

The Charismatic Charlie Wade Chapter 496 – 500

Chapter 496

Charlie looked at Liang and asked curiously: “I heard you have something to ask me?”

Liang nodded hurriedly, took out the wooden box containing Thousand-Year Snow Ginseng from his arms, handed it to Charlie, and said respectfully:

“Mr. Wade, this thousand-year-old snow ginseng is a family heirloom passed down by my mother’s family for many years. I have been wearing it close to my body over the years, but this kind of treasure is in my hands and can’t produce much effect, so I thought about it. Dedicate it to Mr. Wade!”

Charlie didn’t say ha, he took the wooden box, opened it, and when he looked at it, he saw a snow-white ginseng with human-like roots and some waxy snow ginseng lying quietly in it.

With just one glance, Charlie could feel the strong and rich spiritual energy in it, this is really a treasure of heaven and earth! It has survived for thousands of years between heaven and earth, and absorbed all the aura between heaven and earth, and its origin is Changbai Mountain, where even now, it is very well protected and almost primitive ecology, so this snow ginseng is also more pure.

Charlie couldn’t help but get excited. If this thousand-year-old snow ginseng is used for his own use, it can make his own strength directly cross a level, which is simply an unforgettable opportunity.

So Charlie asked indifferently: “Liang, what do you want me to do?”

Liang hurriedly said: “Mr. Wade, let me tell you that Fredmen, the head of the Eastcliff Willson family and the chairman of the Future Company Group, lost his male ability some time ago. After taking the Wei family’s improved prescription, the roots began to

fester. Now the doctor They all said that his roots can't be kept, and he needs amputation. If he does amputation, then my Wei family will suffer! So I asked Mr. Wade to take action to help Fredmen solve the ulceration problem and help the Wei family survive the catastrophe... .”

Charlie smiled playfully, instead of replying directly to him, instead he asked with a curious look: “I heard that you suffer and are humiliate in the Wei family, why did you take out such precious snow ginseng at this time and beg me to help the Wei family survive? Difficulty?”

Liang confessed: “I have really suffered humiliation in the Wei family all these years. To be honest, I have no feelings for the Wei family. If my mother was not among the dead and unable to raise me, she would not let the Wei family treat me. I was received by Aurous Hill from Changbai Mountain...”

Speaking of this, Liang suddenly became a little excited, clenched his fists, and said, “The Wei family has given me so much humiliation for so many years. The reason why I am still in the Wei family is to find a chance to avenge the humiliation of these years! Also! My father did great harm to my mother back then. I always hope that one day I can let him lower his head, let him go to Changbai Mountain, go to my mother's grave, and confess to my mother!”

At this point in Liang's words, he was a little excited, and this man in his thirties actually shed two lines of tears.

He choked up and said: “Mr. Wade doesn't know anything. My mother, originally the only daughter of a family of herbal medicine collectors at the foot of Changbai Mountain, not a big family, but because of the craftsmanship of herbal medicine, life still rich. *The scm, my father, when he went to Changbai Mountain to collect medicine, saw that my mother was beautiful and young and ignorant, so he deceived her. The mother was played with by him. She thought he would marry her, but she didn't expect this sumbag to be a man of no words. He left, and my mother was pregnant with his child...*”

Having said that, Liang told Charlie exactly what happened back then.

Liang's mother was pregnant when she was unmarried. When she was pregnant with Liang, she was slandered in Changbai Mountain. If it weren't for her pregnancy, his mother would have wanted to end her life.

Later, Liang was born, and in the village at the foot of Changbai Mountain, he also became a wild species for everyone to point to. His only warmth and safe haven in his childhood was his mother.

But his mother became ill with overwork and grievances, and died when Liang was not an adult.

Liang came to Wei's house without his mother, and he never had a good day. His father looked down on his mother, so he also looked down on him. The stepmother and half-brother abused him, beat him, and humiliated him everyday in twenty years. He has been holding back, holding back to find a chance for revenge.

Speaking of this, he looked at Charlie and said sincerely: "Mr. Wade, my father promised that whoever can solve this problem for the family will become the chairman of Wei's Pharmaceutical. If you can help me get a direction, then I will be your horse for the rest of my life! Everything is up to you!"

Chapter 497

After hearing what Liang said, Charlie suddenly felt that Liang was a bit similar to himself.

