

The Charismatic Charlie Wade Chapter 601 – 605

Chapter 601

When Ron heard this, he panicked and hurriedly pointed at Lian and said, “Mr. Wade, that’s my second aunt. She called me yesterday and said that she was going to set up a bureau for a woman and set her up. Big money, let me come over and sing black face when the time comes, so I agreed...”

After speaking, Ron hurriedly said again: “Mr. Wade, I was really taken advantage of!”

Charlie glanced at Lian, and Lian was frightened.

Charlie pointed at her and beckoned: “You, come here.”

Lian did not dare to neglect, and hurriedly crawled to the front, and said tremblingly: “Mr. Wade, a misunderstanding! I didn’t know that Elaine is your mother-in-law, who gave me ten thousand courage, I dare not lie to her, right?

After she finished speaking, she pointed to Horiyah and blurted out: “This stinky lady named Horiyah is hurting me! She said that her younger siblings are very rich and terrible, so she always wanted to teach her. Just ask me to make a round with her, wanting to win your mother-in-law’s villa...”

Horiyah was also frightened and hurriedly said, “Charlie, this is a misunderstanding. I didn’t want to lie to your mother-in-law. I was also deceived by this Lian. Lian seemed to behave badly in front of me all day long. I think it’s true that I can’t play, I want to bring your mother-in-law over to make a fortune, but I didn’t expect it, but was cheated by her...”

When Elaine heard this, she scolded angrily: “Horiyah, you b*tch still want to lie to my money and villa?!”

Horiyah was clever, she stepped back and waved her hand: “Don’t talk nonsense, I don’t have one!”

Lian cursed coldly: “Do you dare to deny it? Okay, then I will show Mr. Wade to see our chat history!”

After speaking, she quickly took out her mobile phone, opened WeChat, and played a voice.

In the voice, Horiyah’s voice came: “Sister Lian, I heard you have returned to Aurous Hill?”

Lian’s voice followed: “Yes, I just came back two days ago.”

Horiyah: “Sister Lian, you have been a croupier in Macau casinos for so many years. You must have a good job at the table, right?”

Lian: “I dare not dare, I can barely rank in the top five in Macau, but in Aurous Hill, I dare to say that there is no one I can’t win.”

Horiyah: “That’s already amazing! Sister Lian, I have a way to make a fortune. I wonder if you are interested?”

Lian: “You probably introduce it.”

Horiyah: “I have a younger sister, who is quite rich. The villa of Tomson’s first-rate house is worth more than 100 million, and this stupid dog is addicted to gambling. Some are means. How about I call her over, you set up a round and win her a good deal?”

Lian: “A villa worth more than 100 million? Is it true?”

Horiyah: “It’s true!”

Lian: “That’s OK, but after it’s done, I want 60%!”

Horiyah: “No problem! You will be six and I will be four!”

When the voice was played, Horiyah was already frightened. She hurriedly said to Charlie: “Charlie, I didn’t mean it, I am your big aunt, we are all a family...”

Charlie looked at her and said lightly: “Let’s talk about your business later.”

After speaking, let someone drag her aside.

Afterwards, he looked at Lian, smiled and asked, “I heard that your thousand skills are very powerful?”

Lian hurriedly explained: “Mr. Wade, in fact, Thousand Skills are little tricks for cheating, and I only know a little bit of fur...”

Charlie nodded and asked, “How did you mainly cheat in this case today?”

Lian hurriedly explained: “This mahjong machine is customized. I can directly preset all the cards from the four companies in the computer in advance, and then start it with my mobile phone at any time. When the mahjong machine automatically shuffles the cards, Will follow my request, shuffle the cards, and then rise up.”

After that, she further explained: “When the time comes, I will use the software to control the number of dice, and specify who will take which card. I will give your mother-in-law several cards from the sky, but they are all dead ends. It’s a card that can’t be won in a lifetime, plus Horiyah and Nivia cooperate with me, so I won’t lose even more...”

After listening to her, Charlie nodded lightly and asked, “How many people have you harmed with this method?”

Lian hurriedly said: “Not much, not much...I don’t usually do this kind of thing.”

Charlie frowned and asked, “How many gamblers did you help the casino win in Macau? Among these gamblers, how many people went bankrupt, sold children and sold girls, or even died?”

