

The Charismatic Charlie Wade Chapter 586 – 590

Chapter 586

“Huh!” Lian knocked down the card all at once, and said excitedly: “I heard five to eighty thousand, all of them, the door is clear, and there is a concealed card. The total is forty-eight, and forty-eight is 480,000. Sister Elaine, I’m sorry!”

Elaine is like an ice cellar!

A single shot can cost 480,000? !

I only won more than 300,000 in a long time, but I paid it all back, not to mention, I got another 100,000...

This is a hundred thousand!

Elaine felt extremely uncomfortable, and her whole mentality was a little broken.

Horiyah hurriedly persuaded her: “Oh, Elaine, there is no way to win all the time in card games. You have won so many hands. It doesn’t matter if you lose, you are back again after winning!”

Lian also smiled and said, “Yes, it’s just a handful of cards. We have to play a few laps today!”

Elaine is a little more comfortable now, but she is also suffocating in her heart, and must win back the lost money!

Immediately, she used mobile banking to give Lian 480,000, and the game continued.

However, in the next hand, Elaine collapsed even more.

Turned it over and saw what kind of broken cards are these!

Either one is missing or nine is broken, and there is also one missing. There is not even a pair of bobbins and slivers in one hand!

If you want to draw such a card, you have to play at least seven or eight cards to be possible...

She is going to collapse!

How to fight this? !

It's estimated that everyone is playing cards, and she hasn't made up two decks of cards yet!

And the other three people on the table were all excited, as if the cards were all good.

Horiyah was the first to draw.

Then Lian and Nivia.

Seeing that the three of them had all drawn, Elaine anxiously scratched her heart, fearing a shot, and secondly fearing that some of the three would touch themselves.

Seeing that his card is getting hopeless, Elaine is even more anxious.

At this time, she reached out and touched one, feeling that this card was 80% safe, so she threw the card out and said, "This! You shouldn't even want this card, right?"

Nivia next to her said excitedly: "Haha, I'm going crazy! she is right!"

Horiyah said with some embarrassment: "Hey, I'm crazy too!..."

Lian smiled and said at this time: "Oh, I'm too foolish, thirteen!"

Elaine looked at the cards of these three houses, and they all won hers!

This one hit her with one shot!

This is terrible...

With this hand alone, Elaine lost one hundred and eighty times, which is 1.8 million!

Elaine's whole person already felt the sky spinning.

what happened? Suddenly she lost two games in a row, and two games lost more than two million, which is too cruel!

Moreover, Elaine doesn't have much money now, and all the deposits in her hand add up to more than two million. After such a calculation, there is at most two to three million left...

Elaine wanted to cry without tears, but Nivia was already urging: "Sister Elaine, let's settle the bill first, so we can move on."

When she heard that she was going to check out, Elaine's expression was very ugly, one was 1.8 million, she couldn't be willing to give it!

The other three exchanged glances, or Horiyah came out to persuade her and said, "Elaine, it doesn't matter if you lose two. If you are lucky, you will win with two more. If you don't play now, you will lose. But you really can't come back!"

After that, she said again: "Last time we played cards together, Nivin also lost two or three million, and finally won two million with a four-year self-draw, followed by another three self-draw. It's another two million, and it will make a lot of money at once!"

Chapter 587

Although Horiyah tried to stabilize Elaine's mentality, in fact Elaine's mentality at this time had collapsed!

To put it bluntly, she does have a set of mahjong, but the brand is really stinky. The biggest problem is not being able to lose, and all emotions are on her face.

For example, she would be excited for a long time if she slapped her a**, but when her card happened to be stopped by someone else, she would grin and wait for her to be eaten alive.

She won three laps, and finally won more than 300,000, but she lost two big ones at once. Naturally, it was very uncomfortable. Not only did she win three hundred thousand and lost all, she also lost two hundred. In the early days, this really lost half of her life savings!

Elaine hasn't made much money in her life, and her husband has no skills, so it is very rare to save two million.

When she was buying p2p financial management, she almost lost a lot of money. Fortunately, Charlie came forward and asked for the profit.

