

The Charismatic Charlie Wade Chapter 501 – 505

Chapter 501

Barena didn't expect that he was only proving Charlie's identity, and he was beaten by both his father and Fredmen at the same time.

Fredmen beat him, he could still bear it. After all, he knew in his heart that it was the medicine that Fredmen took by fooling him, and it was normal for Fredmen to hate him.

However, Barena couldn't believe that his father, who had barely touched himself in decades, slapped him twice in this moment of effort!

He covered his face, looked at Youngzheng angrily, and blurted out: "Dad, why did you hit me again? Did I make a mistake?"

"b@stard stuff, shut up!"

Youngzheng glared at him fiercely, and cursed in his heart, why this prodigal son didn't have any eyesight?

Now even Tianqi is Charlie's licking dog, so now Charlie is the only savior of the Wei family. Even if he is really a magic stick, it can never be said in front of him, let alone offend him!

After scolding Barena, Youngzheng said now "Mr. Wade, this dog is unleashed, you must not take it to heart..."

Fredmen also panicked. He hated Barena to death. He kicked Barena and said coldly: "Barena, don't talk too much here. If you annoy Mr. Wade and Grandpa Wade, I'll f*cking chop you! "

Barena sighed, he had already rolled three meters and finished driving.

After Fredmen kicked, he hurriedly laughed at Charlie and said, "Grandpa Wade, don't be angry at this kind of garbage, he is not worthy at all, please hurry up and treat me!"

Barena was completely stunned. Charlie was just a Rubbish live-in son-in-law. He fooled a bunch of big people with feng shui tricks. He was telling the truth. How come he was beaten in the end?

Charlie looked at them coldly and said, "If it weren't for Liang to beg me, I wouldn't be here at all, so you people, you must know in your heart that if the Wei family resolves the crisis today, the credit entirely goes to Liang. "

When Youngzheng heard this, he hurriedly praised Liang: "You did a good job this time, I will remember it."

Liang's heart was excited and intolerable. It seems that as long as Charlie cures Fredmen's fester, he will become the chairman of Wei's Pharmaceuticals!

However, he didn't know that Youngzheng already had his nitric acid U disk in his heart.

In Youngzheng's view, Liang was born as a wild species from a village girl in Changbai Mountain who was played with by himself. Because his mother was born humble, Youngzheng was also a hundred people inferior to Liang.

He originally said that he and his eldest son Barena, whoever can solve the family crisis, can be the chairman. In fact, the main purpose is to stimulate Barena and make him actively think of ways. He really didn't expect Liang to have such a big breakthrough, that he could invite Tianqi and Charlie over.

If he really did what he said, then when Charlie took the initiative to cure Fredmen, he would have to make Liang the chairman.

But how is it possible?

He is a garbage that shouldn't exist at all!

In the beginning, he just happened to be in Changbai Mountain and found a beautiful girl in the home of the medicine farmer he cooperated with. So, with the purpose of having fun, he captured her with rhetoric and had a few shots.

But he didn't expect that the girl will pregnant!

What was even more unexpected was that he clearly refused her request to get married, and then left the village at the foot of Changbai Mountain, and never visited again, but the woman just gritted her teeth and gave birth to the child alone.

When he learned of Liang's existence, the wife of Youngzheng, had been arguing with him for a long time, and made Wei's chickens and dogs restless. At that moment, he had been full of disgust for Liang before he met him.

Youngzheng himself is an extremely selfish person. He has several illegitimate children outside, but he doesn't want to take them back.

Because in his opinion, those illegitimate children were born because their mothers did not know themselves, let alone a little credibility!

Chapter 50

Everyone is just playing on the spot. If you are pregnant, you should get rid of it. What the h*ll is it when it is born?

Therefore, this is also the fundamental reason why he always hates Liang.

If it hadn't been for his father to hear that there was a grandson living out and forced him to take him back, he would never want to see the wild species born by this rural woman!

Now, even if Liang made great contributions, he would not be able to hand the Wei family's business into his hands. Is he not a sh!t?