Chapter 602

“This...this...” Lian was already sweating profusely.

Over the years, she has done a lot of such evil things, and I don't know how many people have gone bankrupt.

Gambling itself is an abyss that can swallow everything. Some people fall into it by themselves, and some people fall into it with their entire family.

However, Lian never cared about the life and death of these victims. She felt that this was her ability to eat. How could she win if others didn't lose?

Therefore, she has never felt guilty.

But Charlie could see through the heart of such a person at a glance.

Such people are the cruelest and most ruthless vampires in the world.

She lives by sucking other people's blood, so she doesn't care if others will die or how terrible they will die after being sucked up by herself.

Charlie naturally has no sympathy for this kind of person.

He looked at Lian playfully and said with a smile: "Let's do it, how about a few games with us?"

Lian was stunned, and asked in surprise: "Mr. Wade, what are you going to play..."

Charlie said: "I don't know how to gamble. I don't know how to play poker, mahjong, or Pai Gow. I only know one kind, rock paper scissors."

Lian asked puzzledly: "Are you going to play rock-paper-scissors with me?"

Charlie nodded: "Yes, I will play rock-paper-scissors with you, a handful of ten million, what do you think?"

"This...this..." Lian said nervously, "Mr. Wade, I dare not play with you..."

Charlie said: "You have to play, and you have to play if you don't!"

Lian nodded in a panic: "That's OK...then listen to Mr. Wade..."

After speaking, she couldn't help asking: "Mr. Wade, how do we play?"

Charlie smiled and said, "Don't worry, I have to make a preparation before playing."

"Prepare for work?" Lian looked surprised.

Charlie smiled and said, "Don't you know the preparations? Just like you designed to cheat for my mother-in-law, I also want to give you a lot of money."

"Ah?!" Lian was even more puzzled...

Rock-paper-scissors, what can you do?

I've been a thousand years old for a lifetime, and I don't know how this thing has become a thousand people!

Is it deliberately a few seconds behind the opponent? If you are optimistic about what others will do, what can you do to restrain them?

Isn't this too low-level?

When she didn't know why, Charlie suddenly grabbed her right hand, straightened all her five fingers, and slammed it hard, click!

Five fingers broke at the same time!

Lian screamed in pain, but Charlie lifted her left hand, and also snapped off the five fingers of her left hand.

Now, Lian's fingers can no longer be controlled, and the ten fingers are only connected to the skin, and they hang naturally.

Charlie said indifferently: "With your hand, I assume that you make cloth by default. If you want to make a rock, you have to make a fist with five fingers. If you want to make scissors, you have to make a v. Do you understand?"

Lian cried and said, "Mr. Wade, all of my ten fingers are broken. I can't get out of rocks and scissors!"

Charlie said disdainfully: "Then I don't care, you can't get out, it has nothing to do with me, besides, when you give a lot of money to others, isn't it also a chance for the other party not to win? Let you taste it today. What do you mean by the way of the person, and the body of the person!"

Chapter 603

Lian collapsed.

Unexpectedly, Charlie looked harmless to humans and astupidls, and his methods were so ruthless!

He broke her ten fingers, and then played rock-paper-scissors with her. Now she can only produce cloth. Wouldn't he lose as many as he plays?

Charlie looked at Lian at this time and said blankly: "Come on, let's start."

With that, Charlie waved his hands while muttering in his mouth: "Scissors, rocks, cloth!"

As soon as the voice fell, he immediately gestured a scissors hand.

Lian couldn't control her fingers at all, so she could only look at Charlie with the eyes of a dead mother.

Charlie smiled slightly and said: "I produce scissors and you produce cloth. I won. You owe me ten million."

After speaking, Charlie said again: "Come on, let's play the second one."

"Scissors, rock, cloth!"

"Oh, I won again, you owe me 20 million."

"Come on, the third one!"

"Scissors, rock, cloth!"

“You are really sincere, why do you always make money? You really can’t do anything about it. You owe me thirty million.”

Charlie amused himself, and soon won ten against Lian, accumulating 100 million.

So Charlie said to her: “Come on, settle the account.”

Lian cried and said, “Mr. Wade, I don’t have so much money...”

