

The Charismatic Charlie Wade Chapter 476 – 480

Chapter 476

The assistant smiled and said, “Mr. Ichiro, don’t worry, the Chinese can’t respond so quickly. We’ll drive to the airport in half an hour at most. It’s also very fast to go through the VIP channel and go through the security check. An hour later, we must have taken off. At that time, even the gods will not be able to stop us!”

Ichiro’s Maybach immediately drove away and directly boarded the airport expressway, preparing to reach the airport at the fastest speed, and then return to Tokyo by private jet.

Along the way, Ichiro’s excitement speeded up. He repeatedly looked at the four magic medicines and muttered to himself: “The Kobayashi family will rely on it to build a global presence! At that time, I will also rely on it to become Kobayashi Pharmaceutical Co., Ltd’s president!”

Maybach speeded all the way and soon arrived at Aurous Hill Airport.

As soon as the car stopped, Ichiro was about to get off and enter the airport at the fastest speed.

However, at the moment he just got out of the car, suddenly eight Mercedes-Benz big G off-road vehicles drove over and surrounded him and his Maybach.

Soon, thirty bodyguards in black came down from the eight cars. These people are all masters carefully trained by Issac, with extraordinary strength!

Issac got out of a big G, looked at Ichiro, and said coldly: “Mr. Kobayashi, our master is here, please come over and chat!”

“Your master?!” Ichiro hid the pill in his pocket and asked nervously, “Who is your master? Do you know who I am? I’m the vice chairman of Kobayashi Pharmaceutical!”

Issac stretched out his hand and patted his face, and said indifferently: “You Kobayashi Pharmaceutical is a Japanese company. What are you pretending to be in China? There is an old Chinese saying that the dragon is not the river. Japan and China are separated by the sea. What are you pretending to be with me?”

Ichiro suddenly became nervous.

He didn’t know what these people were stopping him for, was it because of magical medicine, or something else?

If it was because of the magical medicine, then it was really a bit dangerous this time, not to mention, this group of people is so strong, it is difficult to let go, and it is impossible for him to escape.

However, if they are because of other things, does that mean that he can still send the medicine back to Japan first?

Thinking of this, he pretended to be calm and asked: “Who is your young master?”

Issac said indifferently: “Mr. Kobayashi, your Kobayashi Pharmaceutical has plagiarized so many ancient Chinese prescriptions. Presumably your family must have a good understanding of the situation in China. You should have heard of the Wade family?!”

“Wade Family?!” Ichiro was shocked!

How could he have never heard of Eastcliff Wade’s family?

After all, this is China’s top family, and its family strength is also ranked top in the world. Even the big super chaebols in Japan are not as good as the Wade family, not to mention that there is only one Kobayashi Pharmaceutical.

He panicked all of a sudden, and blurted out: “I don’t know what your young master is asking for?”

Issac said indifferently: “If you have anything, you will know if you come with me.”

Ichiro asked nervously, "What if I don't go?"

Issac smiled faintly, took out a pistol from his arms, and said lightly: "Since our master has ordered, then I must take you there. If I can't take you alive, then you will die!"

Ichiro was worried, but he was more concerned about whether he could send the magic medicine back first!

This is the key to laying his foundation in the family!

Thinking of this, he asked tentatively: "Can I go with you and let my assistant go back to Japan first? He still has a lot of important things to deal with."

Issac laughed and said generously: "Of course, everyone except you can go."

Ichiro breathed a sigh of relief, and quickly quietly handed the box containing the magic medicine to the assistant, patted his shoulder, and said, "You go back by plane first, tell my father, just say I'm fine, and I will come back soon to meet him!"

Chapter 477

Ichiro gave the stolen magic medicine to the assistant. Seeing the assistant enter the airport, he was relieved and asked Issac, "I don't know where your master is?"

Issac said lightly: "You'll know if you follow me."

After speaking, they winked at the two people around him, and they immediately clamped him to the left and right, and took one of the big gs.

The convoy quickly left the airport and headed to the dog farm opened by Orvel in the suburbs.

On the way to the dog farm, Issac called Charlie and said, "Mr. Wade Ichiro has been controlled by me. I will take him to the dog farm of Orvel. If you want to come over, I'll send someone to pick you up!"