Once upon a time, he was also an orphan and Rubbish who was humiliated and bullied by others.

When Stephen Thompson found him and handed over the Emgrand Group and a tens of billions of premium cards to his hands, it truly ushered in a turning point in his life.

Later, he accidentally got the Nine Profound Heaven Scriptures by accident, and made himself soar into the sky.

And once, when he was spurned by everyone, how could he be waiting for an opportunity, waiting for an opportunity to prove myself to everyone, waiting for an opportunity to slap everyone who despised him!

Therefore, he can understand Liang's feelings well.

A child who has been scolded as a wild breed since childhood, his mother died and went to his biological father's house, and suffered even greater torture, and after twenty years, the degree of tolerance in his heart was even higher than his original self.

Thinking of this, Charlie has decided to help him and help him gain control of the entire Wei family.

It just so happened that his bastard brother was his enemy, and his thousand-year-old snow ginseng was exactly what he needed urgently.

So Charlie said: "Liang, since you want revenge so much, then I can help you."

When Liang heard this, he knelt on the ground with excitement, knocked his head to the ground, and said loudly, "Thank you Mr. Wade for your generous help, Liang will never forget it!"

Charlie gave a hum, helped him up, and asked, "Where is Fredmen now?"

"He's at the Wei's house!" Liang said hurriedly, "The ulcer in his place cannot be treated, so he temporarily received anti-inflammatory and antibacterial treatments at the house."

Charlie nodded and said, "If this is the case, then go and treat him."

After speaking, Charlie said again: "But I'm telling the ugly things first. I only care about his festering things. As for the things he can't use, I don't care."

Liang said hurriedly: "Mr. Wade can rest assured that he can't use it here. It has nothing to do with my Wei family. The Wei family only needs to help him prevent the fester, even if it is cleaned up with him!"

Charlie smiled slightly: "Okay, then let's go now."

Liang nodded in excitement, "OK, Mr. Wade!"

.....

At this time, almost everyone in the living room of the Wei's villa was concentrated here, and their expressions were extremely anxious.

The deadline given by Fredmen was already near. Everyone went out for a long lap, but no one found a solution to Fredmen's troubles.

Fredmen's expression was also very gloomy. At this time, he was still infusing fluids. Antibiotics could only slow down the speed of his festering, but still could not stop the festering footsteps. Right now, his pain was beginning to get worse and the situation was getting worse.

Fredmen saw that the Wei family went out one by one, and came back one by one. Everyone was almost back. He couldn't help but shouted in anger, "What? You haven't found a way to heal me?!"

Everyone looks embarrassed and panicked but dare not to answer him.

Chapter 498

Fredmen looked at the Wei Family Patriarch coldly, and shouted: "Youngzheng, haven't you thought of a way?"

Youngzheng trembled in his heart and quickly said: "Don't worry, Fredmen. I have sent someone to find a famous doctor for you in other places, and I have also mobilized the Wei family's contacts in the pharmaceutical industry to find some broader and more powerful antibiotics will definitely cure you."

Although that was the case, Youngzheng had no idea in his heart.

It was originally hoped that Barena could invite Tianqi, but Tianqi didn't give him any chance at all. After he was driven out of Clinic by Tianqi, he went to find a few famous traditional medicine doctors in Aurous Hill, but when everyone heard it was Fredmen, No one wants to come.

The things that Fredmen couldn't do in Aurous Hill had long been spread, and the things that caused ulceration there by taking medicine indiscriminately were well known.

Moreover, the doctors at the People's Hospital had already said that his condition was the only way to amputate his limbs. Who would dare to be in trouble at this time?

If it is not cured, not only will be ridiculed, but Fredmen may also retaliate. After all, the Wei family was retaliated by him for giving the wrong medicine, so that they would seek doctors for help.

Barena searched a lot, but couldn't find anyone to treat Fredmen. In desperation, he could only return home temporarily.

The experience of other Wei family members is similar to that of Barena. Anyway, as soon as everyone heard that it was treating Fredmen, eleven of the ten doctors were unwilling to come, and they would not come for any amount of money.

Upon seeing this, Youngzheng felt that the future of the Wei family was dim.

The speed of Fredmen's festering was not too slow. At this speed, he estimated that he would be rotten in two days. By that time, the Wei family was afraid that he would not know how to die...

