

The Charismatic Charlie Wade Chapter 636 – 640

Chapter 636

In fact, Charlie knew very well in his heart that Warnia must have some good feelings about him.

It's just that he didn't know how to deal with this kind of affection, so he just pretended to be dumb and froze, and talked about the other things later.

.....

The next day, Regnar got up early.

Because he was worried about looking for Tianqi to treat his second son Wu Qi, he didn't sleep well all night.

Wu Qi's current situation is relatively pessimistic, the problem of eating sh!t has not been alleviated, and his own emotions have gradually collapsed.

In other words, for such a long time, eating sh!t more than 20 times a day, he will collapse one day for sure.

What's more, Wu Qi himself had grown up spoiled, and this kind of thing was even more terrifying to him than death.

Therefore, Regnar hopes that he can be cured as soon as possible, so that he can return to normal, and at the same time, to kill the person who harmed him, not only for revenge, but also for the permanent trouble solving!

Because of this belief, Regnar didn't even care about having breakfast at the Song's house, so he greeted his son Roger when he went to bed, took a few Wu's bodyguards, and went directly to Clinic.

In the car, Regnar was full of excitement and expectation, but Roger felt a little bored.

He even hopes that his brother Wu Qi will always be like this and save himself a lot of trouble.

So he asked tentatively: "Dad, do you think that the doctor can really cure the younger brother?"

"I believe there is no problem." Regnar said indifferently: "If High paraplegia can be cured. I believe this problem with your brother is not a problem."

Roger nodded, feeling a little upset.

When the convoy arrived outside Clinic, the bodyguard opened the door for Regnar and his son.

As soon as Regnar got out of the car, he saw the entrance of the Clinic, a long line had already been queued.

He couldn't help sighing: "It seems that this genius doctor is really well-deserved."

An assistant came up and said respectfully: "Mr. Orvel, Tianqi only sees ten patients every day, and it is not in the order of the line, but according to the severity of the disease. It is said that some are ranked first. Tianqi feels that there is no problem. If you don't need to do it yourself, you won't be shown. Instead, it's recommended to go to other hospitals."

"Yeah." Regnar glanced at the long line again. Seeing that there are three teachers and nine ranks, he waved his hand in disgust and said to the bodyguard: "Take some cash from the trunk and give these people in line one thousand each. Make them go away."

The bodyguard nodded, immediately took some advanced from the trunk, came to the front of the team, and said loudly: "the Clinic is closed today. Those of you who are in

line, one person comes to me to collect one thousand, and then you can leave. Come back another day!”

The crowd was suddenly dissatisfied, and someone shouted: “Why? Following the rules set by the genius, anyone has to queue for treatment!”

The leader of the bodyguard snorted coldly, and cursed: “I gave you thousands for nothing, are you still f*cking here?”

The man blurted out: “One thousand? My mother is seriously ill, and I took her all the way to ask the genius doctor for help. Do you count this thousand as a bullsh*t? How about I give you a thousand and you go away Is it OK?”

“Grass mud horse, don’t give me your face!” The head of the bodyguard glared at him, and snorted coldly to the men next to him: “Beat that b@stard for me!”

Chapter 637

With an order, a few bodyguards from a family background rushed up and grabbed the man with a punch and kick.

There was a Lady in her seventies next to the man. Seeing that they were beating her son, she cried and cried: “I beg you to stop beating him, can’t we leave?”

The head of the bodyguard scolded, “What the h*ll did you do? You don’t know how to praise!”

After finishing speaking, he kicked the middle-aged man aside, took out another thousand, threw it on the man’s face, and cursed: “Get out of here!”

The Lady cried and pulled her son up with great effort. The people around were very angry when they saw this scene. But seeing the other party in such a battle and driving so many luxury cars, they knew that the other party was not easy to provoke. Lord, so they can only swallow.

Several bodyguards walked over with money, and when they met, they gave one thousand, plus two words: “Get out!”