Charlie glanced at Claire, who was asleep, and said, "After arranging the car for five minutes, come downstairs to my house."

After making a bracelet for Claire with a clam that was worth hundreds of millions, Claire was able to rest very securely while wearing it. She would almost never wake up at night, so Charlie didn't worry that she would find out.

Five minutes later, Charlie went downstairs. A Rolls-Royce was already parked downstairs. The driver Charlie had never seen him, but he recognized Charlie, opened the door respectfully, and said, "Mr. Wade please. "

Charlie nodded, got in the car, and the car drove out of the city quickly.

When Charlie arrived at Orvel's kennel, Issac had already arrived.

This is the first time Charlie has come to Orvel's dog farm. Although he has heard about this place for a long time, he has never been to this place.

The location of this kennel is very small and the scale is very large. As soon as he got off the car, he heard countless dogs called a group, and the voices of these dogs were very low and heavy, and they sounded like large dogs.

It is said that Mr. Orvel set up this kennel mainly to raise, breed and train some fighting dogs for underground dogfighting. People in the underground world are obsessed with fighting dogs, and they often organize competitions, betting tens of millions.

In addition to raising dogs, Mr. Orvel also regarded this place as a torture ground. Some people who needed to evaporate from the world were sent here by him to become rations for vicious dogfighting.

In the yard of the kennel, there is a three-story building. This building is usually used by the staff for rest and office. There is also a warehouse for storing dog food underground, and a secret room for Mr. Orvel to use lynching.

At this time, Ichiro was tied with his hands and hung on a frame in the dark.

The underground world of Aurous Hill is no different from the underground worlds of Hong Kong and Taiwan. It is very strict with rules and regulations, and its various habits

are the same as those of the youth gang a hundred years ago. Once the interests of the gang are violated, the first thing is to face is lynching.

Also detained here with Ichiro, and the six men in black who robbed Tianqi's "magic medicine".

When Ichiro saw the six of them here, he was frightened.

He realized that this matter might have something to do with the magic drug. He didn't know how the Chinese would deal with him if they knew that the magic drug was taken away by him?

At this time, Charlie stepped in.

Issac greeted him respectfully and bowed: "Mr. Wade Ichiro and his six doglegs are here."

Charlie nodded, looked at Ichiro, and smiled slightly: "Mr. Kobayashi, let's meet again."

"Ah...you...you are..." Ichiro suddenly remembered Charlie!

At the traditional medicine Expo, when he went to ask Tianqi for a prescription, he was right there, and because he was just an assistant or subordinate of Tianqi, he didn't expect that he turned out to be the young master of the Wade family!

Charlie looked at the hanged Ichiro, and said coldly: "Mr. Kobayashi, you are so courageous! You dare to send someone to administer the old magic medicine. Are you tired of your life?"

Hearing this, Ichiro suddenly panicked and blurted out: "Mr. Wade, this is all a misunderstanding!"

"Misunderstanding?" Charlie pointed to the six people in black who were tied on the ground next to him, and asked with a sneer, "Aren't these six people yours?"

Ichiro hurriedly shook his head: "No, I don't even know them!"

Chapter 478

Charlie nodded and asked the six people back: "Do you know him?"

The six people looked blank, as if they could not speak Chinese at all.

At this time, Issac stepped forward and translated a sentence in Japanese. The six people also shook their heads and talked a lot.

Soon, Issac said to Charlie: "Mr. Wade they said they didn't know this Ichiro."

"Oh." Charlie nodded, and said lightly: "Since you don't know him, then pick one from them, chop and feed the dog, and then ask the remaining five people."

"Okay!" Issac immediately translated Charlie's words, and the six of them were shocked and dumbfounded.

They couldn't believe that Charlie only asked one sentence, and he was about to arrest someone and feed to the dog!

Could it be that he really has such courage? !

Charlie said to Mr. Orvel at this time: "Mr. Orvel, your venue is more familiar to you. Take these six people out, weigh them one by one, choose the heaviest one, chop him for dogs, and let the rest Five observe it live! Then bring them back for questioning!"

Mr. Orvel asked respectfully: "Mr. Wade what if they admit in advance?"