However, Youngzheng did not reveal the slander and uncomfortableness in his heart. He just wanted to quickly send Fredmen away, the plague god!

So Youngzheng respectfully said to Charlie: "Mr. Wade, please help Fredmen!"

Fredmen also looked at Charlie bitterly. He called him grandfather and apologized, wasn't it just to cure his illness?

Otherwise, how could he endure and not get angry yet.

Charlie smiled playfully and said to Fredmen: "Come on, I'll give you a pulse number."

Fredmen hurriedly stretched out his wrist.

Charlie pretended to signal his pulse, and said: "This is because your body itself is going through blood stasis, the downward movement is not smooth, and you also took the medicine that promotes liver fire and kidney fire, which caused the accumulation of efficacy and caused ulceration, so it's absolutely impossible to cure it simply by anti-inflammatory."

Fredmen felt very reasonable, and hurriedly asked, "Mr. Wade, how can you treat my disease?"

Charlie smiled slightly and said, "I need to make a bowl of medicinal soup with eighteen traditional medicines for your disease."

As he said, he waved his hand: "Get a pen, I'll give you a prescription!"

Fredmen got excited immediately and blurted out: "Great, great! Thank you Mr. Wade!"

After speaking, he hurriedly asked Youngzheng for paper and pen, and handed them to Charlie respectfully.

Charlie scribbled the most bitter and bitter traditional medicine with eighteen flavors, and prescribed a large dose.

Just this nonsense prescription, if he drinks a sip of the boiled medicine, it is estimated that the tongue will be bitter for three months and no other taste can be tasted.

After the prescription was written, Charlie directly handed it to Youngzheng and said, "Your Wei family is a pharmaceutical company. It should be easy to get this medicine for you?"

Youngzheng took a hurried look and saw that the medicinal materials above are relatively common, so he nodded and said, "All of these are available! I have them at home! I'll let people get them!"

After that, he called a servant, handed him the prescription, and said coldly: "Go grab the medicine!"

"OK, lord!"

The servant hurried to grab the medicine according to the prescription, but Fredmen trembled with excitement, and blurted out, "Mr. Wade, can this medicine be made really, can it be done by boiling it in water and drinking it?"

Charlie nodded, and said unpredictably: "It can be good or it can not be good, but this medicine still lacks a drug primer."

"Medicinal primer?" Fredmen asked hurriedly, "What do I need to use to make medicinal primer? Tell me, I will send someone to prepare!"

Charlie smiled and said, "You have a large amount of blood and qi, you need to use human urine as a medicine!"

Chapter 503

"Using human urine?!" Fredmen immediately said with an embarrassed face: "This...isn't this disgusting? Is it really necessary to use urine?"

Charlie snorted coldly: "Do you think I'm bluffing you?"

After that, he pointed to Youngzheng, and said, "You should have been in the medicinal material business for many years. I ask you, in many ancient recipes, do you want to use urine as a medicine?"

"Yes, yes, yes!" Youngzheng nodded immediately, and said, "Many ancient recipes require urine as a medicine. In the south, there is even a tradition of using urine to boil eggs. It does have a certain health effect."

Having said that, Youngzheng said to Fredmen: "Fredmen, don't worry too much. urine in traditional medicine is a very pure thing and it is not dirty."

Hearing that it was a boy peeing, Fredmen's expression eased slightly.

He used to watch costume movies and TV shows. This boy has a high rate of appearance, so now he wants to come, not so disgusting.

However, when he had just accepted boy urine, Charlie suddenly said: "In fact, this drug primer cannot be used with boy pee, because boy pee is produced by the pure body that has never touched a woman, so boy pee energy is extremely strong, and you have blood stasis. If you use boy urine again, it will only aggravate your condition!"

When Fredmen heard this, he asked in amazement, "Mr. Wade, can it be done with a girl's urine?"

"Nor for girls." Charlie waved his hand and said, "To treat your disease, you have to use adult male urine, and this adult man must have slept with many women, the more the better! Because he has slept. The more women there are, the more cloudy the urine will be, and it will have an excellent effect on your blood stasis."