Barena on the side couldn't help pulling Youngzheng aside, and said in a low voice, "Dad...what should we do now? Shall we run away?"

Youngzheng turned sullenly, turned his head to look at him, getting more angry as he watched, and whispered: "You know how to escape, where can you escape? Do you think Fredmen won't bother us if we escape Aurous Hill?"

After that, Youngzheng looked at him annoyed, and blurted out: "I asked you to ask Tianqi to come over anyway, but you came back alone. You're really useless!"

Barena said dissatisfied: "Dad, you can't blame me. Tianqi, the Old Master, heard that he wanted to treat Fredmen, but he immediately refused. It was clear that he and Fredmen had hatred. What can I do?"

Youngzheng raised his hand and slapped him in the face and angrily scolded, "This has always been the case since childhood. If something happens, you will shirk responsibility. If you can't bring Tianqi, do you think you are not to blame? Then have you thought about it? Want to win over Fredmen and give Fredmen a drug that has not been clinically verified?"

Speaking of this, Youngzheng coughed angrily and scolded angrily: “If you didn’t make this kind of thing, how could we have fallen to where we are today? My hard work for a lifetime is about to be destroyed. You have done it!”

Barena was spoiled since childhood. His father Youngzheng had hardly beaten him. At this moment, Youngzheng slapped him very hard, and he was full of anger and disappointment.

Barena, who was beaten, had an ugly expression. He also knew that this incident was his own trouble, so it was impossible to clear this responsibility.

He could only cover his face and stammered: “Dad, I’m sorry, I was wrong, but I was also trying to make our Wei family go further. After all, Fredmen is the chairman of Future Company Group. If we can climb with his relationship will definitely develop more smoothly in the future...”

Wei Yong sighed in despair. Barena’s words also touched him to some extent. His son didn’t intend to harm the Wei family. He did hope that the Wei family could be better...

Could it be that this is the destiny of the Wei family? !

It may also be that he owed too many debts when he was young, and now he is finally going to be punished?

Just as he was depressed, someone in the Wei family suddenly shouted with excitement: “Liang is coming with the genius doctor Tianqi, and a young man, he is back!”

Chapter 499

As soon as he said this, everyone showed excited eyes.

Youngzheng’s eyes widened, and he tremblingly asked: “What did you just say? Who did Liang bring back?!”

A person shouted at the door: “Liang brought Tianqi to the genius doctor, and a young man! He has entered the yard!”

As soon as the voice fell, Youngzheng's expression immediately changed from surprise to ecstasy!

Tianqi is here? !

Liang finally asked Tianqi to move? !

God! Is the Wei family finally saved? !

Fredmen stood up even more excited!

He didn't even care about the needle for the infusion on the back of his hand, his eyes were red with excitement!

Since the roots began to fester, he actually felt vaguely in his heart that only Tianqi could keep his roots.

However, he also knew that Tianqi was very dissatisfied with him, and it was impossible to save him.

As for why Tianqi had changed his mind again and followed the Wei family back to treat him, he couldn't understand, and he didn't bother to think about it. He just wanted to get his own roots cured.

Even if it is useless, as long as it stays there neatly, he never wants to lose it...

Youngzheng, who has been in poor health, walked to the door with excitement and exclaimed in excitement, "Quick! Get the genius doctor Tianqi in!"

Barena on the side was incredulous, and blurted, "How could Liang, a wild species, invite Tianqi? He can't do it at all!"

"Shut up! We don't care how he does it. It's a good thing to be able to invite Tianqi."

Youngzheng gave Barena a stern look, and blurted out a warning: "Don't talk nonsense later, you will wait until Fredmen is cured!"

Barena was very upset, but he nodded and said yes.

At this time, Liang, together with Tianqi and Charlie, stepped into Wei's house.

Seeing Tianqi, the rest of the Wei family members were relieved.

Everyone believed that since Tianqi came, the Wei family would be saved!

"Unexpectedly, at the moment of the crisis, it was Liang who turned the tide, which is incredible."

"It seems that Wei's Pharmaceutical will be handed over to Liang now!"

With Liang's sudden eruption, the wind direction of the entire Wei family seemed to change a little.

After all, Youngzheng has said before, whoever can solve this problem, is the chairman of Wei's Pharmaceutical, the owner of the family!

For a moment, everyone's eyes became strange.

