

The Charismatic Charlie Wade Chapter 481 – 485

Chapter 481

After an hour.

A Global Express private jet landed at Tokyo Narita Airport.

After the plane landed, it taxied all the way to its own hangar.

In the hangar, Kobayashi has been waiting for a long time.

As soon as the plane entered the hangar and stopped and the cabin door opened, Ichiro's assistant jumped down eagerly, holding the medicine box in both hands, and ran to Masao Kobayashi.

At this time, Masao Kobayashi was sitting in a wheelchair looking forward to it, his second son, Jiro Kobayashi, behind him, pushing the wheelchair blankly.

Jiro was very annoyed in his heart. Originally, he was already in the family heir's competition, relying on his strength to hold down his brother, but he did not expect that he would go to China to steal a magic drug.

If this medicine is so magical as it is said, then it can not only cure the father's disease but also bring huge profits to Kobayashi Pharmaceutical.

At that time, the little advantage that he had accumulated for so many years will be gone!

Ichiro's assistant offered the magic medicine to Masao Kobayashi and blurted out: "Chairman! This is the magic medicine that the vice chairman desperately obtained, and asked me to give it to you!"

Masao Kobayashi nodded, and couldn't wait to say, "Give me the pill!"

The assistant hurriedly opened the box and handed the pill, and the servant next to him hurriedly delivered a glass of warm water.

Masao Kobayashi tremblingly took the pill, put it under his nose and smelled it, and exclaimed, "It's so rich and pure medicine. The smell of this medicine is refreshing!"

After speaking, he opened his mouth without hesitation, swallowed the pill, and took a sip of water to take it.

Everyone is staring at him, wondering if this magical medicine is as magical as it is said.

It is said that even high paraplegia can be cured. Isn't that shocking?

At this time, Masao Kobayashi felt a burst of warmth in his abdomen, and the warmth quickly spread throughout his body. The places it went was hot and comfortable. He couldn't help but sigh: "It's really amazing, I haven't felt my legs for a long time, but the medicine actually made me feel my legs start to get hot!"

A few minutes later, he felt that his whole body was filled with a powerful sense of strength, as if he had suddenly returned to the state he was ten years ago or even twenty years ago!

He was so excited that he tried to control his legs and wanted to stand up. He didn't expect that with a little effort, he would really stand up!

"Oh my God!"

The people around were amazed!

Jiro has been stunned!

He is learning medicine, he naturally knows that there is a problem with the nervous system, and how difficult it is to treat it.

No matter how rich people are, once they are paralyzed, they cannot be cured completely, and it is impossible even to stand up.

However, this magical medicine only took ten minutes to make his father who had been paralyzed for more than three years stand up!

This...is too amazing?

In this way, it can not only cure high paraplegia, hemiplegia, and stroke, but also treat diseases such as Parkinson's, after all, they are all related to the nervous system!

Then this medicine is really an invincible magic medicine!

At this moment, Masao Kobayashi tried to move forward. He thought he would be stumbling, but he didn't expect that he felt flat and relaxed!

Masao Kobayashi is so excited!

He walked faster and faster, and even turned, jumped slightly, and even trot a few steps. The whole person was in an extremely good state. Not only was he cured of his paralysis, but he was also twenty years younger!

The health doctor of the Kobayashi family immediately went forward to check his condition and said shockedly: "President! Your damaged nervous system is really fully restored! This is a medical miracle!"

Chapter 482

"Yeah! A miracle! This is a miracle that Amaterasu may not be able to achieve even when he appears!"

Masao Kobayashi was almost mad with excitement.

Just when he was ecstatic and excited, Charlie called.

"Mr. Masao Kobayashi, how do you feel?"

Masao Kobayashi was completely convinced by the magic drug at this time, and he blurted out excitedly: "Mr. Charlie, I accept your terms! I will purchase the patent for this magic drug for 10 billion!"

Charlie snorted and said, "I will send you the card number, and you will send the money in 20 minutes. Otherwise, I will expose what you did to the whole world."

Masao Kobayashi hurriedly said: "Mr. Charlie, please rest assured, I will arrange for the financial staff to transfer the money!"