Fredmen was stunned, and couldn't help asking: "Mr. Wade, do you have a grudge against me, so you deliberately play with me? Why do I feel more mysterious as I listen?"

Charlie said calmly: "I, can swear with my life. If you do exactly what I said, your fester will be cured. If it doesn't work, let the thunder hit me."

After all, Charlie glanced at Fredmen disdainfully, and said: "That's the end of the story. If you don't believe me, then I have no other way."

Seeing Charlie's incomparable sincerity, Fredmen believed a little bit in his heart.

At this time, Charlie saw that he was still a little bit unbelieving, and said: "This way, so many people have witnessed that if my medicine is ready, if you drink it and it is not completely cured within ten minutes, I will give you 100 million."

Last time at the auction of the traditional medicine Expo, Charlie spent 100 million on a 300-year-old purple ginseng, so no one doubts that he can bring forth another 100 million.

When Fredmen heard this, he felt that Charlie was probably not cheating him.

Otherwise, at the price of 100 million, he would drink a pee for himself, then he wouldn't lose his life?

If he is really willing to give up, with a grit and a stomping, he can directly drink as the world's first defeat!

So he gritted his teeth, for the sake of his own roots, blurted out: "Okay! Then as you say!"

Having said that, he thought about it for himself, and said seriously: "Mr. Wade, I have not used many women in my life, but there are a hundred smaller ones, so I should just drink my own urine?"

Charlie frowned and looked at him: "What do you think? If your own urine is useful, do you still need to drink it? It has already worked in your bladder!"

"Huh?" Fredmen blurted out: "I can't use my own? Whose one should I use?"

Charlie looked around and said: "Come on, everyone who is present, please report how much experience you have in that area. Please answer honestly. Don't brag, otherwise it will delay Fredmen's treatment. Be responsible here!"

Chapter 504

Everyone didn't speak, but they started to look at each other. In the end, they all looked at the Old Master of the Wei family, Youngzheng.

Who doesn't know that Youngzheng, the elder of the Wei family, was ultra-romantic when he was young?

When he was young, he could eat his poisonous recipe for strong sheep every day, and he was about to die when he was only in his sixties, so he should be the one with the most women.

Seeing that everyone was looking at him, Youngzheng suddenly felt a sense of accomplishment. He said proudly, "Mr. Wade said that he was dissatisfied with that when he was young, Wei was more exposed to the wind, and there were more women who liked me. I roughly calculate Forget it, there are three to five hundred!"

Charlie nodded, pointed at Youngzheng and said to Fredmen: "Okay, it's him."

Fredmen's expression is very ugly.

Let himself drink the urine of Youngzheng? This is too f*cking disgusting, right?

However, Charlie said that the more experience in that area, the better the effect.

Youngzheng is a terrible Old Master who can play better than himself, and really can't find someone more suitable than him...

So he had to gritted his teeth and said: "Then... then so be it..."

Charlie nodded, and said to Youngzheng, "Come on, Mr. Wei, you first take two liters of pure water, hold back your urine, and when you feel like urinating, get a basin and connect it. When you save one liter, and then you will you tell me."

"One liter!?" Fredmen was about to collapse: "Mr. Wade, this is too much..."

Charlie said: "What if the effect is not good? Are you trying to corrupt my one hundred million?"

"No, it's not about that." Fredmen hurriedly waved his hand and said, "I was thinking about it. Almost two mouthfuls are enough. One liter is too scary..."

Charlie said seriously: "If you want to cure the ulcer in one step, you have to drink one liter, otherwise, in case of sequelae, don't blame me."

Fredmen's heart was depressed, and he didn't know if Charlie was playing with him. It can be seen that he was serious, and he was willing to swear by his life. He also attached a promise of 100 million. He always felt that this man should not be playing.

At this time, the person who was sent to grab the medicine came back.

According to Charlie's request, the dried and dehydrated medicinal materials alone cost more than 20 kilograms.