Some people took the money and ran away. Some people were a little bit stubborn and unwilling to ask for their money, but because they couldn't provoke them, they had to swallow their anger and leave.

At this time, a fellow of the people in the Clinic heard the noise outside and stepped out. Upon seeing this scene, he immediately asked: "What are you doing? Why are you beating?"

"Hit someone?" The head of the bodyguard frowned, and said: "We belong to the Wu family of Suzhou, Hangzhou, and we should teach you something that is not long-sighted."

After that, he looked around at the crowd again, and cursed: "Don't you hurry up? Is it itchy? Here today, if you don't treat other people, you're welcome to take care of me!"

The guy asked indignantly: "You are too much, right? Do you know our Clinic rules? You have to queue for medical treatment!"

Roger said coldly: "The rules for administering geniuses are made for these poor people, but not for our Wu family. In Aurous Hill, what our Wu family says is the rules! Today these people must get out because they are not worthy to appear with the Wu family in the same place!"

"You..." The guy was furious and blurted out: "Why don't you make sense at all? You are too domineering!"

Roger said coldly at this time: "Boy, dare to talk to the Wu family like this, you are you not afraid, or you are tired of living!"

The guy said neither humble nor overbearing: "the Clinic is a place where gods can heal people and save people. Everyone here must abide by the rules set by god doctors!"

"Tianqi?" Roger snorted, and said, "In front of the Wu family, the genius Shi must obey the rules of my Wu family. If you don't believe it, let the genius Shi come out by himself!"

In fact, Roger deliberately wanted to be arrogant and domineering, and it was best to make Tianqi resist the Wu family. In this case, Tianqi might refuse to treat his younger brother, or deliberately hide.

In short, what he wanted to do was to prevent his brother from being cured as much as possible.

Regnar hadn't spoken before, and when the bodyguard came out to drive people, he didn't speak either, because he felt that this was the Wu family's usual style of doing things.

When the Wu family goes out, they never allow ordinary people to be like them, let alone ordinary people with them.

Even if the Wu family goes out to visit a store, the bodyguard will definitely clear all the guests out of the store, allowing the Wu family to stroll around freely.

They have long been accustomed to enjoying this detached treatment, so even if they come to Tianqi to see a doctor, they don't want to be with these ordinary people.

However, Roger's attitude at this time, in Regnar's view, was a bit too rash.

He felt that Roger could target these ordinary people, but he should not target Tianqi.

Chapter 638

After all, Tianqi is no ordinary person.

This kind of genius doctor is very famous throughout the country, and he knows a lot of big people. I don't know how many big people ask him for diagnosis and treatment. Therefore, if you want to ask him to treat the younger son, you must be respectful.

However, he didn't realize that this was Roger's intentional act. He only felt that he might have become domineering and confiscated his temper for a while.

So he opened his mouth and said: "Roger, we are here to find a genius doctor to treat your brother, so we must not be rude!"

Roger said hurriedly: "I know Dad, I didn't control my temper just now, please forgive me."

Regnar waved his hand and said to the fellow at the Clinic: "Brother, please tell the genius doctor Tianqi, just say that Regnar from the Wu family has come to visit and wants to see him."

Although the young man was very dissatisfied with this group of people, he was glared at by the other's bodyguard leader and did not dare to say anything, so he ran back to inform Tianqi.

Tianqi quickly walked out with a cold face.

He glanced at Regnar and Roger in front of the door, then frowned and asked, "Two, you guys will drive all my patients away without my consent. You are too unreasonable, right?"

Regnar smiled slightly, and said, "Mr. Shi, I am Regnar from the Wu family, you must have heard of me."

Tianqi said with a cold face: "It is said that the Wu family is the first family in the south of the Yangtze River. Only today I discovered that the Wu family really is so powerful!"

Regnar smiled and said, "Don't be angry genius doctor Tianqi, let's go in and talk?"

