

The Charismatic Charlie Wade Chapter 606 – 610

Chapter 606

“Ah?!” Horiyah said in a panic: “I donated all my 15 million...”

“What about that?” Charlie said coldly, “You were the one who urged the chief to do this today. There is no reason to let Lian be punished by yourself, right?”

“Yes!” Lian blurted out angrily: “She is the real culprit!”

Charlie looked at Horiyah and said with a smile: “Your accomplices all say you are the culprit. Whatever you say you have to follow your old partner and go to the black coal mine to dig for coal and continue to contribute to the Hope Project.”

After speaking, Charlie pointed to another woman named Nivia, and said: “And you, the three of you, go to the black coal kiln to work together to make atonement.”

Nivia cried in fright, kowtow and said: “I was wronged, I was found by Lian to join in and play mahjong, i am not a culprit!”

Charlie said coldly: “Do you think I would believe you? Don’t be silly, and I will spare the other people in your household registration book. Otherwise, you will be like Lian, the whole family will be neat and tidy. Start digging for coal!”

Nivia trembled violently when he heard this. Although he was terrified, he didn’t dare to squeak a word.

Charlie immediately said to Orvel: “Mr. Orvel, today these little gangsters, including Ron, are counted as one. They will all be sent to work in the black coal kiln, and they will be given the worst accommodation and food. A monthly salary of 2,000, open all year round!”

After that, he sternly said: “These people, who work hard and consciously work overtime, will be given a reasonable salary increase. Those who do not work hard or shirk work will be deducted appropriately. Anyway, each of them, When will they donate 300,000 to the Hope Project by work, and then only let them go!”

Two thousand a month, twenty-four thousand a year, to save 300,000, it takes more than ten years.

Even if it is three thousand a month, thirty six thousand a year, it will take more than eight or nine years to save 300 thousand.

Charlie felt that since this group of people were also part of this gambling game, they would naturally have to atone for those who were ruined by the gambling.

It is also necessary to atone for the children who have gone through all kinds of hardships because of their parents’ gambling.

Letting them go to the black coal mine to dig for coal donations is the best punishment for them.

When Orvel heard this, he immediately said, “Okay Mr. Wade, I’ll let someone arrange a bus for them!”

Charlie said: “The gang of gangsters inside, break one leg of each before getting into the car, so as to avoid the black coal kiln being disobedient and trying to escape.”

Mr. Orvel said immediately: “Mr. Wade, don’t worry, I will break one of their legs first. When they get there, they are tied up with iron chains when they work, eat, go to the bathroom, and even sleep. No one can run away!”

“Good.” Charlie nodded with satisfaction.

Horiyah cried at this time and said, “Charlie, you can’t let me dig coal for a lifetime...I still have my husband and children to take care of, and my mother-in-law to support...”

Charlie said indifferently: “This is simple, just like these people, when will you save 300,000 donations from work, and then will you regain your freedom?”

Horiyah suddenly collapsed and cried loudly, “Charlie, you can’t be so cruel Charlie, you know, we are all a family!”

Charlie asked her back: “Why were you so cruel when you cheated my mother-in-law? Why didn’t you think about it, we are a family?”

“Yes!”

Elaine, who had not spoken all the time, shouted angrily at this time: “Horiyah, you b*tch girl with no conscience, you still say you are a family with us?”

Horiyah knelt in front of her, crying and begging: “Sister, thousands of mistakes are all the fault of your sister-in-law, but I am still your sister-in-law after all, so please forgive me this time!”

Elaine kicked her to the ground and yelled: “You have pitted my more than two million deposits. It is not enough. You have to pit my house. It is not enough to pit my son-in-law’s house. This is going to drive our family of four to death! Do you still have any conscience or humanity?”

Speaking of this, Elaine suddenly came back to her senses, slapped her thigh, and screamed: “Mom, my money!”

Chapter 607

Elaine just watched these people crying bitterly, and completely forgot that they had won more than two million cash!

Now she suddenly remembered, and blurted out to Charlie: “Hurry up and let them return the money to me! They also took my more than two million!”

