The three of us pressed you, but you were too strong and broke away. After that, you ran to the toilet of the hospital, but we didn't catch up with you. You broke into a cubicle and pulled out an Old Master who was doing to the toilet, and then..."

Wu Qi's face turned black. He resisted the nausea and murmured, "I...have I eaten?"

The fourth child nodded cautiously, and said, “Yes...you...eat...”

“vomit.....”

Wu Qi spit out suddenly.

The thing that he ate twice in a row, all vomited in the car...

At this time, the whole car seemed to have fallen into a septic tank, and it smelled like the gutter, and the windows were hard to use when driving...

The other four people in the car have completely collapsed!

The head teacher wanted to die. He had just bought a car for 200,000 and drove it for two weeks, and it was covered with the vomit. It is estimated that he will not be able to drive in the future.

But he also dared not say anything. After all, the Wu family's strength is too strong. The principal has already told him that he must take care of Wu Qi and must not be negligent...

At this time, Wu Qi's video of eating stool has become popular on Facebook!

This kind of brutal and inhuman devil video has exploded in the moment it goes up!

The Wu family in Suzhou and Hangzhou was shocked when they saw this video! The whole family became nervous about it.

The Wu family is one of the largest families in the south of the Yangtze River. They have always attached great importance to their children. Suddenly, Wu Qi had such an unthinkable thing. The Wu family immediately realized that something must have happened, so they had to come and find out.

At the same time, the Wu family is also trying every means to contact the entire network to delete videos. After all, this kind of thing is too shameful for them. How can a big family like theirs afford this person?

However, the speed of this video spread was so fast, and it spread to platforms such as Youtube, Instagram, and Twitter. It almost instantly reached the hottest state, and it was instantly known.

The head of the Wu family was furious. Wu Qi's father Regnar immediately called Wu Qi and blurted out, "Wu Qi, what's wrong with you?! What is it that stimulates you?! Do you know your video? , After the video exploded, how much black was smeared on the family's face!"

When Wu Qi heard that the video had exploded on YouTube, he couldn't wait to hit himself to death, or just jump out of the car and kill himself.

He cried loudly and said, "Dad! you can't blame me for this! I don't know what's wrong. My brain will have problems every hour, and then I will eat that thing uncontrollably. The whole person is totally unaware. My classmate said that if I can't eat that, I will self-harm and commit suicide...Dad, you have to find a way to save me!"

When Regnar heard this, he immediately said, "Son, wait for me! I will fly over with your brother and the doctor!"

After finishing speaking, he immediately took his brother Roger, too late to pack any luggage, and hurriedly took a private plane from Suzhou to Hangzhou to Aurous Hill. They were accompanied by the entire Wu family's physician team.

The strength of the Wu family even exceeds that of the Song family by a large margin. The family has all aspects of supporting facilities, not only private jets, private yachts, but even a private medical team and security team.

The Wu family's physician team is composed of six top medical experts in various fields, including one of the best psychiatric experts in China.

However, the Wu family did not know that even the best psychiatrists in the world would not be able to cure Wu Qi's disease!

Chapter 459

Charlie was at the gate of Aurous Hill College of Finance and Economics at this time, and Aoxue the arm affectionately.

“Mr. Wade, you are so amazing! So many of us have been useless to persuade Yuesheng for so long, so you just said a few words to her, and she immediately figured it out!”

Charlie said indifferently: “It may be that after jumping into the lake, she realized the preciousness of life. People will only see some of their own problems when they are in desperation.”

Aoxue nodded repeatedly, and said gratefully: “Mr. Wade, thank you so much this time. If it weren’t for you, Yuesheng might have been short-sighted...”

Charlie said: “Don’t worry, she will face life positively and optimistically in the future.”

After speaking, Charlie reminded: “You also have to be careful yourself, and when you find a boyfriend in the future, don’t be fooled by such a s*umbag!”

Aoxue smiled shyly, and said, “Of course not! I am very smart...”

After speaking, he looked at Charlie with big eyes full of admiration, and whispered: “I have thought about it. If I find a boyfriend in the future, I will find someone like Mr. Wade...”

Charlie smiled and said, “Do you want to hire a son-in-law?”

Aoxue replied with shame: “If I can find Mr. Wade, it doesn’t matter if he doesn’t come to the door...”

Charlie nodded and smiled: “Okay, you are still young now, study hard, it is not too late to fall in love after graduating from college.”

Aoxue mumbled her little mouth, and said, “If you meet the right one, you may talk about it in advance, after all, the true love is the biggest!”

“Yeah.” Charlie also said seriously: “If you really meet the right person, of course don’t miss the opportunity.”

With that, Charlie didn’t think deeply, and said to her: “Okay, you can go back to the bedroom, I’m leaving.”