For the entire Kobayashi Pharmaceuticals, all the funds on the books add up to a little more than 10.2 billion, of which more than 70% are loans. However, for Masao Kobayashi, this tens of billions of spending is worth it!

With this magic drug, Kobayashi Pharmaceutical will surely become the world's top pharmaceutical company in the future!

A few minutes later, Charlie received a text message reminder: Japan's Kobayashi Pharmaceutical has transferred 1.427 billion USD into his account, equivalent to 10 billion.

The money has arrived, Charlie smiled slightly and said to Masao Kobayashi: "Mr. Kobayashi, Mr. Ichiro and I wish you good luck together."

After speaking, he immediately hung up.

Ichiro said excitedly: "Mr. Wade, since you have received the money, can you let me go now?"

Charlie smiled mysteriously and said, "You're so anxious to leave?"

Ichiro said excitedly: "I want to go back to Tokyo quickly and prepare to take over Kobayashi Pharmaceutical!"

Charlie laughed and said, "Mr. Kobayashi, don't worry, in half an hour, you may beg me to take you in."

"What do you mean?" Ichiro asked in surprise, "Are you going to regret it?"

Charlie sneered, and said arrogantly: "You always talk with Charlie. If you want to go, you can leave now, but if you run back and ask me to protect you, then I will consider it."

Ichiro frowned, not knowing what Charlie meant, but he just wanted to go back to Japan at this time, so he hurriedly said, "Thank you, Mr. Charlie, for your kindness, but please send me and my hands to the airport. I want to buy the earliest airplane back to Japan!"

Charlie shook his head: "You can go, but the five of them can't."

Ichiro hurriedly asked, "What does this mean?"

Charlie said: "These five people were not included in the deal we just talked about. Moreover, these five people dared to commit armed robbery on our land. This is a heinous crime and a price must be paid!"

Ichiro blurted out: "Mr. Charlie, there is no need to rush to exterminate them, right?!"

Charlie said indifferently: "If you don't kill chickens to show the monkeys, tomorrow there may be Dalin Pharmaceutical, Matsushita Pharmaceutical, and Sony Pharmaceuticals coming to China to behave recklessly. If you push me more, I will have your tongue cut off. "

Ichiro looked horrified. He glanced at the five subordinates who were confused because they couldn't understand the language. He gritted his teeth and said, "Okay! Then please send me to the airport first!"

Charlie said to Mr. Orvel: "Mr. Orvel, you send him personally. If he cries to you later and says that he wants to come back, then you can bring him back again, but before bringing him back, find a place to stop the Car, hit him, let him remember."

"Good!" Mr. Orvel nodded respectfully, and said to Ichiro: "Mr. Kobayashi, please."

Ichiro looked at Charlie and said seriously: "Mr. Charlie, you seem to be too confident. I will never return to this ghost place! Goodbye!"

Charlie smiled without saying a word.

It is estimated that in another twenty minutes or half an hour, your Old Master Masao Kobayashi will be cold, and there is 90% chance of your brother thinking that you deliberately harmed the Old Master.

Even if he doesn't doubt you, in order to eradicate your troubles, he will definitely push the death of the Old Master on you.

At that time, maybe you will be chased by Kobayashi Pharmaceutical, dare to return to Japan, it will be strange not to be chopped into meat!

Chapter 483

Mr. Orvel drove to the airport with Ichiro full of excitement.

Ichiro is very excited now. Although the family has suffered severe bleeding and gave Charlie 10 billion, his father's paralysis is cured! Moreover, Kobayashi Pharmaceutical also got the prescription of the magic medicine.

With this prescription, Kobayashi Pharmaceutical will soon be able to usher in rapid development.

When he becomes the chairman of Kobayashi Pharmaceutical Co., Ltd., you will be able to reach the pinnacle of his life!

Therefore, now he can't wait for himself to grow a pair of wings and immediately return to Tokyo to accept his father's parents and family's worship.

At this moment, in Tokyo, Japan, Masao Kobayashi, who has finally recovered to health, is experiencing the beauty of youth with excitement.

His physical condition has improved to an incredible level, so much so that he can't wait to find two young girls quickly to experience the refreshment after a long absence.