After speaking, Regnar stepped into the Clinic on his own, not treating himself as an outsider.

Tianqi was angry and snorted coldly, and said, "I'm sorry, the Wu family is so prestigious that Shi can't afford it, so we have nothing to talk about."

Regnar smiled slightly and said, "Why do you have to be a genius doctor for a group of poor people? You are a genius doctor recognized by upper-class society. Treating large families and big people is your greatest value. Treating these poor people cannot pay you what you deserve?"

Tianqi said earnestly: "I opened up this place to help the world, not to make money. I treat the poor, not only don't get a penny but sometimes give medicine and donate money. If it's just to make money, why should I have to settle in Aurous Hill?"

Regnar was taken aback for a moment. He didn't expect Tianqi to not make money?

He doesn't believe that someone does things not for money.

The only possibility is that the money is not enough!

So, he opened his mouth and said: "You have been working as a genius doctor. I have heard your name for a long time and know that you have no disease that can not be cured, so I came today to ask you to see my young son."

After that, he said again: "Let's do it, you close the store, I will arrange a special plane to take you to Suzhou, and I will give you 10 million when you visit. If it is cured, I will give you another 50 million!"

Tianqi waved his hand and said faintly: "Sorry, Shi only sits in Clinic for a doctor now. Except for old friends, anyone who wants to see Shi for a doctor must come to Clinic."

After that, Tianqi added: "In addition, when you come to Clinic to see a doctor, you must abide by my rules. I am disgusted with the behavior of driving away other guests like you, so I don't welcome you here!"

Chapter 639

Tianqi has met many big people, and some of them have a higher status than Regnar, but those big people are respectful to him.

It was the first time he had met someone like the Wu family, arguing in front of him.

Although the Wu family was the first family in the south of the Yangtze River, Tianqi was not afraid of them either, so he refused very simply.

Regnar frowned. He didn't expect this Tianqi to be so ignorant of admiration. He invited him to see his youngest son. He also promised a huge return. He didn't expect that he would refuse it!

Annoyed, Regnar said coldly: "Mr. Shi, I hope you can speak a little better, how famous and powerful the Wu family is, you don't need me to remind you?"

Tianqi snorted coldly and said arrogantly: "I have lived to this age, and my tone has always been like this. If you don't want to listen, you can go out."

“you.....”

Regnar was furious in his heart!

Since arriving in Aurous Hill, he felt that the people in this place were a bit strange.

For some reason, there are thorns everywhere, and his Wu family's great reputation seems to be useless in this little city.

Yesterday's dinner was also the case. Solmon White, Qin Gang, and Mr. Orvel were all polite on the surface, and they didn't take their solicitation into consideration.

Now, this Tianqi dare to pretend to be forced by himself? Is it true that Regnar Wu's family in Aurous Hill is the Raptors above the rivers? !

Roger saw his father's eyes with anger, and immediately realized that the opportunity was coming, so he yelled: “Old Master, how do you talk to my dad?! Believe it or not, I smashed your hospital today. ?”

Regnar stopped Roger and said to Tianqi with a smile: “Don't be surprised by the genius doctor. My son is a young man. Young people have a bad temper and are easy to impulse.”

After all, he suppressed the anger in his heart and said: “Mr. Shi the genius doctor, I came to you, just because we want you to go to Suzhou. Suzhou is not far away from Aurous Hill. The special plane can be there in one hour, as long as you run. This time, I will give you 10 million, what do you think?”

Tianqi shook his head and said lightly: “I can't cure your son, please go back.”

“You...” Roger immediately said angrily: “You old thing, you don't even know what the disease is, so you can't cure it by yourself? Are you kidding with our Wu family?”

Regnar, who was on the side, looked gloomy, looked at Tianqi coldly, and asked, “doctor Tianqi, you seem to be targeting our Wu family?”.

Tianqi gave them a cold look, and said, “You came here today and didn't abide by my rules and drove away from my patients. Are you not targeting me?”