Charlie said, "Come on, divide these medicines into four parts, put each part in a casserole, add ten liters of water, and boil it on high heat for one hour, then mix the four parts of the soup together, and cook for another half an hour, and finally 40 liters of water. Boil it to a liter."

After speaking, Charlie said to Fredmen: "When the medicine is ready, and Mr. Wei has enough urine, you will have one liter of medicine and one liter of urine. Drink the urine first, then the medicine, understand?"

Fredmen was really crying.

Two liters in one breath? ! One liter of Chinese herbal medicine that is so bitter to death, and one liter of the Old Master's urine, which is probably too bad, is absolutely terrible!

However, in order to cure his own roots, he did not dare to bargain. Instead, he asked, "Mr. Wade, can you drink the medicine first and then drink the urine? In this case, the medicine will have a strong taste, and you won't be able to taste it after drinking urine. "

"What are you kidding?" Charlie said contemptuously: "Drinking first, of course you have to drink the urine first, and then drink the medicine! You are upside down, is it urine inducement or not?"

Chapter 505

But after only a moment, he wanted to understand the truth in Charlie's words.

Since urine is a drug primer, it must be used to induce drugs, that is, he must drink urine first.

However, one liter is too much...

Fredmen felt his head as big as a fight when he thought of this.

Charlie smiled and said at this time: "This matter can't be delayed. If you really suck it up by yourself, don't blame me for not saving you."

Fredmen shuddered in shock, and blurted out: "Okay! I listen to you!"

Charlie nodded and said to Youngzheng, "Mr. Wei, please drink more water first, and also, quickly arrange for someone to boil the medicine."

How dare Youngzheng nod, he hurriedly nodded and said, "Mr. Wade, don't worry, I'll go drink more water..."

Fredmen sighed, already admitting his fate.

To him, healing the fester is more important than anything else.

Charlie was particularly happy at this time.

To treat Fredmen's ulcer, what kind of pee and the most bitter thing are important?

As long as a little bit of medicine dregs is removed from the pills he refined before, he can heal his fester.

The reason why he told him that he was asked to use Youngzheng's urine as a medicine was to cheat him.

After a while, the entire Wei family was filled with the extremely bitter taste of traditional medicine, and the bitter throat was dry and mouth astringent after just smelling it. It was hard to imagine how uncomfortable it would be to drink it.

A few large pots of water were boiled on a high fire and boiled into a liter of concentrated black medicinal soup, which looked no different from oil.

Youngzheng hadn't returned yet after the herbal soup was boiled.

Fredmen was waiting anxiously, so he ordered someone to urge him.

Youngzheng has worked hard. He is old and his kidney is not good. It is really painful to drink so much water in one breath and force himself to urinate.

After waiting for another twenty minutes, Youngzheng finally made up one liter and hurried in, clutching his nose.

“Mr. Wade, one liter of urine is enough!”

Charlie was afraid that the smell would suffocate him, so he immediately stayed away, clutching his nose and said to Fredmen: “Come on, drink this first, and then drink the medicine!”

“Ok!” Fredmen nodded hurriedly.

The severe pain there made him realize that this matter was urgent, so he did not dare to delay, and directly took the big bottle of orange liquid from Youngzheng’s hands.

Barena on the side looked nauseous, seeing Fredmen want to drink this thing, he immediately involuntarily remembered his licking of the urinal in the brilliant club.

Every time he thinks about it, he will inevitably want to nauseate.

Fredmen also wanted to vomit.

Youngzheng, this bad Old Master, was really willing to give it to him. With a large cup of one liter, the liquid level was even a few millimeters higher than the scale of one liter.

But when he thought that this thing could save his life, he didn’t dare to delay a little bit. He hurriedly picked it up, closed his eyes, gritted his teeth, and directly poured it down!

In an instant, the inside of Fredmen’s mouth exploded, and the whole mouth and nose were filled with a strong odor. He just wanted to vomit when he was sick.

“Gulp Gulp.....”

Fredmen almost couldn't hold back, almost vomiting out, but because of fear of affecting the effect of the medicine, he hurriedly covered his mouth and swallowed again!

The others are almost throwing up.