Later, she even misrepresented her daughter's rent refund of more than 100,000, plus the little money that Jacob made by dumping antiques, and the total amount was two million.

As a result, in the two cards games, they were almost all lost...

Seeing that her face was green, Lian deliberately agitated her and said, "Sister Elaine, do you still want to play? You don't feel sorry for the money, right? Only more than two million, you can even afford Tomson's first product. The big villa, isn't this little pocket money for you?"

"Play! Why don't play!" Elaine's face twitched slightly, and said, "This little money is not a problem, mainly for fun, let's continue!"

"Just to be happy! Money doesn't count." The other two followed.

At this time, Elaine had no idea that the other three not only cooperated with each other, but also calculated her to death.

This automatic mahjong table, when shuffling the cards, you can directly shuffle the cards according to the predetermined plan.

Even throw the dice can be controlled!

In this way, Lian can distribute the cards she wants to everyone in accordance with her own requirements.

In the last hand, Elaine got the card, but the sixty thousand and ninety thousand were already divided by the other three people. Therefore, Elaine's card was already a dead end as long as the three of them didn't fire a gun. She can never win.

But Elaine doesn't know this.

After Elaine got the Tianting card, she was naturally confident. Although she didn't win in the end, she also felt that she just missed the goal.

It was this mentality that made her more impulsive to fight.

Next, Lian used her mobile phone to control the mahjong machine and gave Elaine a little water.

Elaine won two hands in a row, both hands were neat, but there is nothing to do, winning is just a sh!t.

Therefore, Elaine only won 100,000 in total with the two, which is a drop in the bucket compared to what she lost!

Elaine's mentality has become more unstable. Losing two can lose more than two million, and winning two can only win one hundred thousand. Is this too disgusting? Can't she let herself fight two big ones?

Thinking of this, she gritted her teeth, ready to smash to the end with these three people!

The game continues.

With this hand, Elaine has three east, three west, three south and two north, and the other two are two red.

Elaine was stunned when she saw this deck of cards.

Chapter 588

This deck of cards is Tianting again, winning the two.

More importantly, if you can get a north wind, it will be three in the south, east and north. This is a big four!

The big four can win the biggest number!

If you can touch a north wind, you can return two million!

Thinking of this, she shouted directly with excitement, and then began to feel the north wind.

She felt that whether it was, it might not be of much use to others, and ordinary people would definitely type it out after taking it, so even if she couldn't touch it, she could at least wait for others to fire it.

However, how did she know that this hand was already done.

The North Wind and Hongzhong that she needs are all in the hands of Nivia, that is to say, like the previous hand of the day, her hand is a dead end that can never be won!

Elaine waited hard for North Wind and Hongzhong. She waited for several rounds and didn't wait until after Lian drew a card, she knocked it down and said with a smile: "Oh, I'm drawing it myself again! This time it's in front of the gate. A total of forty-eight times, clear, all, and right!"

Nivia saw that she was touching six of them, and hurriedly said, "Oh, sister Lian, you are the last six. I have three in my hand! You are over the Moon!"

"Oh, it's really the Moon!"

Lian happily clapped her hands and said, "Then add eight times, fifty-six times for a family, or five hundred and sixty thousand."

Elaine felt dizzy!

Only two hundred thousand are left in her own bank card, and this one loses another five hundred and sixty thousand, how can she afford it!

Elaine couldn't help pulling Horiyah over, and asked in a low voice: "Sister-in-law, tell you the truth, I don't have much money, can you lend me a little?"

Horiyah cursed secretly in her heart that deserved it, but said in a pretentious manner: "Sister, I don't have this, you don't know the situation of the Willson family..."

Elaine hurriedly asked: "No, you and your eldest brother went to see the villa last time. Anyway, an old villa costs more than 10 million? Can you borrow hundreds of thousands?"

Horiyah sighed and said: "The money was all taken away by the dead Lady Willson to fill the hole in the Willson Group!"

Elaine said anxiously: "Then what should I do, I don't have enough money to give! If I can't continue to fight, what can I do to turn over!"