Aoxue said, “Mr. Wade, are you leaving now? Would you like to have a cup of coffee together?”

Charlie waved his hand: “Stop drinking, I can’t sleep at night after drinking.”

At this time, Aoxue suddenly received a WeChat message, she subconsciously opened it, and she was stunned and blurted out: “My mother, it’s disgusting!”

Charlie asked curiously: “What’s wrong?”

Aoxue retched for a while, and then handed the phone to Charlie. While coughing violently, she said: “The hot video on Facebook...that Wu Qi, actually rushed to eat stool in the hospital bathroom... Oh, it’s really disgusting, who would eat that kind of thing! It’s sick!”

Charlie glanced at the video, it was really disgusting, but it was d*mn good looking at it.

Isn’t he the dog kid who liked to give others psychological hints? This time he’s on the cusp, and feels the pleasure brought by psychological hints.

Charlie could already foresee Wu Qi’s future.

He must eat stool once an hour, otherwise life will fall into the extreme of self-harm and suicide.

It would be useless to tie him tightly. If they don’t feed him, he would try to bite his tongue, attempt a hunger strike, abstain from water, and even keep yelling crazy.

Therefore, the best way to keep him alive is to satisfy his need to eat stool every hour.

Otherwise, this person will suffer torture and die within a month.

But fortunately, the Wu family is also a big family, with a big support base and a lot of people. This will definitely be indispensable in the future...

But Wu Qi will be a bit miserable for the rest of his life. He has to eat every hour. They don’t know how long he can last!

.....

When Charlie returned home, Wu Qi was sent to the SanityLab Hospital.

SanityLab Hospital is the only psychiatric hospital in Aurous Hill, but it is too remote.

Chapter 460

Driving this way, twenty or thirty kilometers, the smell in this car is comparable to a septic tank, and for several others, it is simply a torture like a purgatory on earth.

Just got out of the car and was helping Wu Qi to walk into the hospital. At this time, Wu Qi suddenly felt something wrong...

He felt dizzy and headache in his head, so he looked at the people around him desperately, and cried and said: "It's over...that feeling will come again...after a while if I lose again Reason, you must hold me back!"

Several people had lingering fears, but they nodded subconsciously.

What they thought in hearts is that if they pull him, he will definitely try to pull them, but if he succeeds, it's really bad...

Immediately afterwards, Wu Qi suddenly changed his face and shouted hysterically: "Where is the toilet?! Where is the toilet?!"

Everyone looked at each other, desperate in their hearts...

It really started again!

How to do? !

The head teacher yelled: "Push him there! Don't let go this time!"

So everyone hurriedly hugged him, put him down on the ground, and then pressed his limbs tightly. The head teacher said, "You wait, I'll call the doctor to help!"

Three people pressed Wu Qi desperately, but Wu Qi had been struggling desperately. One of them couldn't help but say: "Oh f*ck, I can't hold him anymore, what should I do!"

"If you can't hold it, you have to press it!" Another said, "Wait when I pull off the belt and tie up his legs!"

"It's a good way!"

At this moment, Wu Qi was crushed to the ground, his eyes were red, and he blurted out and shouted: "Let go of me! You guys, let me go!"

People passing by the psychiatric hospital are not used to this. Everyone is too lazy to take a look. After all, there are often such hysterical patients here.

At this time, a retired Old Master living in the back family yard led a huge husky to the front, the husky smelled everywhere, and then squatted down in a circle.

Seeing this, the roommate in Wu Qi's bedroom yelled at the Old Master: "Hurry up and take your dog away! Don't let him pull it here!"

The Old Master glared at him and said, "Can you control it?"

The roommate was anxious, and blurted out: "You dead Old Master, if you don't get rid of your dead dog, something big will happen!"

The Old Master snorted coldly and said, "I have been keeping this dog for six years. Even if it is pulled on my bed, I will let it pull it comfortably. Then I clean it up again, and I am not willing to let it be wronged. Who do you think you are?"

"You..." The roommate was speechless.

At this time, the husky had already worked hard, pulled out a few times, and pulled out a lot of hot sh!t.

Wu Qi was even crazy when he saw this scene!

It seemed that he was given a stimulant in an instant, and his body's strength exploded several times in an instant. He bowed fiercely, and knocked all the three people on his body to the ground!

The three of them fell on all sides, and before they had time to cry out, the fourth child collapsed and shouted: "f*ck, stop the boss!"

As the three of them said, they went crazy to catch up.

But, how can they have such crazy Wu Qi fast!

Wu Qi rushed to the Husky in an instant, toward the big pile of sh!t on the ground, instantly like a vicious dog rushing for food, opened his mouth and rushed up!

The Old Master was shocked by the scene of subverting the three views, jumping half a meter high, and trembling: "You...you...how many days have you been hungry?!"