Regnar said coldly: "I said, I only target the poor, they don't deserve to be under the same roof as Regnar!"

Tianqi sneered and said: "What a joke! All beings are equal, can you still manage other people under the same sky?"

Regnar said: "I can't manage things under the sky, but I can manage things under the eaves!"

After he finished speaking, he said sharply: "Tianqi, I will pay you face to visit you personally, and also prepared a generous gift for you. If you promise me, I will give you the money, and I will give you the generous gift, but if you don't Promise, that would make you an enemy of my Wu family!"

Tianqi said neither humble nor overbearing: "I said, I can't cure your son. If you have to be an enemy of me, then please be so. I will practice medicine for a certain life. Home, even if it's the Eastcliff Su family, or even the Wade family? The Old Master is nothing more than a life, just take it away!"

Chapter 640

Regnar's expression is very ugly.

He didn't expect Tianqi to be so rigid.

He just drove away those paupers and stinky silks, he even choked with himself?

With Tianqi's attitude, Regnar really wanted to slap his old face. After all, when has he been targeted?

But thinking about it carefully, he still didn't dare to offend Tianqi.

Tianqi is a national expert in traditional medicine, the top traditional medicine doctor in the country. Don't know how many big people have been treated and taken care of by him. Even the big family and big people of Eastcliff have also benefited a lot. If he really beat him, it will not be a good thing for his own PR and reputation.

So, he could only endure the urge to do it first, snorted, and said: “Shi the genius doctor, you are also a benevolent generation of famous doctors, why are you so sloppy today, even my youngest son hasn’t seen it, so just talk about the treatment. Not anymore?”

Having said that, he said again: “You can do nothing, but I want you to say this after you meet Wu Qi! So, to be a genius doctor, please take the initiative and take a trip to Regnar!”

Tianqi said coldly: “Regnar, what is the virtue of your little son, don’t you know? Don’t talk about you, even I, Old Master, have heard of his deeds. He has money and spoil young girls everywhere, and is particularly keen on brainwashing and controlling young girls’ thoughts so that he is happy and proud of making young girls self-harm or even commit suicide. For such a person, even if Tianqi died, I would not give the treatment!”

Regnar was also furious at this time!

He thought in his heart, Mr. Shi, I have tolerated you for a long time, and you still toast not to eat or drink fine wine, you are looking for death!

Immediately, he said coldly: “Tianqi, you mean, you must go against our Wu family?”

Tianqi said indifferently: “What you want to see is your freedom, but no matter what you say, I won’t treat your son! Please feel free to leave.”

Regnar’s eyes were cold and sharp, and he said, “It seems that my Wu family is not walking around in Aurous Hill.

After all, staring at Tianqi, he questioned: “Mr. Shi, have you ever thought about the consequences of offending Wu family?”

“Consequence? What is the consequence?” Tianqi sneered and said, “Could it be that the Wu family is still planning to kill Shi?”

Regnar’s murderous intent was in his eyes. At this moment, he really moved to kill.

But he also knew very well that Tianqi was incapable of killing.

Kill him, if someone with high morals needs to ask him for medical treatment, then he will be in a big disaster.

After a moment of silence, Regnar said with a dark face: "I won't kill you, but if you don't put my Wu family in your eyes and spread it out, my Wu family will be ashamed! So I let you know what it means to offend the Aurous Hill First Family."

As soon as the voice fell, he immediately yelled at the bodyguard next to him: "Come here, give me his shop!!!"

Tianqi suddenly yelled and rebuked: "Regnar, dare you!"

Regnar snorted coldly and scolded angrily: "Mr. Shi, I know you know a lot of big people. If I really kill you, I might really have to weigh it, but if I smash your Clinic, I have What dare not?"

After speaking, Regnar screamed: "I tell you, in the future, Tianqi only has to dare to open a Clinic, and if you open one, I will destroy one. I want to see if anyone can help you out!"