Charlie waved his hand: “Then I don’t care, call your family, your daughter-in-law, your son-in-law and daughter-in-law, and your husband. Bring all the money in your family and all the real estate that can be mortgaged, one If one hundred million is less than one point, I will send you and all the people in your household register who are over 18 years old to work in the black coal mine to repay debts. A monthly salary of two thousand, when will it be enough for 100 million, and only then will you be free? .”

After speaking, he asked Mr. Orvel: “Do you know the man who operates the black coal kiln?”

“I know.” Mr. Orvel blurted out: “I have a few buddies who committed something in Aurous Hill a few years ago, and later went to open coal mines in Jinx, and they can all be sent at any time!”

“Very good.” Charlie nodded and said to Lian: “Come on, take the initiative to explain, how many people are there in your household registration?”

Lian was frightened and knelt on the ground and cried, “Mr. Wade, my son, and daughter are all high-achieving students who graduated from prestigious universities. They are now social pillars. You can’t ruin their lives!”

Charlie sneered and said, “Okay, your own children are all graduates from famous universities? But what about the families you have killed? Can their children still eat? Can they survive? Let alone go to school. A prestigious university. When you ruined their lives, why didn’t you consider them?”

Lian regrets and fears, and her face is particularly pale.

She did kill a lot of people, and countless people were ruined by her, but she never cared.

She wants to make money, as long as she makes money, nothing else matters.

So now the retribution is coming.

Charlie wants to send all the sons and daughters she has cultivated to the black coal mine to dig coal!

It is the best punishment for her to personally destroy her life's deceitful and abducted efforts!

Chapter 604

Lian was also frightened and cried and said, "Mr. Wade, I really knew it was wrong. If you ask for money, I can give you all of my money! I have been in Macau for many years, and I have saved some money. , I have a total of 20 million in my hand. I will give you all of this money. Please let my son and daughter go!"

With that, she immediately took out her mobile phone, opened the mobile banking, and showed the balance to Charlie.

There are more than 21 million in her personal account.

Charlie said indifferently: "You donate all of these two and one million to the official donation account of Project Hope!"

Having said that, he took out his mobile phone and found the official account of Project Hope, handed it to Lian, and said coldly: "Transfer now."

Lian hurriedly asked, "Mr. Wade, if I donate this money, you can let me go?"

Charlie sneered and said, "You still want to bargain with me?"

Lian was so frightened by Charlie that she hurriedly picked up her mobile phone and transferred all her money according to the donation account of Project Hope that Charlie found.

After all the transfers, she handed the phone to Charlie, crying, and said, “Mr. Wade, I have donated all the money, and the account balance is already zero. Can you let me go now?”

After Charlie confirmed that she had donated all the money, he said coldly: “Don’t forget, you just owed me 100 million when you played rock-paper-scissors. You donated more than 20 million, and you still owe me many more”

Lian cried and said, “Mr. Wade, the more than 20 million just now was my wealth...”

Charlie nodded and said, “Didn’t I tell you? Send all of your household registration to the black coal mine to dig coal for two thousand a month. When will you pay more than 70 million in gambling debt? Let you go when the time comes.”

Lian collapsed and blurted out: “Mr. Wade, two thousand a month, only twenty-four thousand a year, and I can’t make so much money to pay off her debts to death!”

Charlie asked her back: “Those people who have been ruined by your gang to go bankrupt and have a lot of debts, how did they repay their debts? Have you ever thought about it? If you know today, why bother?”

Having said that, Charlie asked Ron: “Please tell me honestly, who are your second aunts, who are your immediate family members?”

Ron hurriedly said: “She has a husband, a son, and a daughter. The son was married the year before. The daughter-in-law’s family opened a black casino in Aurous Hill. Her daughter just got married last month and found a son-in-law to do it. Micro-loans specialize in young college students and have forced several college students to jump off the building.”

Charlie nodded and said coldly: “Okay, Lian has given birth to two children, one is married to the daughter of the owner of Kaihei Casino, and the other is married for a small loan arranger. Your family is really a nest of snakes and rats. !”

After that, he immediately took out his phone and sent Issac a WeChat.