Charlie said lightly: "It's too late now, so you have to chop off even if they admit in advance!"

Ichiro's fright is gone! The difference from the six subordinates is that he understands and immediately understands the meaning of Charlie's words!

The living person chopped up to feed the dog, is this Wade family's young master so cruel? !

What if he really wants to chop him? !

The six unknown men in black were taken out by Mr. Orvel's men.

Ten minutes later, They heard the dogs in the entire kennel boil!

Subsequently, the remaining five subordinates were dragged back like dead dogs.

Without exception, all five of them were frightened and convulsed violently.

As soon as they entered, the five people went crazy and yelled at Ichiro in Japanese.

Issac helped Charlie to translate: "Mr. Wade these people are telling Ichiro that they saw their companion was chopped to feed the dog."

Charlie nodded, then looked at Ichiro, he was so scared that he passed out.

So Charlie said coldly: "Ichiro, I'll give you one last chance, to be honest, otherwise, your fate will be exactly the same as the one just now!"

Although Ichiro wanted to contribute to the family, it was not based on the premise that he would die, so when he realized that Charlie might really kill him, he was almost shocked!

So he hurriedly pleaded: "Mr. Wade, I will speak, I will say everything! I let them snatch Tianqi's magical medicine. Please forgive me, or you can say the number, I am willing to pay for it!"

Charlie asked with a black face, "Where is the medicine?"

Ichiro said: "The medicine, I let my assistant take it to the airport..."

Charlie asked again: "Has the plane taken off?"

Ichiro nodded again and again: "It should have taken off, and it should be out of China's airspace now!"

Charlie gritted his teeth and said, “How dare you snatch the magic medicine? Good! Very good, since Chinese magic medicine has been taken to Japan by your people, then I will save your life. In China!”

Chapter 479

Ichiro was so scared that Charlie cried!

He is not a dead man himself, but a rich young master, thinking in his heart to win glory for the family, which is also based on what he can enjoy.

Now that he was caught by Charlie and trapped in a kennel, he might at any time incarnate the delicious food in the mouths of countless evil dogs. At this time, he was naturally afraid and regretful.

So he cried and said to Charlie: “Mr. Wade, I beg you, tell me the number, no matter how much money, I am willing to pay you! Otherwise, I will call my father and let him inform the crew , The plane turned around directly back to Aurous Hill and returned the medicine to you intact, do you think it’s okay?”

Charlie said, “You’re less f*cking bluffing me, you treat me as if I don’t know? Many companies now have very advanced component analysis equipment. When you put things in the equipment, you can analyze all the components in a few minutes. Kobayashi Pharmaceutical itself It’s a big pharmaceutical company. There must be such an instrument, right?”

Ichiro nodded like pounding garlic, and cried and said, “There are real ones, but I didn’t bring them this time when I came to China! So you can rest assured, as long as the magic drug is not sent to our laboratory at Kobayashi Pharmaceutical, we can’t get into the ingredients.”

Charlie sneered and said, “Do you think I will believe it if you say it? Maybe you have this kind of instrument on your plane, maybe you have now got a list of all the ingredients of the magic medicine, maybe you have scraped a little from the magic medicine. Powder, this powder is enough for you to go back and study the ingredients!”

Ichiro cried and said, “Mr. Wade, I will use my personality to vouch for you...”

Charlie slapped him directly, and cursed: “You are a robber and thief, and you f*cking mention your personality with me?”

Ichiro suddenly had nothing to say.

Charlie is right. He is indeed a robber and thief. Talking about personality at this time is really a little black humor...

Ichiro hurriedly asked: “Mr. Wade, then you say a solution, as long as it is within my ability, I will definitely follow it!”

Charlie said: “In fact, it is simple. Since you have stolen this magical medicine, then I guess the formula must have been obtained by you, so it is better for you to directly pay for the formula of this medicine.”

Ichiro nodded immediately and said, “No problem! Absolutely no problem! Mr. Wade, you can make a price, and I can report to my family immediately!”

Charlie said indifferently: “10 billion, otherwise, I will kill you. By the way, I will expose your Kobayashi Pharmaceutical’s theft of formulas internationally, so that your Kobayashi Pharmaceutical’s reputation will be discredited all over the world!”