The reason why Charlie asked them to donate all their money to Project Hope was to punish them on the one hand and to teach the mother-in-law a lesson.

Are you not greedy?

Are you a gambler?

Don't you think you can make a fortune by playing mahjong?

Now let you lose all your cash, and let you increase your memory!

So Charlie asked the two people pretentiously: "The money you won from my mother-in-law, quickly discuss how to pay it back!"

The two looked at each other, crying and said, "All our money was donated! Even the money we won against her just now has also been donated..."

Charlie turned to look at his mother-in-law, and said helplessly: "Mom, they have no money."

"What are you talking about?!" Elaine suddenly became mad, and rushed to grab Horiyah's hair with one hand and Lian's hair with the other, shaking her arms vigorously, and even pulled the heads of the two violently. Bumped together.

She cursed hysterically: "You two b@stards who have suffered thousands! Give me all my money quickly! Give me back!!!"

Both of them had a lot of hair torn off. They screamed in pain. Horiyah cried aggrievedly: "My sister, forgive me, my sister, all your money has gone to Lian. I haven't beaten you. One hundred thousand, and all of them have been donated..."

Elaine let go of Horiyah, tore at Lian's hair with both hands, and then freed her hands to beat and dig on her face, and soon scratched her face with blood.

"What's the last name, if you don't return the money to me today, I have to peel off the skin on your face! I will ruin your face!"

Lian was so painful that she didn't dare to fight back, she could only cry and begged: "Sister Elaine, Sister Elaine, please spare your life. I really have no money. All my money will be donated at your son-in-law's orders. Yes, that includes winning your money, how can I still have money for you now..."

Elaine was crazy, tearing her mouth and cursing: "I don't care! You pay me back! Give me all my money!"

Lian's mouth was soon torn and bleeding, and the pain made her cry.

Elaine was already crazy at this time. She just wanted to get her money back. All the money in the family was in her account, which was all deceived by this group of people.

Now they just took the house back, nothing else...

Thinking of this, she was even more furious, kicking Lian to the ground with one kick, and riding on her, she drew left and right with blows.

Lian screamed while struggling violently. At this moment, Elaine and Lian were stunned at the same time when they heard a sudden pop in the pocket of their jacket.

After a while, Elaine roared like crazy: "Bangle! My mother's bracelet! My mother's jade bracelet!"

She yelled like crazy, and reached out to Lian's pocket.

Immediately afterwards, she let out a painful ouch, and quickly pulled out her hand, her fingertips being cut and bleeding.

Even so, she took out a small broken jade bracelet from Lian's pocket...

Elaine looked at the broken bracelet and sat on the ground and cried!

Four or five million bracelets!

I am robbed!

The most valuable jewelry of this jadeite is a bracelet. A bracelet with such a good material can sell for four to five million, but once it is broken, you can only make some ring faces or small pendants, which are worthless and may not add up. Sell for two hundred thousand...

Chapter 608

Elaine has collapsed.

Two million gambling debts could not be collected, and four or five million bracelets were still broken. This is a terrible loss!

She immediately turned to look at Nivia, hysterically cursing: “You didn’t donate! You pay me back! Give me all your money! Otherwise I will kill you! I will tear you up!”

Nivia knelt on the ground in fright, crying and begging: “Sister, I am a pauper. There is a total deposit of more than 60,000. If you want it, I will transfer it to you...”

Elaine went up and smoked her a few mouths, and said angrily: “I don’t believe it! Open your mobile bank and let me see!”

Nivia cried and said, “I really have no money, eldest sister. I have an income of more than two thousand a month. If it weren’t for the money, I wouldn’t come here to harm people with the evil spirit Lian... ..”

With that said, she opened her mobile bank, which indeed only had 63,000 in it.

Elaine is about to collapse.

What is more than 60,000 for her? !

She has lost more than six million!

At this time, she couldn’t help but look at Charlie, and yelled: “You are all to blame! You are all to blame! You Rubbish, you say! Why did you let them donate the money! Why didn’t you let them give me the money?!”