Hearing these people's comments, Barena's face turned red and red, and his eyes were full of hatred.

Liang! You wild species, dare to steal my limelight?

And Tianqi, the old immortal thing, when he invited him, he clearly refused, why did Liang invite him, and he came?

At this moment, he saw Charlie.

His face immediately became extremely ugly.

He will never forget the humiliation that Charlie let him face. Forcing him to lick the urinal in the brilliant club!

Chapter 500

Unexpectedly, this guy actually got together with Liang wild species!

Fredmen greeted him happily, but after seeing Charlie, his face immediately became difficult to look.

At the same time, his heart was suddenly upset.

The humiliation he suffered at the hands of Charlie was no less than Barena's!

Originally, he regarded Charlie as a mortal enemy, but now that Charlie and Tianqi came together, he did not dare to pretend to be forced, because he knew that Tianqi, an old thing, seemed to have been poured into Charlie's ambit and treated Charlie respectfully. If he offends Charlie again, he will definitely not care about it anymore.

Thinking of this, without saying anything, he immediately stepped forward and bowed to Tianqi and said: "Uncle, I made you angry before, it was all my fault. I now know I was wrong. Please heal me!"

Tianqi said nonchalantly: "I said that our two families will never have any relationship in the future, please don't call me uncle again, I can't afford it!"

After all, he pointed to Charlie next to him, and said respectfully: "Also, the person who will take care of you today is not me, but Mr. Wade!"

In Tianqi's eyes, Charlie's ability was almost close to God's, and nothing else, his refined magic medicine alone, in Tianqi's eyes, had surpassed all doctors and pharmacists in the world.

Therefore, Tianqi respects Charlie all the time and has a heartfelt respect for him.

When Fredmen heard this, he was immediately stunned, and looked at Charlie in disbelief: "Charlie, can you heal me?"

Charlie looked at Fredmen playfully, and said, "Fredmen, your attitude is not so good, do you still want your roots?"

Tianqi also frowned and said, "Fredmen, Mr. Wade is the only person in this world who can save you. If you still disrespect Mr. Wade, I hope you will not regret it in the future!"

As soon as Fredmen heard this, he immediately snorted in his heart!

The eight achievements of his illness were caused by Charlie, who made the tactics at the renovation summit, but he has not found any direct evidence.

What's more, Charlie has humiliated him more than once! Let him call his father and grandpa!

It can be said that the person he hates most in this world is Charlie.

However, when he heard that Charlie was the only one who could save him, Fredmen immediately squeezed all the hatred in his heart, quickly changed his face, and said to Charlie with a flattering expression: "I was wrong, Mr. Wade, you Don't take it to your heart, please help me and save my life!"

Charlie smiled faintly, looked at him and asked, "Fredmen, have you forgotten what I should be called?"

Fredmen gritted his teeth and thought to himself that if a man can bend and stretch, he will fight for roots!

So, he immediately knelt on the ground and said to Charlie: "Grandpa, what happened before was all my fault. Please don't remember the villain's fault, please help me!"

As he said, he still twitched his mouth for fear that Charlie would be angry and would not give him treatment.

The rest were dumbfounded, this is Fredmen!

The chairman of Future Company Group actually called a young grandfather?

What is the identity of this young man who can make the chairman of a large group bow his head so much? !

Charlie nodded in satisfaction at this time and said, "Not bad, you are getting more and more skilled in your business!"

Youngzheng and Tianqi all admired Charlie so much, but Fredmen even called Charlie grandfather, almost falling off his startled eyes.

He hurriedly stepped forward and complimented: "After hearing the name of Mr. Wade for a long time, I can't think of seeing your true face today. It is really a master indeed! I strongly believe you can deal with Chairman Willson's illness, please help him!"

Barena on the side couldn't help but feel angry when he saw Charlie, so he gritted his teeth and said: "Dad, this grandson is not a master at all! I've asked about it a long time ago. He is just a feng shui god stick! Don't believe him! It must be Liang, a wild species, who colluded with him to lie to you!"

Youngzheng shook his heart. Seeing Charlie frowned, he immediately slapped Barena with his hand.

What he didn't expect was that when Fredmen, who was kneeling on the ground, heard this, he jumped up and slapped Barena too. The two of them, one left and the other on right, gave Barena a bow from left to right!