The content of the WeChat is: "There is a woman named Lian who has just returned from Macau in Aurous Hill. Please help me check her family and bring her husband, son, and daughter, daughter-in-law, all to Tomson c11."

Although Mr. Orvel was an underground emperor in Aurous Hill, it was only an underground world. If he was asked to directly tie up these people, he could tie them over with his ability, but the subsequent things might not be able to suppress them.

But Issac is different.

Issac is the spokesperson of the Wade family in Aurous Hill. In Aurous Hill, even the Song family's Old Master, he must be polite when meeting him.

Therefore, Issac has almost nothing impossible to accomplish in Aurous Hill.

After receiving Charlie's order, Issac didn't have any delay and immediately sent people to investigate and search for Lian's family.

Lian was crying bitterly at this time, and knelt on the ground and kowtowed to Charlie, begging for forgiveness, her forehead was already bleeding and she didn't dare to stop.

But Charlie didn't sympathize with her at all.

She has caused so many people to bankrupt their families, and it is time for her to have a taste of bankruptcy!

However, now she can only taste the feeling of bankruptcy once, which is already very cheap for her!

Chapter 605

While Lian cried bitterly, Charlie asked Mr. Orvel's men to drag Horiyah in front of him.

Horiyah was already trembling with fright at this time, looked at Charlie, and wailed and said, "Charlie, I am your big aunt, you...you don't look at the face of the monk and look

at the face of the Buddha, after all, you are Our son-in-law of the Willson family, isn't it? You just spared me this time, what do you think?"

Charlie laughed and said, "Don't talk to me about this useless thing. Let me talk about it first, how much money do you have now?"

Horiyah's heart tightened, and she blurted out: "I have no money...I really have no money!"

Charlie said coldly: "I give you an opportunity to take the initiative to explain, you must grasp it well, otherwise, Lian is your role model."

Horiyah shook her whole body. She was horrified, but she also kept her eyes on her mind. She hurriedly said, "I...I have five million. This is our family's wealth... "

Charlie nodded and said, "Okay, open your mobile banking and let me see the balance."

Horiyah panicked and said, "I...I don't have a mobile bank!"

"Really?" Charlie said coldly: "If you let me find mobile banking installed in your phone, be careful that I break your leg."

Horiyah shuddered in shock, and hurriedly said: "I will show you, I will show you..."

After speaking, she hurriedly took out her mobile phone and opened the mobile banking.

Seeing the balance, Horiyah panicked.

This card is more than 15 million.

This is the life savings of her and her husband, plus the money that Wendy got from Fredmen to be his lover!

It was not in her hands before, but in the hands of her husband Noah.

However, as soon as the Lady Willson was chasing for the money, Noah hurriedly transferred all the money to her.

She was planning to buy a house with the money.

But the last time she saw the house, she ran into Elaine and was mocked to death by Elaine.

So she dismissed the idea of buying a house, and planned to pit Elaine's money and villa first, and then when she had money, she would buy a set.

However, if Charlie knew that she had 15 million, then he would definitely not leave a penny for her...

Just when she didn't know what to do, Charlie grabbed the phone and looked at it intently, then frowned: "Didn't you say there are only five million?"

Horiyah cried and said, "Charlie, this is the savings of our family of four! The Willson family will be over soon, and the Lady Willson's villa will soon be taken away. We still expect to use the money to buy a house."

Then, she said pitifully, "Harold hasn't married yet, and Wendy hasn't married either. This is the last foundation of our family of four and the Lady Willson..."

Charlie snorted coldly: "What does it have to do with me? Don't say that I didn't give you a way out. You donate these 15 million now. I will spare your life for this matter today. Otherwise, I will let Mr. Orvel pick you directly later, you choose yourself!"

Horiyah glanced at the fierce Orvel, her heart was tense, and she said in fear: "I donate! I donate! Spare my life, and I will donate all the money!"

After that, she immediately used his mobile phone to transfer all her 15 million deposits to Project Hope.

Charlie was only satisfied and said, "Okay, since you are so acquainted, then spare your life."

Horiyah was completely relieved, crying, and asked, "Charlie, can you let me go?"

"Let you go?" Charlie shook his head, and said, "I just said that I would spare you not to die. You can leave without saying anything!"