Charlie frowned and said lightly: “Mom, I saved your life, this is the most important thing!”

“I pooh!” Elaine jumped angrily: “I don’t want you to save my life! I want you to save my money! My money is gone, and I am alive! You give me the money! Give it back! I!”

Charlie looked at her coldly, not too lazy to be familiar with her.

He made her lose money and did it deliberately, in order to teach her a lesson.

Otherwise, next time she will still decide how much trouble will be caused.

It doesn't matter if she died on her own.

She will hurt Claire.

Orvel was also very dissatisfied with Elaine's performance, he instinctively felt wronged for Charlie.

What the f*ck is this mother-in-law? He save her life, is she still so sloppy?

Thinking of this, he shouted sharply: "I warn you, don't think that you are Mr. Wade's mother-in-law, you can be disrespectful to him! If it is too much, I will send you to the black coal kiln with them!"

Elaine was taken aback, her arrogance immediately went down a lot, and she said with an annoyance: "What does our family matter have to do with you?"

After finishing speaking, he pointed to Charlie and said, "Do you know that this guy is a big flicker? You are now being fooled around by him and serving him as a spearman. One day when you come back, you must be the first one. To hack him to death!"

No matter how angry, Orvel stretched out his hand and slapped her, and yelled, "If you dare to provoke my relationship with Mr. Wade, I will kill you!"

Elaine really didn't dare to be arrogant now.

She knew Orvel's methods, if she really annoyed him, how could she manage it?

So she could only take a few steps back, and honestly did not dare to speak any more.

At this time, Orvel came to Charlie, knelt on one knee, and said with a sad expression: "Mr. Wade, I am really wronged for you!"

After he finished speaking, he raised his voice a little, and blurted out: "Why do you want to be the son-in-law of this kind of shrew? Even if you and Mrs. Wade have a deep relationship, there is no need to keep this kind of mother-in-law in the world. , And she has disrespect you over and over again, I should have killed her long ago!"

Chapter 609

When Charlie heard this, he shook his head slightly, and said lightly: "Forget Mr. Orvel, there are some things to learn to accept."

Orvel looked at Elaine bitterly, while the latter was frightened.

At this time, Elaine didn't dare to raise the subject of money anymore, so she could only temporarily feel wronged and distressed in her heart.

At this moment, several cars were parked in the courtyard of the villa, and Issac personally walked in with five sturdy people who were tied up.

Each of these five people were full of fear. As soon as she entered the door and saw Lian, the young man blurted out and asked her: "Mom, what is going on?!"

Lian saw that her husband, son-in-law, daughter, and daughter-in-law were all arrested, and the ghost cried and howled suddenly.

"I'm sorry for you, I'm sorry for you, blame me... you have to suffer with me..."

A man in his fifties hurriedly asked: "Wife, what is going on?!"

Charlie looked at him and said coldly, "Do you know that your wife has been so harmful to others?"

"I...I don't know..." the man said dodgingly.

Charlie had a full view of his reaction and sneered: "Still talking to me? Your wife has been a croupier for decades. What kind of person she is? You don't know what it is!"

After all, he looked at the five people one by one, and then asked: "Which of you are Lian's son and daughter?"

A young man and young woman raised their hands timidly. They still don't know what happened.

Charlie looked at them and sneered: "I heard that you are all high-achieving students from prestigious universities, then do you know, where did your university money come from?"

The two looked at each other, neither dared to speak.

Lian's husband probably realized that something was wrong. It must be his wife who had been caught by someone. So he hurriedly said: "This gentleman, if my wife cheated while playing cards, then you can tell the truth. How much can I pay you?"

Lian cried and said, "Husband, our small 20 million has been donated, and the two million I won today have also been donated!"

"Donated it?!" Lian's husband asked in surprise: "Who did you donate to?"

Charlie said coldly: "Donated it to Project Hope!"

After all, he observed the family and sternly reprimanded: "You vampires who specialize in cheating, don't know how many people have been scammed and how many families have been ruined for so many years! But, you yourself are doing very well. The children have all gone to prestigious universities and become successful people. Don't you have to pay this debt?"