On the way out of the airport, Kobayashi had to drive by himself.

Two of his favorite things in his life, one is a woman, the other is a car.

For him, both of these can bring him a strong sense of control.

Women will not be easy to find for a while now, and when it recovers, he will find a woman. It may not be a good reputation for him, let alone the second son is still around.

But, driving is always possible, right?

Of course Jiro did not dare to disobey his father's decision. After all, he is already very passive now. If he waits for his eldest brother to return, then he will become a hero of the Kobayashi family, and he will be more passive then, so he must coax his father well at this time. .

So he hurriedly said: "Father, why don't you drive my Bentley sports car, didn't you like speed the most when you were young? That car is very dynamic, and it happens to be late at night, there are no cars on the road, you can take it for a run!"

"Okay!" Masao Kobayashi laughed and got into Jiro's Bentley sports car.

Jiro hurriedly got into the co-pilot and said respectfully: "Father, I did not expect that you could still ride the car I drove in this life. When I was a child, I liked to ride in the car that my father drove the most. At that time I had a strong sense of security."

Masao Kobayashi nodded, and sighed: "Jiro, this is a person's good fortune. Amaterasu might not have thought that I would have such an opportunity! This is simply the second spring of my life!"

Next to him, Jiro sat up with excitement and said, "Father, start the car. I can't wait to feel the greatness of my father's love again!"

Masao Kobayashi gave a hum, smiled and stretched out his hand to press the button for starting the engine.

However, after he stretched out his hand, he suddenly felt his body instantly stiffened, and the whole person suddenly lost control of his body...

Jiro watched his father's hand hanging in the air, but never pressed the activation button. He couldn't help asking, "Father, are you too excited?"

Masao Kobayashi was speechless, so he could only whimper twice as hard as he could. At this time, he already felt very difficult to breathe and was about to suffocate to death!

When Jiro looked at his father, he was shocked!

His father's face was black and purple, and the blood vessels on his neck and forehead were all violent, and the blue veins looked terrifying!

Jiro panicked, and blurted out: "Father! What's wrong with you?!"

Masao Kobayashi felt a pair of big hands stuck to his neck. He looked at Jiro with an expression of extreme pain, and said with all his strength, "This...this medicine is poisonous... ."

After speaking, the body suddenly lost all strength, tilted his head, foaming at the mouth...

Chapter 484

The medicine finally exerted its ultimate effect and killed Masao Kobayashi!

Masao didn't know when he was dying, the medicine he took was such a devil's medicine!

At this moment, Jiro hurriedly pushed the car door, and shouted at the family members who were about to board other vehicles: "Father is poisoned! The magical medicine my brother brought back is poisonous!"

When everyone heard this, it was like being struck by lightning!

A large group of people swarmed in, and the family doctor hurried to check.

It doesn't matter if they look at it, the Old Master is really dead!

At this time, Masao Kobayashi's expression was extremely distorted and terrifying, his complexion was black and his eyes were bloodshot, his mouth was open, and his death was extremely miserable!

After the doctor stepped forward to check, he tremblingly said: "The president, he really died of poison...Is the magic medicine poison?!"

The members of the entire Kobayashi family felt as if they were up there for a while, and they couldn't stand still!

If this magical medicine is poison, then...that would be a heavy loss!

Not only did the president's life wasted, but almost all of the cash that Kobayashi had now was remitted to the other party, most of which were bank loans! In this way, in the future, if Kobayashi Pharmaceutical repays the loan, it will take at least ten or eight years to repay it. How can there be any chance for rapid development? !

It is conceivable that the future of Kobayashi Pharmaceutical will be in a slump!

Jiro looked extremely gloomy on the side.

Although he was also very distressed, but in his heart, he was also faintly excited.

Because he knew that in this way, his brother, Ichiro, would never be able to threaten him.

Not only can he not threaten him, but he will also kill him!

Killing father is a capital crime! As long as he dares to return to Japan, he will be chopped into meat sauce!

wrong!

Even if he does not return to Japan, he will send someone out to hunt him down!