Ichiro was taken aback and blurted out: “Mr. Charlie, ten billion is too much...We...we really don’t have so much money...”

“Tell me?” Charlie said coldly: “I have already investigated your Kobayashi Pharmaceutical, and the benefits of your Kobayashi Pharmaceutical are still very good, with a net profit of 2 billion a year, plus some time ago you just borrowed a large sum of money from the bank to invest in the construction of Asia’s largest production base in Osaka, Japan. This money should be in your Kobayashi Pharmaceutical’s account?!”

Ichiro tremblingly said, “Mr. Wade, let’s tell you, this money is the most important thing for us at Kobayashi Pharmaceutical. It is completely controlled by my father. I am not in charge!”

Charlie nodded and said, “Then call your father and tell him! Immediately!”

After speaking, Charlie said to Issac: "People let go of his right hand and give him his mobile phone."

Issac personally let go of his right hand and handed him his mobile phone.

Chapter 480

Ichiro had to pluck up courage and call his father.

At this time, Masao Kobayashi was anxiously waiting for the magic medicine to arrive in Tokyo.

He himself was really impatient, so he had his family put him in an ambulance and sent him directly to the airport to wait.

The Kobayashi family has an eye-catching eye in Tokyo, and their private jet has an independent hangar at Tokyo Airport. There is also a very high-end lounge in this hangar, which is owned by the Kobayashi family. Therefore, Masao Kobayashi took his second son, Jiro, Right here, waiting for the magic medicine to land.

Suddenly received a call from Ichiro, Masao Kobayashi hurriedly asked: "Ichiro, I heard that you didn't board the plane when the plane took off? Where are you now?"

Ichiro hurriedly said: "Father, I was left behind by the Wade Family of Eastcliff. He accused us of stealing magical medicine and prescriptions. Now he wants us to buy out the patents for the prescriptions with 10 billion. Otherwise, I will be required to give my life and he will expose Kobayashi Pharmaceutical's theft of prescriptions..."

"What?!" Masao Kobayashi blurted out loudly: "b*stard! Why are you so careless in your affairs!"

Ichiro cried out: "Father, I'm already very careful, but I still don't know why I was discovered by them, but now you must save me, otherwise, I will die!"

Masao Kobayashi said coldly: "Ten billion is simply a fantasy. I will never agree to it! If they can agree to a billion, I can accept it!"

Charlie has been listening to Issac's translation. Hearing this, he sneered and said, "Mr. Masao Kobayashi, with all due respect, the magic medicine you stole is a magic medicine with strong repairing ability to deal with your own injury, high position. Paraplegia can be cured, not to mention other similar diseases. If this drug is put on the market, it will make at least 10 billion a year. This is a cheap bargain, understand?"

Masao Kobayashi snorted and said, "How do I know if this medicine is as godly as you say?"

Charlie said: "Simple, in more than an hour, our magic medicine will land in Tokyo. I heard that you are also paralyzed in bed. At that time, you can take our magic medicine and you will be able to recover in ten minutes at most. When you personally experience the effects of the medicine, pay the money, otherwise, I will immediately expose your son's drug stealing to the world, so that your Kobayashi Pharmaceutical's reputation will be discredited."

After speaking, Charlie said again: "Oh, yes, your son will definitely die by then!"

Masao Kobayashi was also a little nervous at this time.

The evidence that his son was caught and the medicine was taken by others, if he refuses to cooperate, once exposed, Kobayashi Pharmaceutical will indeed be spurned by the world.

At that time, the Japanese government will also prohibit its own production of this magic drug in compliance with international law.

In that way, it would have been a waste of water in the bamboo basket, failing to fight a fox, and causing a commotion.

What's more, it is also possible to cost him the life of his son.

However, if this medicine really has such a good effect, then ten billion is really nothing. If he gives this ten billion to Charlie, it is estimated that he will be able to earn it back within one year, and the next year will be blood earning up many times!

Thinking of this, Masao Kobayashi immediately said, "Okay! If your magical medicine really restores me to the same level as before, then I will give you 10 billion and buy out this prescription exclusively!"