Everyone in Lian's family was frightened.

Charlie continued: "Today, I will send all your family to the black coal kiln in the west of Shanxi to dig coal for labor, and use your blood and sweat to redeem your sins for so many years!"

"Huh?!" all the young people suddenly collapsed.

A man shouted: "I am not from their family, I am just their son-in-law..."

Charlie nodded: "Son-in-law! I heard that you are doing microloans? Tell me, how many young people have you cheated?"

"me....."

Charlie snorted coldly: “From now on, I will listen to you one more nonsense, you don’t have to go to the black coal kiln to dig for coal, I will dig a pit and bury you, 10 million years later, let you become coal !”

Another good-looking young woman cried and said, “I’m just their daughter-in-law, and I haven’t done anything to hurt anybody!”

Charlie asked back: “I heard that your house runs a black casino?”

Chapter 610

The woman suddenly turned pale and blurted: “I...I haven’t participated in casino operations, I just do financial work...”

“Financial work?” Charlie said indifferently: “Financial worker is also an accomplice, there is no need to be washed away, honestly follow to atonement, your family, really is a bunch of sc*m!”

Issac said at this time: “Mr. Wade, I know this woman. Her father’s name is Jones Laosi. He runs a black casino nearby. Do you want me to take them all?”

Charlie said: “Check what you have done that hurts the world and reason. If the sin is unforgivable, just kill him.”

The woman fell to the ground with fright.

Afterwards, three Toyota Coaster minibuses drove to Tomson. A dozen punks including Ron’s legs were broken one by one, ready to be sent to the car.

Charlie said to Elaine at this time: “Mom, let’s go.”

Elaine’s expression was very ugly, she pulled Charlie aside, and whispered: “They took that kind of video of me, you must help me find it out!”

“That kind of video?” Charlie frowned and asked, “What do you mean?”

Elaine said anxiously: "That's the kind of video! They told me to take off my clothes and shoot... You must find the video for me and delete it! Otherwise, in case the video streamed I won't live outside!"

Charlie was stunned for a moment, but didn't expect the mother-in-law to enjoy this treatment.

Shaking his head helplessly, he pulled the Ron over and asked in a cold voice, "Where is the video you made?"

Ron was so scared that he cried and cried, "Mr. Wade I'm confused for a while..."

Charlie said coldly: "Stop talking nonsense, say, where is the video?"

"In my phone!"

"Is it sent out?"

"No, no, absolutely not!"

Charlie nodded, took out the phone from his pocket, handed it to Elaine, and said, "Mom, you find the video and deleted it yourself."

Elaine hurriedly took the phone, found her video in the album, and deleted it completely.

Later, she still felt unsafe, so she just smashed the phone directly.

Afterwards, Elaine said bitterly: "I have to wait for them to get in the car before I leave!"

Charlie shrugged and said, "Okay, I'll let them hurry up, it's getting dark, and I have to go home to cook for Claire."

Seeing a group of people being escorted to three CMBs separately, Elaine was able to resolve her hatred and threw the car keys to Charlie and said, "You drive."

Charlie said goodbye to Issac and Mr. Orvel, drove into the Old Master's BMW, and then drove away from Tomson.

As soon as the car got out of Tomson's first-grade car, Elaine began to cry and said, "Today is really bad! Two million is lost, and only sixty thousand is back! and the jade bracelet... .."

The more Elaine thought about it, the more distressed, and the more she thought about it, the more uncomfortable she was. While crying, she looked at Charlie and scolded angrily: "It's all to blame for this Rubbish! Do you think you are so idle, let them donate money to Project Hope What are you doing?! Why don't you let them pay me all the money?!"

Charlie said indifferently: "Mom, if you take their money, after they disappear, the police will investigate all the details of their life and would get to you in no time. You can't wash it out even if you jump into the Yellow River. Then, Dad and Claire..."

As soon as Elaine heard this, she was shocked and blurted: "You must never tell your father and Claire about this. You hear me?!"