Thinking of this, he immediately coldly said, "Brother Ichiro must have killed father! We can't forgive him for doing such a rebellious thing!"

The folklore of Japan is similar to that of China. In the traditions of these two countries, father killing is the biggest crime in the world!

So, Jiro gritted his teeth and said: "Now, I officially announce that Ichiro must pay the price of his life for killing father and rebelliousness! I have passed my order that I will temporarily take over the chairman of Kobayashi Pharmaceutical Co., Ltd., and at the

same time announce to all gangs in Japan. The mission, kill Ichiro, Kobayashi Pharmaceutical is willing to give him one billion yen!”

One billion yen, which is almost 50 million Yuan, is a huge sum.

Although Kobayashi Pharmaceuticals has just lost 10 billion and suffered a huge loss, it is a world-renowned pharmaceutical company after all. Lean Camel is bigger than a horse. Even if the future will be very difficult, it is not difficult to spend 1 billion yen.

This billion-yen bonus is enough for all Japanese gangs to hunt down Ichiro!

As long as he dies, he can naturally become the official chairman of the company!

The assistant of Ichiro was frightened by this sight. He hurried away from the airport while everyone was not paying attention to him. At the same time, he called Ichiro. As soon as the call was connected, he cried and said, “Mr. Ichiro! You! Don’t come back to Japan! The master is dead, and the second master thinks that your magic drug killed him. Now he has a reward of one billion yen to killing you!”

Chapter 485

When Ichiro heard this, he was frightened suddenly!

Father is dead? And he died after taking his magical medicine? !

This... how is this possible?

Could it be that that magical medicine is poisonous in itself? !

Thinking of this, he was angry and frightened, and he wished to confront Charlie face to face!

It’s fine if he lied to own 10 billion, and poisoned the Old Master to death. Isn’t this too cruel?

However, if you think about Charlie's opponent again, what is the use of confronting him? Father is dead, it is impossible to resurrect, and it is impossible for Charlie to return the ten billion...

At this time, the assistant hurriedly said: "Mr. Wade you can find a place in China to hide well. Don't show up in a short time. I guess from tomorrow, there will be many Japanese gang members and killers who will come to Aurous Hill to find you. To take you down!"

Upon hearing this, Ichiro was even more panicked.

This is terrible, one billion yen is offered as a reward for his head, maybe he doesn't know how to die.

He suddenly remembered what Charlie said. He said to Mr. Orvel that if he cried and said he wanted to go back, then he would take him back. It seemed that he knew something like this would happen...

This b@stard! It is estimated that he specially set up a set and killed his father with poison!

At this moment, Ichiro couldn't wait to smash Charlie into ten thousand pieces.

However, thinking about it again, he can't go back to Japan now. If the Japanese gang members come to chase him tomorrow, he will have nowhere to hide in Aurous Hill...

It seems that only Charlie is his way of survival. After all, he has a strong background in China. No matter what gang in Japan, he cannot be his opponent.

So, he immediately said to Orvel: "Orvel! Could you please send me back to Mr. Charlie! Please!"

Mr. Orvel nodded faintly, pulled the car over, then walked to the co-pilot, opened the door and dragged Ichiro out, and without a word, he hit him with a punch in the face.

Ichiro yelled when he was beaten, and blurted out: "Mr. Wade what are you doing?"

Orvel said: "This is what our Charlie explained. If you say you want to go back, let me beat you up first, and then take you back!"

After finishing speaking, he kicked him to the ground and rode on him, and the big ears bowed left and right.

Although Orvel was older, he was a gangster, and his physical fitness was different from ordinary people. These few times made Ichiro dizzy, but Ichiro didn't dare to pretend to be forced by him, for fear of being abandoned.

After Orvel beat him up, he dragged him, threw him back into the car, and drove back to the kennel.

When he returned to the kennel, Ichiro's other five men had been fed the dogs. As soon as Ichiro was brought in, he cried and questioned Charlie: "Mr. Wade, why are you using fake drugs to lie to us? You hurt my father, he died, and now I am chased by my own brother. You are so vicious!"

Charlie curled his lips and said contemptuously: "Is your brain broken? When did I lie to you with fake drugs?"