At this time, Lian said: "Sister Elaine, you don't have any money, are you? If you don't play, please settle this account quickly."

Elaine couldn't do it anxiously, and said with a smile: "How come I don't have money, but I didn't bring so much. Can I owe this account first? When the eight laps are finished, we will make the knot together."

She felt that she had to find a way to win the money back today. If she doesn't fight now, the more than two million will be lost forever!

She thought that Lian was so rich, and often lost millions at a time, she should not care about the money, she was very talkative, and she should be able to agree to her request.

Unexpectedly, Lian's face suddenly became cold, and she said sharply, "Sister Elaine, you can't do this! Playing mahjong is the result of every win or loss. How can there be any reason to owe it? It was given to you right away. Why do you want to go back on the bill now that you lose?"

Lian said again, "Besides, if you don't take out the money, you still have to play mahjong with us. Isn't that the empty glove white wolf? If you win, it's okay to say, if you lose, what will we do?"

Elaine's face flushed, and could not speak.

Lian looked at her and said with some contempt: "I heard Horiyah say that your card is good, so I am willing to play with you. If you are unwilling to pay to continue playing, please put these five One hundred and sixty thousand knots, this is the end of today, no more play!"

Chapter 589

Elaine has completely fallen into the pit now. She didn't realize that she was pitted. All she thought was about winning the money back.

Therefore, when Lian said that she would not play, Elaine immediately became excited, and blurted out: "How can I say that I don't want to play and stop playing? After saying that I will play eight laps, only three laps! "

Lian said helplessly: "Sister, it's not that I don't want to play with you, the point is that you have no money."

After that, Lian said again: "Let's take a step back. You settle the money first, and then we can always play a little bit smaller? I will accompany you if we play one thousand or one hundred. play!"

"One thousand? One hundred?" Elaine was anxious, and blurted out: "How can I do it! If I play such a small game, I can only win the ear of the monkey?"

Lian reluctantly said: "Then if you want to continue to play 10,000, you have to take out the money first, otherwise I won't play, and this is the end of today."

Horiyah hurriedly sang red face and said: "Sister Lian, Elaine really doesn't have so much money in her hands. We are all friends. You give accommodations..."

After speaking, she did not forget to wink at Lian.

Lian immediately understood, and said: "Well, from Horiyah's face, if you don't have cash, you can take other things of equal value as collateral."

As soon as these words came out, Elaine suddenly seemed to have grasped the last straw.

She hurriedly said: "The house I live in now is a three-bedroom house, which is worth a small two million. I will mortgage the house to you. Is this alright?"

"That's okay!" Lian said with a smile: "But you have to get the real estate certificate first, and then write me a mortgage contract."

Elaine blurted out: "Okay, you are waiting for me, I will go back to get the real estate certificate!"

After speaking, Elaine hurriedly got up and was about to leave.

Lian hurriedly stopped her and said, "Hey, don't worry, sister Elaine, you haven't given me the five hundred and sixty thousand just now."

Elaine looked at the balance of the mobile bank and found that it was only two hundred and sixty thousand, so she said: "Sister Lian, I only have two hundred and sixty thousand, I will transfer it to you, and the rest will wait until I take the room book. Deduct from the mortgaged money, this head office?"

"It's OK." Lian said, "Then you first write me an IOU for 300,000, and then you go, otherwise, if you don't return, who should I go for 300,000? Am I right?"

Elaine just wanted to take the room book and continue to fight with them until she turned over. So when she heard this, she nodded without hesitation and said, "Okay, I will pay you an IOU!"

Lian immediately brought paper and pen, Elaine wrote an IOU for 300,000 owed on it, and then pressed another fingerprint, and Lian let her go.

As soon as Elaine got out of Tomson's first product, she hurriedly drove home.

She calculated that her daughter must be busy in the company, and her husband and son-in-law must still be attending the class reunion. She hurriedly went back and took the room book before coming back. They would definitely not find it.

In this way, she can continue to fight with them until the turn over!

Soon, Elaine took the book from the house and returned to the villa.

After Lian got the house book, she immediately searched the second-hand house quotation of the same type in this community with her mobile phone, and found that the lowest quotation was only 1.8 million. The unit size is only 1.8 million, and the general bank mortgage only recognizes 90% of market value, so if she mortgage, she can only mortgage 1.62 million.”

Elaine just wanted to continue playing cards quickly so that she could turn over, so she blurted out: “Then it will be mortgaged with 1.62 million. I owe 300,000, and you can just give me 1.32 million! Let’s continue to fight, what do you think?”

Lian said, “That’s okay, but we have to draw up a mortgage contract. If you lose or don’t accept it, I will care who wants the money, right?”

Elaine said impatiently: “Then hurry up, sign early and continue early!”

Later, after she finished the contract with Lian and pressed her fingerprints, Lian transferred her 1.32 million back from the mobile bank.

But she didn’t care at all, because she knew that the 1.32 million was transferred to Elaine’s account and would come back soon.

Elaine secretly made up her mind at this time, this time, she must bring back all the profits!

Chapter 590

Then immediately put into the game.

But she never dreamed that she would have entered the 1.32 million in just half an hour!

Elaine had completely lost her eyes at this time. At the moment when all the money was lost, she was extremely unwilling to say: "Come, come, come again!"

Lian said: "Sister, you don't have any money anymore. Come again, if you lose again, what will you pay?"

"I....."

Elaine suddenly didn't know how to answer this question.

She is indeed exhausted.

All the savings in the family were entered, even the only house.

Now, she has nothing to mortgage.

However, with sharp eyes, Lian recognized the jade bracelet on her wrist and blurted out: "Oh, I think your bracelet is good!"

"Bracelet?" Elaine looked down at her wrist, and then remembered that she still has a valuable treasure!

This bracelet was a gift specially given by Qin Gang, the Patriarch of the Qin Family, to curry favor with her son-in-law, Charlie.

Charlie gave this bracelet to his daughter Claire. Claire stole it by her before she wore it, and later blatantly took it and refused to return it.

It was just a bracelet, Charlie didn't care, and Claire was too embarrassed to ask his mother for it, so this bracelet was always on her hand.

Elaine hurriedly took off the bracelet, handed it to Lian, and said with red eyes: "This bracelet, but the finest Laokeng jade, when I bought it for 5 million, you have to mortgage me 4 million, right?"

Lian took the bracelet, looked at it carefully, and was shocked.

This bracelet is indeed top-quality, old pit jade, and it also carries a variety of very good things, five million is not expensive.

However, she herself has been in the casino for many years, how to cheat people, how to take advantage of the fire, she is simply a connoisseur.

So she smiled, handed the bracelet back to Elaine, and said with a smile: "Sister Elaine, your bracelet is good, but to be honest, it's not worth five million, but at most hundreds of thousands."

"How is it possible!" Elaine blurted out: "This thing was bought for five million, and I have seen the receipt!"

"If you buy five million, you may not really be able to sell it for five million." Lian smiled disdainfully: "The jade business itself is extremely watery. If you are slaughtered, you will be slaughtered. You can never come again?"

After that, Lian said again: "Let's do it, for the sake of everyone's good relationship, I will mortgage you one million for this bracelet, which is the most. If you are willing, you can sign it. If you don't want it, forget it."

Elaine had long been gambling, and blurted out: "I am willing!"

Horiyah said at this time: "Oh, Elaine, or just forget it today. If you pledge one million for this bracelet, it is estimated that two or three will be gone. Why bother?"

When Lian heard this, she nodded and said, "She is right. One million is really not a big deal. Why don't we make an appointment another day?"

"No!" Elaine suddenly became anxious and blurted out: "You think I have no money, don't you? Tell you, my Lady Willson still has a villa, which is in Tomson first-grade a05, worth 130 million!"

Horiyah hurriedly said, "Oh, isn't that villa owned by Charlie? Can you use it as a mortgage?"

Elaine was anxious and blurted out: "Of course I can! Why not? He is my son-in-law. If he dares to refuse by then, I will show him his death!"
